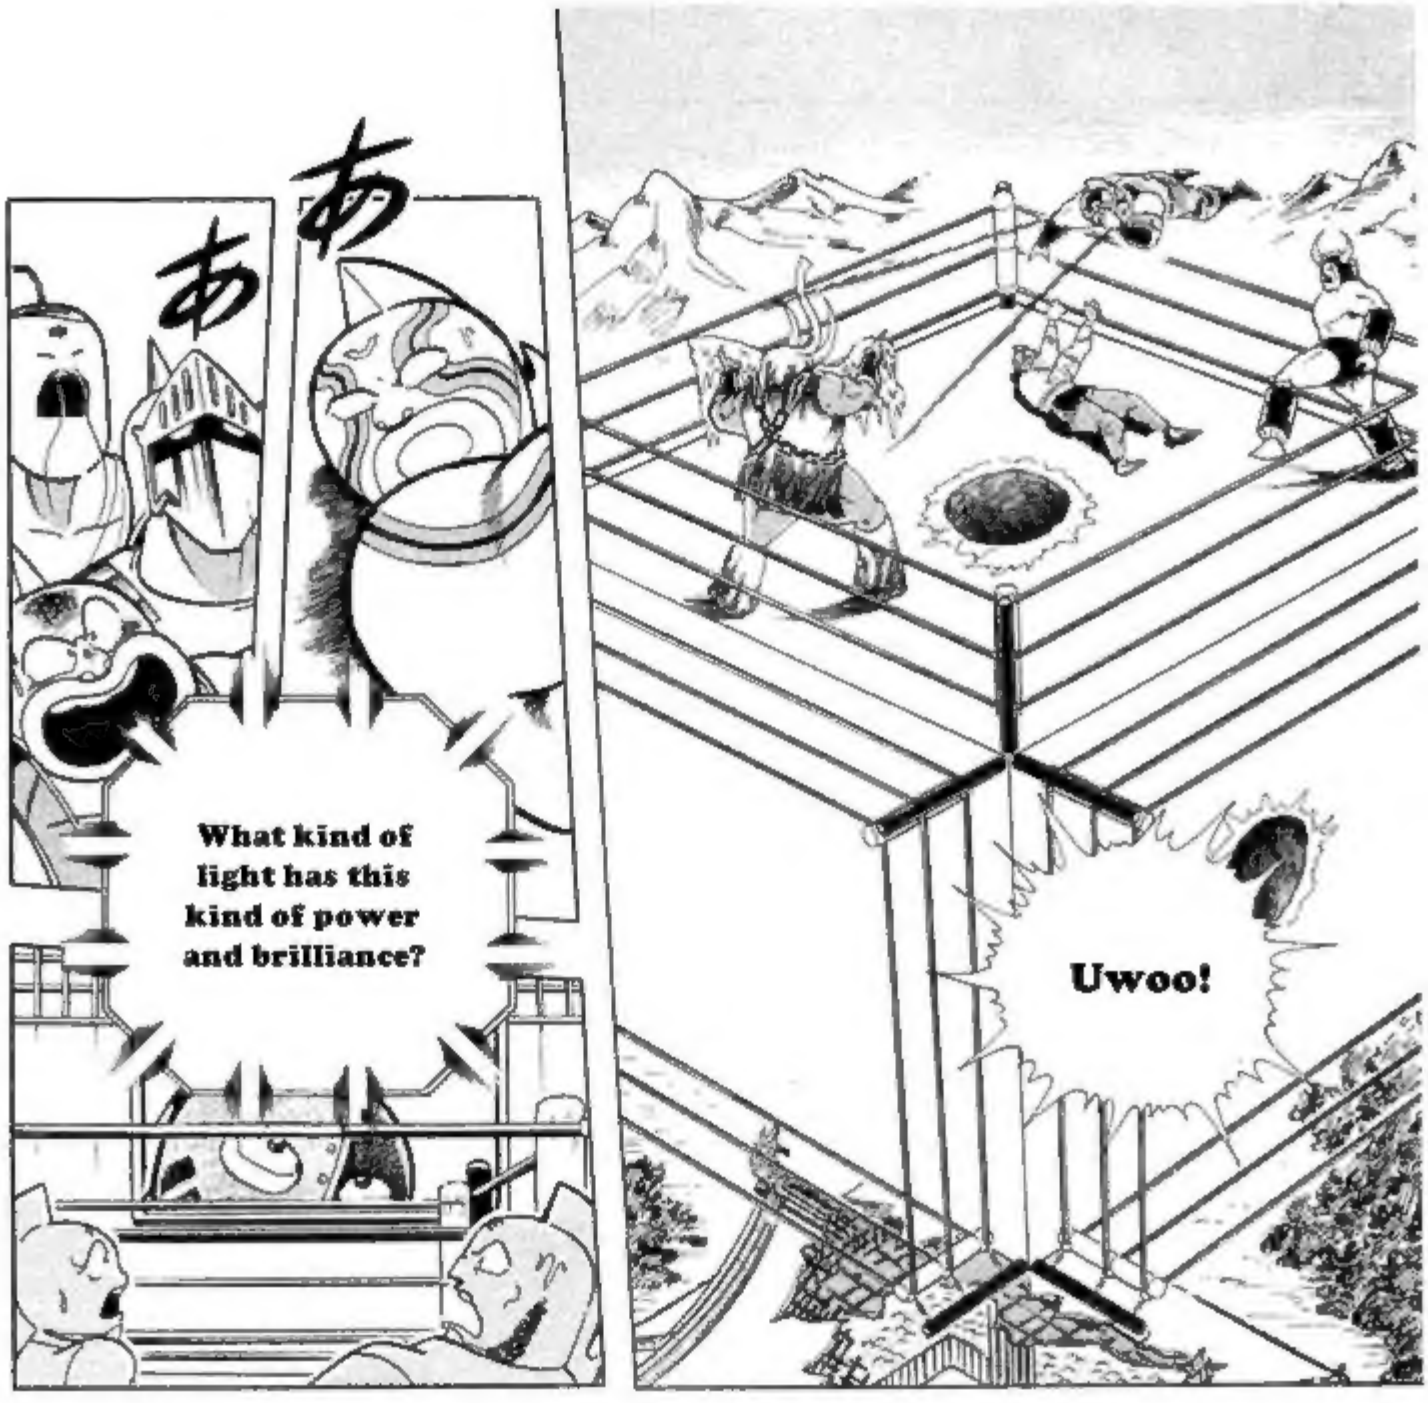
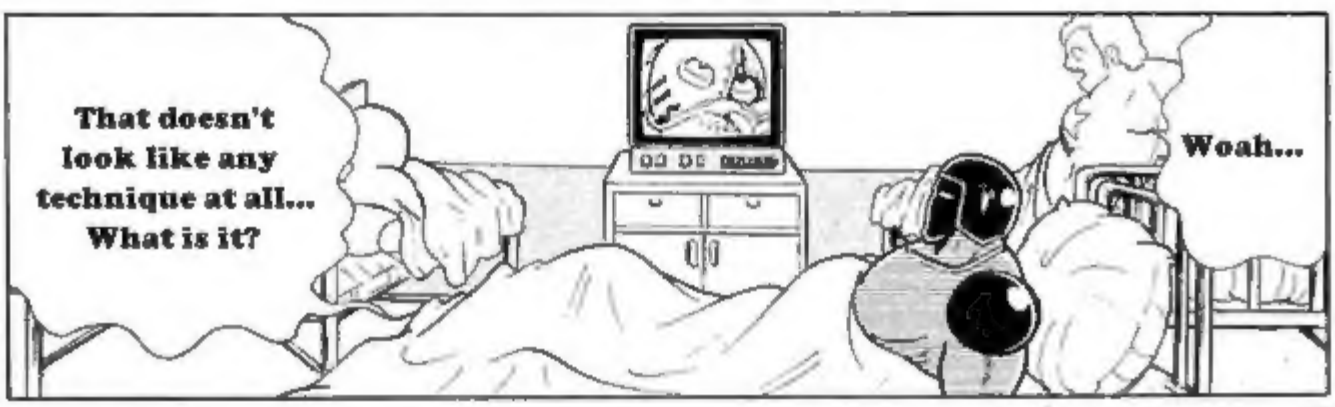
Scramble for the Kinniku Throne 54

Suspicous Fighter Soldier!



あ
あ
What kind of light has this kind of power and brilliance?
Uwoo!

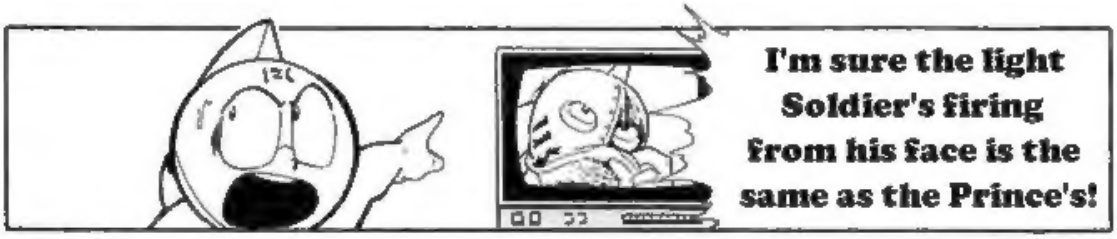
姫
Himeji Choujin Hospital



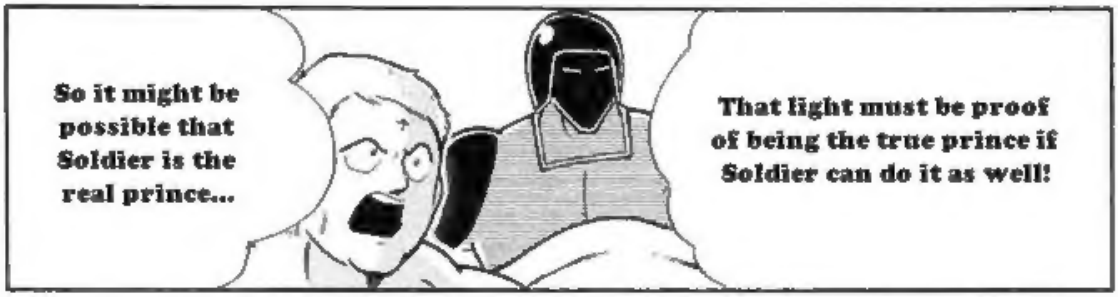
That doesn't look like any technique at all... What is it?
Woah...

You mean Kin-niku-man?!
I... I've seen this miracle before! When the Prince did it three times in the past!
What's wrong, Meat!?
Aah!
The second time was during Terryman's fight with King The 100 Ton back in the first round. When Terryman was caught in King's Jet Roller See-Saw, the Prince had revealed his face, and this time the light bended the see-saw, saving Terryman's life...
The first time was before this Survival Match had begun, when the Prince was so depressed he tried to throw his mask away into a dirty river...
When his face was exposed, a blinding light shined from it and it turned the river to a clean river in the blink of an eye...
争奪戦が始まる前
Hey, that's right! Kinnikuman saved me from that monster King The 100 Ton!

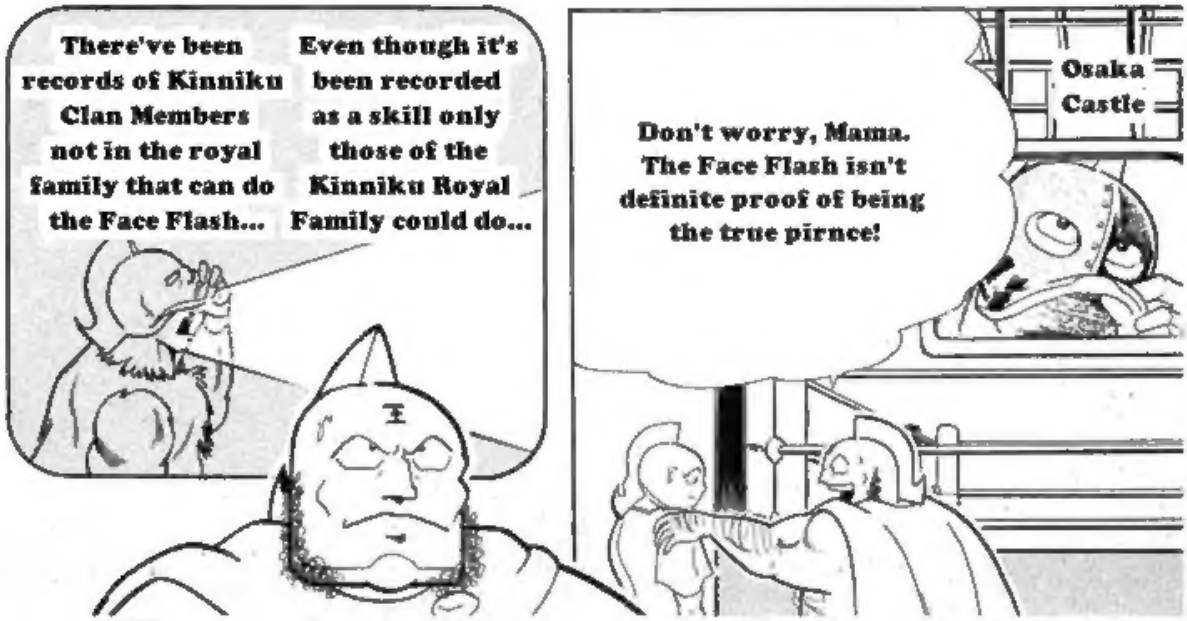
Prince had survived it when he used that same light to help toughen his body to endure the impact...
And the third time was during the tag match between Prince and Zebra, when Zebra caught Prince in his Canvas Presser.



I'm sure the light Soldier's firing from his face is the same as the Prince's!



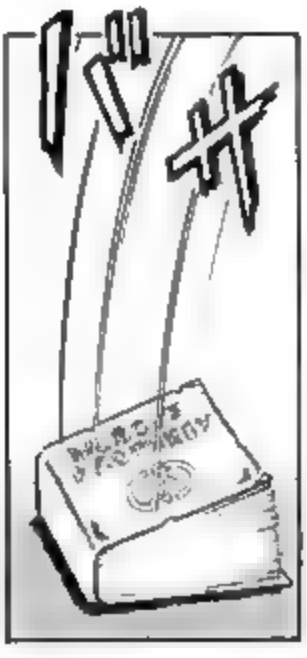
So it might be possible that Soldier is the real prince...
That light must be proof of being the true prince if Soldier can do it as well!



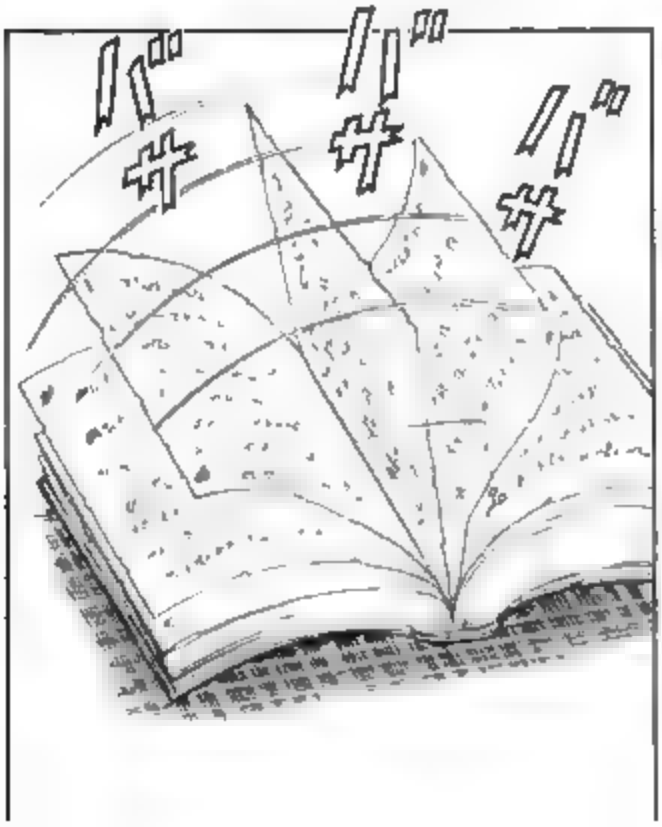
There've been records of Kinniku Clan Members not in the royal family that can do the Face Flash...
Even though it's been recorded as a skill only those of the Kinniku Royal Family could do...
Osaka Castle
Don't worry, Mama. The Face Flash isn't definite proof of being the true pirnce!

I've never doubted that Suguru was the true prince...
And there've been royal members like me who can't do the Face Flash! So Suguru still has a chance of proving his legitimacy!
Maybe he really is Ataru, who ran away from us 25 years ago!
But when I look into Soldier's sunken eyes, it feels like I've met him before...
ATARU!
I'm getting out of this house!
That... can't be. What reason would he for coming back?

While having to bear through it alone with no friends, when we never even let him out to play with the other children...
Why would he ever come back after the non-stop training of wrestling and fighting we put him through...



Ooh... How could we let it come to this?



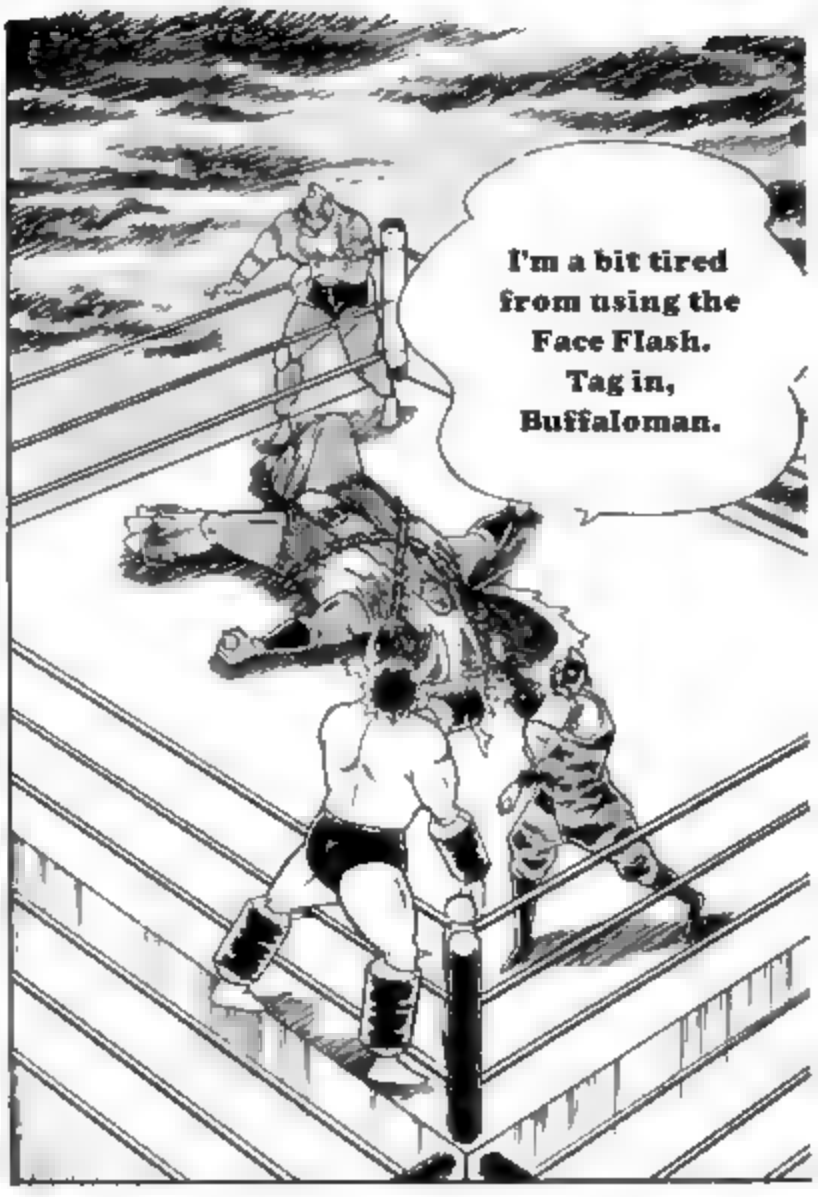
MUSCLE PHYSICS

Ah! The book's turning its pages by itself!
It stopped... Maybe there'll be another omen here...
Hmm, what's this? 'When the skull falls, the vortex man will show the fighters of friendship the true way to fight.'
It seems pretty important, but I can't deciper what it's predicting...
Falling skulls? Vortex man? Fighters of friendship?
What does any of this even mean, Papa?

'When the skull falls, the vortex man will show the fighters of friendship the true way to fight'
But I really wonder what this prediction will mean for Suguru and the rest of us...
Geh! It melted!
With Mammothman distracted, Soldier is jumping at him!
And lands on his shoulders!

And crashes his head into the hole created by Brocken Jr and Prisman!
Mammothman's falling backwards from Soldier's Flying Body Scissor Drop!
What's with this guy? He's been looking at me for some reason! Just what is he planning to do...
He knew a normal Body Scissor Drop wouldn't hurt a beast like Mammothman, so he used the ring hole to make it count... I'd hate to fight a man like Soldier!
The Soldier who was Phoenix's punching bag before is beating him and the monstrous Mammothman all by himself! Is the engine of Team Soldier finally at full throttle!?

Captain Soldier, the way you've started fighting now had me suspecting something...



I'm a bit tired from using the Face Flash. Tag in, Buffaloman.

.....!?

Buffaloman's taken Soldier's place in the ring!
Mammothman, I'll leave Buffaloman to you, but don't tire out!

Buffalo-man...

You were acting like someone you knew was watching you fight...

But I trust you know what you're doing. That's the reason why me and Brocken joined your team in the first place.

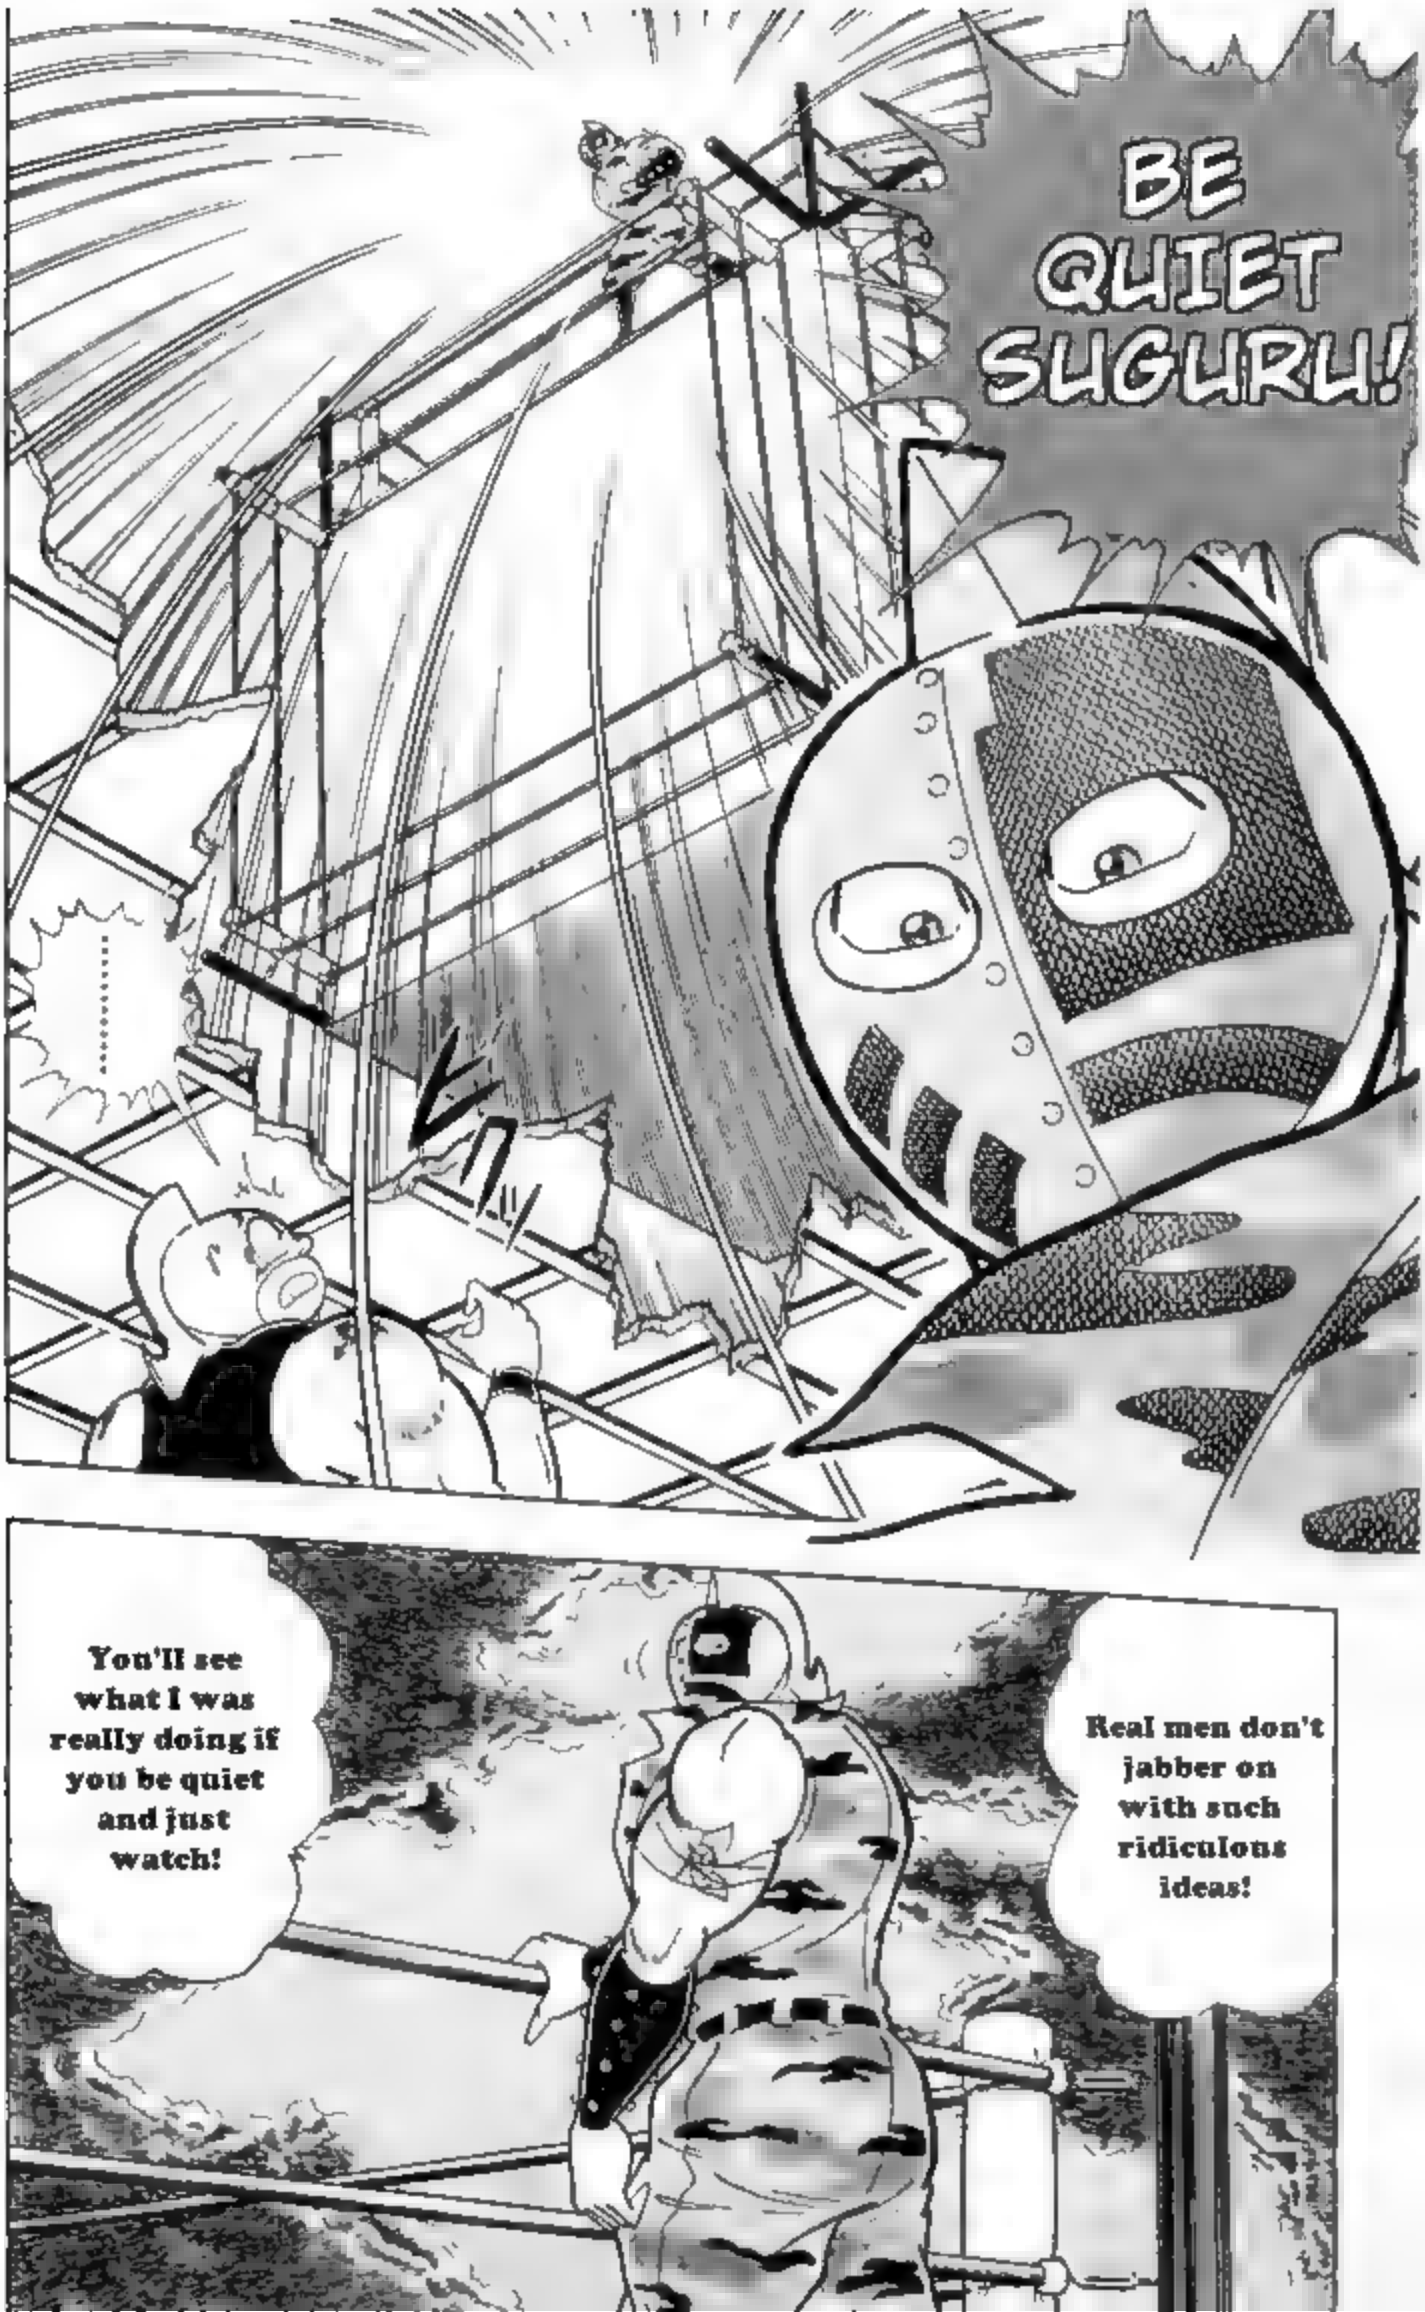
And now the dream match chosen by the readers has finally started! Mammothman versus 2nd place Buffaloman!
Don't worry, Lord Phoenix! I'll make up for my failing by taking out Team Soldier!
Which of these beasts will win? The Long Horns or the Big Tusks!?
The ring's actually shaking as they collide against each other!

Buffaloman's thrown Mammothman onto the ring ropes!
Hyah!
And slams him back on a return trip with a Shoulder Tackle!
Will Mammothman fall off the ring!?

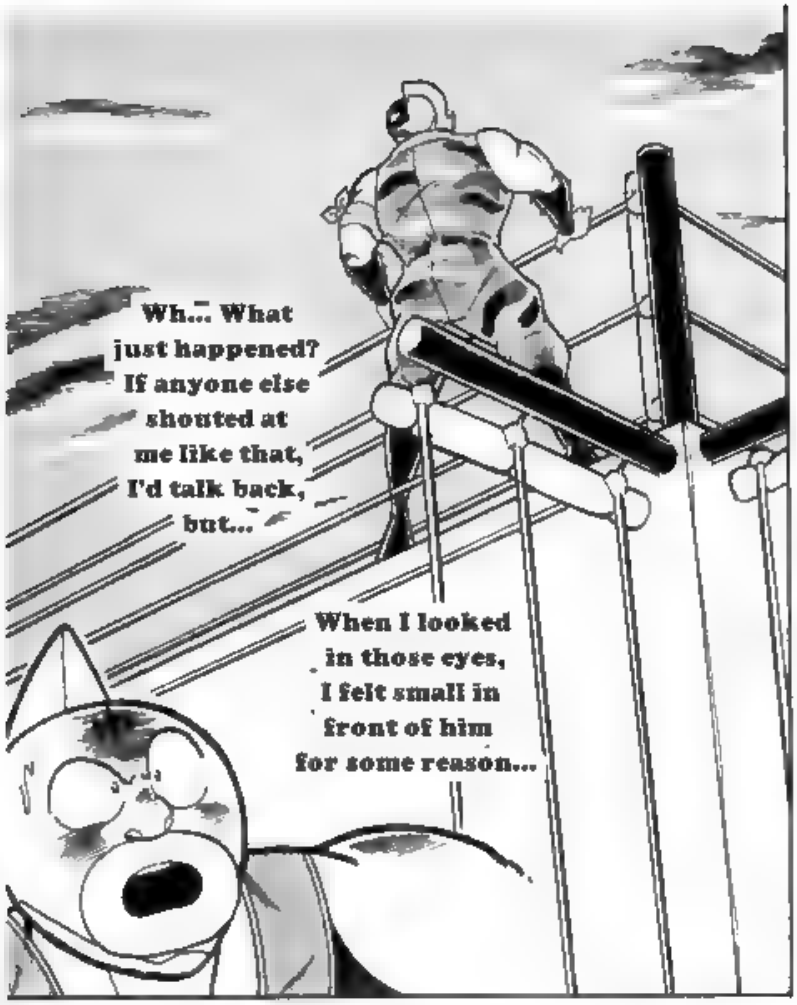
BIG TUSK U-TURN!
Mammothman's spun himself back into the ring with his tusks!
I can't believe what I'm seeing... The 10 Million Power Buffaloman being thrown like a doll...
Hehehe... That was a pretty boring move for such a big shot of Team Phoenix...
And is using his elephant trunk to toss Buffaloman with a Body Slam!

Lemme show you how to fight! Here's my best technique!
Buffaloman's kicking up dust like a angry bull ready to charge! Is he getting ready for the Hurricane Mixer!?
Hehehe... Come then. Come to the fire!
Let's go, Mammoth-man!
Uh oh! An iron ring pole has come out of nowhere and is flying right at the charging Buffaloman!

Captain Soldier!?
The one who attacked Buffaloman was his own captain!
Who... Who threw that pole!?
あ
あっ
.....
What's the big idea hurting my leg like that!? Now I can't use my Hurricane Mixer!
It was their plan to drag Justice Choujin like you and Brocken into this fake team and then kill you off when the time was right!
I knew it! Buffaloman! That Soldier was with Phoenix from the start!



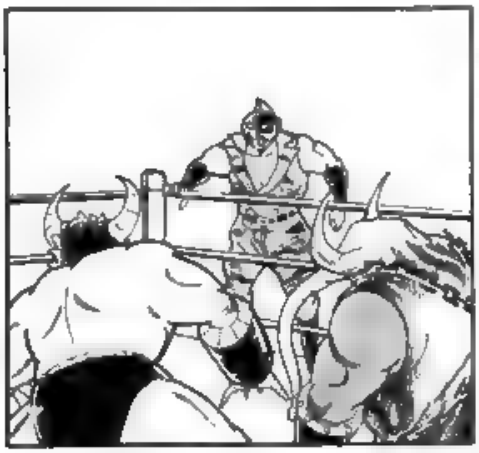
BE QUIET SUGURU!
.....
You'll see what I was really doing if you be quiet and just watch!
Real men don't jabber on with such ridiculous ideas!



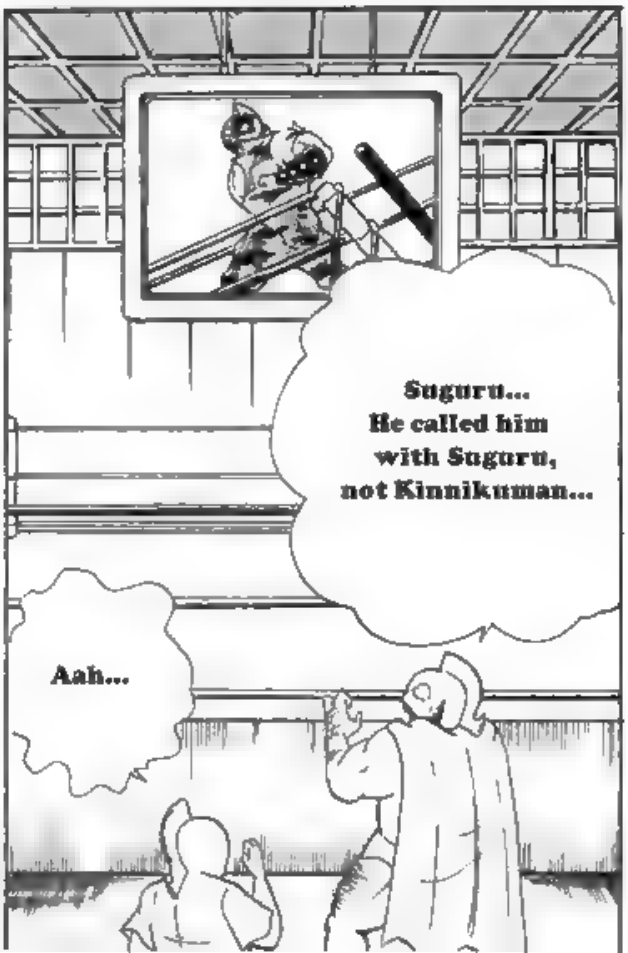
Wh... What just happened? If anyone else shouted at me like that, I'd talk back, but...
When I looked in those eyes, I felt small in front of him for some reason...

.....

FA
FA...



What are any of you even talking about!?

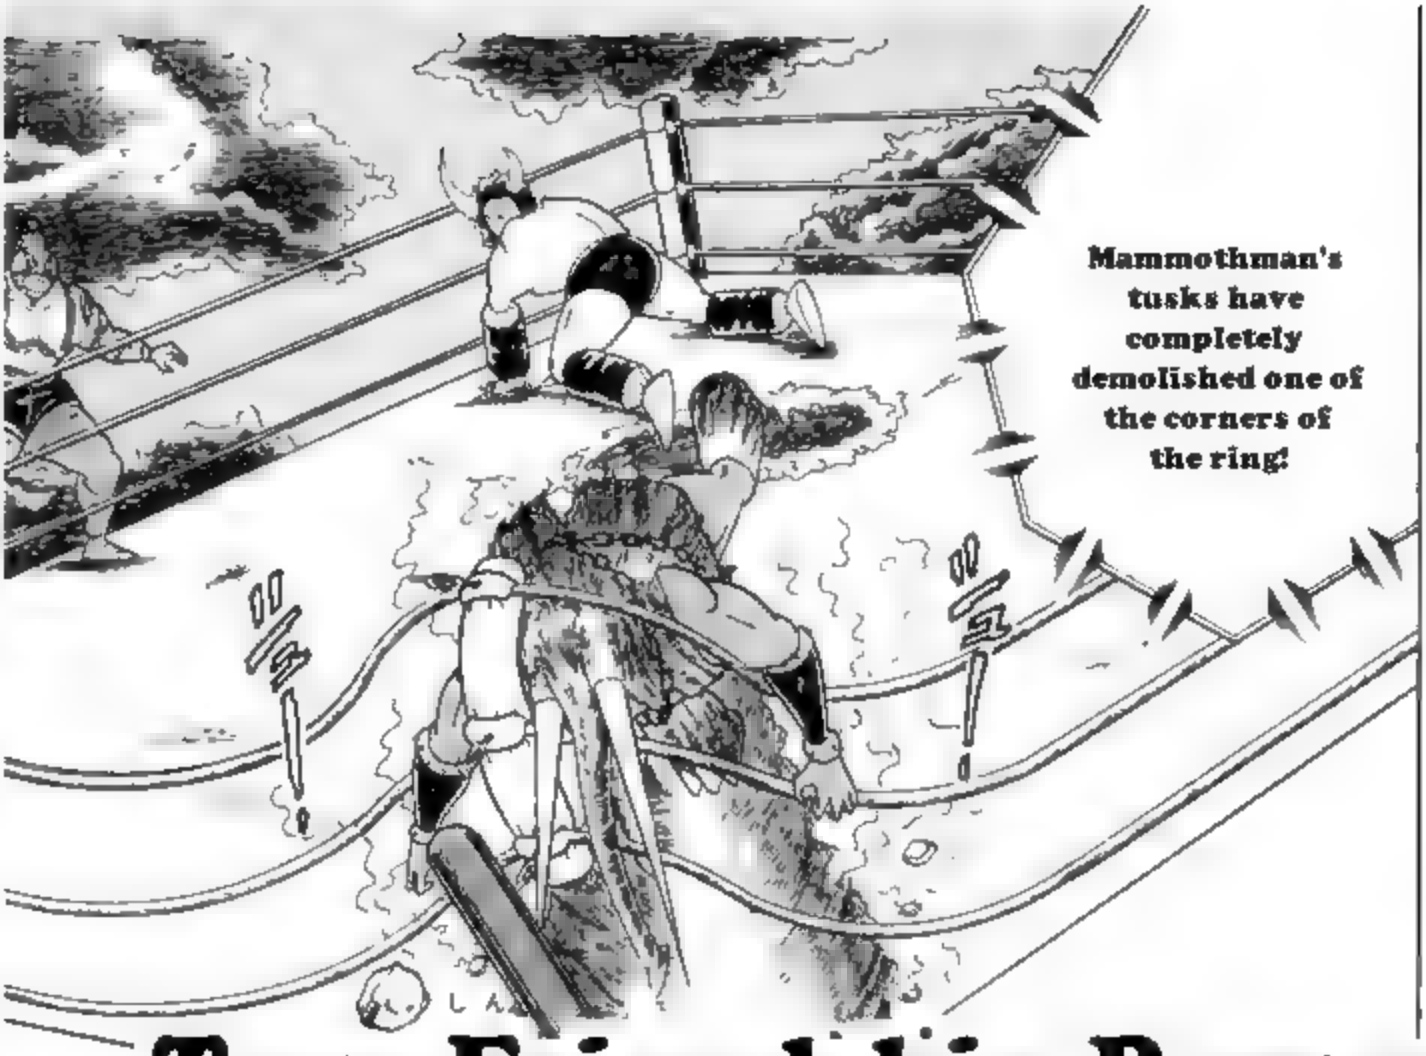


Suguru... He called him with Suguru, not Kinnikuman...
Aah...

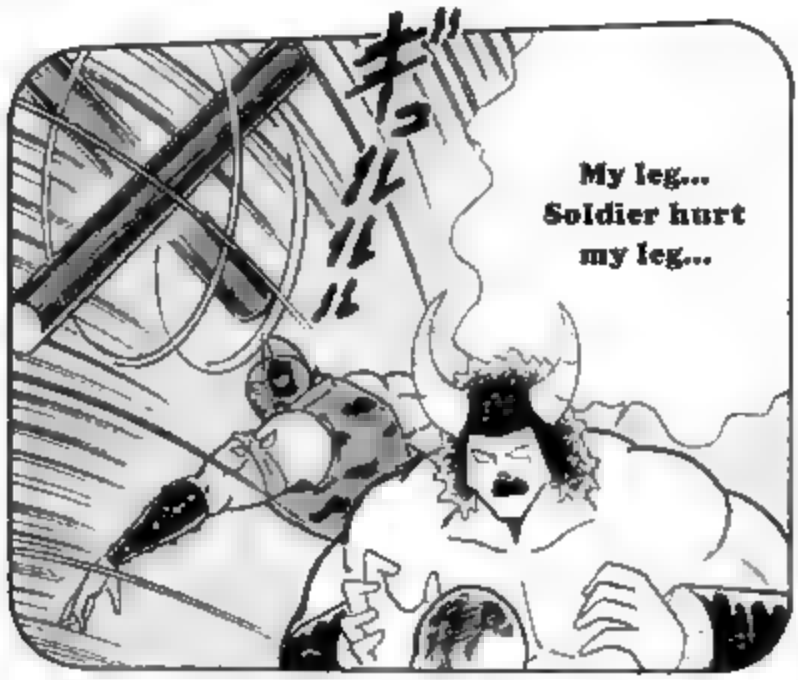
Hahaha! I forgot how good it felt being surrounded by enemies!
The undaunted Buffaloman's charging back with his Hurricane Mixer!
Mammothman's grown impatient and is charging at Buffaloman with his Big Tusks bared!
Aah!
Oh no! My injured leg!
.....!?
Buffaloman's avoided Mammothman's Big Tusks when his injured leg buckled!

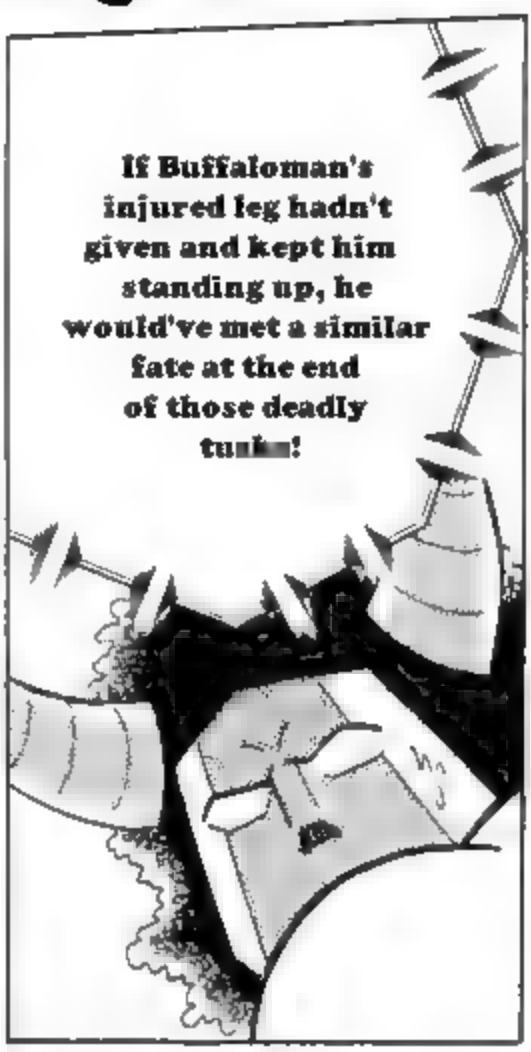
Oh my goodness! Mammothman's Big Tusks pack incredible destructive power! He demolished a corner of the ring with them!
Woah... If I hadn't fallen, I'd be on the end of those tusks...
Of course! Soldier knew about how dangerous those Big Tusks were and hurt my leg on purpose!

(SCRAMBLE FOR THE KINNIKU THRONE ARC)
SPECIAL VTR XLV (XXXXLV)
BUFFALOMAN VS. MAMMOTHMAN

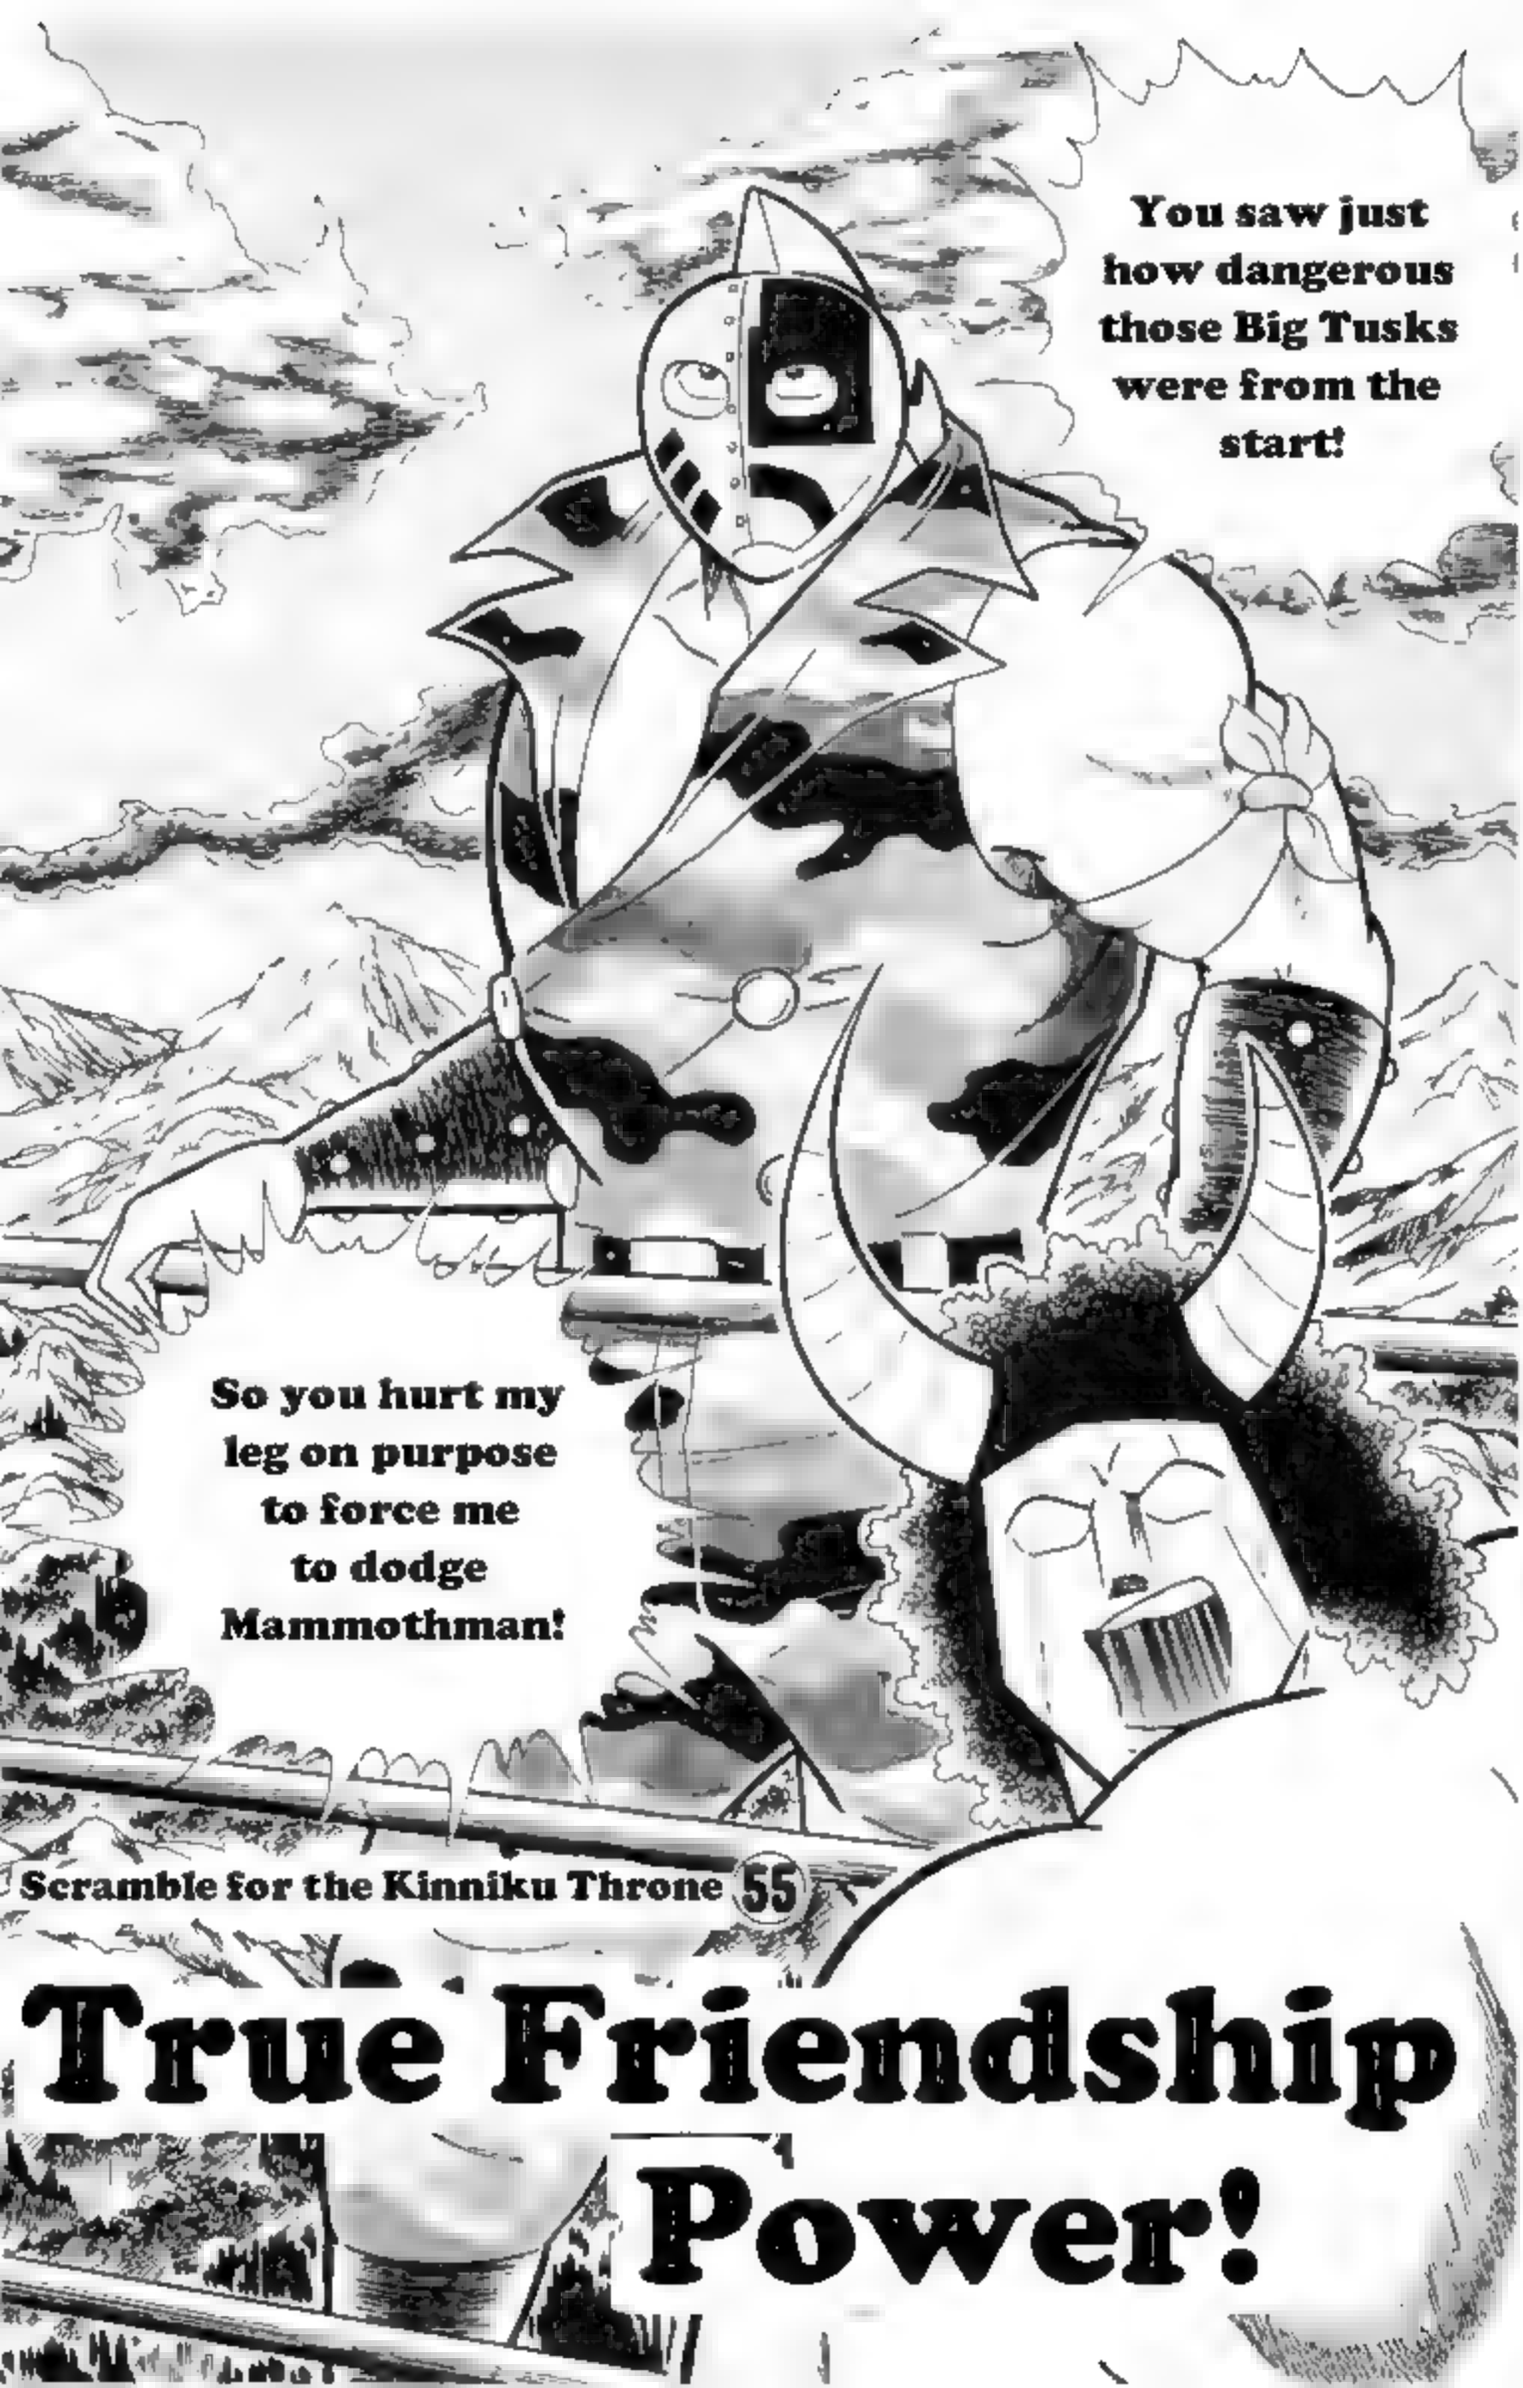


True Friendship Power!





If Buffaloman's injured leg hadn't given and kept him standing up, he would've met a similar fate at the end of those deadly tusks!

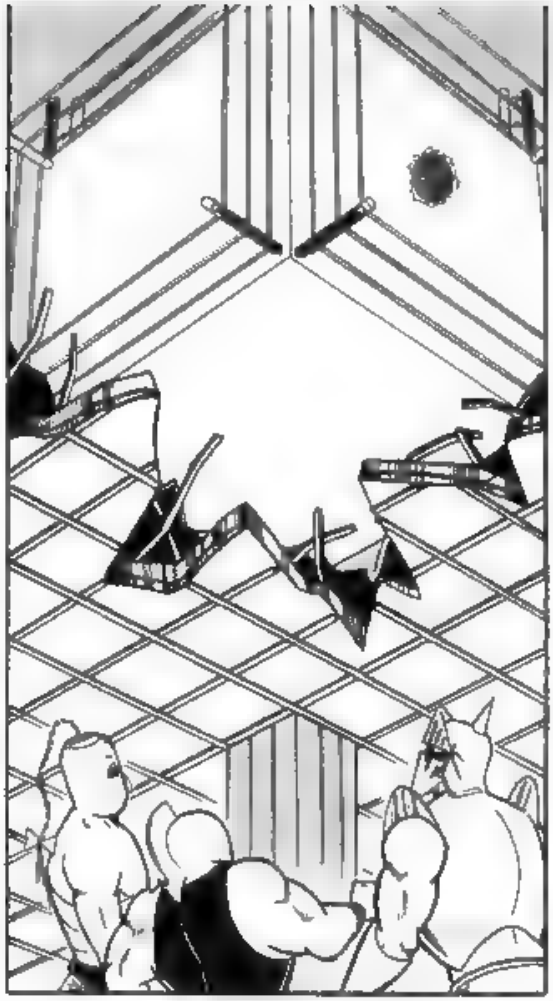


You saw just how dangerous those Big Tusks were from the start!
So you hurt my leg on purpose to force me to dodge Mammothman!

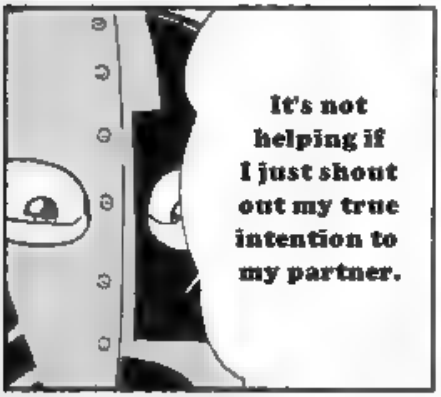
True Friendship Power!

Real men don't jabber on and on! You'll see what I was really doing if you watch!
I... I get it...

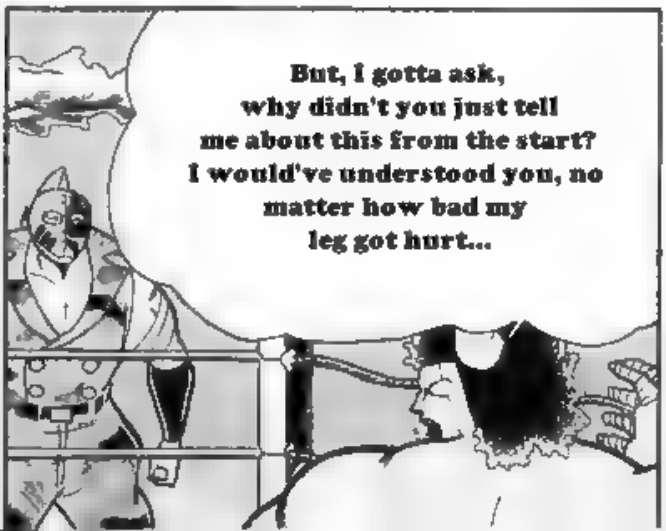
This is what Soldier meant!



.....
Captain Soldier, you have my thanks for helping me like that.

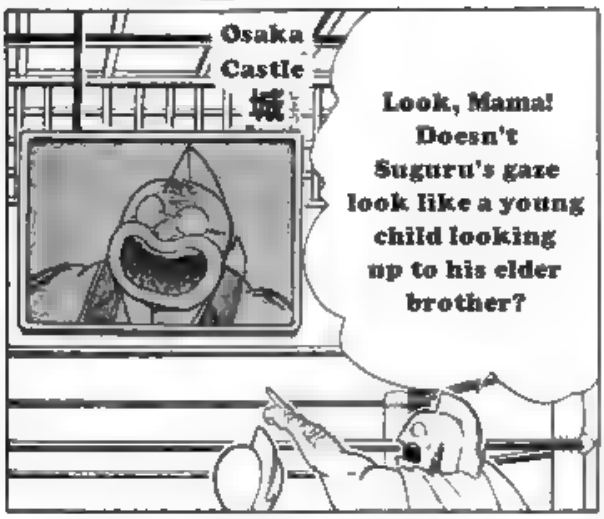


It's not helping if I just shout out my true intention to my partner.



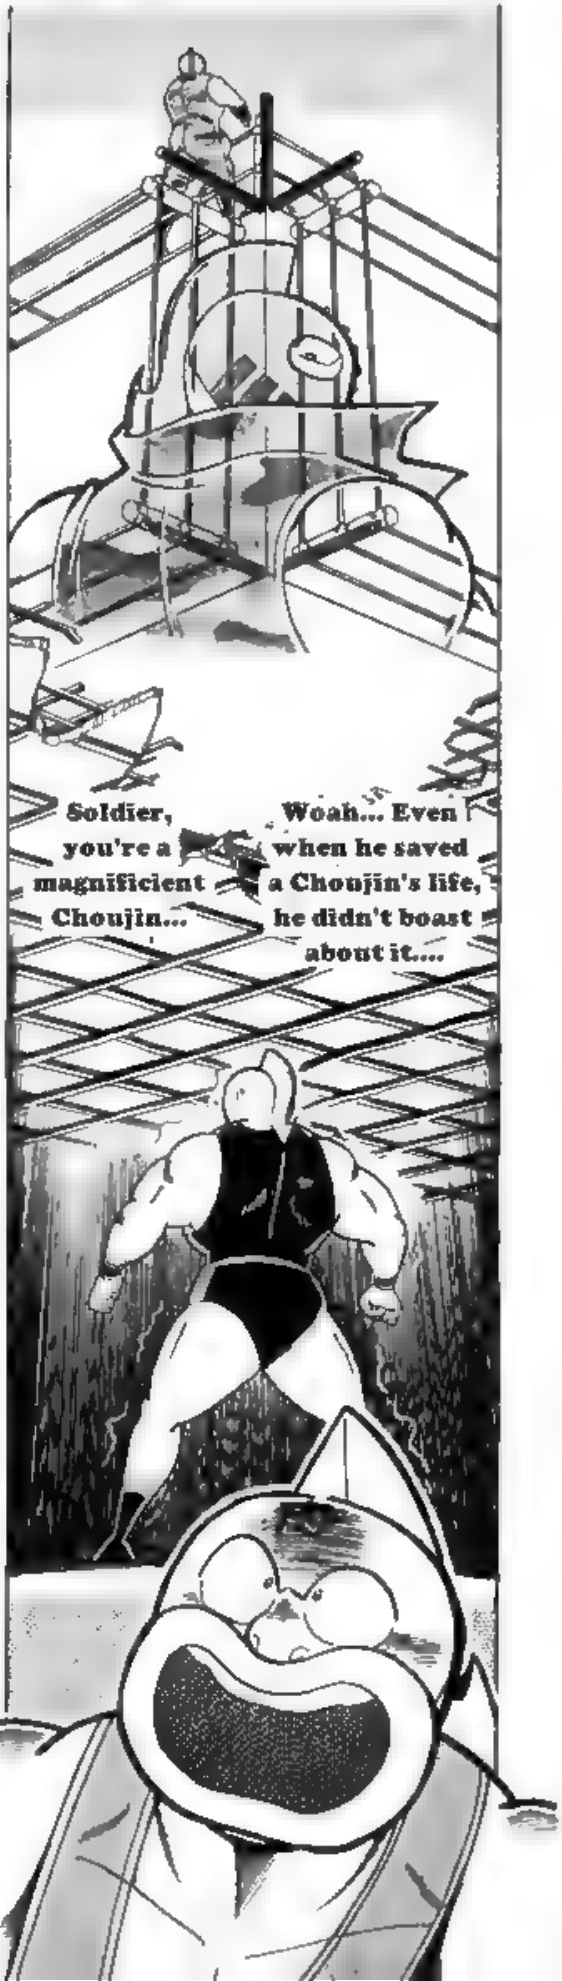
But, I gotta ask, why didn't you just tell me about this from the start? I would've understood you, no matter how bad my leg got hurt...

What the heck is Soldier even talking about? Why didn't he just tell Buffaloman to be careful?
That, my friend, is True Friendship Power!
True Friendship Power... A real Friendship Power!?
It's more complex than that. Soldier knew why that wouldn't work.
If Soldier had just told him how dangerous the Big Tusks were compared to his Long Horns...
And then.... He'd be another victim of Mammothman's Big Tusks...
Buffaloman's competitive spirit would've wanted to see how strong they really were.

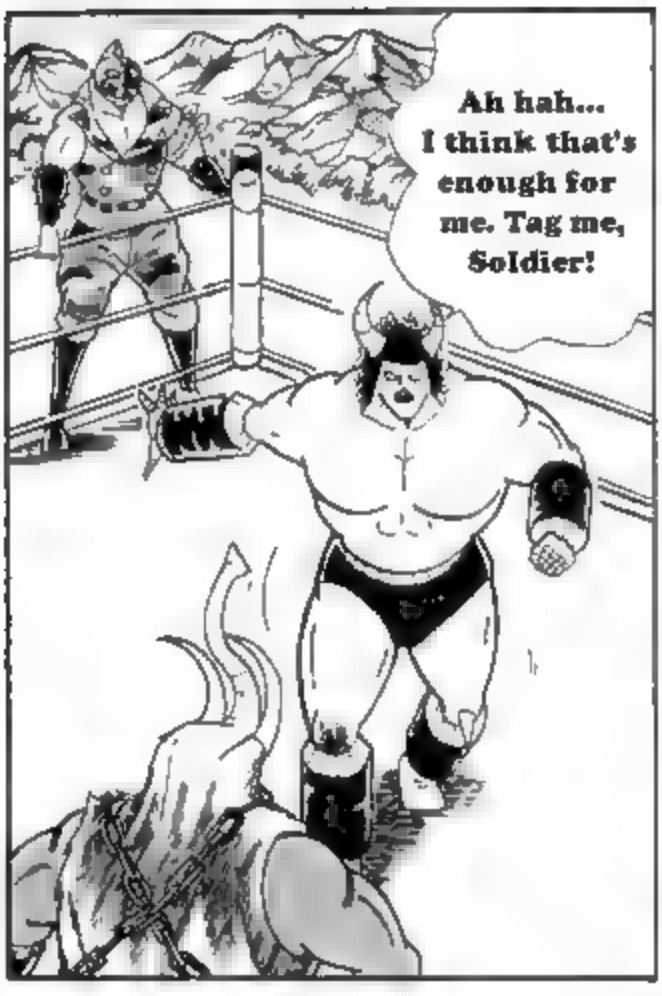


Osaka Castle
城
Look, Mama! Doesn't Suguru's gaze look like a young child looking up to his elder brother?

It looks like that Buffaloman's tipped the bout to his side by dodging Mammothman's dangerous tusks!
That was just a fluke! But whatever happened, that was a good dodge, Buffaloman!



Soldier, you're a magnificient Choujin...
Woah... Even when he saved a Choujin's life, he didn't boast about it....



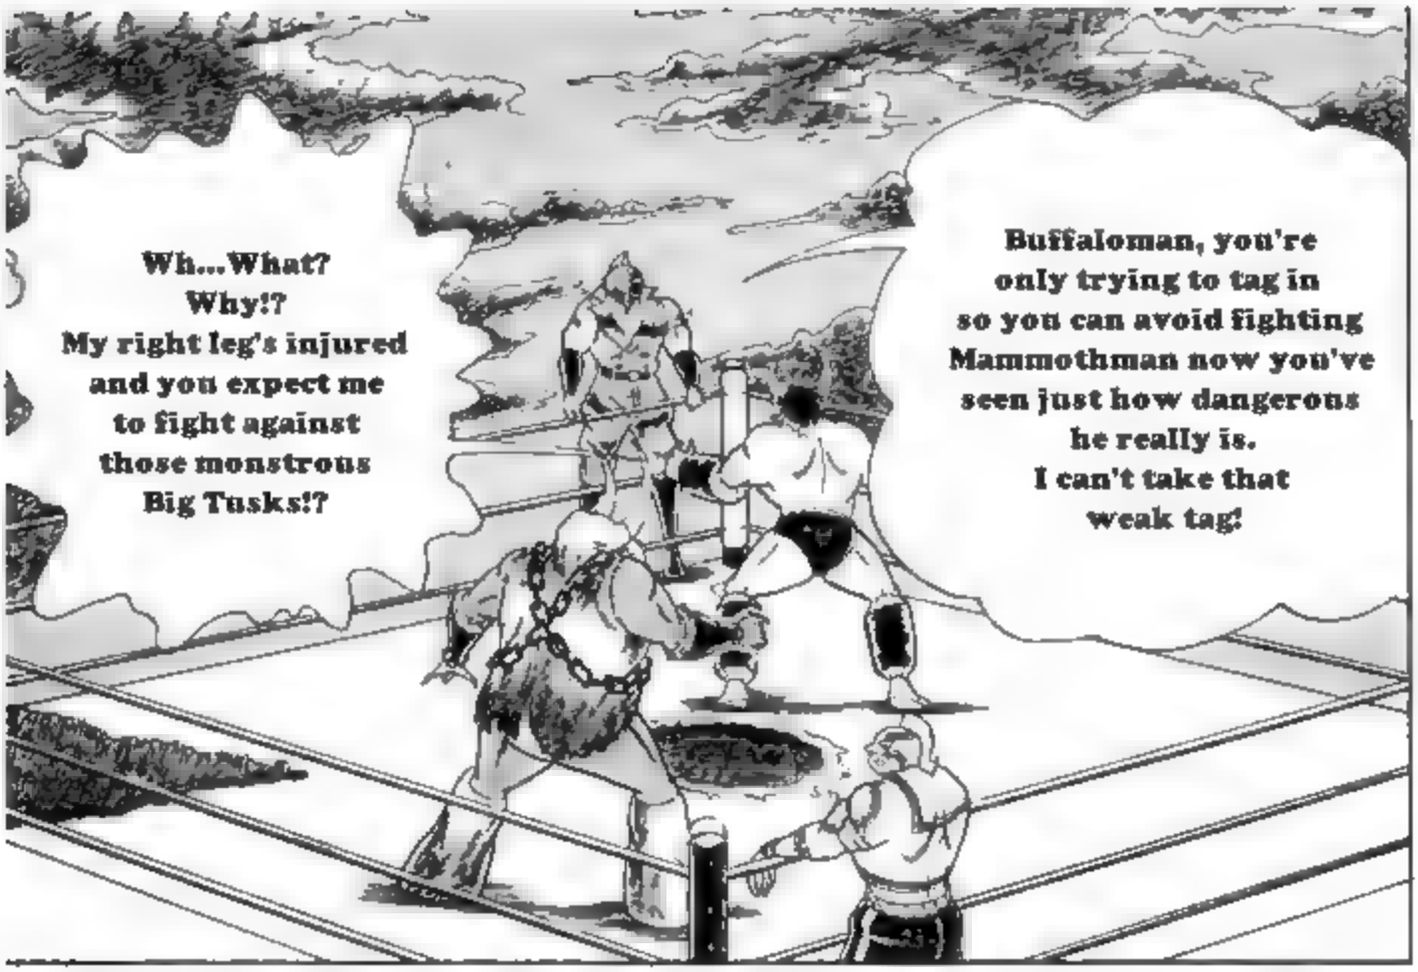
Ah hah... I think that's enough for me. Tag me, Soldier!

But still, I managed to hit another part of you with my Big Tusks...

Your courage...

And yet another weird act by Soldier! He's refusing to tag with Buffaloman!

あ あ...



Wh...What?
Why!?
My right leg's injured and you expect me to fight against those monstrous Big Tusks!?
Buffaloman, you're only trying to tag in so you can avoid fighting Mammothman now you've seen just how dangerous he really is.
I can't take that weak tag!

What!?
Our Friendship Power, a sick scam!?

.....
Isn't Friendship Power about helping out teammates in trouble!?

Buffaloman, it looks like you've lost the heart that thrived in conflict from your Devil Choujin days to the sick scam that is the Idol Choujin's Friendship Power!

From where I stand, Buffaloman, you still have some strength left, and it's enough to smash Mammothman!
True Fridnship Power doesn't count on everyone holding hands, it's about every Choujin doing their very best with their own abilities and strengths.
Kinniku-man!
I've got to save him!
I can't stand this any more! Buffaloman's gonna get killed!
Oh no! The Big Tusks
Mammothman's back on the attack after Team Soldier's breakdown!
DOAAA!

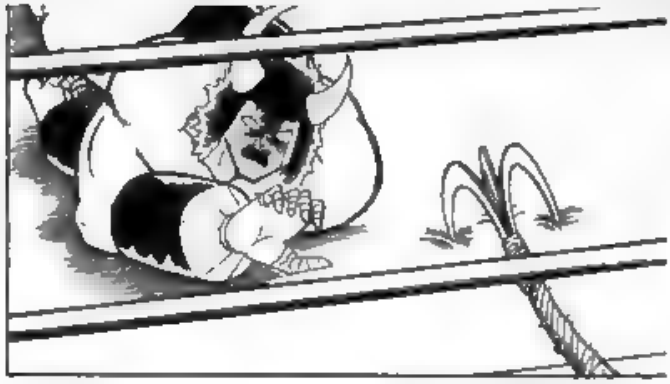
Gyahahaha! Don't worry, it's just a Shoulder Tackle!
ガ
ガ
ガ
……

Buffaloman! Didn't you used to rely only on your own techniques and power no matter how hard the fight was for you!?

ガ
ガ
ガ

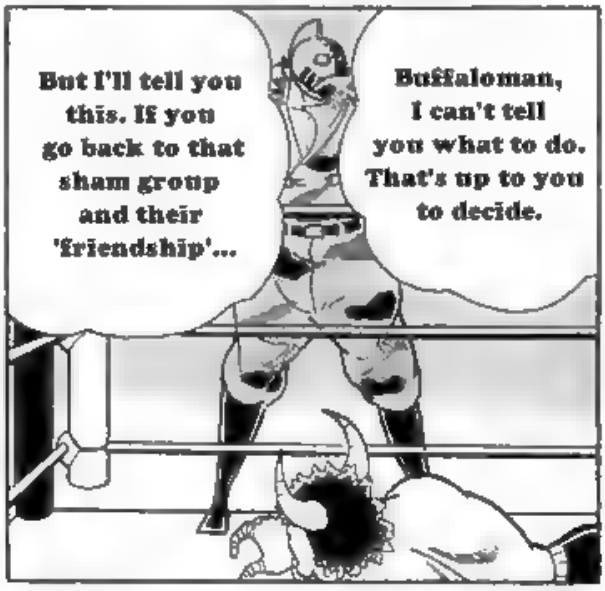
Hahah hahaha!
My hungry days... Devil Chouijn...
Remember! Go back to your hungry days as a Devil Choujin!
It looks like Buffaloman's too scared of Mammothman's Big Tusks to even fight back!
BIG FLIP!

Don't listen to anything that Soldier says, Buffaloman!
Ki... Kinnikuman?
B-but...
Now you can come back to the Justice Choujin, Buffaloman!
Fufufu... This is an interesting mid-air breakdown of Team Soldier...
I'll save you!



A WEAK CHOUJIN...

Then you'll never be able to fight any battle without the help of your friends. You'll become and will always be a
Weak Choujin!



But I'll tell you this. If you go back to that sham group and their 'friendship'...
Buffaloman, I can't tell you what to do. That's up to you to decide.

Don't listen to him, Buffaloman! Just grab the rope and climb back to us!

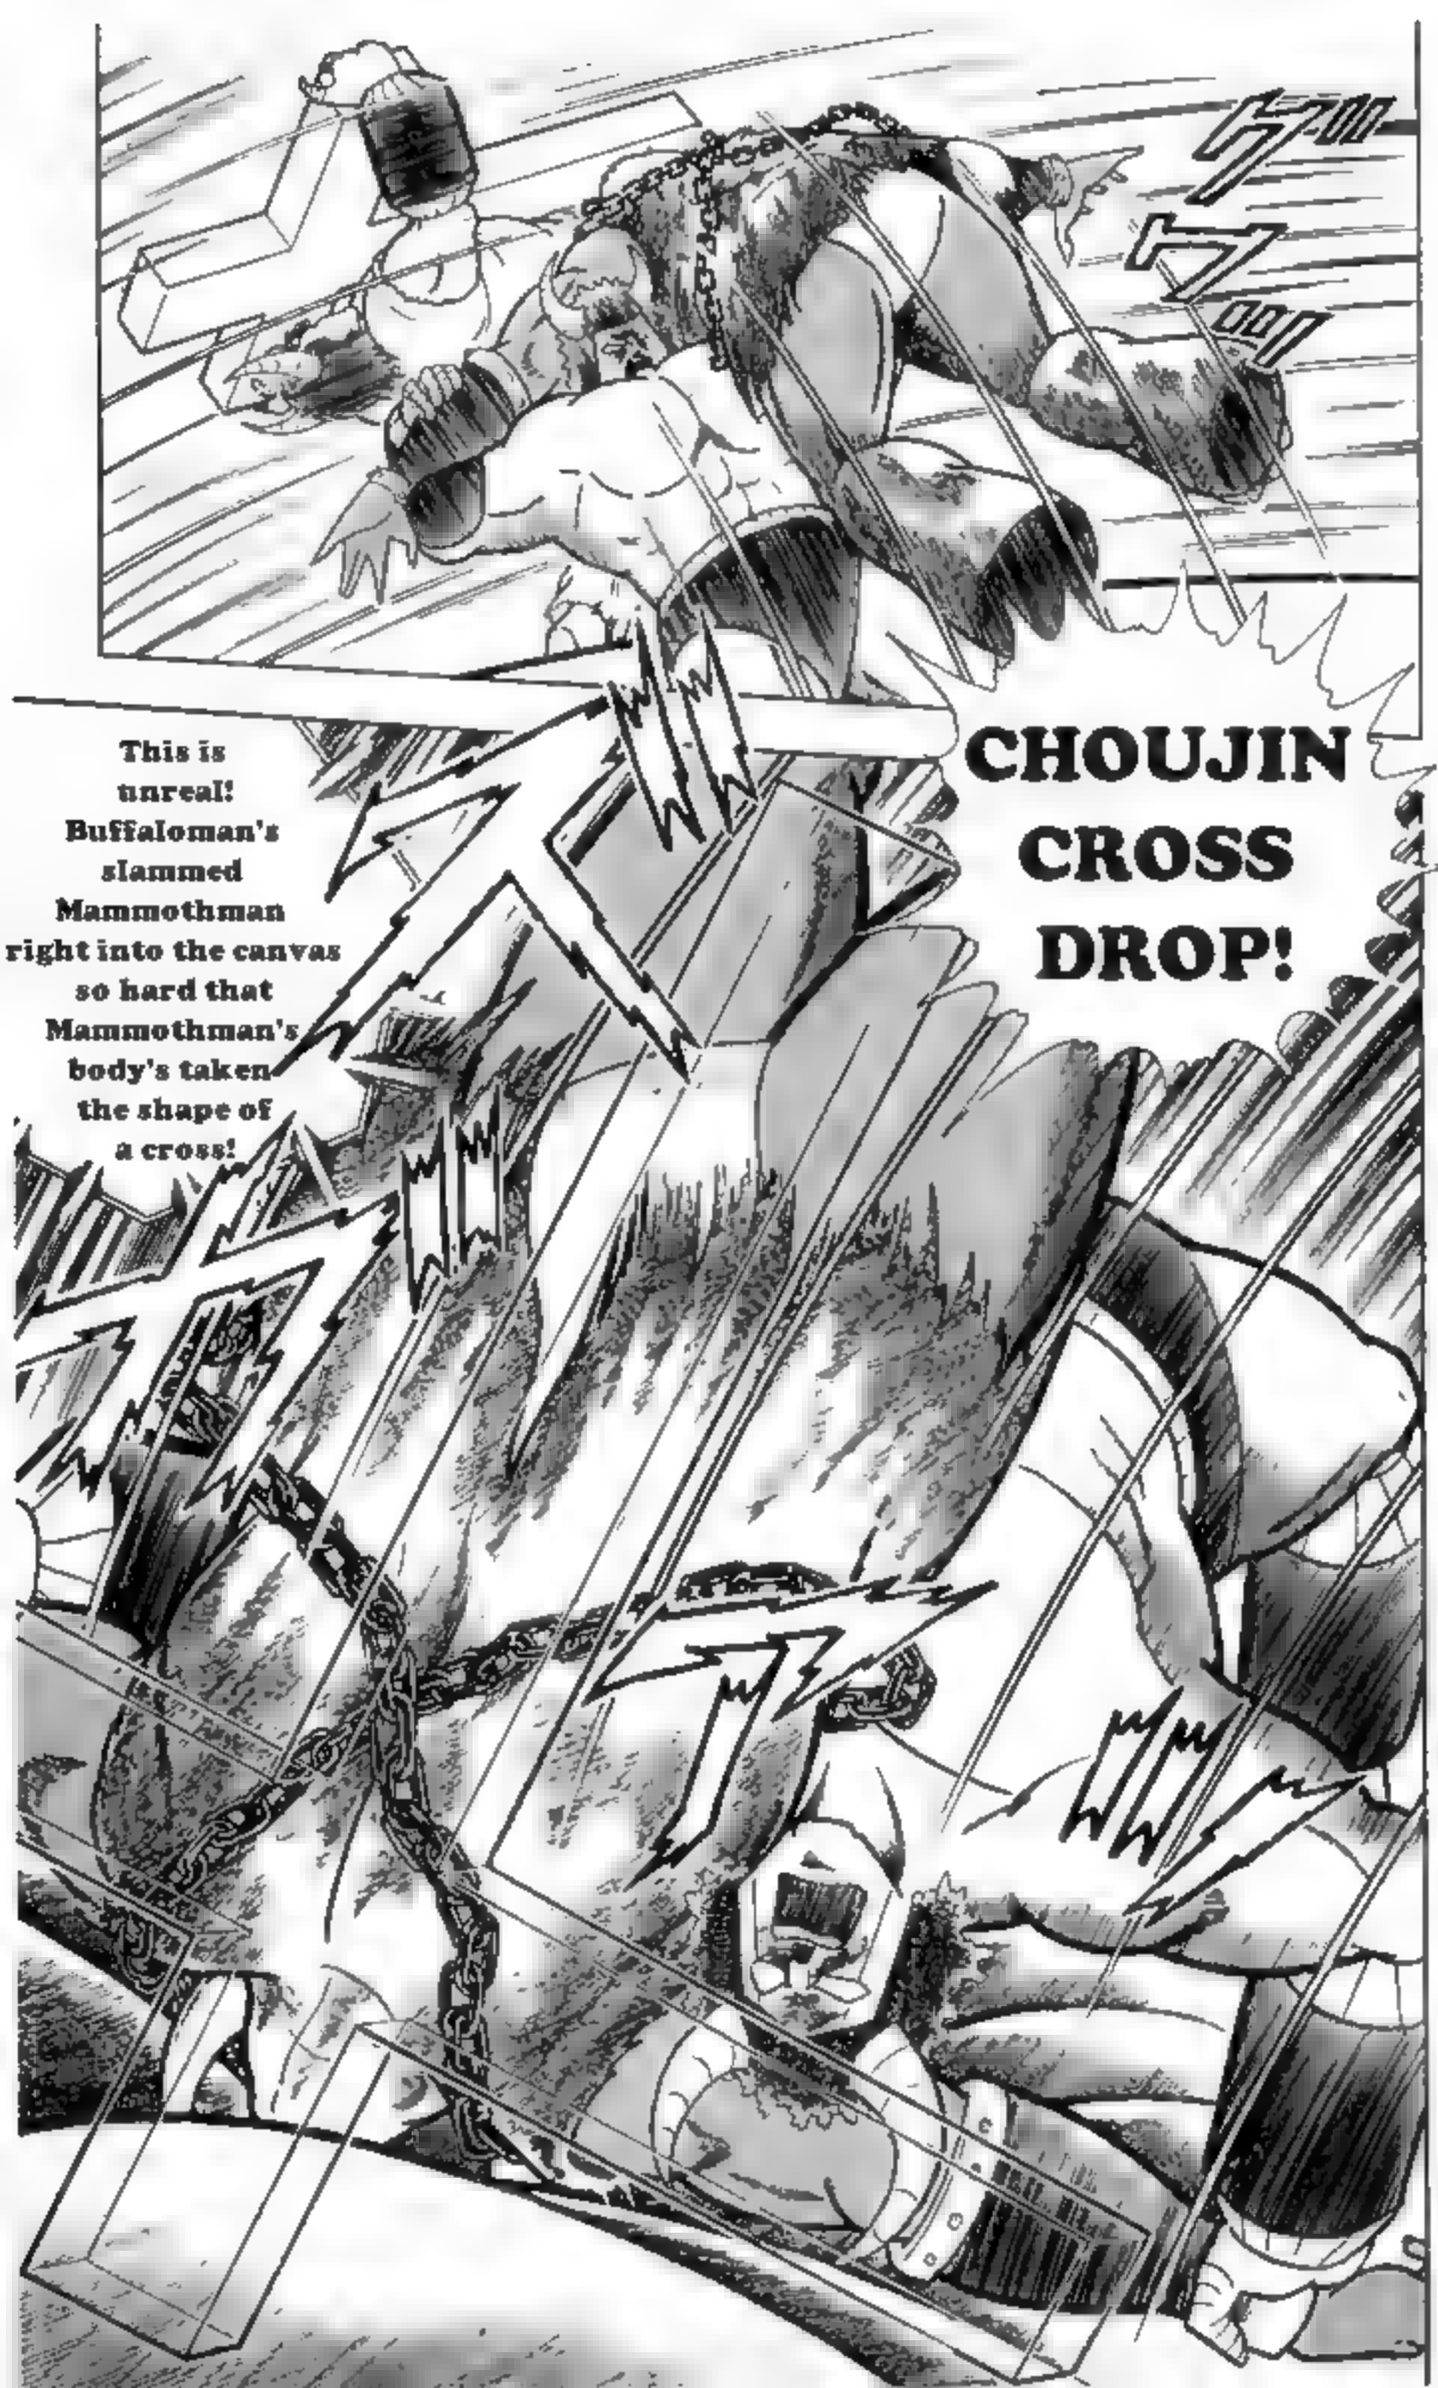
Listen, Suguru! If no Choujin can fight his own battles, then True Friendship Power can never be born!

Fighting my own battles... I forgot how that felt...
Nngh... I still can't say a thing looking at those eyes...
Buffaloman's reaching for the rescue rope
Bu-Buffaloman!?
And now...

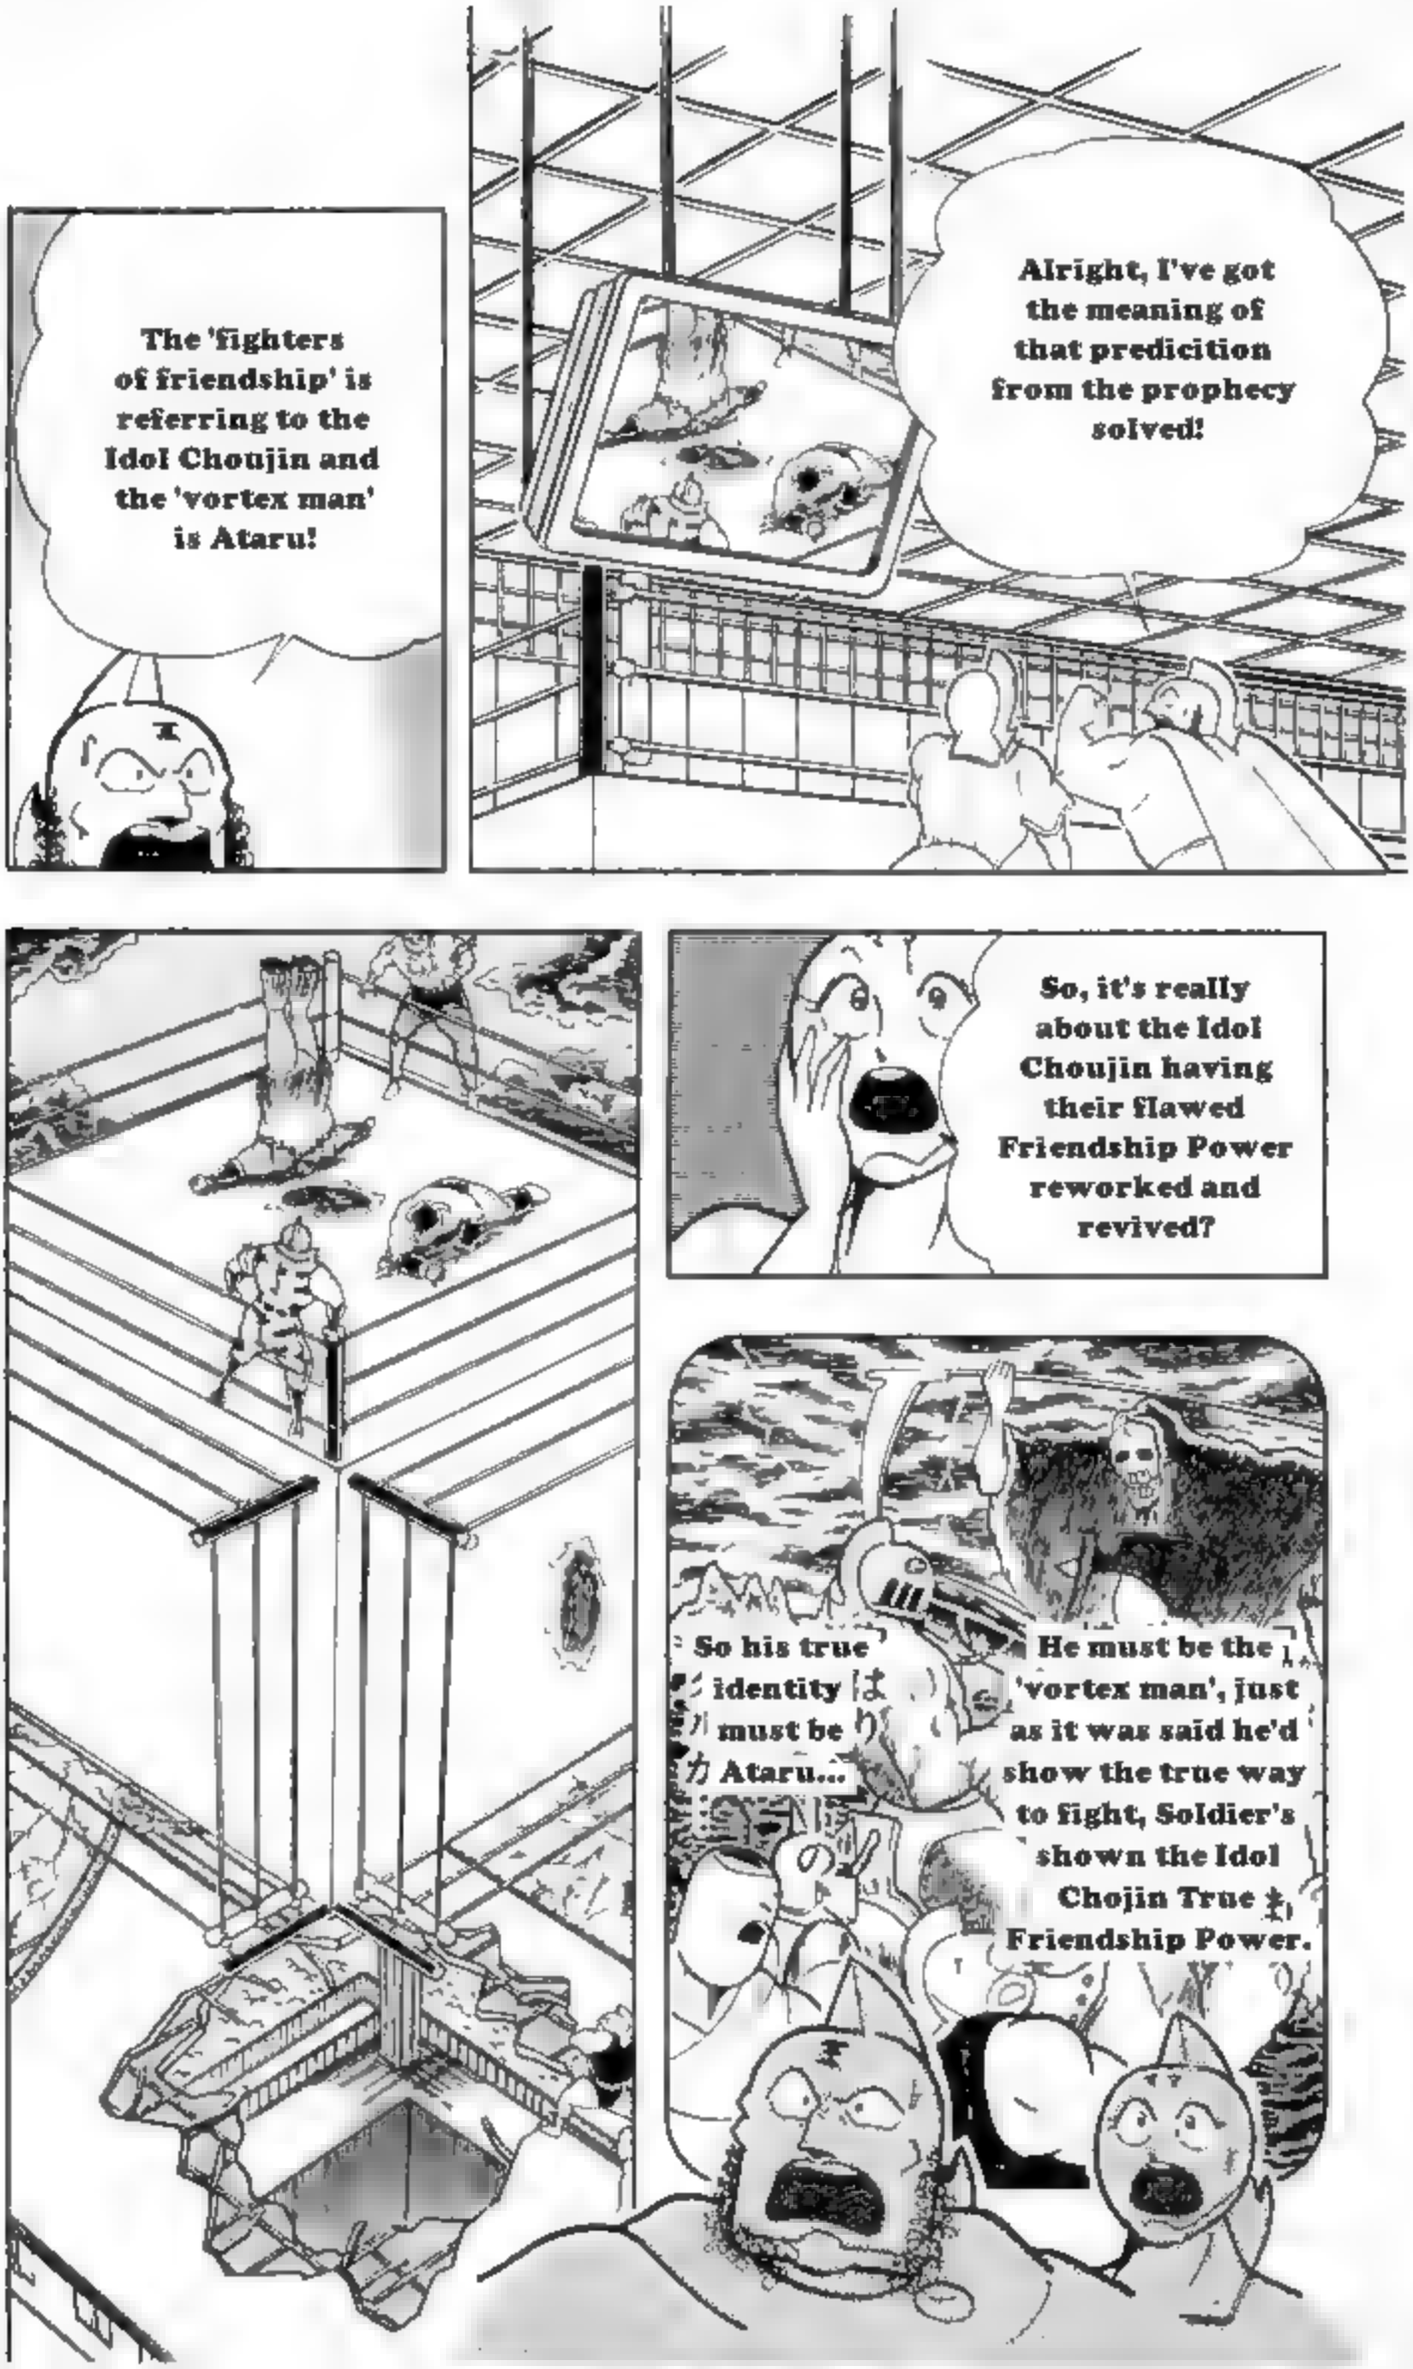
Hehehe.... So you wanna die fighting right after breaking away from your old friends...
I'll reclaim my lost spirit!
Well, I can grant that wish!
Buffaloman looks reinvigorated! He's ready to start fighting back!
Just what are you trying to do, Buffalo-man!?
Mammothman's charging at Buffaloman with Big Tusks at the ready again!
But Buffaloman's not moving an inch! He's closed his eyes and is just standing there!

The wind was strong enough to blow away one of the city's big crosses.
In the middle of a journey I undertook, I had to pass through a giant hurricane...
A long time ago, I really was a lone Choujin in training...
That cross flew right at me, as if it was trying to take aim at me.
I could only rely on my own power...
At that moment, there wasn't a single person, tree or wall that could've blocked the cross.
And it's just like that right now. No one to rely on. Heh... It feels exactly like that fateful day...
Is Buffaloman at his wit's end? Has he decided to be go down with honor by facing the Big Tusks!?

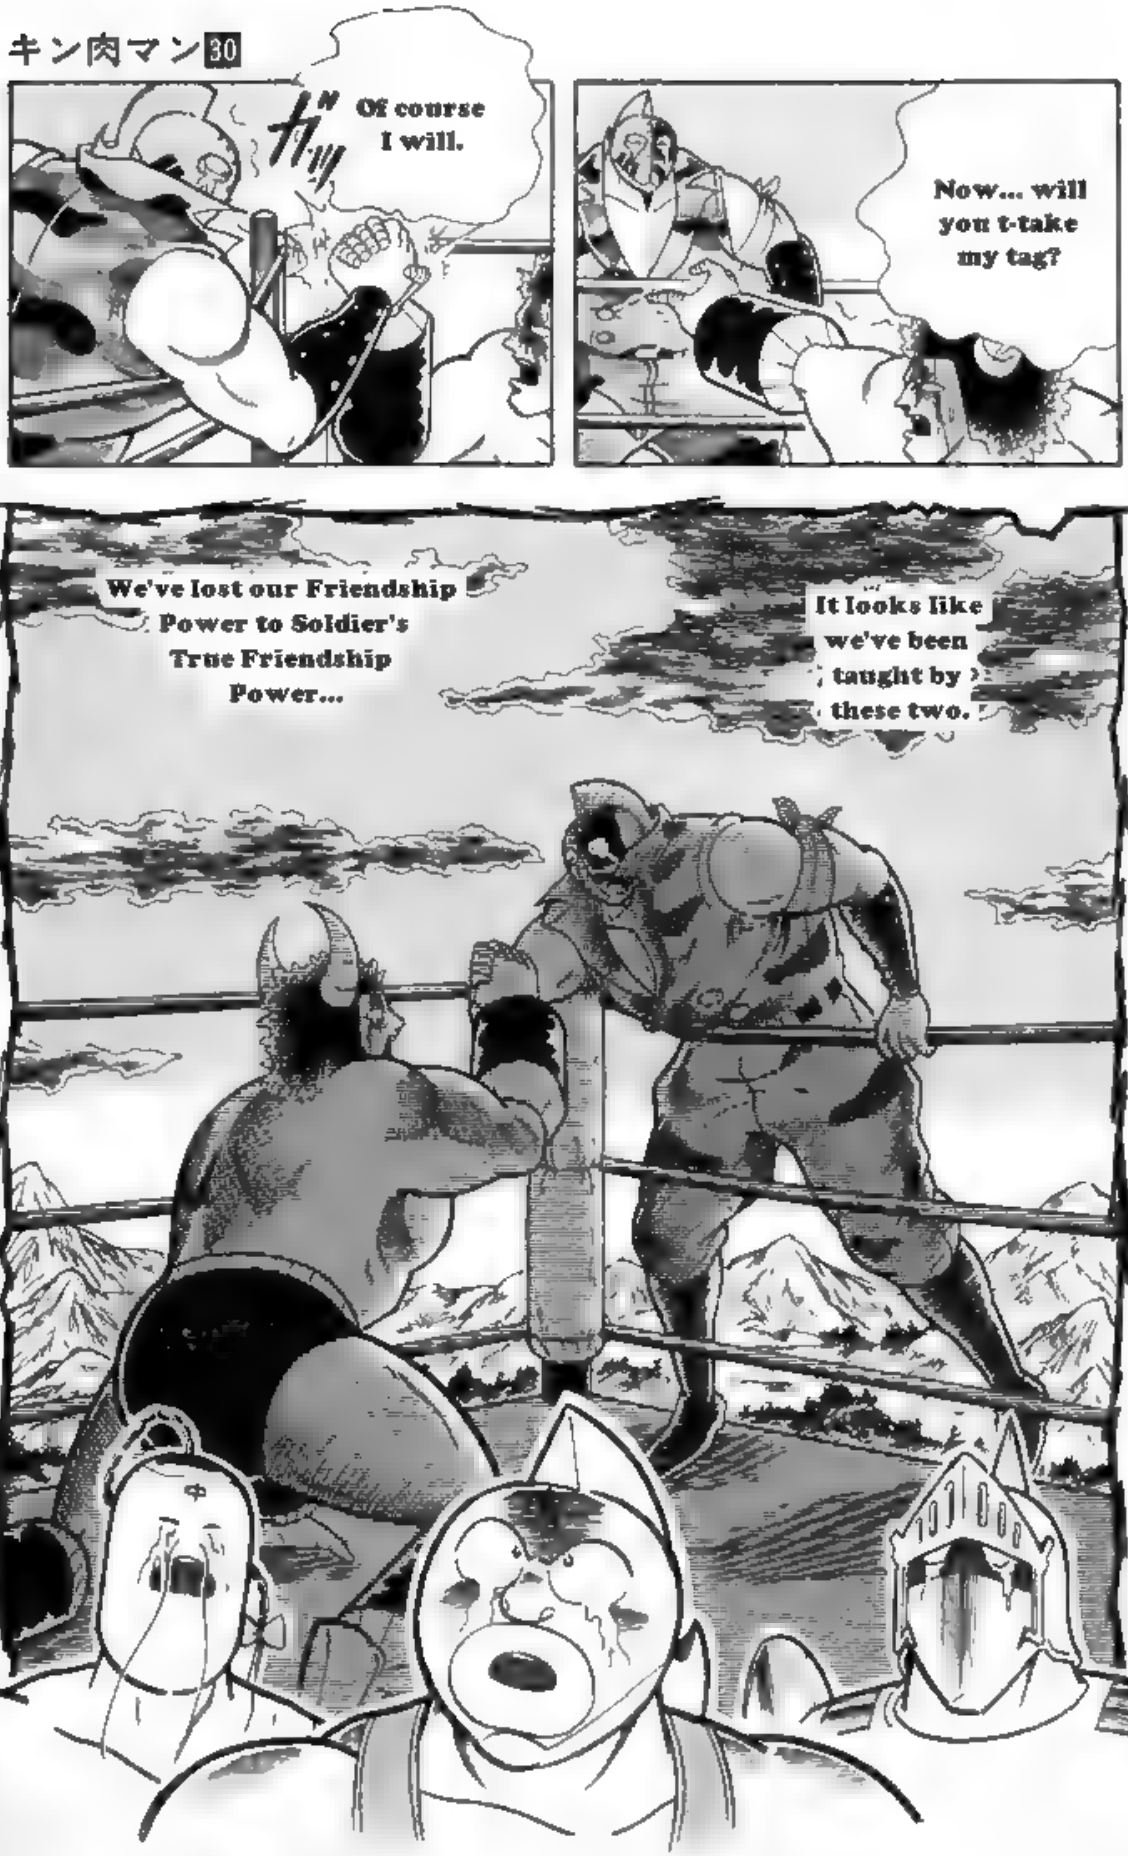
I WILL WIN!
DIE!
FOO
FOO
FOO
FOO
I can't believe it! Buffaloman's stopped the abominable Mammothman with his own strength!



This is unreal! Buffaloman's slammed Mammothman right into the canvas so hard that Mammothman's body's taken the shape of a cross!
CHOUJIN CROSS DROP!



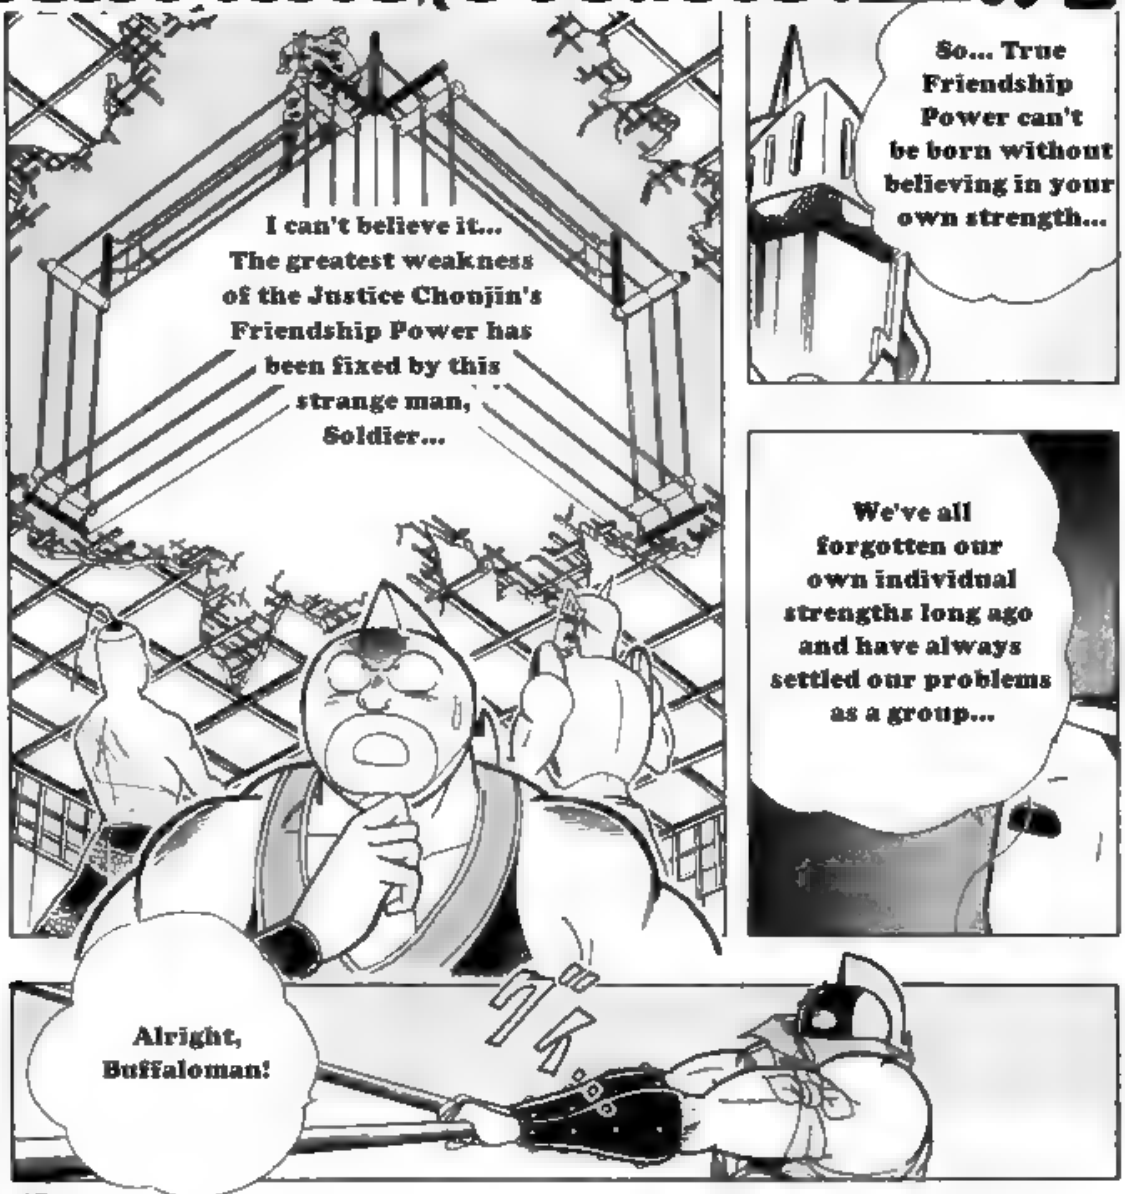
The 'fighters of friendship' is referring to the Idol Choujin and the 'vortex man' is Ataru!
Alright, I've got the meaning of that predicition from the prophecy solved!
So, it's really about the Idol Choujin having their flawed Friendship Power reworked and revived?
So his true identity はりカ must be Ataru...
He must be the 'vortex man', just as it was said he'd show the true way to fight, Soldier's shown the Idol Chojin True Friendship Power.



Of course I will.
Now... will you t-take my tag?
We've lost our Friendship Power to Soldier's True Friendship Power...
It looks like we've been taught by these two.

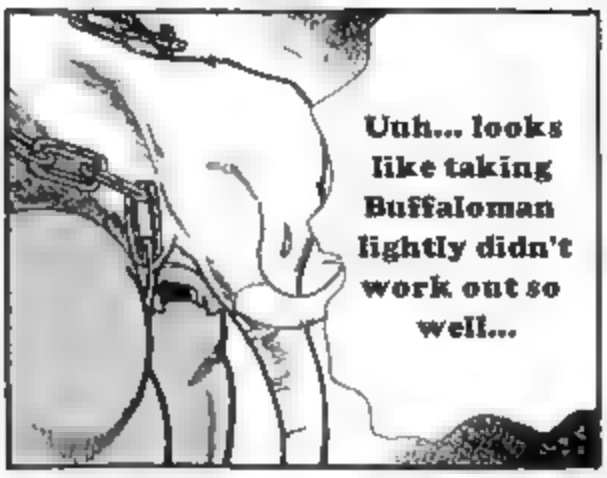
Buffaloman's proven his worth as a true Justice Choujin by taking Soldier's message to heart and perfected a new technique; The Choujin Cross Slam!

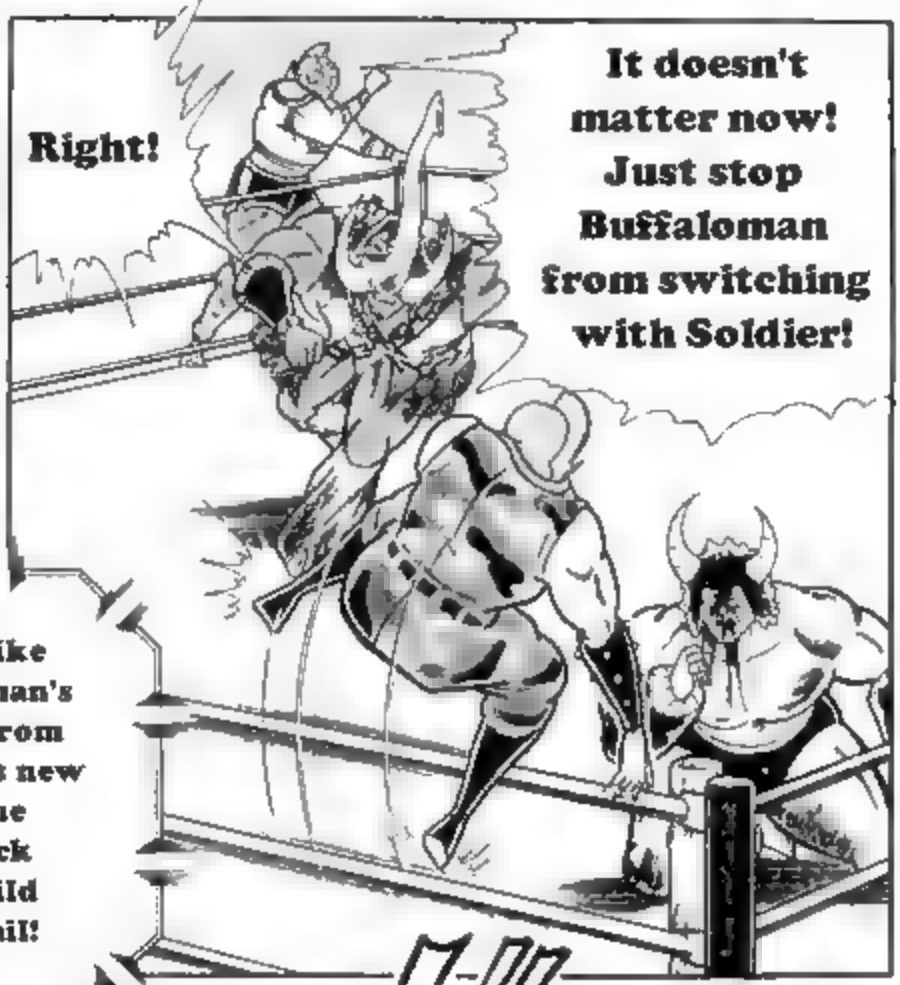
Another Soldier!__の巻



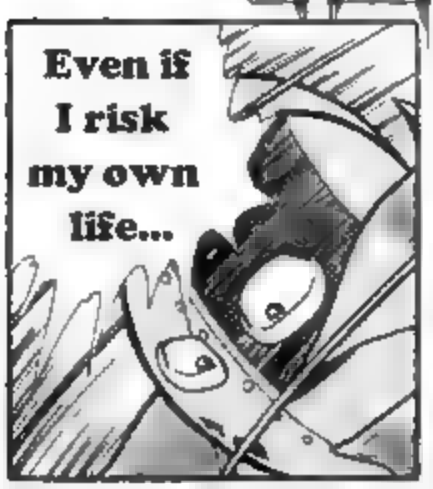
I can't believe it... The greatest weakness of the Justice Choujin's Friendship Power has been fixed by this strange man, Soldier...
So... True Friendship Power can't be born without believing in your own strength...
We've all forgotten our own individual strengths long ago and have always settled our problems as a group...
Alright, Buffaloman!
ｸﾞｯ

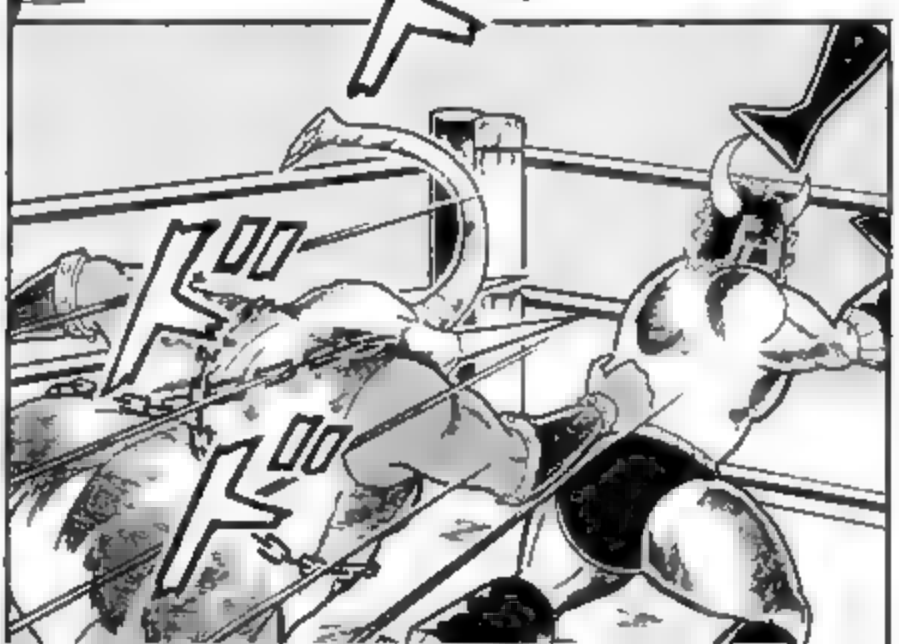
Scramble for the Kinniku Throne 56





It looks like Mammothman's recovered from Buffaloman's new technique and is back on the wild bull's trail!



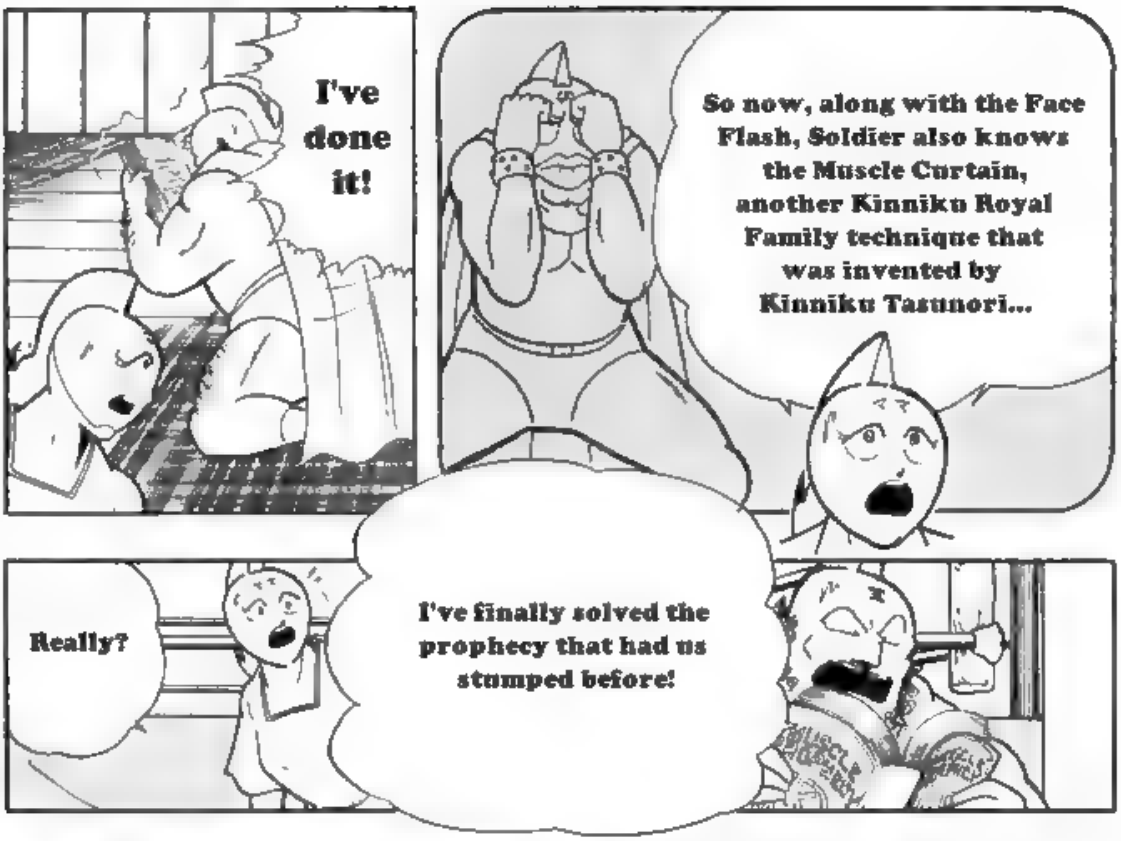


Soldier's caught Mammothman's tusks and is throwing him down to the canvas with a Frankensteiner!
I will protect Buffaloman!
Urgh...
You'll never defeat me, Mammothman! Not one of your attacks will even hit me!
I've had it being buried in the canvas!

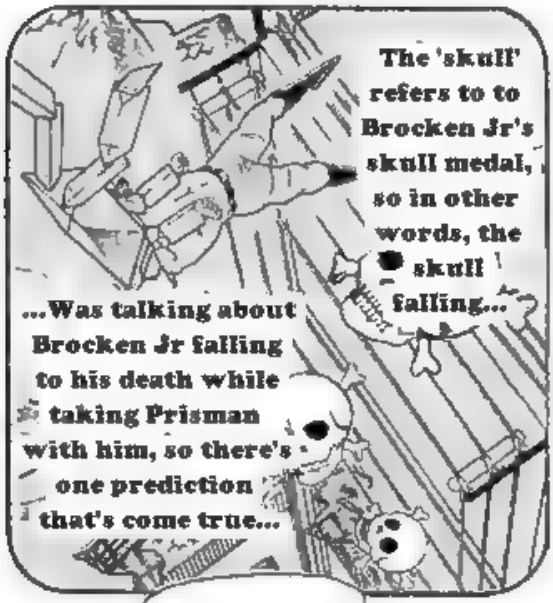
What happened to Soldier's boast of not letting even one attack hit him? He's taking punches left and right!
GRAAAH! Shut it, you!
Mammothman's lost his calm demeanor and's firing a wave of punches at Soldier!

That's a pretty secure defence, but the shape of it looks familiar...
No... It may seem that he's taking many blows, but he's guarding his body and head steadily with both of his arms, like a shellfish withdrawing into its shell.

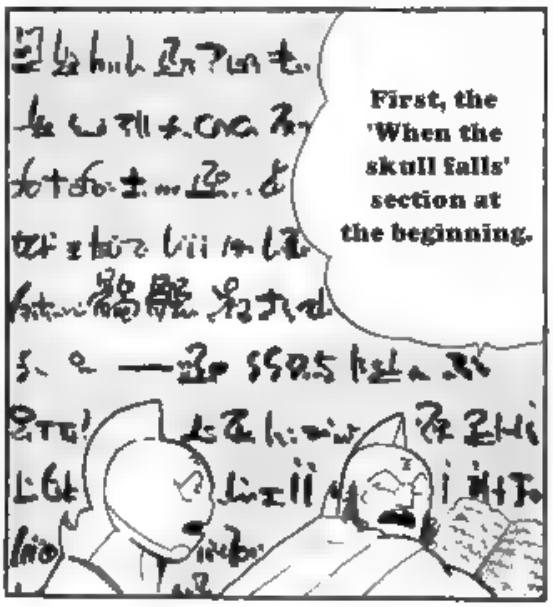
Wait a minute! That's the Muscle Curtain!
Kinnikuman's right! It resembles the guard that he used against Warsman in The Big Fight!
Osaka Castle 城
Aah!!
But... How does Soldier know the Muscle Curtain!?



I've done it!
So now, along with the Face Flash, Soldier also knows the Muscle Curtain, another Kinniku Royal Family technique that was invented by Kinniku Tasunori...
Really?
I've finally solved the prophecy that had us stumped before!

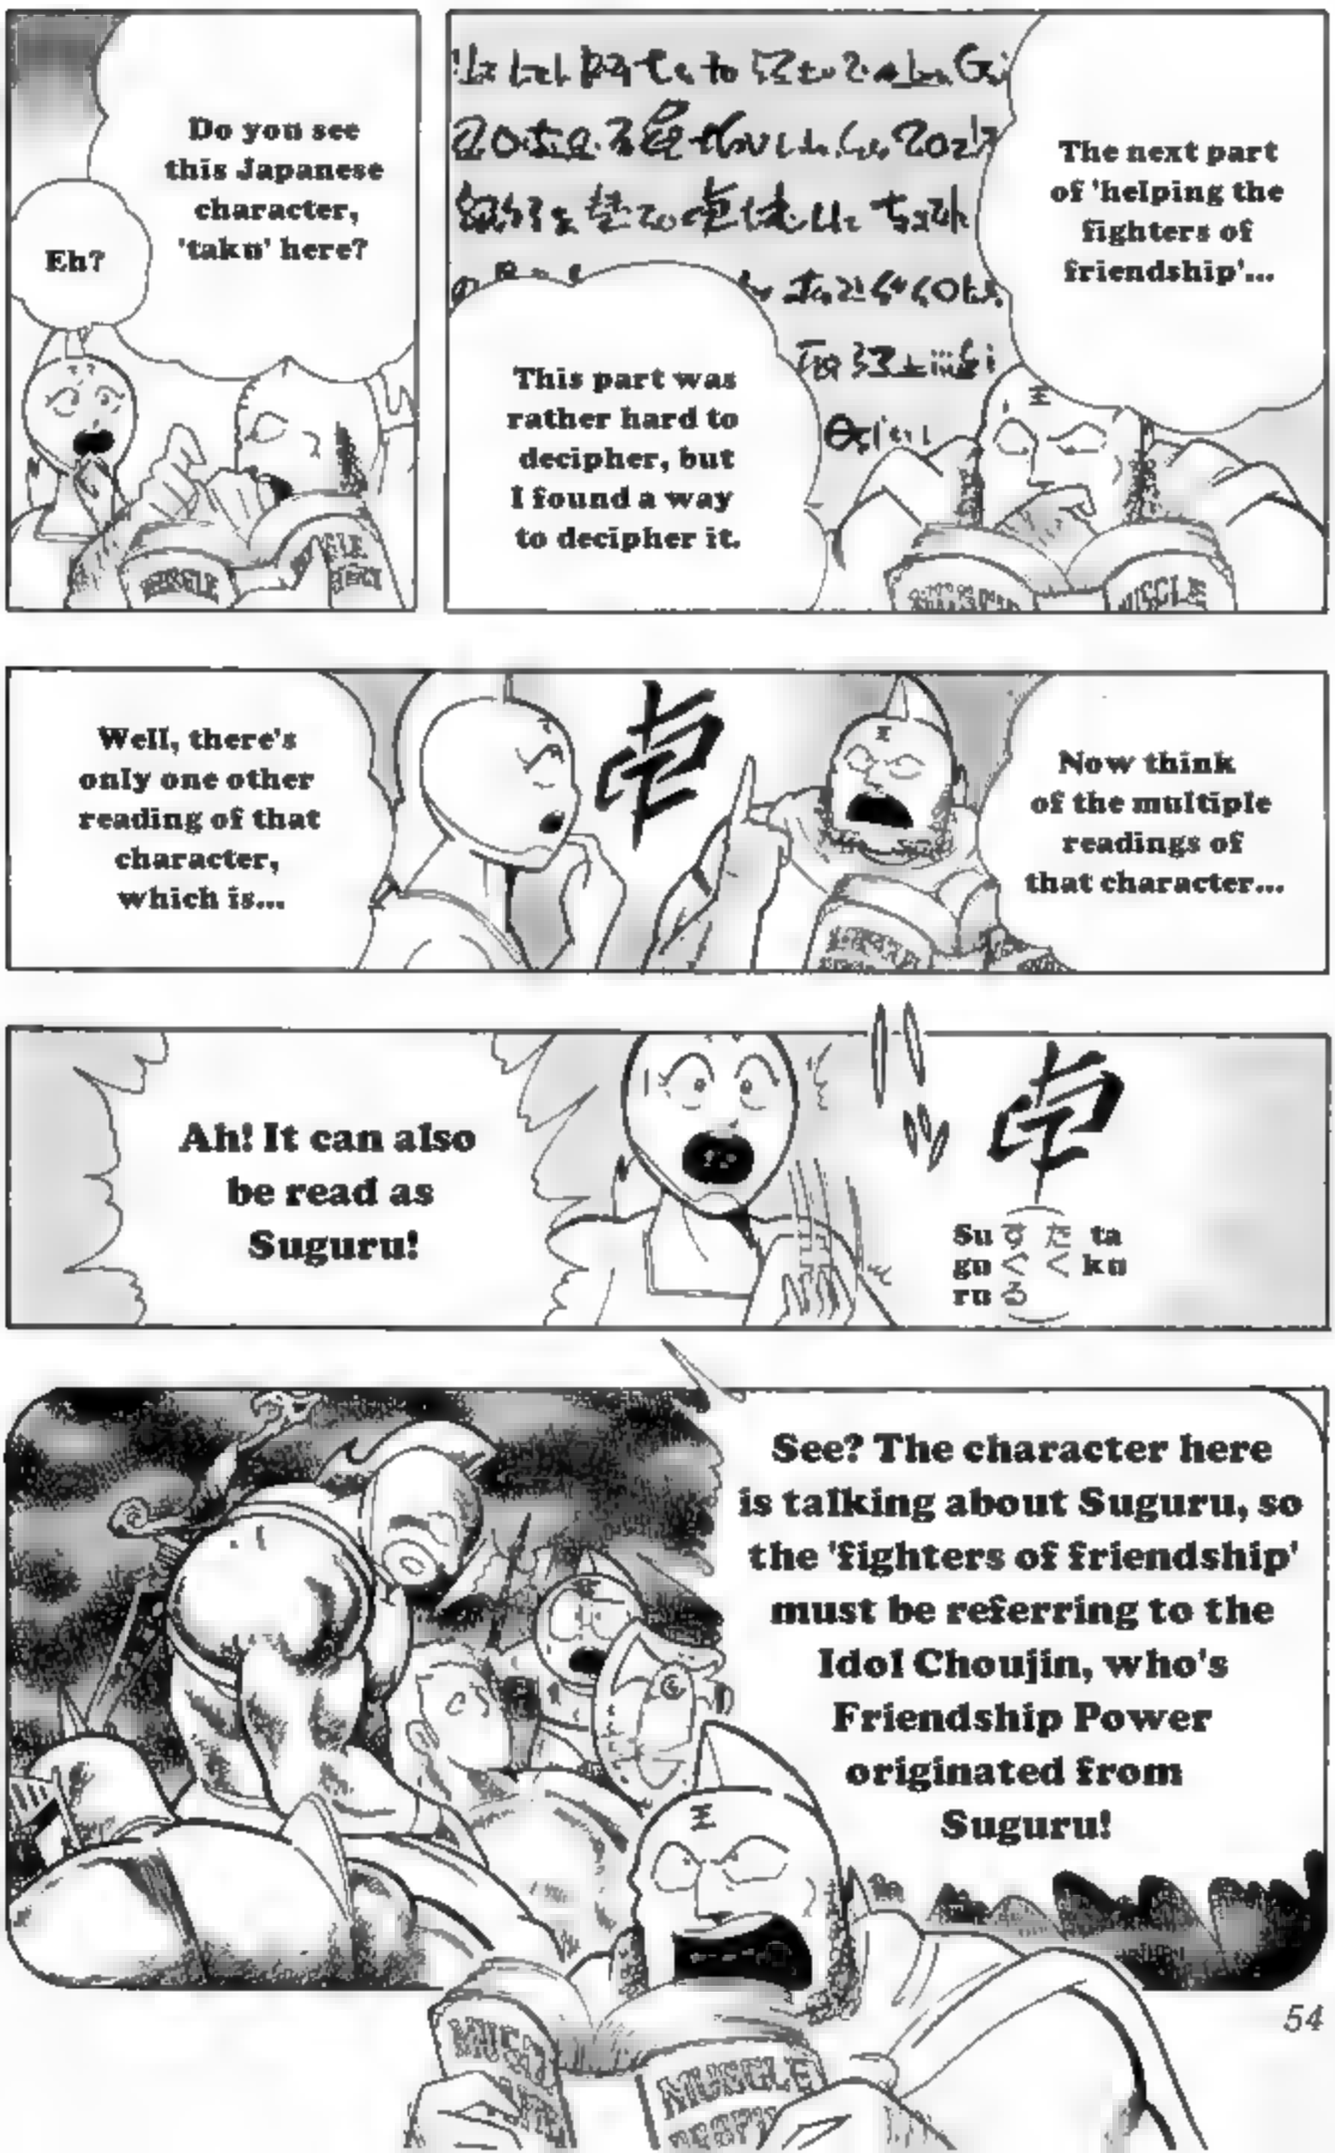


The 'skull' refers to to Brocken Jr's skull medal, so in other words, the skull falling...
...Was talking about Brocken Jr falling to his death while taking Prisman with him, so there's one prediction that's come true...



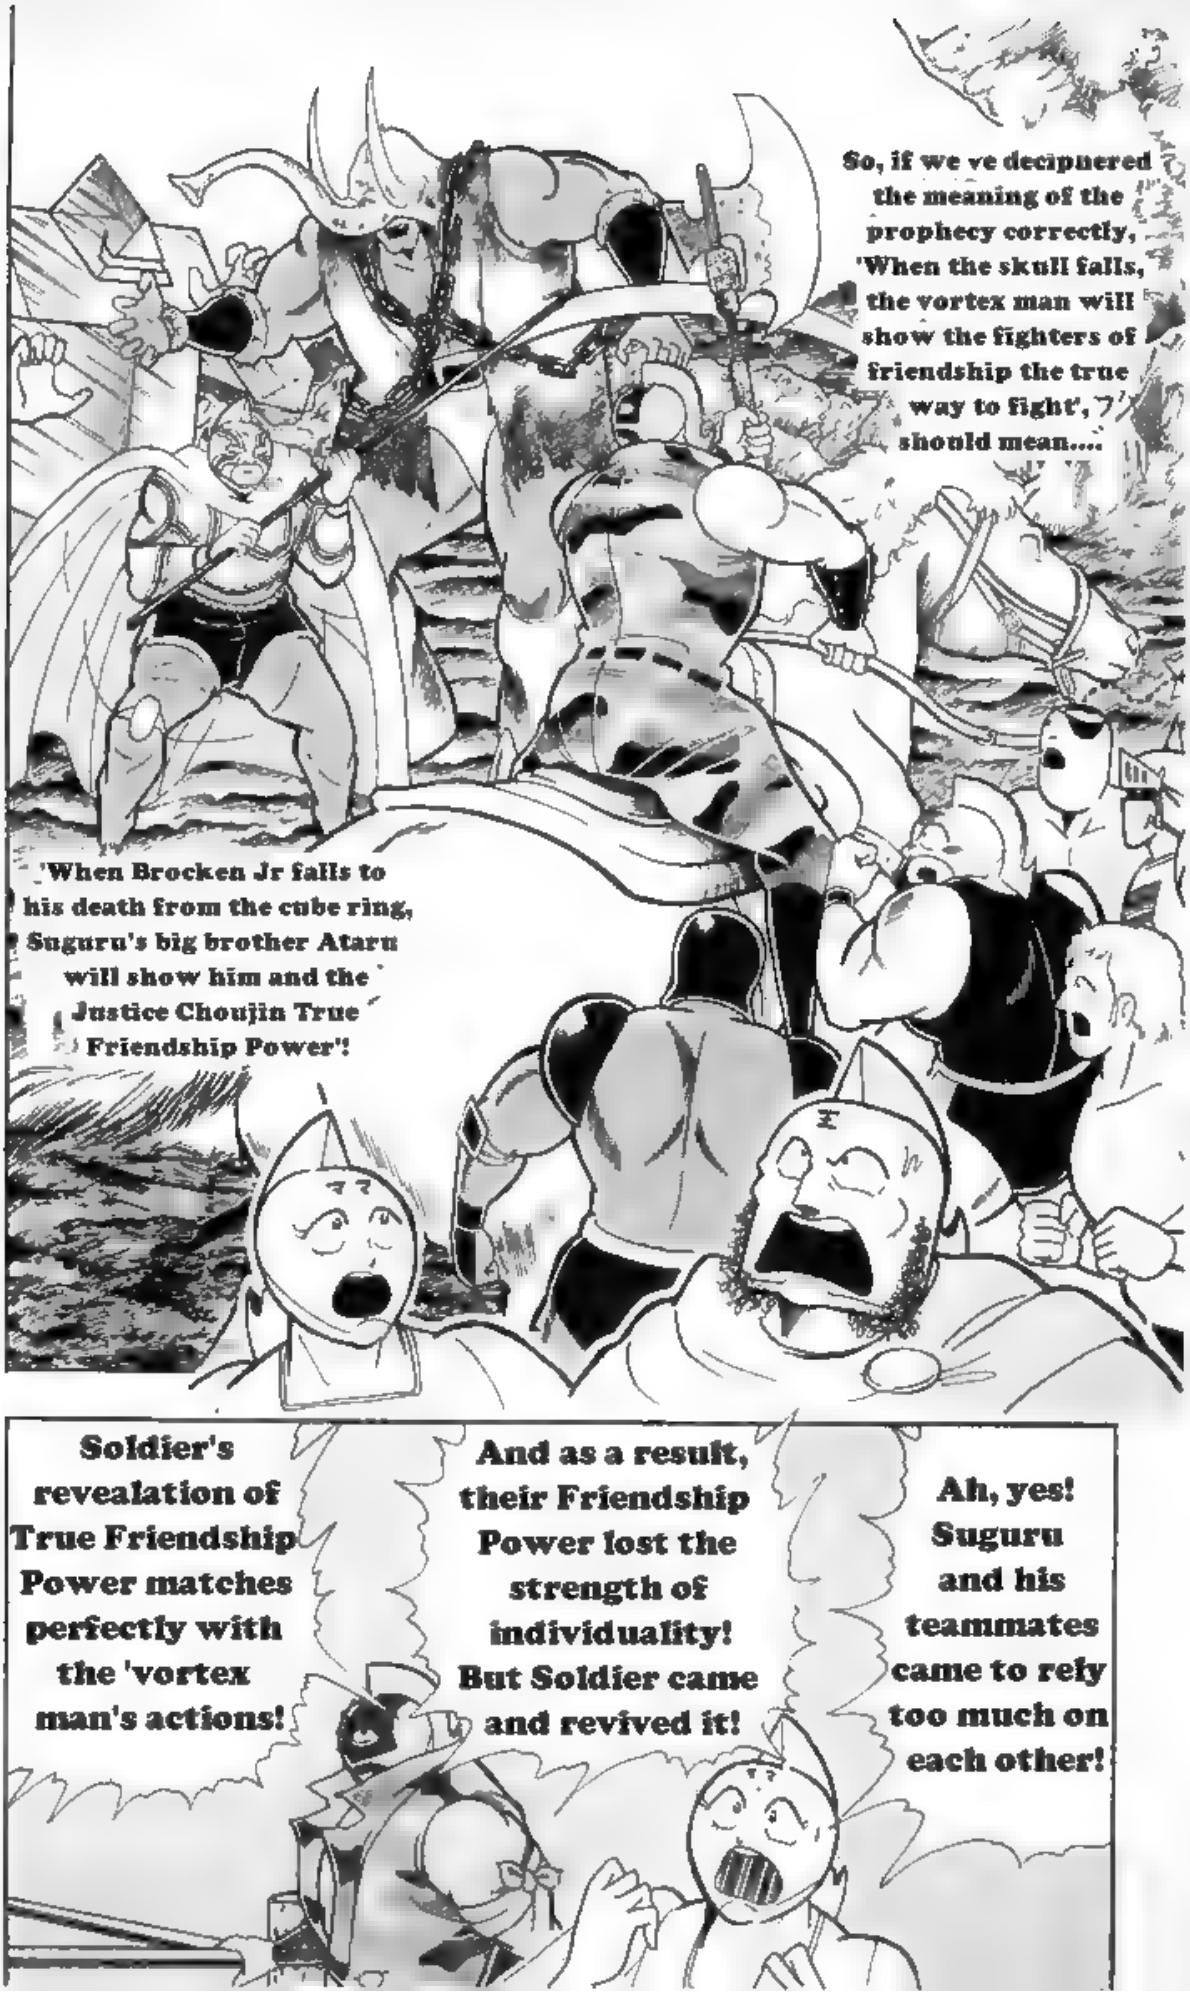
First, the 'When the skull falls' section at the beginning.

Wh...What else did you manage to decipher?
MUSCLE CURTAIN



Eh?
Do you see this Japanese character, 'taku' here?
This part was rather hard to decipher, but I found a way to decipher it.
The next part of 'helping the fighters of friendship'...
Well, there's only one other reading of that character, which is...
卓
Now think of the multiple readings of that character...
Ah! It can also be read as Suguru!
卓
Su すぐる
gu ぐ
ru る
ta た
ku く
See? The character here is talking about Suguru, so the 'fighters of friendship' must be referring to the Idol Choujin, who's Friendship Power originated from Suguru!
MUSCLE

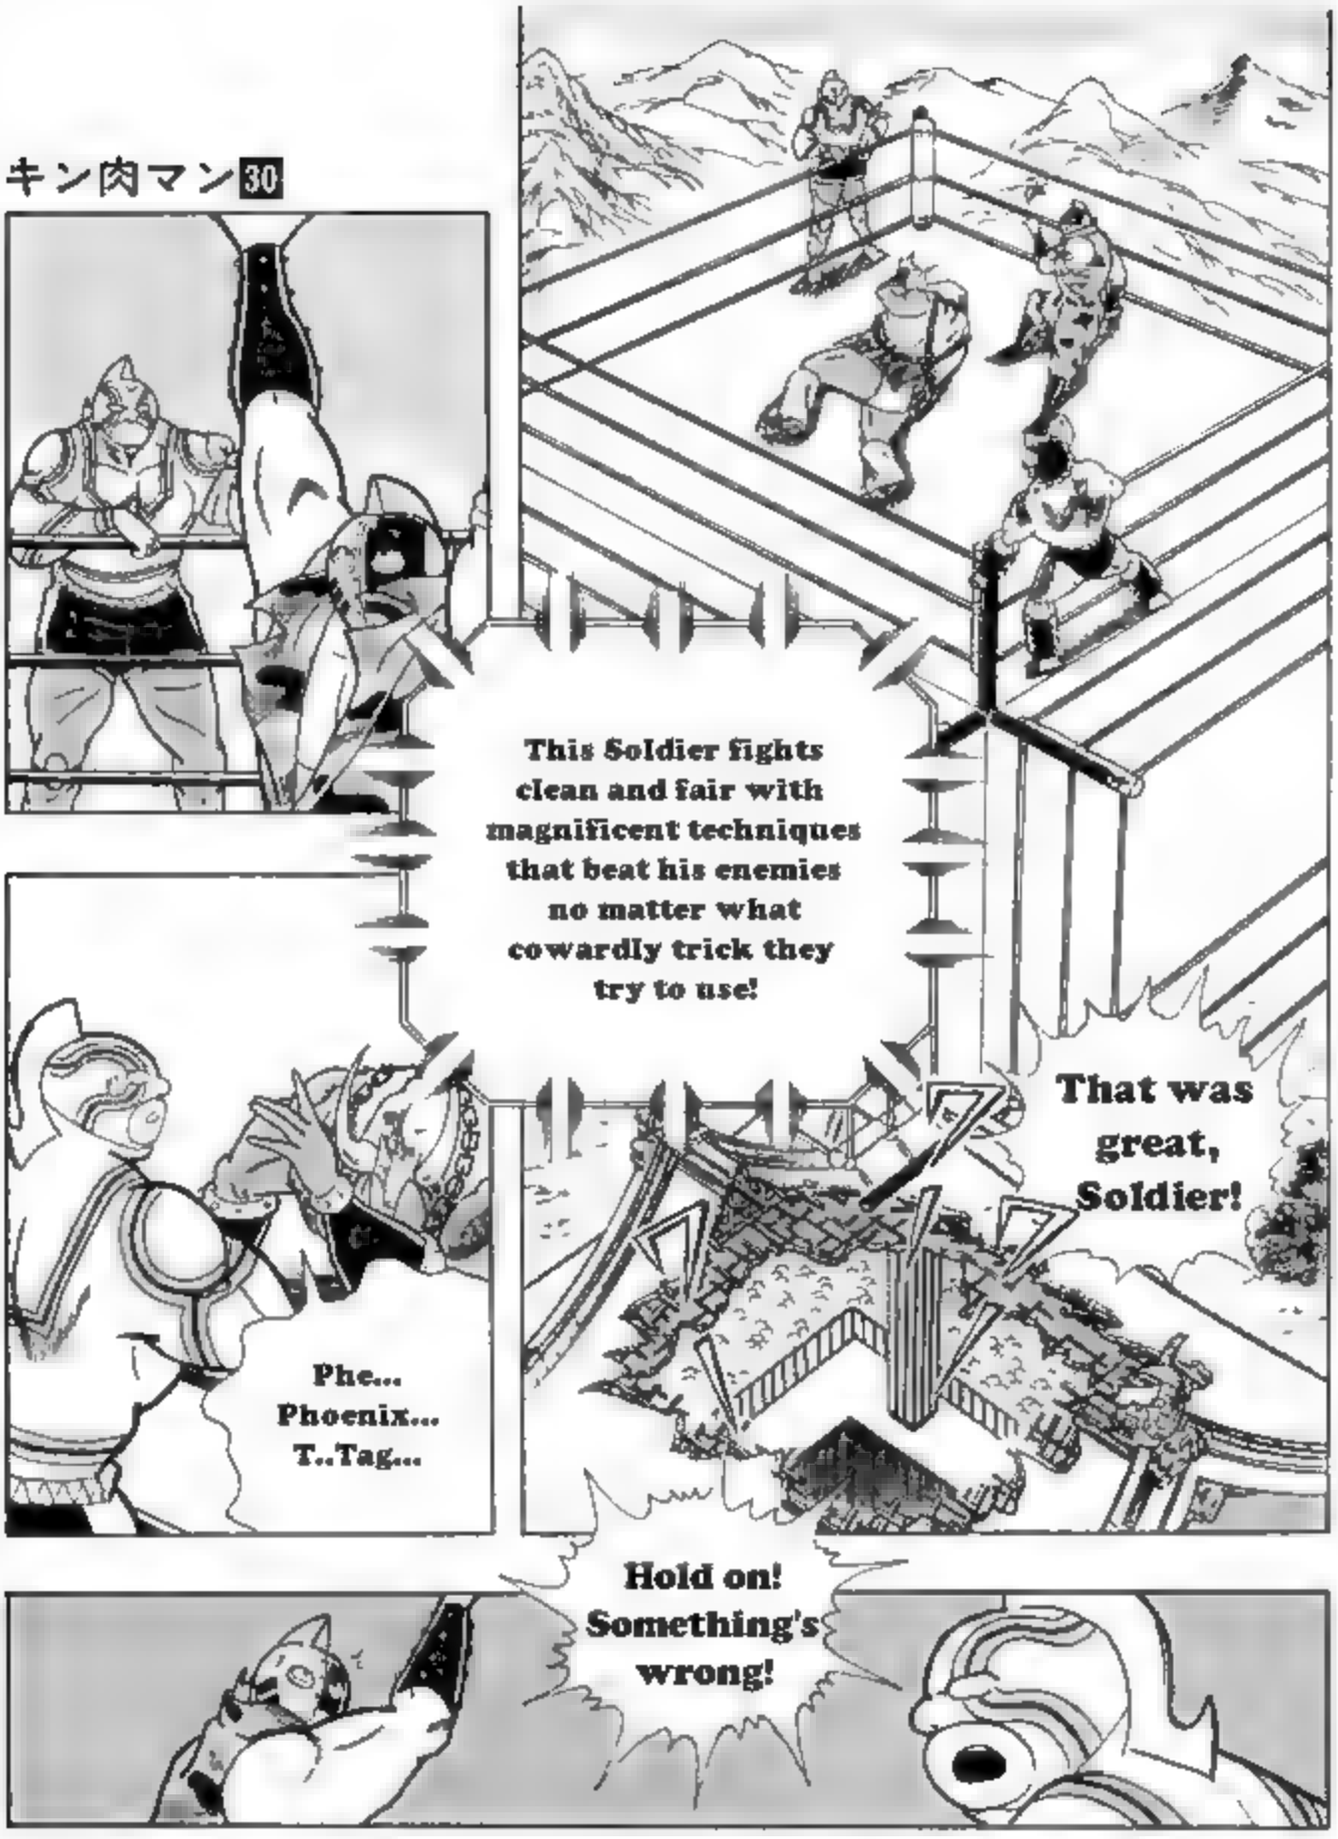
The prophecy only calls him the 'vortex man'...
And that its fatal flaw will be fixed by someone...
So we know the prophecy is hinting at the Idol Choujin's Friendship Power...
Who? Who is it who will save the Idol Choujin's Friendship!?
Hmm, well, the Japanese character 'naka' in 'vortex man' could be read as 'uchi' and...
うち
なか
The same method should work here as well.
You've cracked the meaning of the last one.
!!
That character in 'vortex man' has the same reading as the name of Suguru's older brother Ataru!
And... Ataru...



So, if we've deciphered the meaning of the prophecy correctly, 'When the skull falls, the vortex man will show the fighters of friendship the true way to fight', it should mean....
'When Brocken Jr falls to his death from the cube ring, Suguru's big brother Ataru will show him and the Justice Choujin True Friendship Power'!
Soldier's revealation of True Friendship Power matches perfectly with the 'vortex man's actions!
And as a result, their Friendship Power lost the strength of individuality! But Soldier came and revived it!
Ah, yes! Suguru and his teammates came to rely too much on each other!

Mammothman's Megaton Punches aren't even leaving a scratch on Soldier's firm guard!
Not to mention that Soldier's also performed moves that only relatives of the Kinniku Royal Family can do throughout the match!
There's no doubt about it! Soldier has to be Kinniku Ataru, who's planning so rescue his brother Suguru!
But now, we must hope that Team Phoenix don't figure out Soldier's true identity as well...
Then the final match should be a truly royal showdown between brothers! This is the match we've wanted!
Oh yes! This means that if Soldier, who could be Ataru, beats Team Phoenix and advances to Osaka,

Now!
Mammothman's fists have been hurt by Soldier's iron guard!
Guh!
Uwah!
Woah!
Soldier's lifting Mammotman by his tusks for a Double Tusk Suplex!



This Soldier fights clean and fair with magnificent techniques that beat his enemies no matter what cowardly trick they try to use!
That was great, Soldier!
Phe... Phoenix... T..Tag...
Hold on! Something's wrong!
But you've only been fighting fairly ever since this match started...
The Soldier I heard of at the start of this survival match was said to be a vicious fighter who fought atrocious matches, like the rest of his team, Team Soldier!

Besides! What kind of Brutal Choujin picks Justice Choujin like Buffaloman and Brocken Jr for their team? Where did your violent nature go!?

So shouldn't you, the prince possessed by the God of Brutality, who is against clean fights, be fighting as he wishes!?

Soldier, we Five Fated Princes are possessed each by the Five Evil Gods of Strength, Brutality Intelligence, Flight and Technique who have been helping us throughout these matches.

ゴゴゴゴ

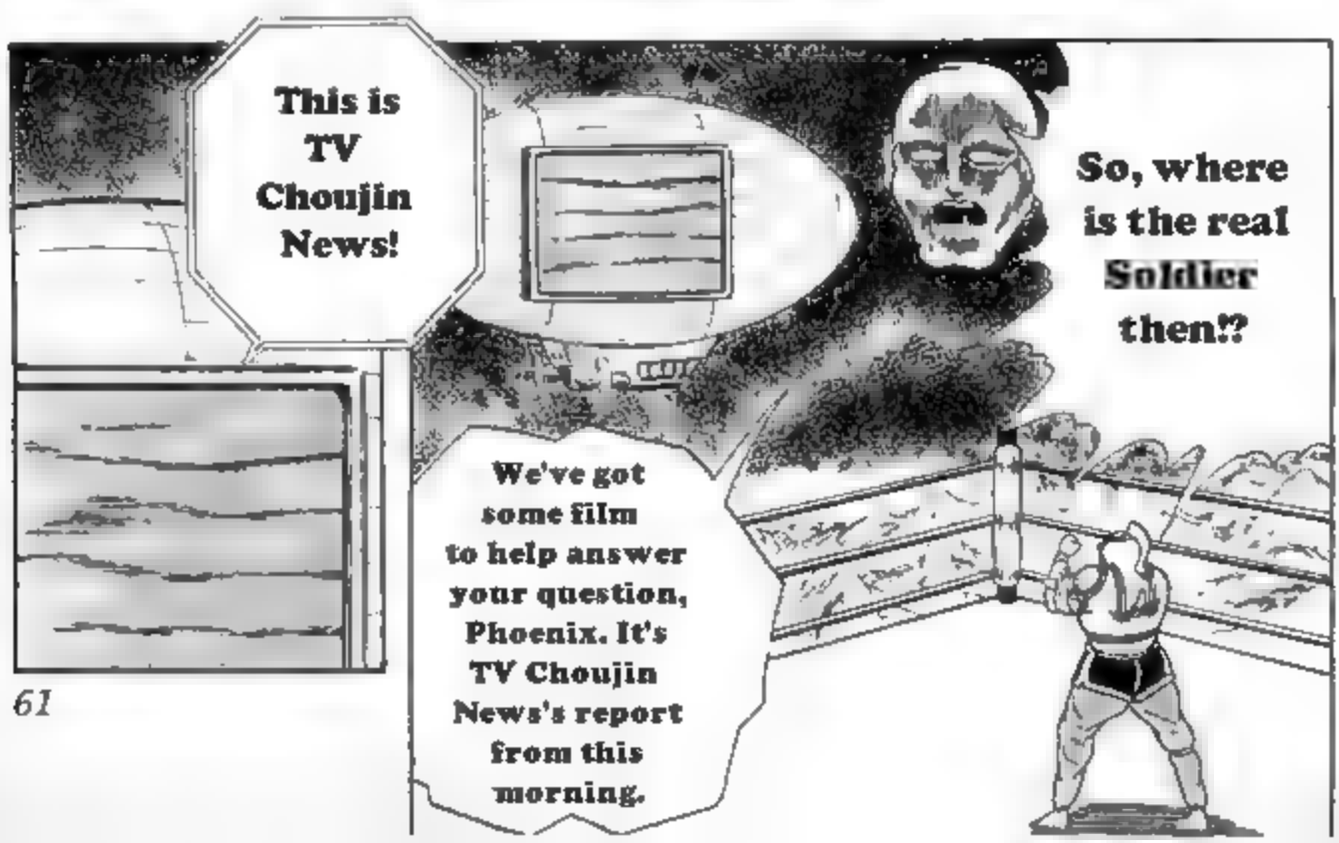
The sky's suddenly darkened and lightning is roaring through it as though Phoenix's anger called it here!

Ooh, aren't you three the Evil Gods of Flight, Strength and Technique, who possessed the defeated Mariposa, Big Body and Zebra?

Let us tell you why instead of Brutal Choujin Soldier.

Yes. It seems that Soldier is different to the one the God of Brutality possessed.
You mean it!?
Phoenix- I mean, God of Intelligence, we have come to support you on your suspicions of Soldier.

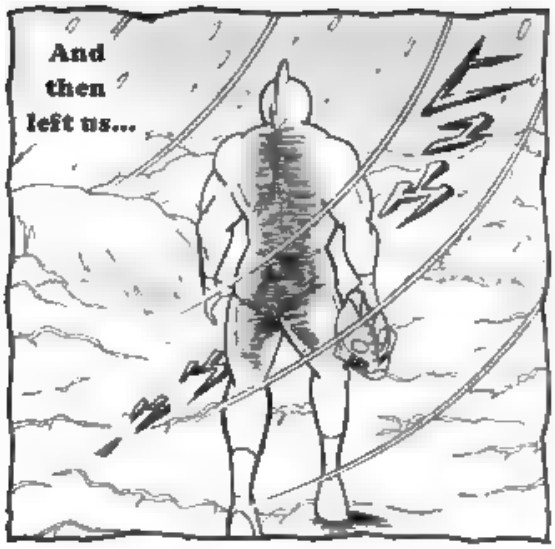
Not sure, but whoever it is he's talking to, it might be about me...
Soldier, what's Phoenix doing talking to the sky like that?
What!?



This is TV Choujin News!
So, where is the real Soldier then!?
We've got some film to help answer your question, Phoenix. It's TV Choujin News's report from this morning.

They were immediately taken to Himeji Choujin Hospital, but 4 of them died on the way to the hospital.
Last night, 5 severly injured Choujins of unknown identity were found at the summit of Mt. Fuji buried in the snow.
Now, the last one alive is being taken care of by Terryman, Warsman and Meat.
What did you say?
Whaa!?
Huh!? You say you're one of the Fated Princes who have to appear in the Survival Match for The Kinniku Throne!?
Guh... Argh..

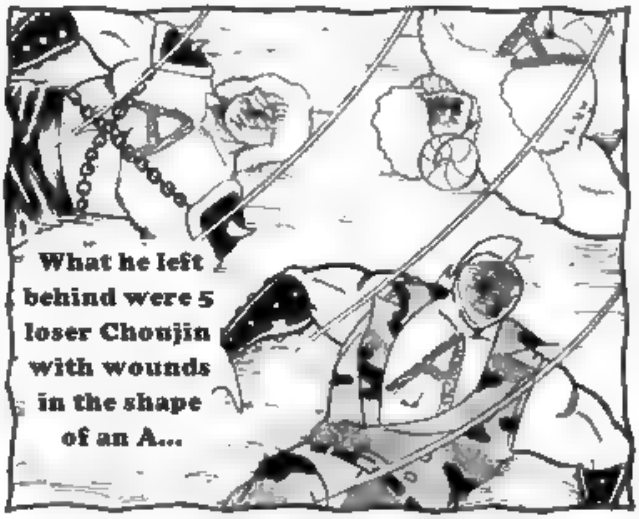
But one day, a lone Choujin interfered with our training and challenged all 5 of us to a fight...
Urgh... I was training at the summit of Mt Fuji with my Brutal Chojin teammates who I gathered from multiple places.
He beat all 5 of us with a technique we never saw before, but it did the job and destroyed us with ease...
In hindsight, fighting an unknown Choujin after training for the survival match was a bad idea...
By the time I woke up, I was stretched out on the ground.



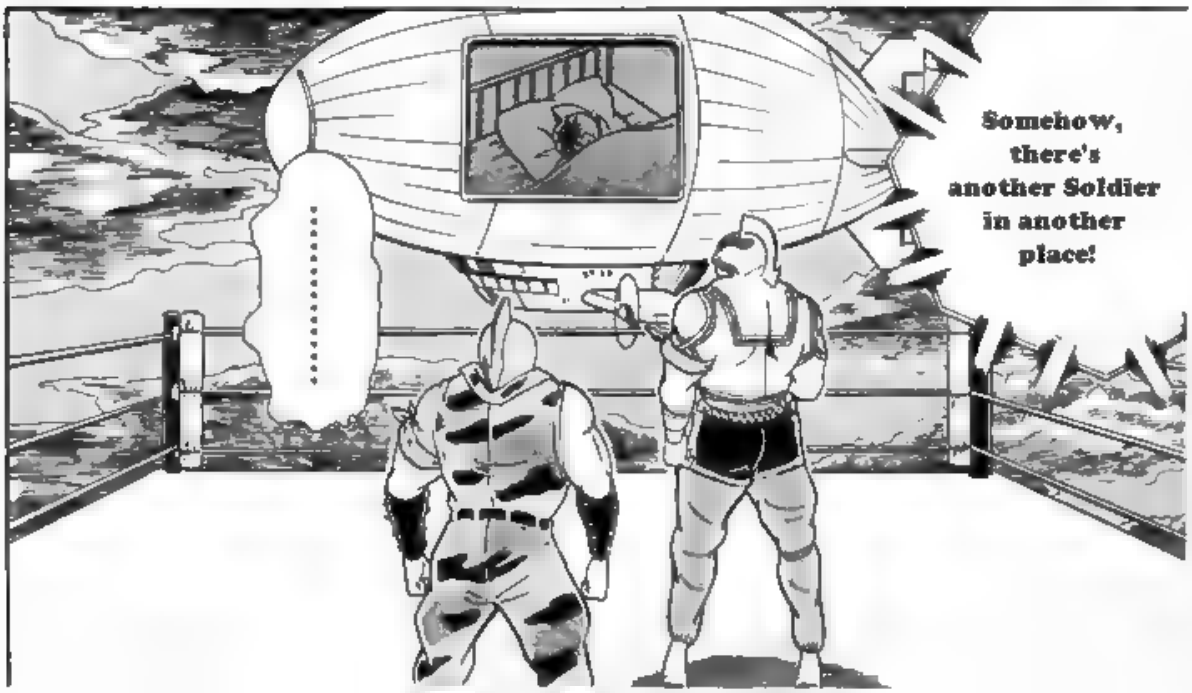
And then left us...

That Choujin then took off my mask.

A Choujin who could defeat Kinnikuman Soldier, the Choujin Weapon, in a single blow, isn't to be taken lightly...



What he left behind were 5 loser Choujin with wounds in the shape of an A...



Somehow, there's another Soldier in another place!

You're just an imposter who switched places with the real Soldier to enter this match!
Now I understand why you were helping Kinniku-man's team with all of that True Friendship Power stuff in this fight!
You've figured it out! I'm not the real Soldier! I switched places with him..
So I could fix the Idol Choujin's Friendship Power!
Ataru...

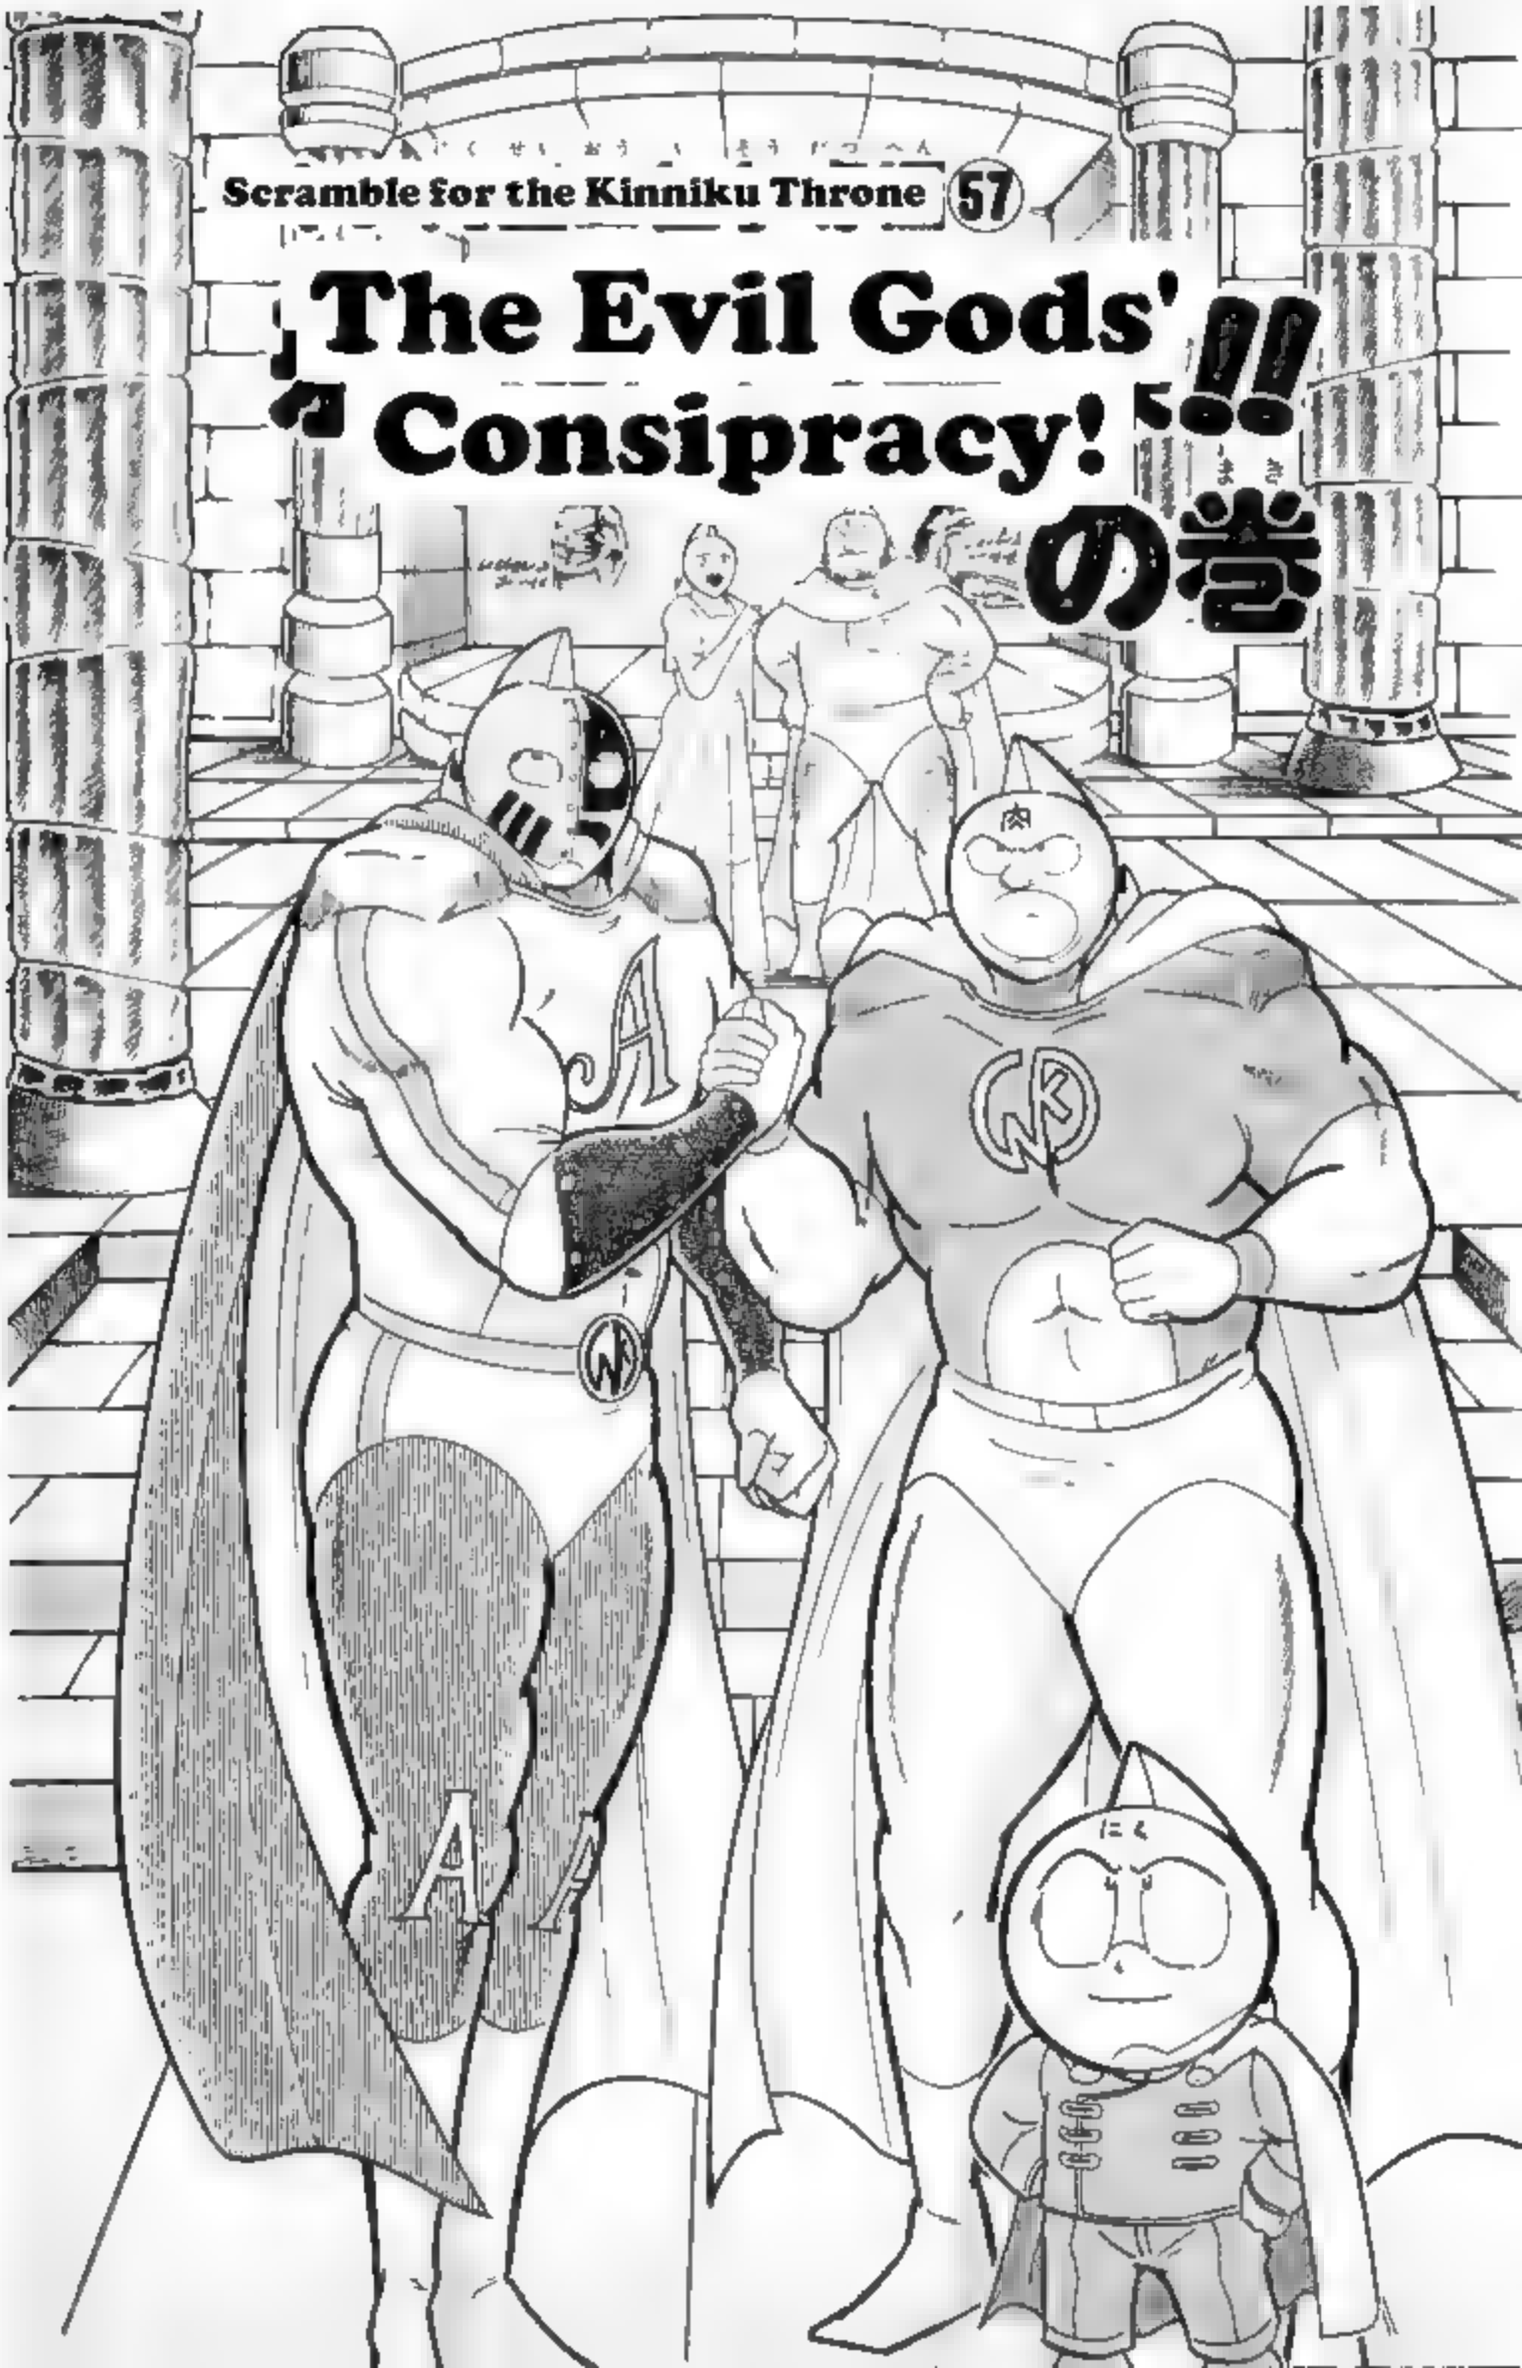
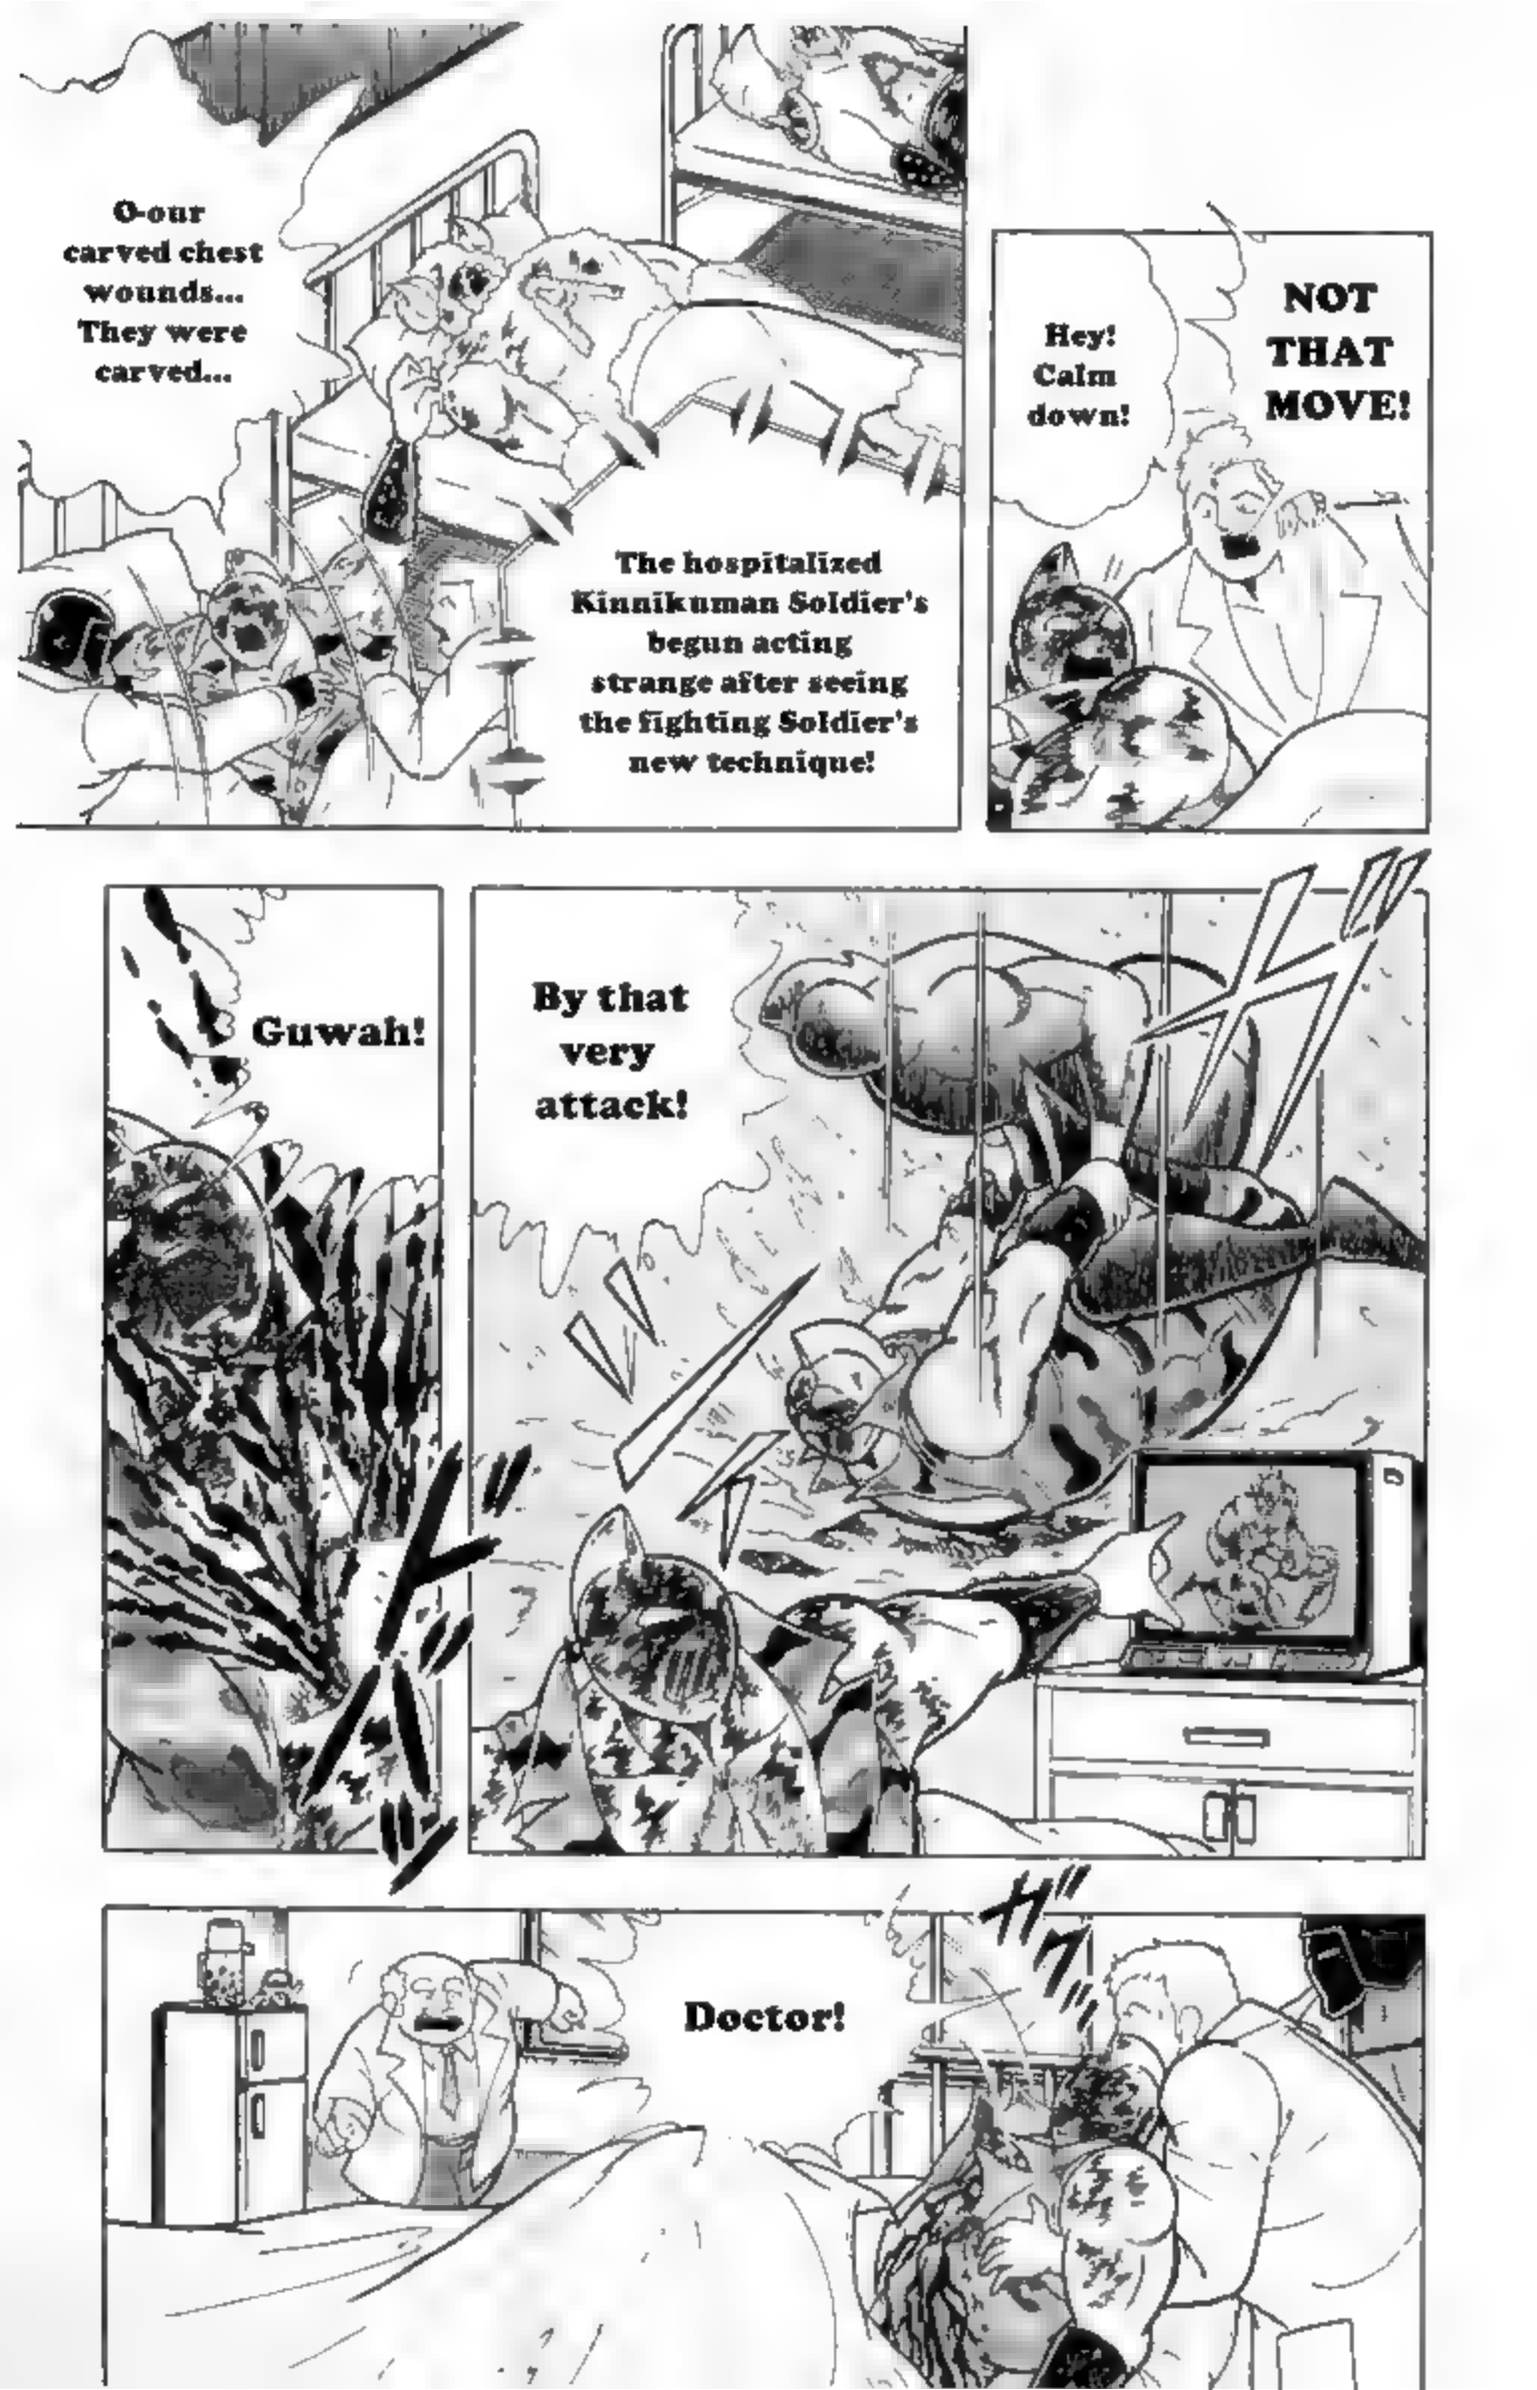
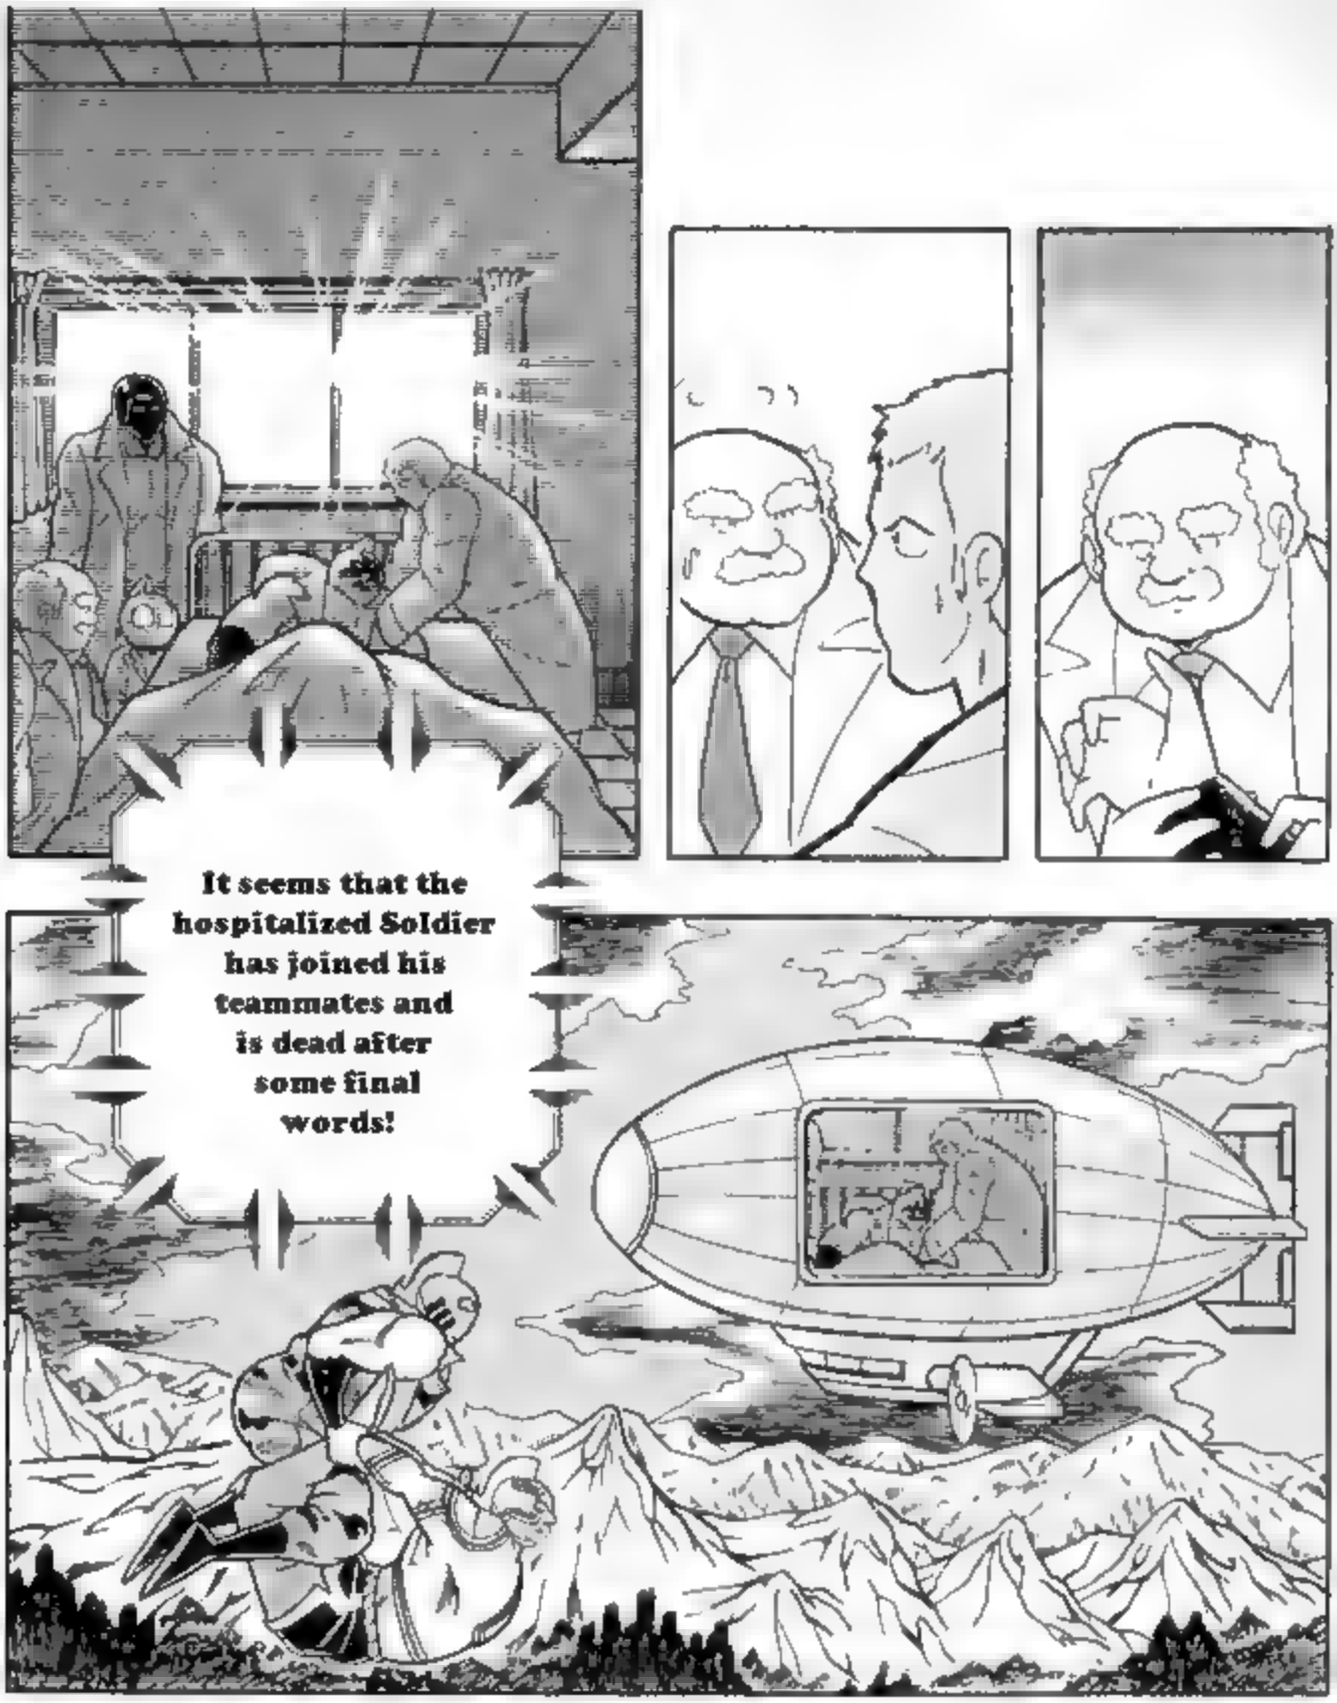
The Evil Gods' Consipracy!!の巻



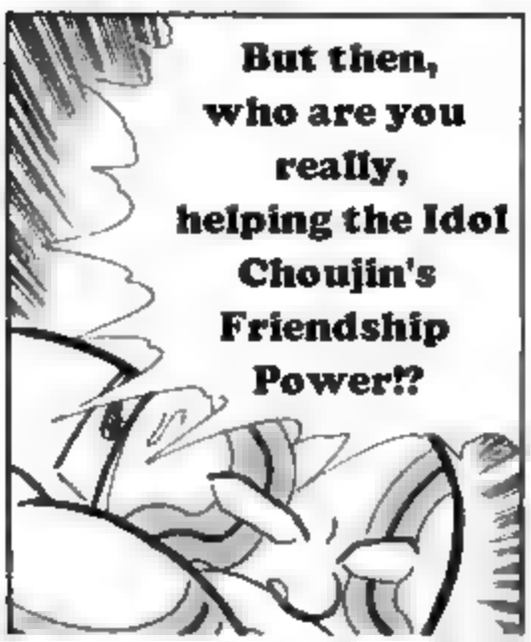
Now that you know of my fake identity, Phoenix, I can't let you live...
What is this move?!
Phoenix's sudden rush has been countered by Soldier and now he's caught in some kind of new technique!
HIMEJI CHOUJIN HOSPITAL
姫
姫路超人病院
N..NO!



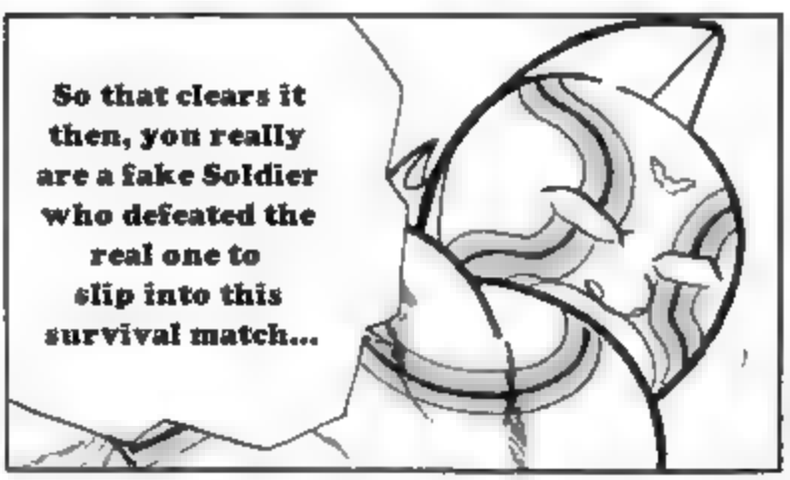
O-our carved chest wounds... They were carved...
The hospitalized Kinnikuman Soldier's begun acting strange after seeing the fighting Soldier's new technique!
Hey! Calm down!
NOT THAT MOVE!
Guwah!
By that very attack!
Doctor!



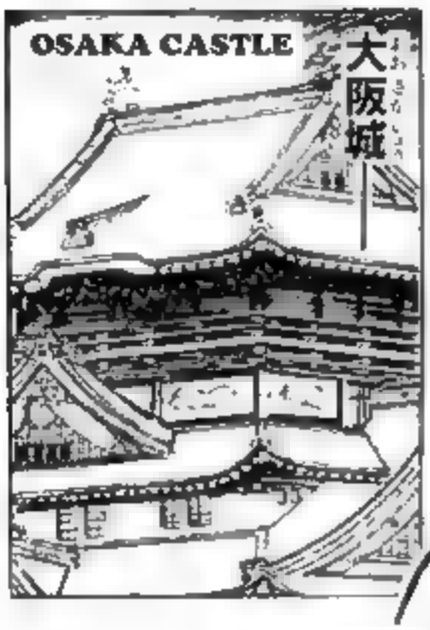
It seems that the hospitalized Soldier has joined his teammates and is dead after some final words!



But then, who are you really, helping the Idol Choujin's Friendship Power!?



So that clears it then, you really are a fake Soldier who defeated the real one to slip into this survival match...



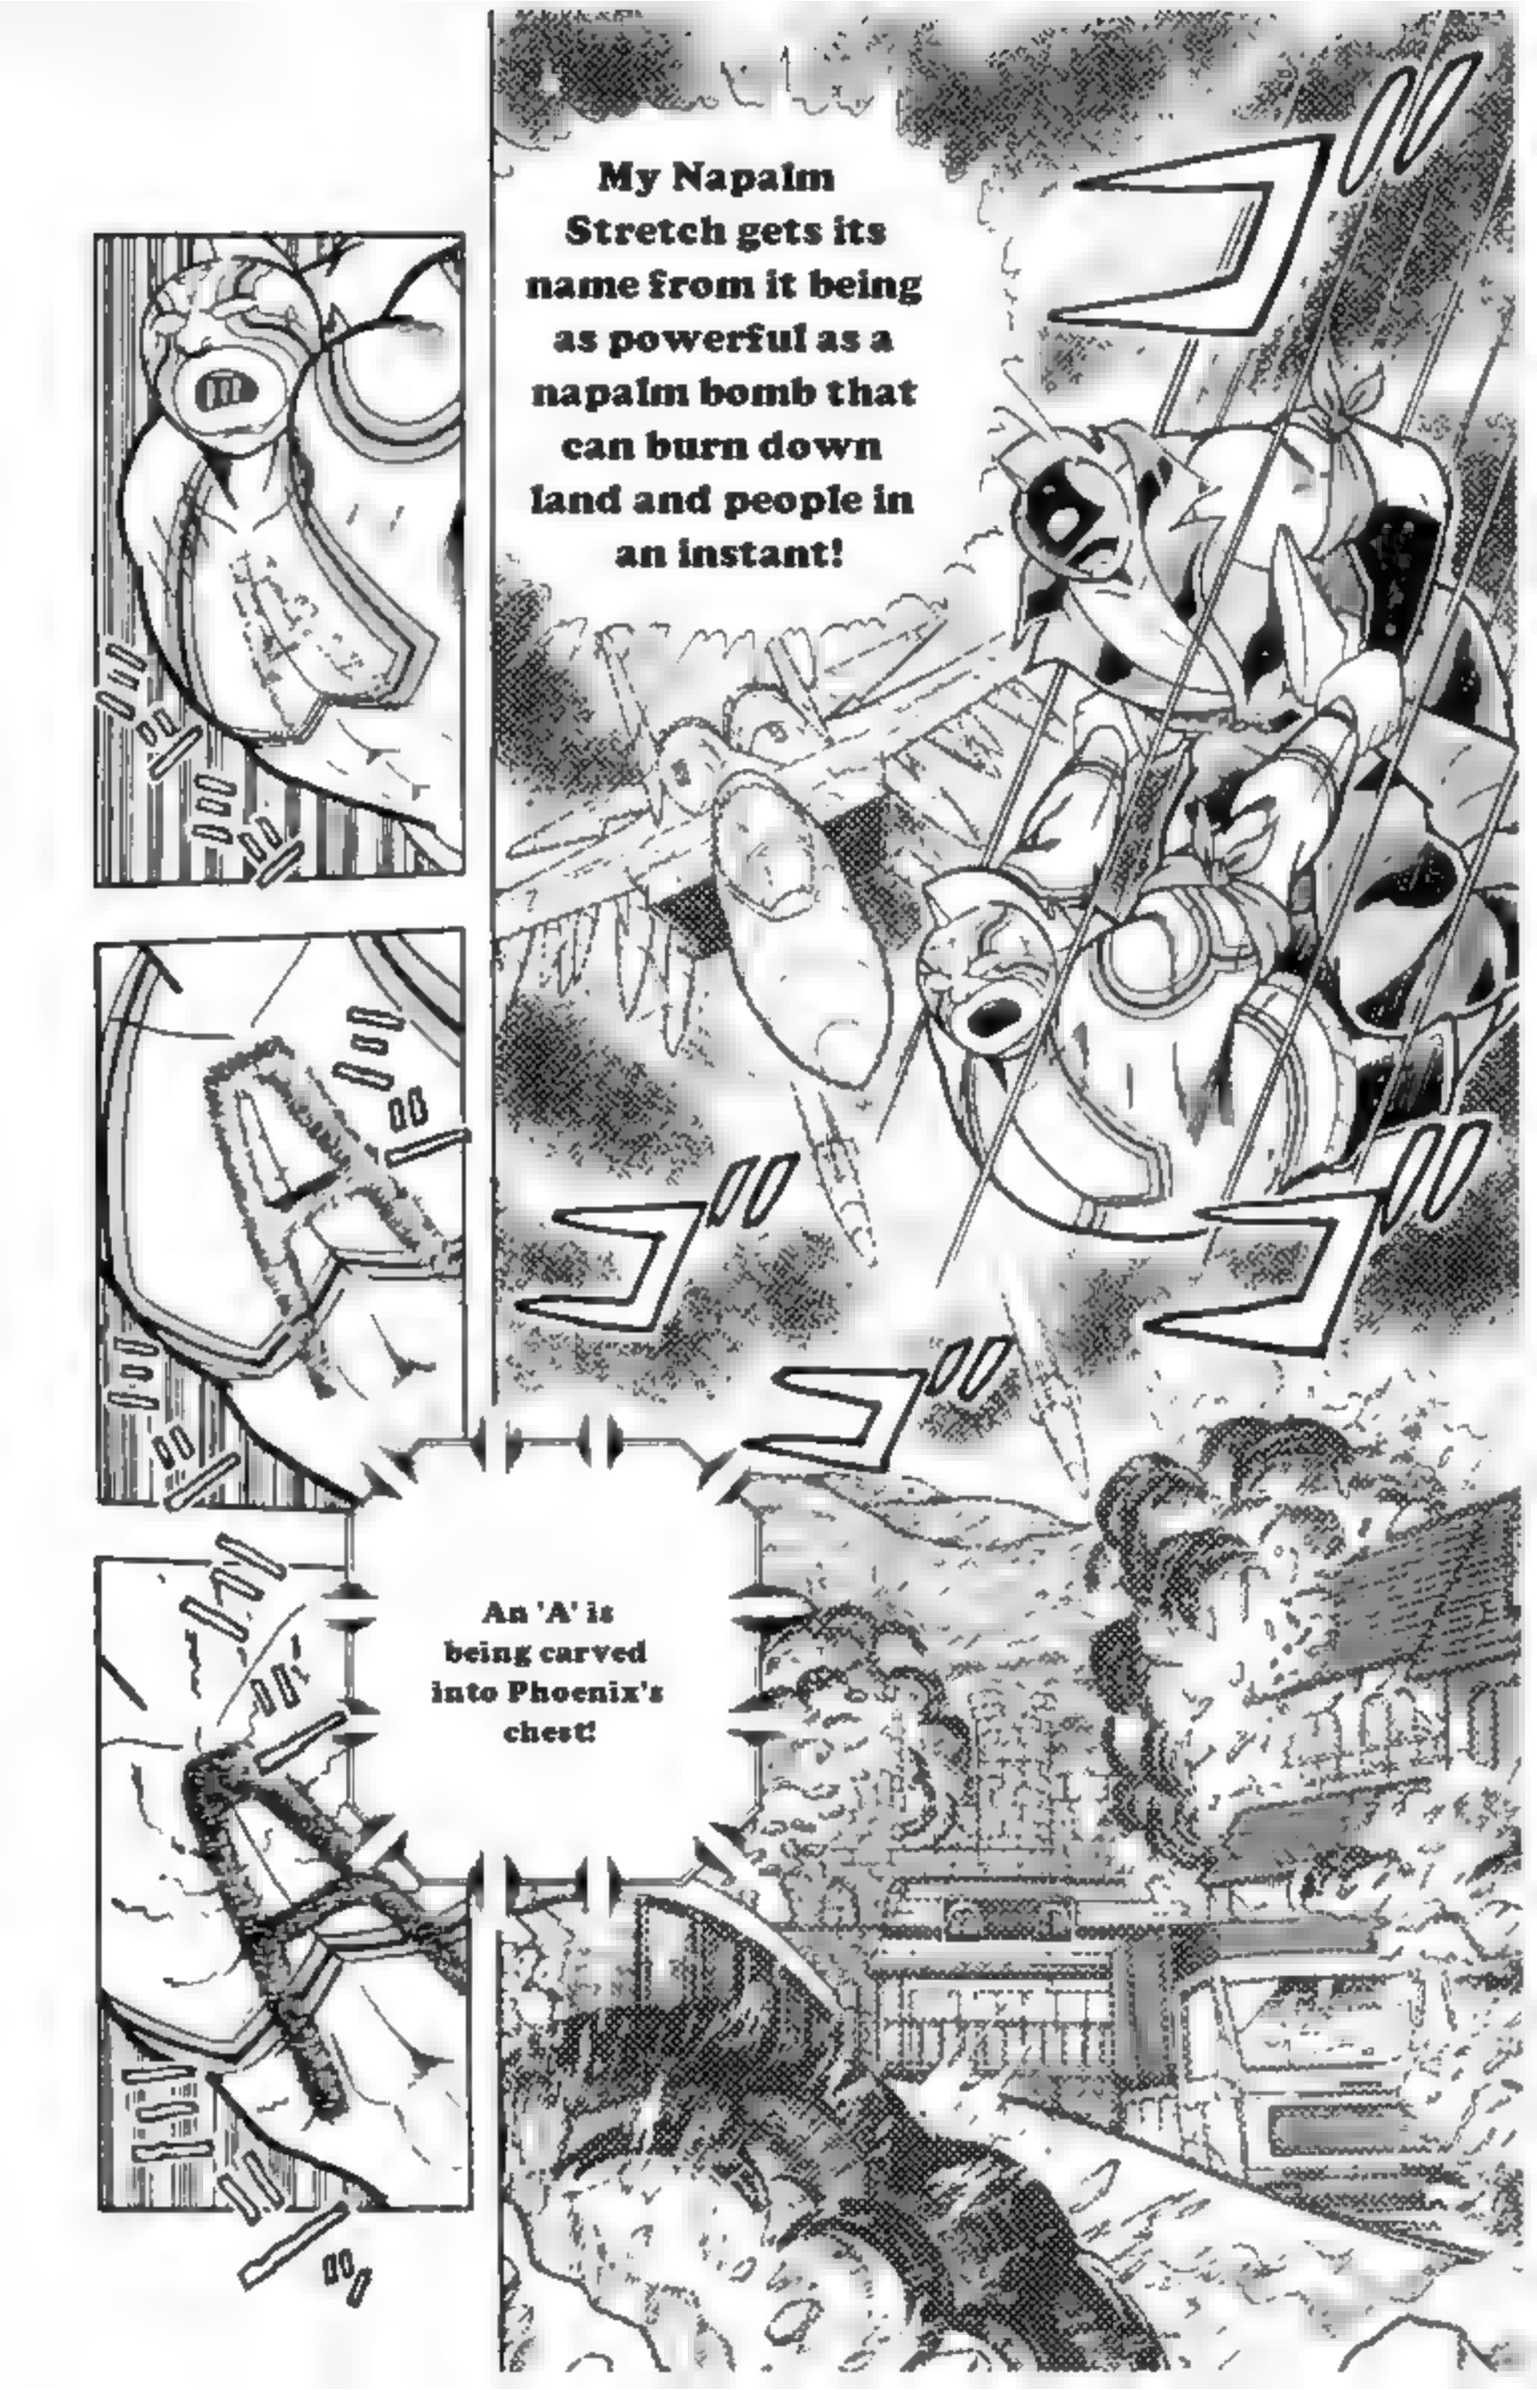
OSAKA CASTLE
大阪城

I felt that you were connected to the Kinniku Royal Family when I saw you fighting before, but...

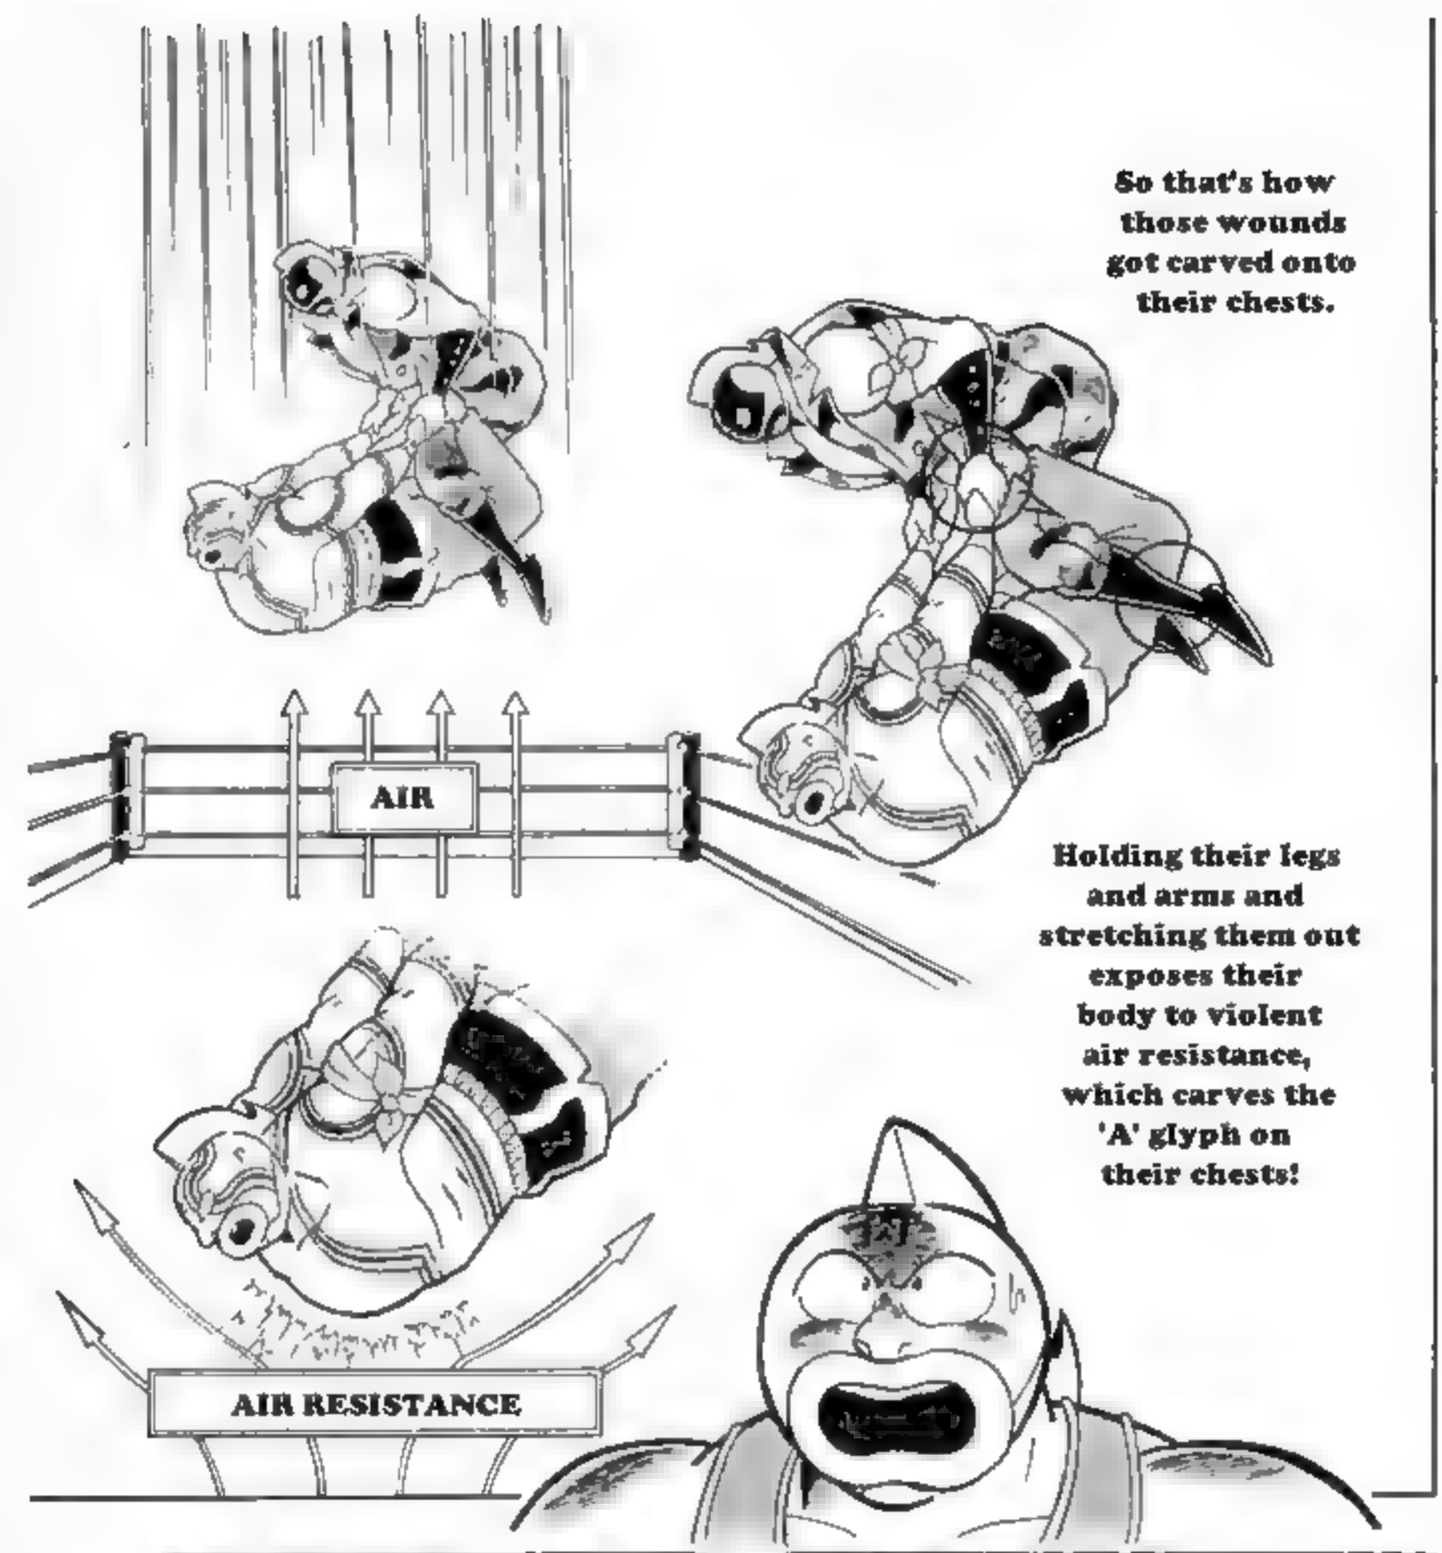
Even if I told you my identity, Phoenix, dead men tell no tales! And you'll be one soon!

Don't tell him anything, Ataru!

You can't reveal your identity yet!
If you do, then the Justice Choujin will become scattered from the revealation and it'll harm your little brother too!



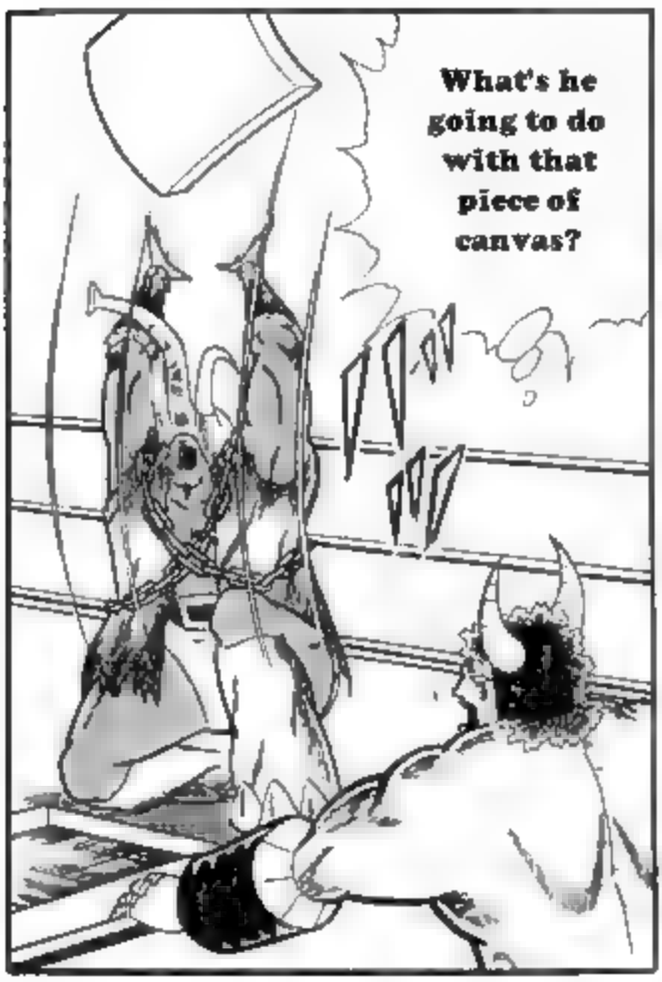
My Napalm Stretch gets its name from it being as powerful as a napalm bomb that can burn down land and people in an instant!
An 'A' is being carved into Phoenix's chest!



So that's how those wounds got carved onto their chests.
AIR
Holding their legs and arms and stretching them out exposes their body to violent air resistance, which carves the 'A' glyph on their chests!
AIR RESISTANCE

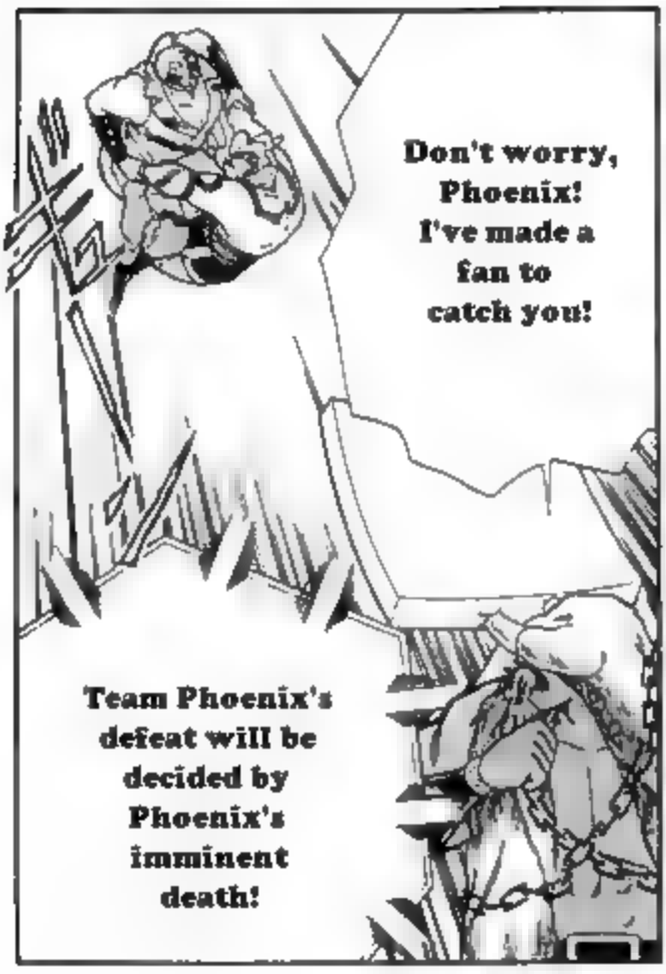
Even with your strength, Mammothman, catching that attack will snap your arms off your shoulders.

Phoenix's going to get killed if he crashes with this kind of force!
I won't let him crash!



What's he going to do with that piece of canvas?

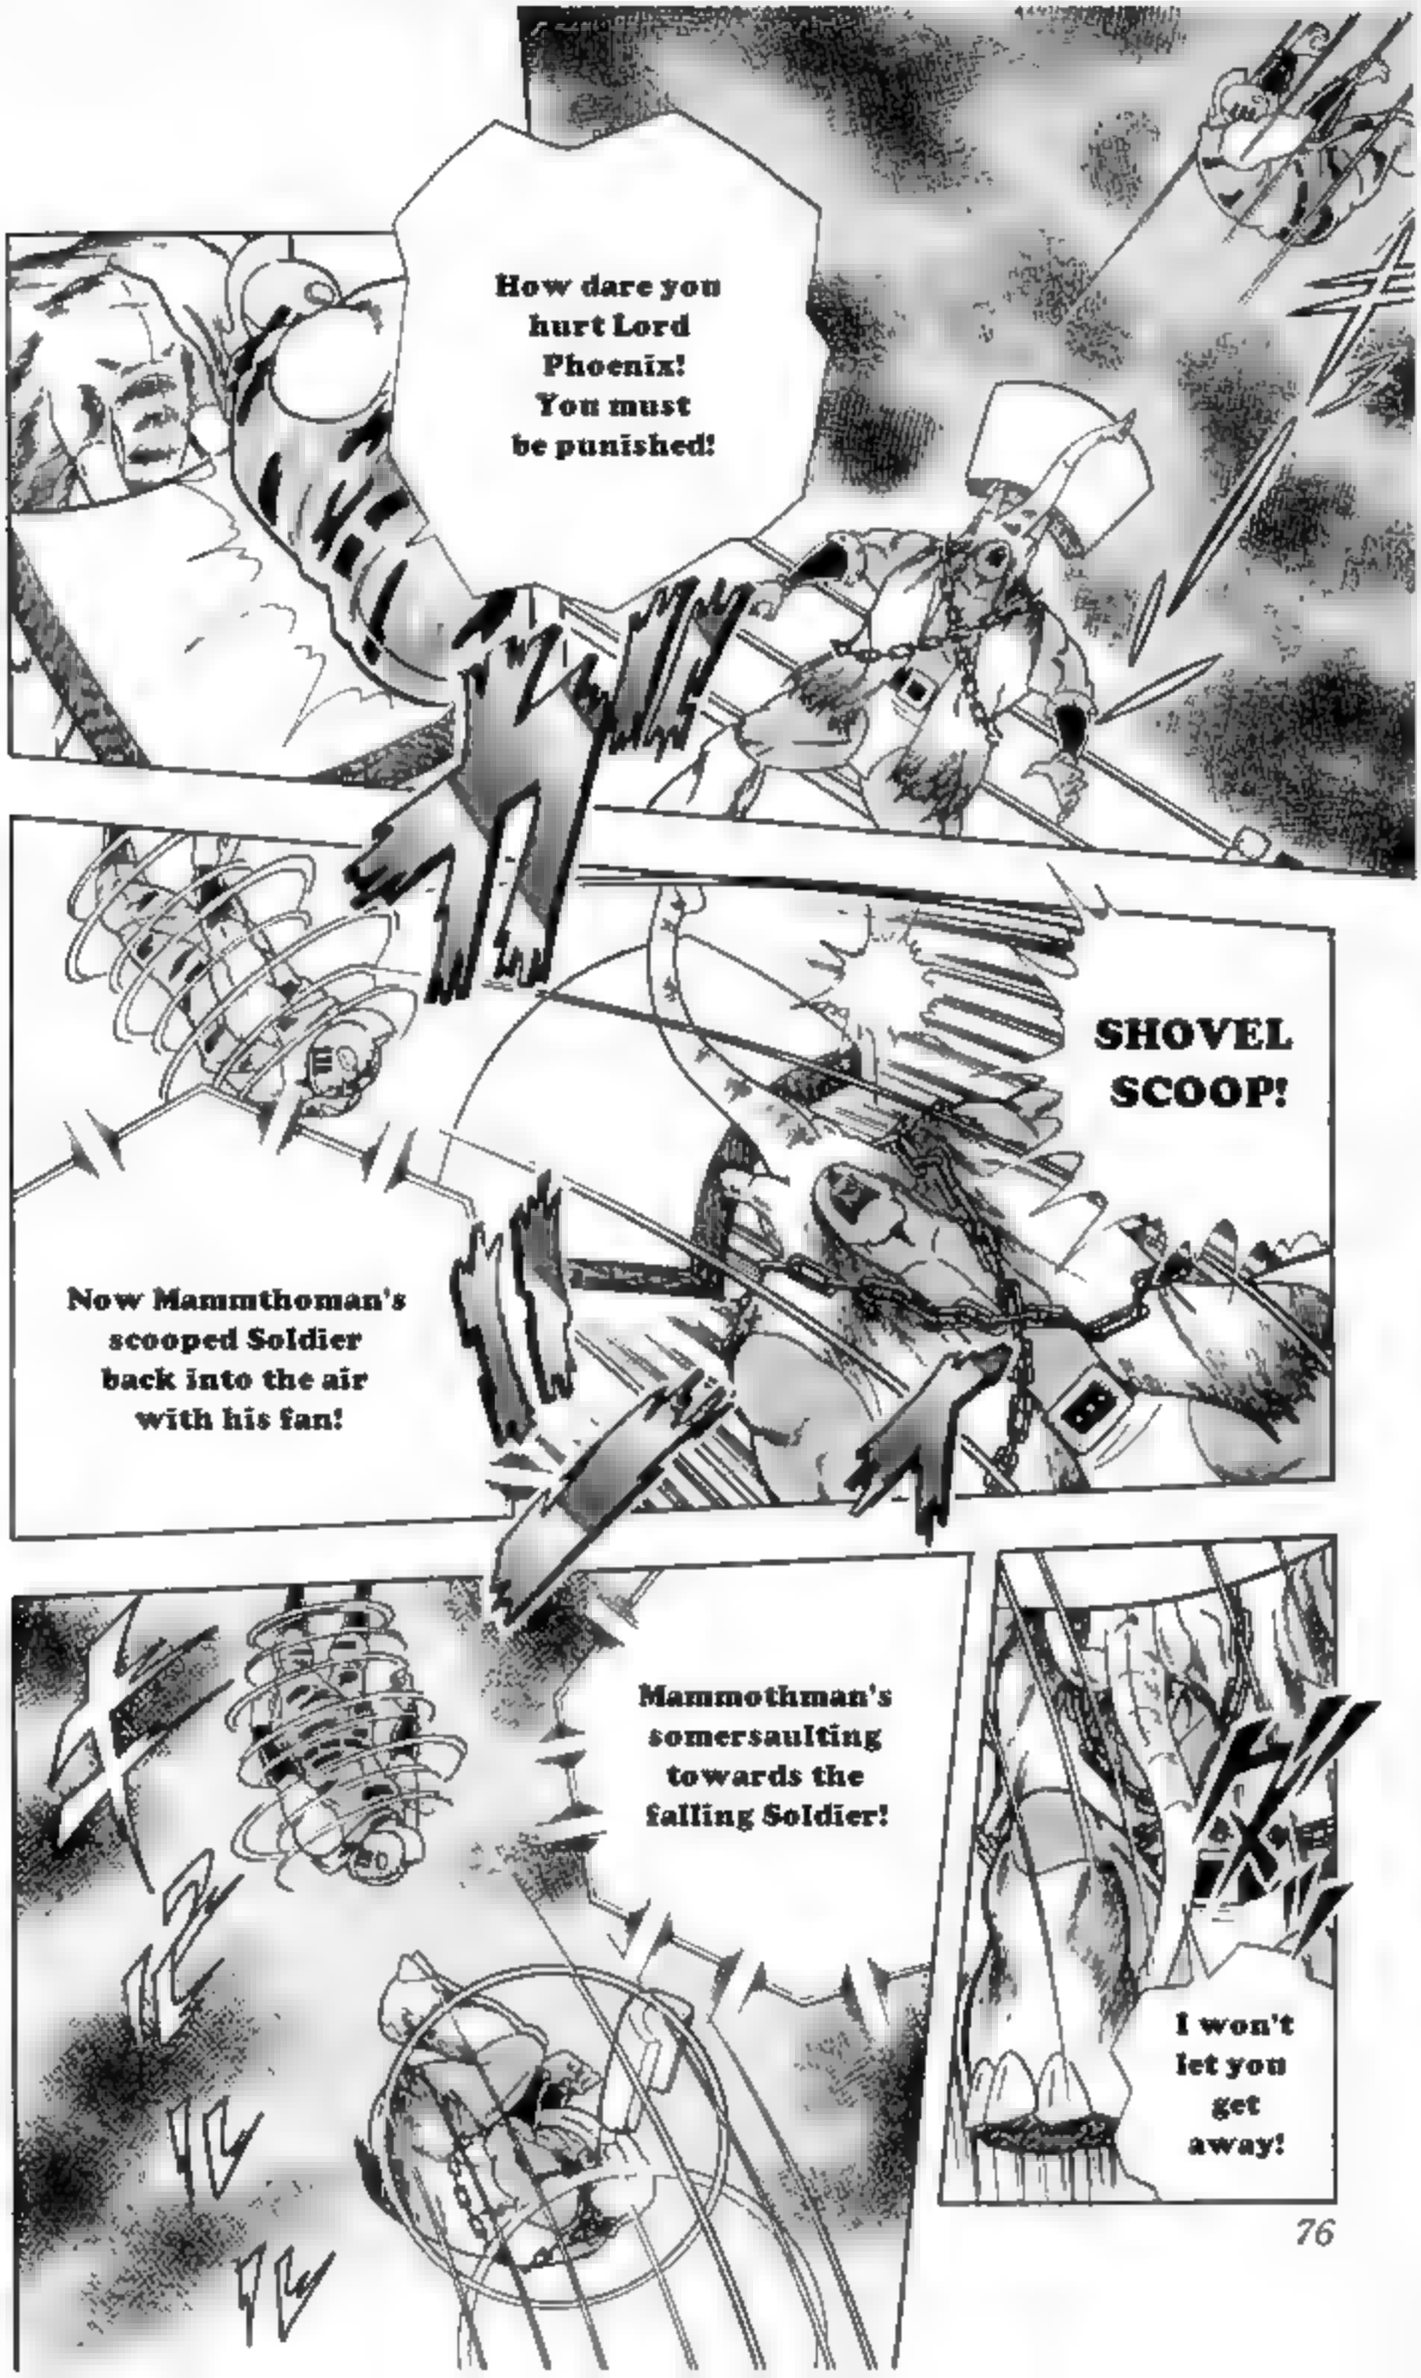
There's still this!



Don't worry, Phoenix! I've made a fan to catch you!
Team Phoenix's defeat will be decided by Phoenix's imminent death!

Mammothman's skewered the canvas piece with his Big Tusks!

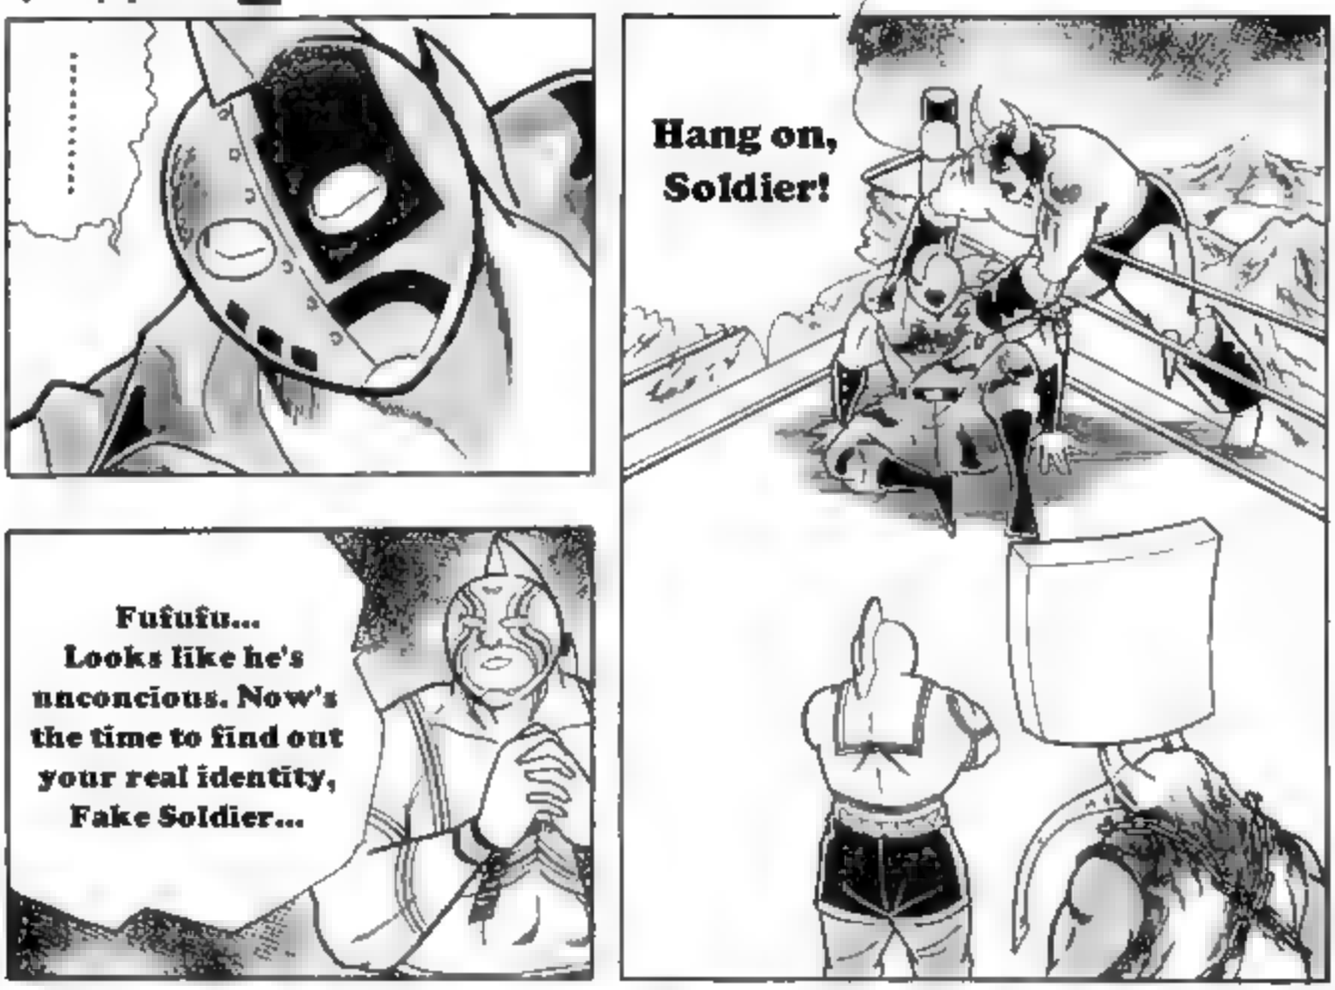
Aah!
If I can't catch him in my arms, I'll catch him with the wind!
Mammothman's whipping up a strong wind with his newly made fan!
BIG TUSK FAN!
あああ!
You did it, Mammothman!
Phoenix's been freed from the Napalm Stretch!



How dare you hurt Lord Phoenix! You must be punished!
SHOVEL SCOOP!
Now Mammthoman's scooped Soldier back into the air with his fan!
Mammothman's somersaulting towards the falling Soldier!
I won't let you get away!

SHOVEL HAMMMER!
And has dug his giant fan right into Soldier's chest!
Guh!

Soldier! Are you allri-
Ooh! Y-your chest!
Urrh...
Kukuku... That's for scarring my chest...

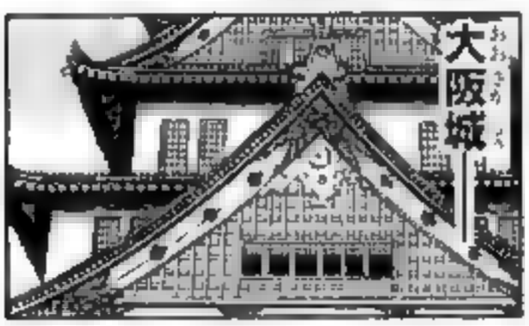


.....
Hang on, Soldier!
Fufufu... Looks like he's unconcious. Now's the time to find out your real identity, Fake Soldier...
Oh! The 3 Evil Gods of Flight, Strength and Technique!
Phoenix....
Since it's come to this, for the sake of getting 1 Evil God making it to the end of this survival match, we'll all cooperate to help the God of Intelligence.
Phoenix, we Evil Gods all backed those defeated princes Mariposa, Big Body and Zebra, but...

It's very reassuring to be gifted the aid of the Evil Gods of Flight, Strength, Technique and Brutality.

It's not just us either! As we speak, the God of Brutality has left the real Soldier's corpse and has discovered a potential clue for finding out this fake Soldier's true identity.

OSAKA CASTLE



What the? A black hawk!?

Get up, Ataru! The prophecy foretold your involvment in helping Suguru's friendship! You can't be defeated now!

What is that?
Aah!
Wah!
Caw!
Come back!
N-No! That bird stole the prophecy page that was about Ataru!

Buffaloman! Please protect Ataru!
This is a disaster! If the world knows that Ataru is alive, then the Justice Choujin will break down!
Ah, the God of Brutality has returned.
Kekeke... That wasn't so hard. I got the Muscle Prophecy page written about the fake Soldier, which was coveted greatly by the Great King Kinniku.

Right!
Take the page from him, Mammothman.
Here, take it!
Thank you, God of Brutality! I've been waiting to see this prophecy.
What's gotten into you!?
I'll never let you read that page!

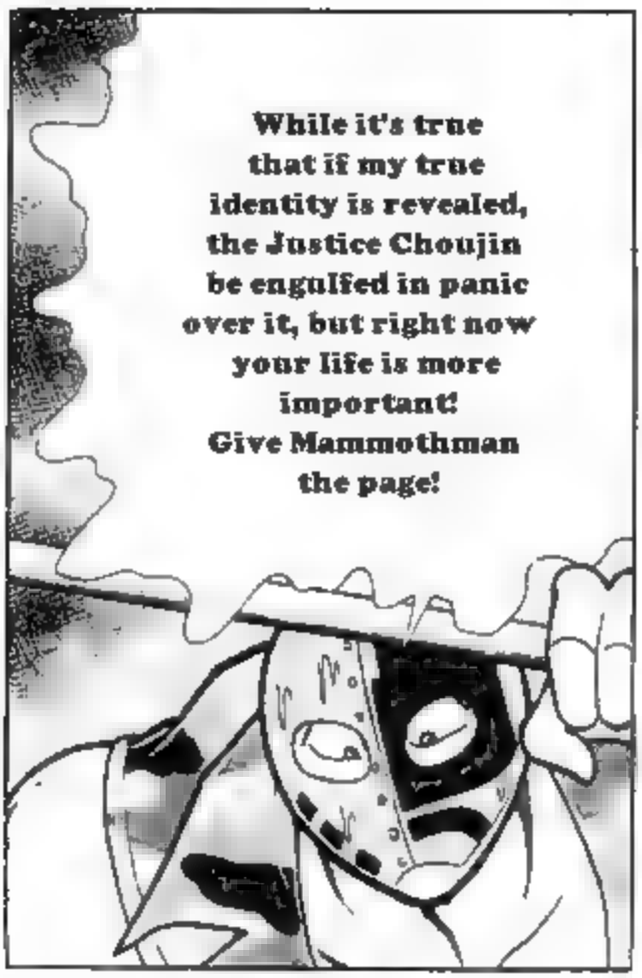
So I can't let Mammothman go even if I have to die!
The paper I've got clutched in my mouth seems to have something written on it that'll shake the Justice Choujin apart. If I let Mammothman kill me and read it, then the Justice Choujin world will crack...
Buffaloman's going to take Mammothman with him!
Why would the very same Buffaloman who'd never leave the ring even if he was overwhelmed do something so reckless!?

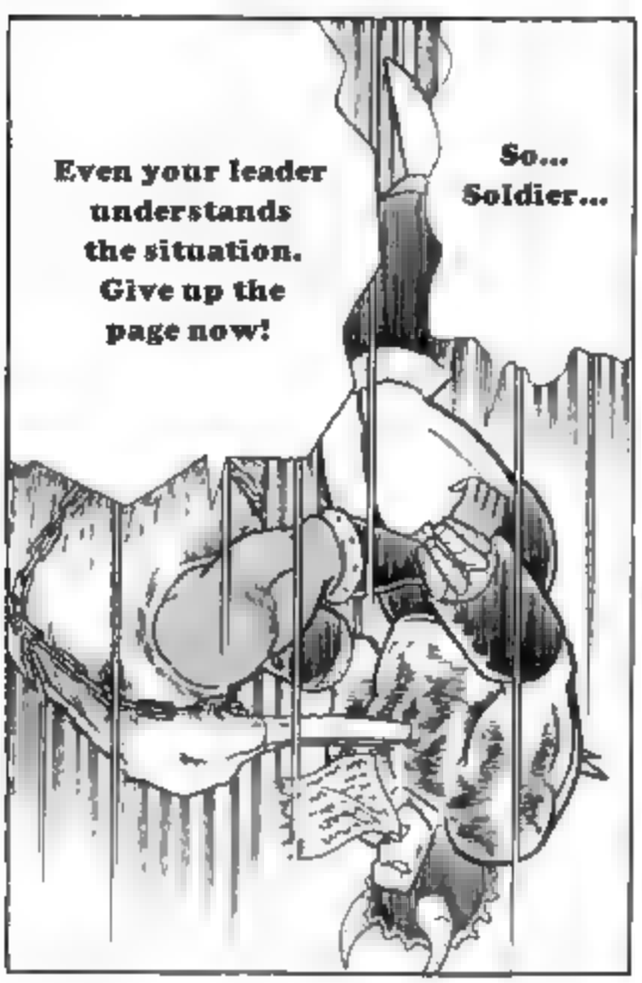
It's that piece of paper in his mouth that's changed his behaviour!
It seems he'll protect that piece of paper with his own life so Team Phoenix won't be able to read it...
At the middle of the match!
Buffaloman's been acting strange since he got that paper that was stolen by that hawk
Why are you risking your life to protect that scrap of paper, Buffaloman? What's written on it!?
I... don't get it...
Why?

Mammothman, as a member of Team Phoenix, you must get that page even if you die trying!
But I won't die trying!
Don't worry, Lord Phoenix, I'll get this page back from Buffaloman...
Mammothman's trunk has pierced right through Buffaloman's chest!
NOSE FENCING!
Buffaloman!

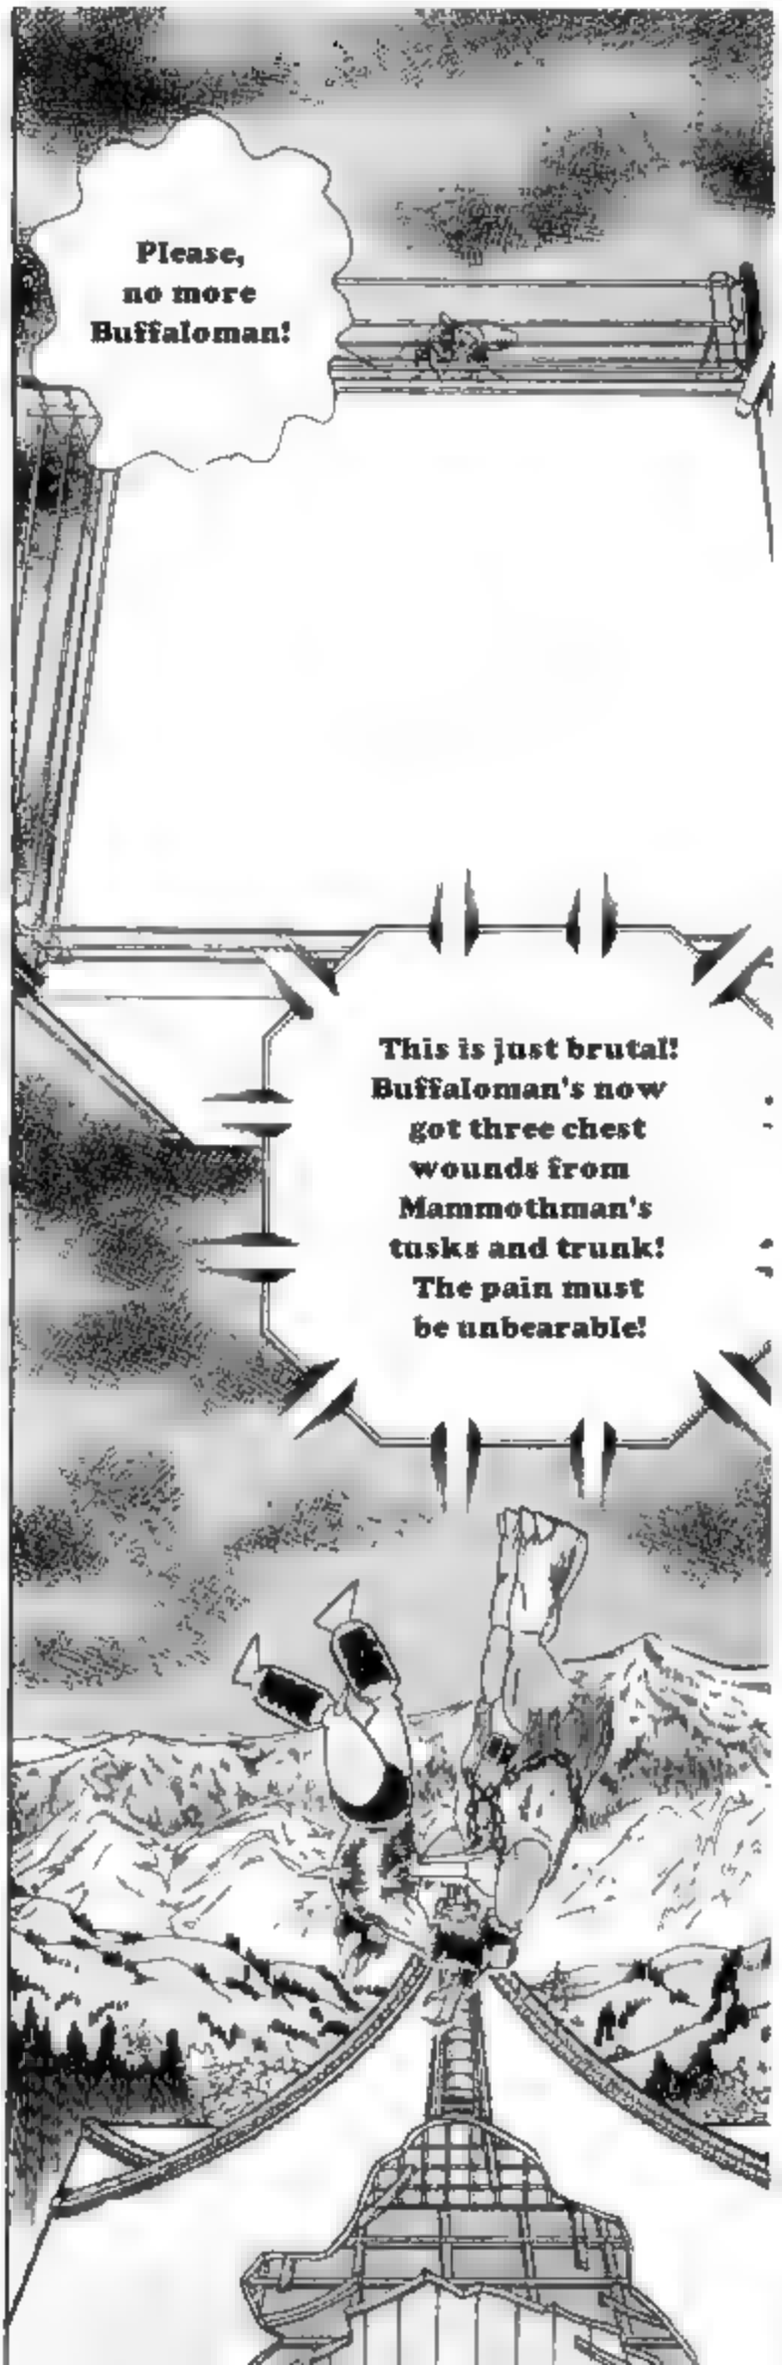
OSAKA CASTLE
大阪城
Oh goodness... Buffaloman, a complete stranger, is getting hurt protecting the secret of the Kinniku Royal Family!
I've already said... I'd rather die than let your team read this page...
That must have hurt, Buffaloman! If you want me to withdraw my trunk from your chest, give me the page!
BIG TUSKS!
What!?



While it's true that if my true identity is revealed, the Justice Choujin be engulfed in panic over it, but right now your life is more important! Give Mammothman the page!



Even your leader understands the situation. Give up the page now!
So... Soldier...



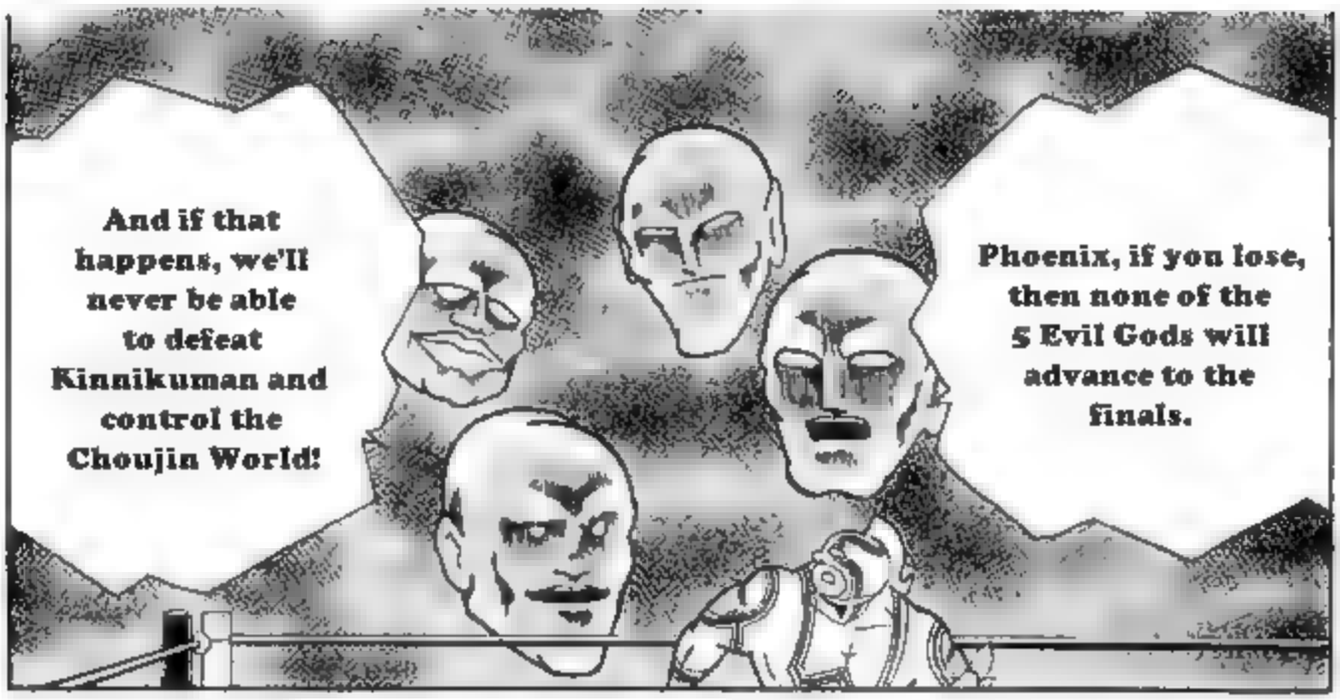
Please, no more Buffaloman!
This is just brutal! Buffaloman's now got three chest wounds from Mammothman's tusks and trunk! The pain must be unbearable!

For your concern...
Buffaloman, even if the pain of keeping the page safe becomes too great for you, none of the Justice Choujin will scorn you for losing it...
Thank you, Soldier...
Hehe, now I'll get Soldier's secret back...
It seems Buffaloman's succumbed to the pain of his chest and has let the page go!

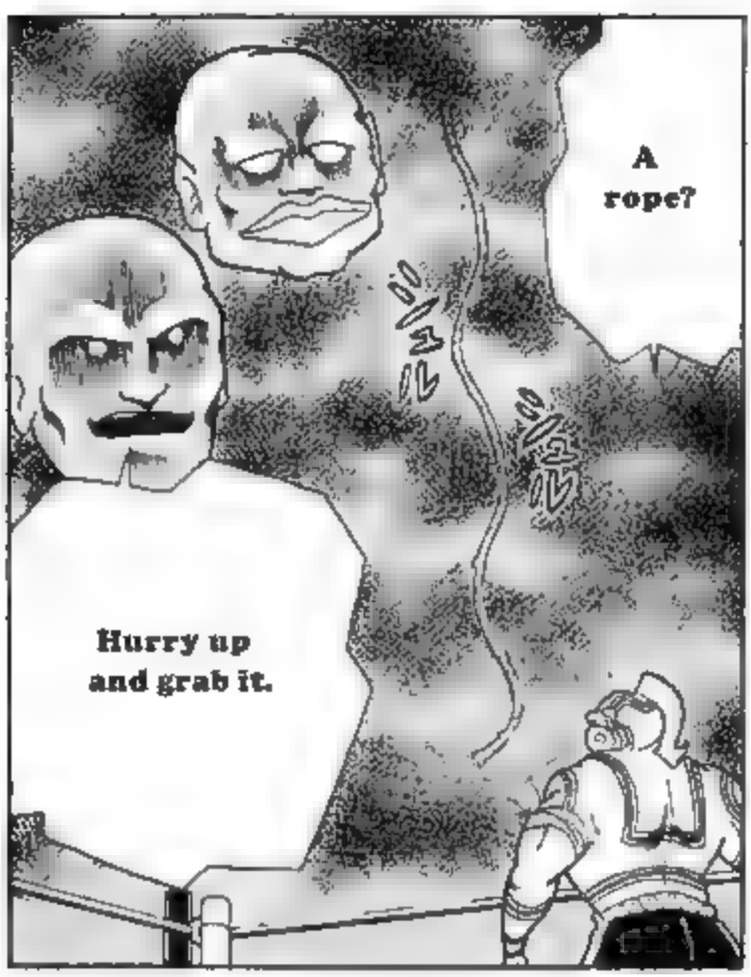
You shouldn't have withdrawn your tusks and trunk!
What the-
Buffaloman's suddenly become reinvigorated, has realigned himself and has Mammothman in his arms!

This is intense! Buffaloman's slammed Mammothman with a Powerbomb against a Shachihoko statue like Brocken Jr did with Prisman!
Buffaloman's gonna crash Mammothman against the the roof of the Fighting Castle!
BUFFALO BOMB!
Guh!
Ah, the paper...

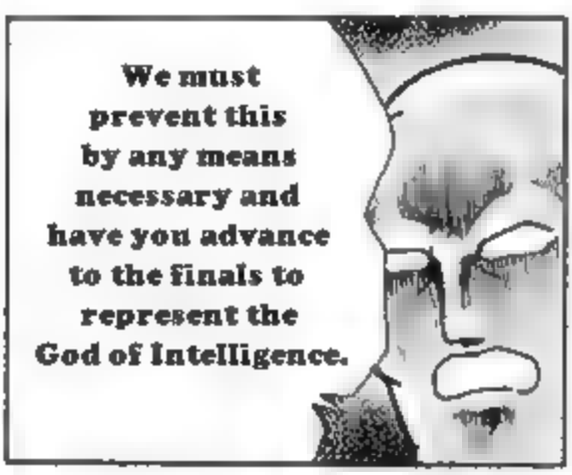
Has Buffaloman triumphed in the battle of the beasts with his smart wrestling!?
You're one heck of a Choujin!
You've done well Buffaloman!
No matter what, I'll protect the peace of the Justice Choujin!
Now I see your great courage, Buffaloman...
This is impossible! Mammothman, the Choujin Hunter, has failed!
Ah... Buffaloman's saved us all. Thank you...
大阪城



And if that happens, we'll never be able to defeat Kinnikuman and control the Choujin World!
Phoenix, if you lose, then none of the 5 Evil Gods will advance to the finals.



A rope?
Hurry up and grab it.

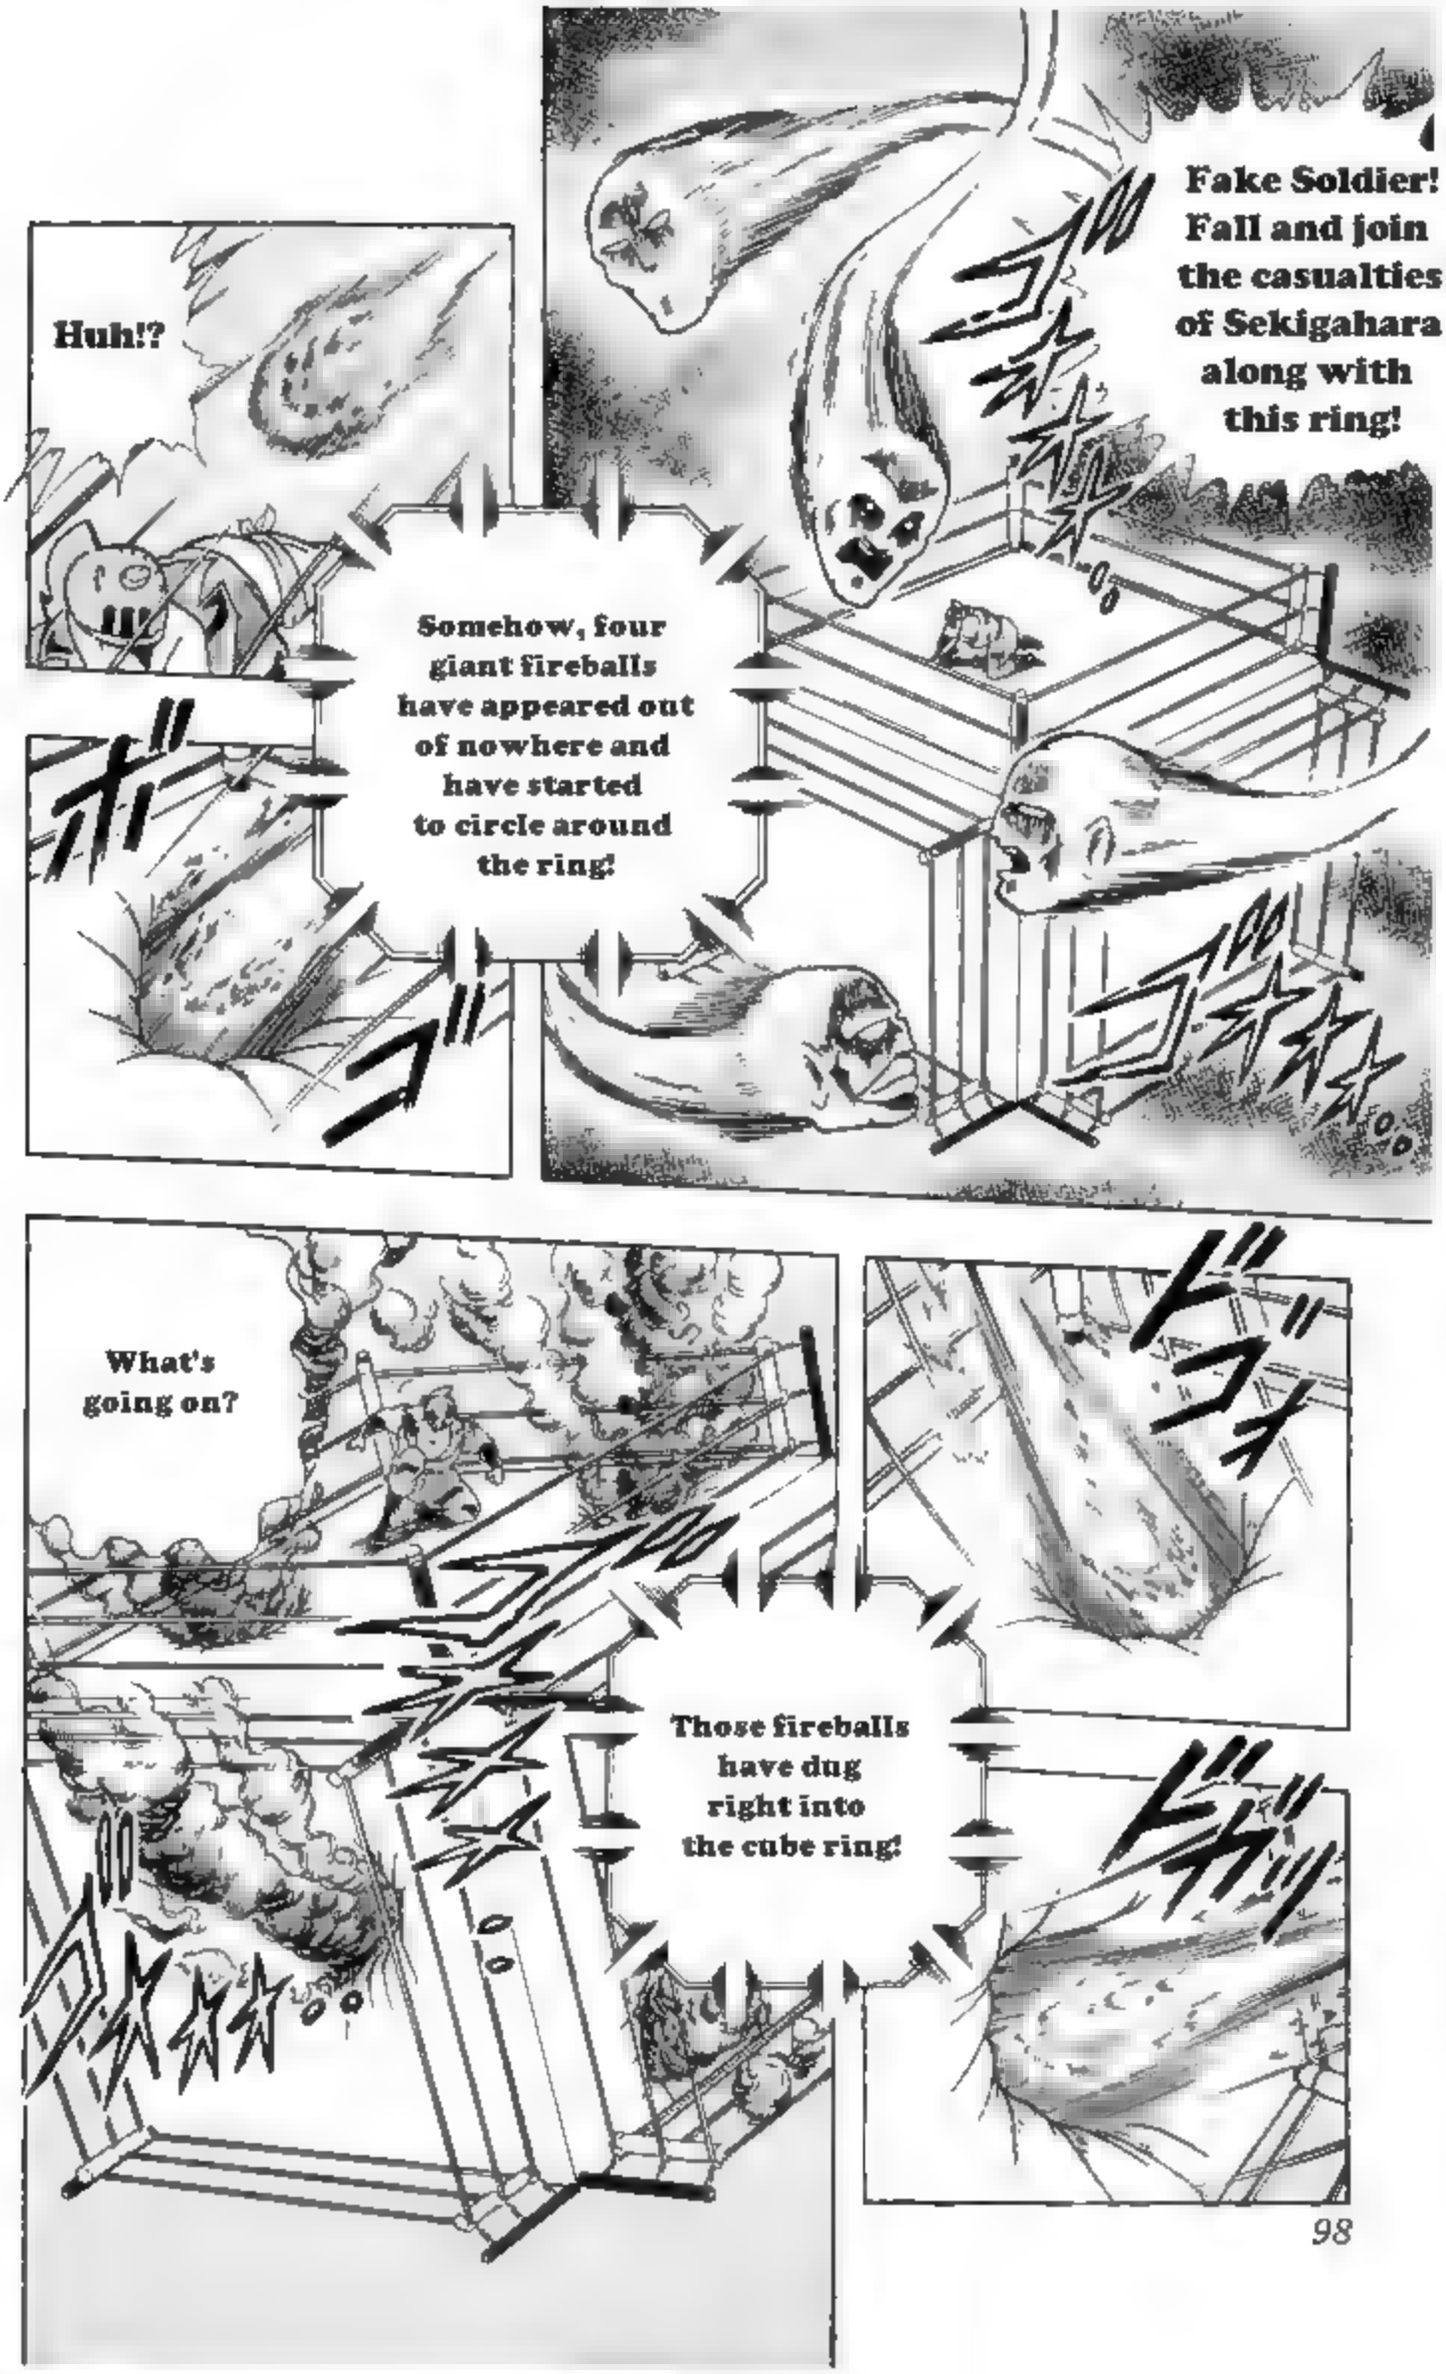


We must prevent this by any means necessary and have you advance to the finals to represent the God of Intelligence.

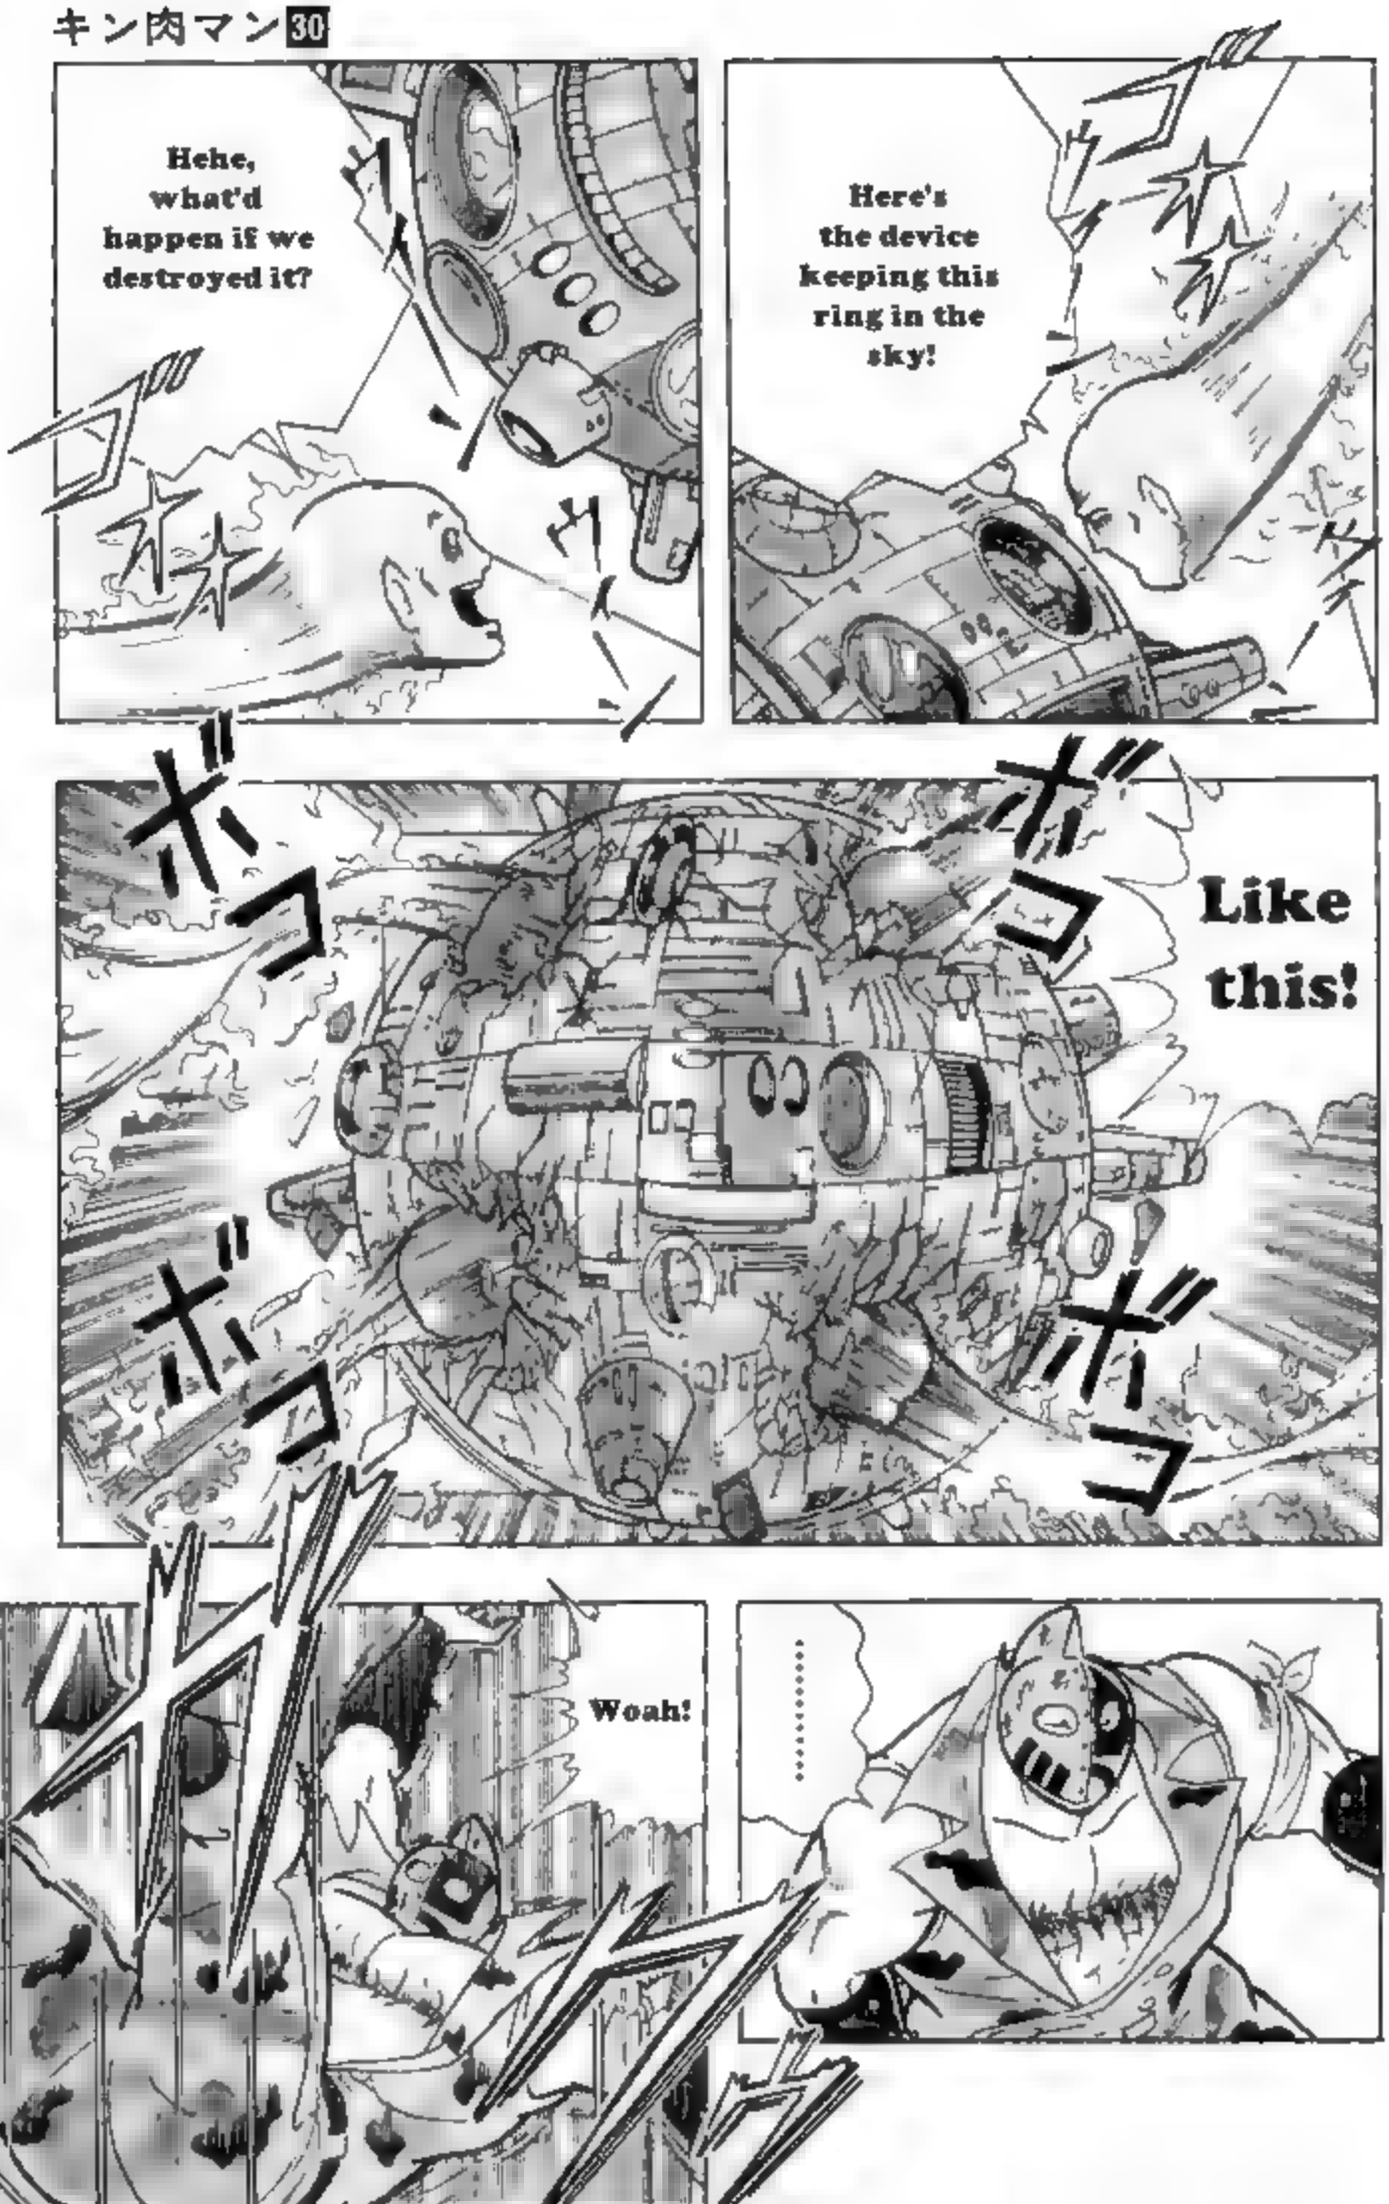
So we've prepared another if slightly dirty method for achieving this.

Where are you going, Phoenix?

Okay!



Huh!?
Fake Soldier! Fall and join the casualties of Sekigahara along with this ring!
Somehow, four giant fireballs have appeared out of nowhere and have started to circle around the ring!
What's going on?
Those fireballs have dug right into the cube ring!



Hehe, what'd happen if we destroyed it?
Here's the device keeping this ring in the sky!

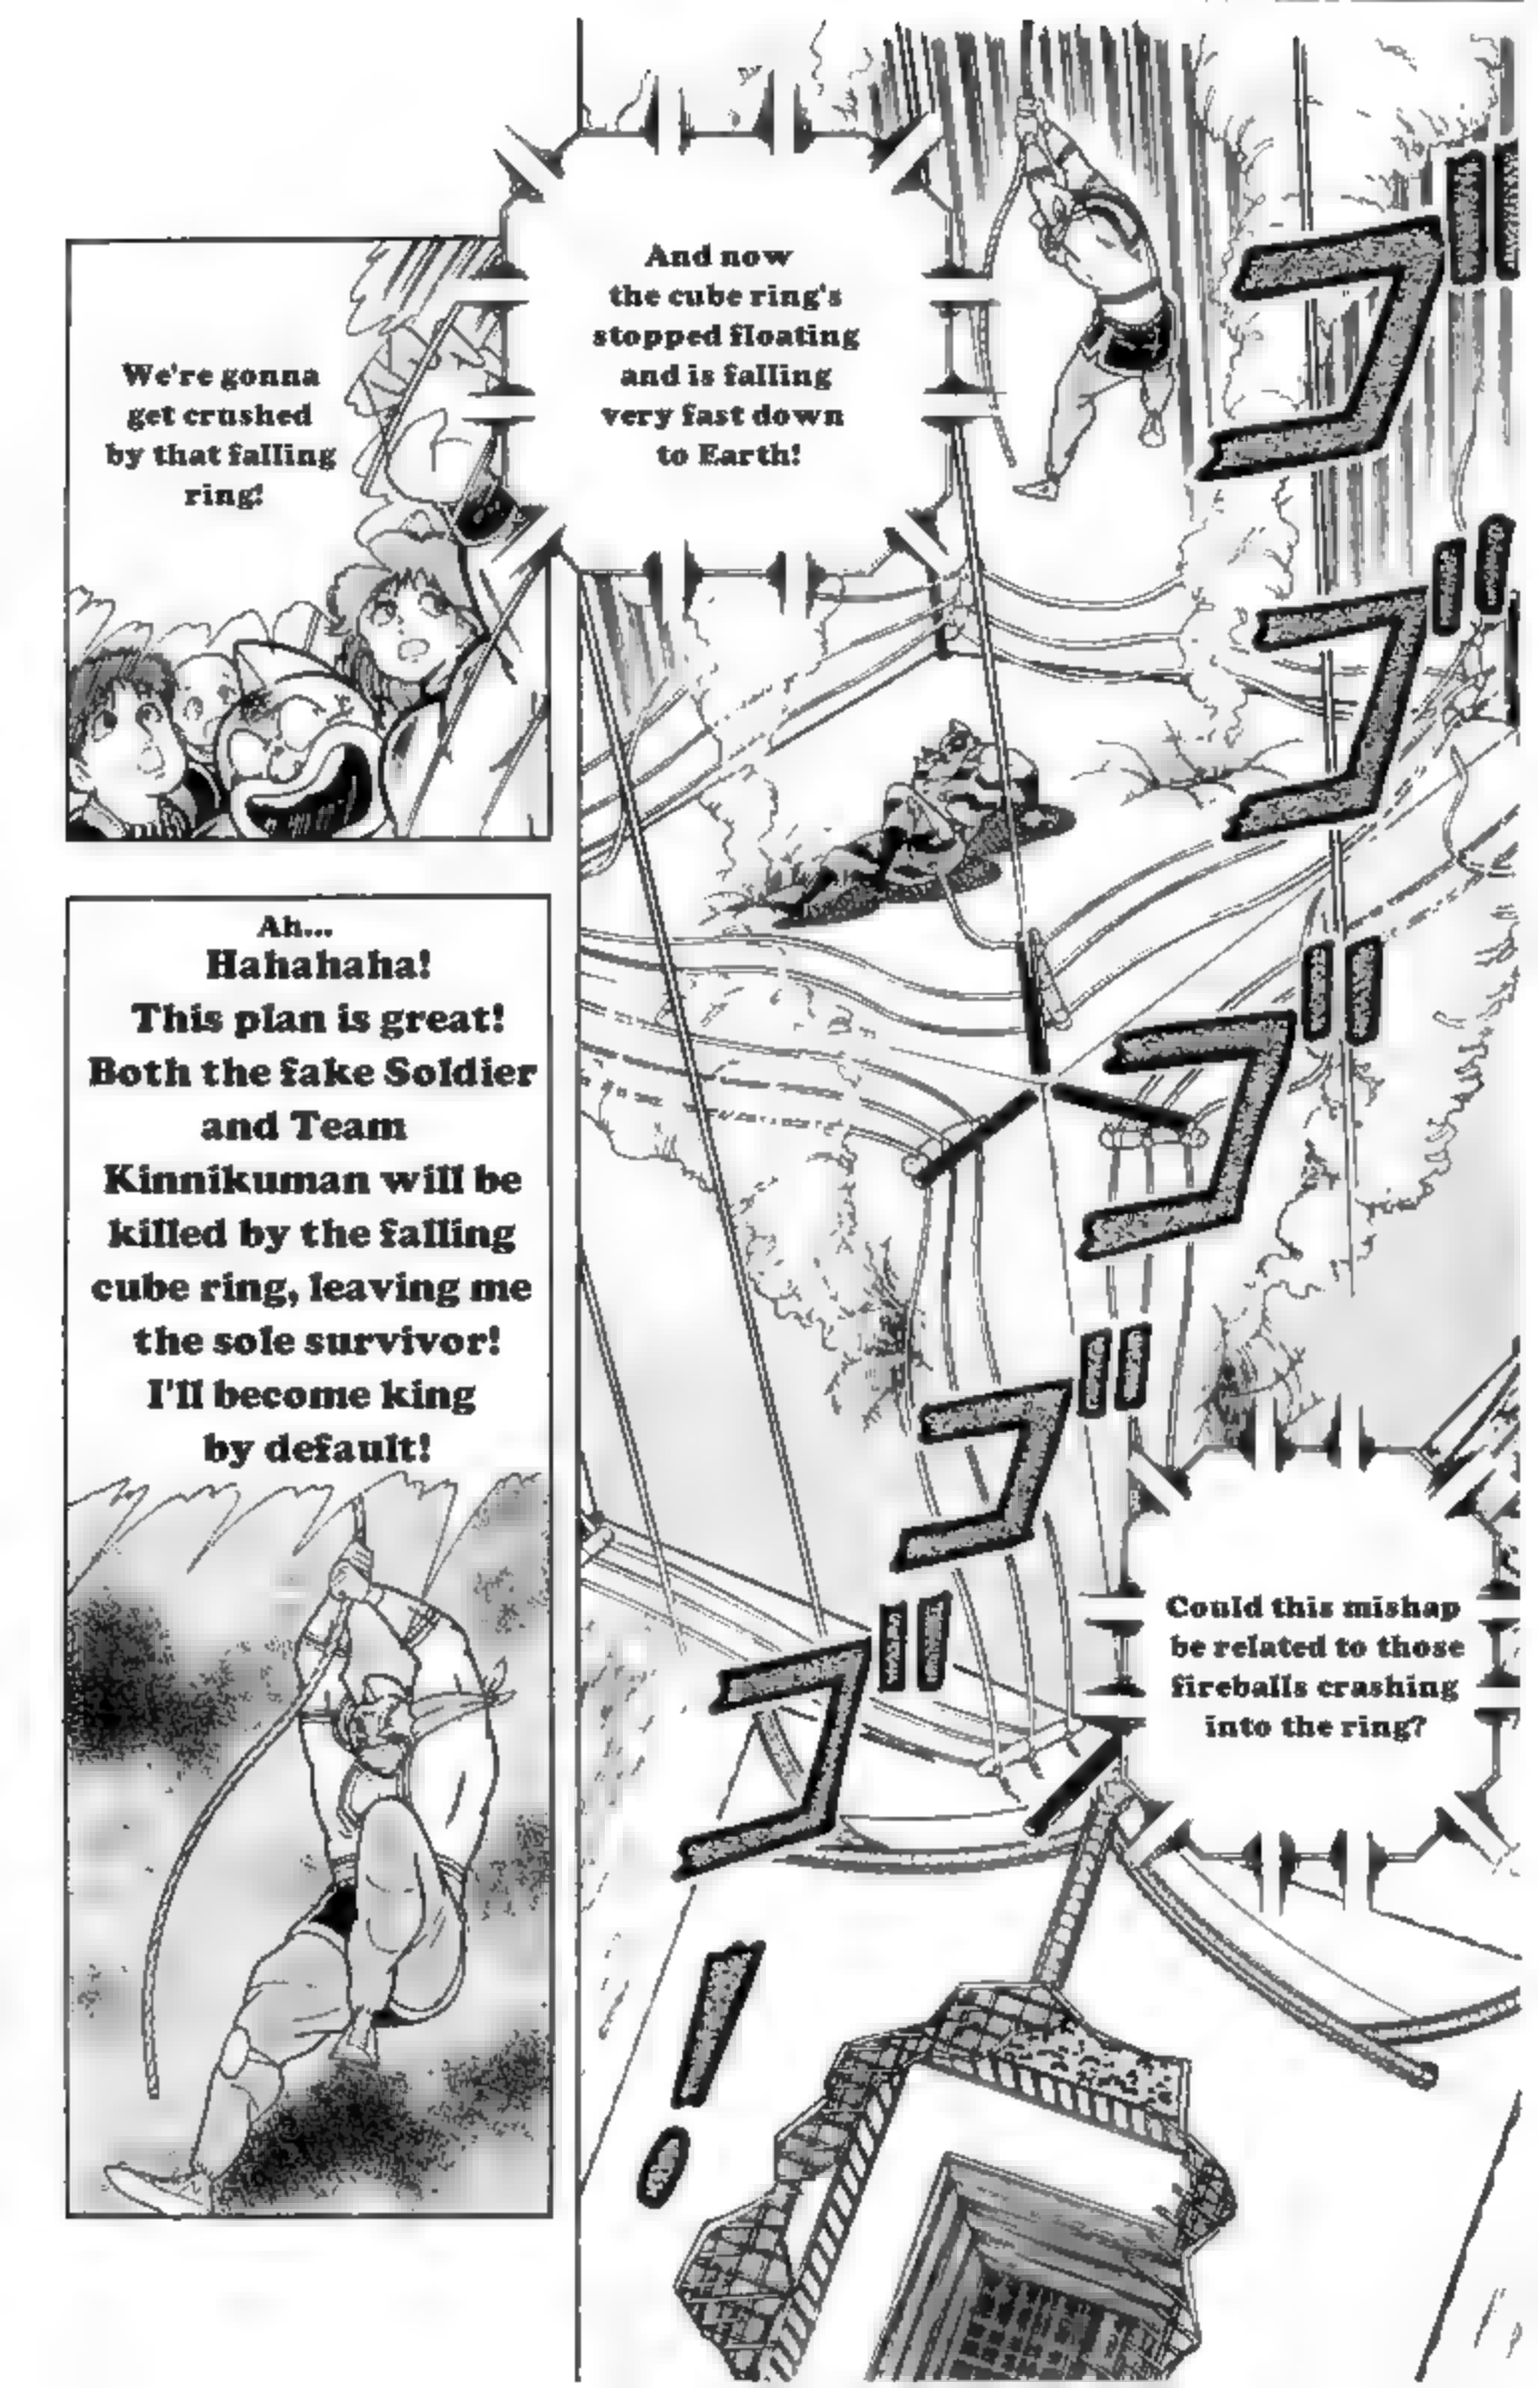
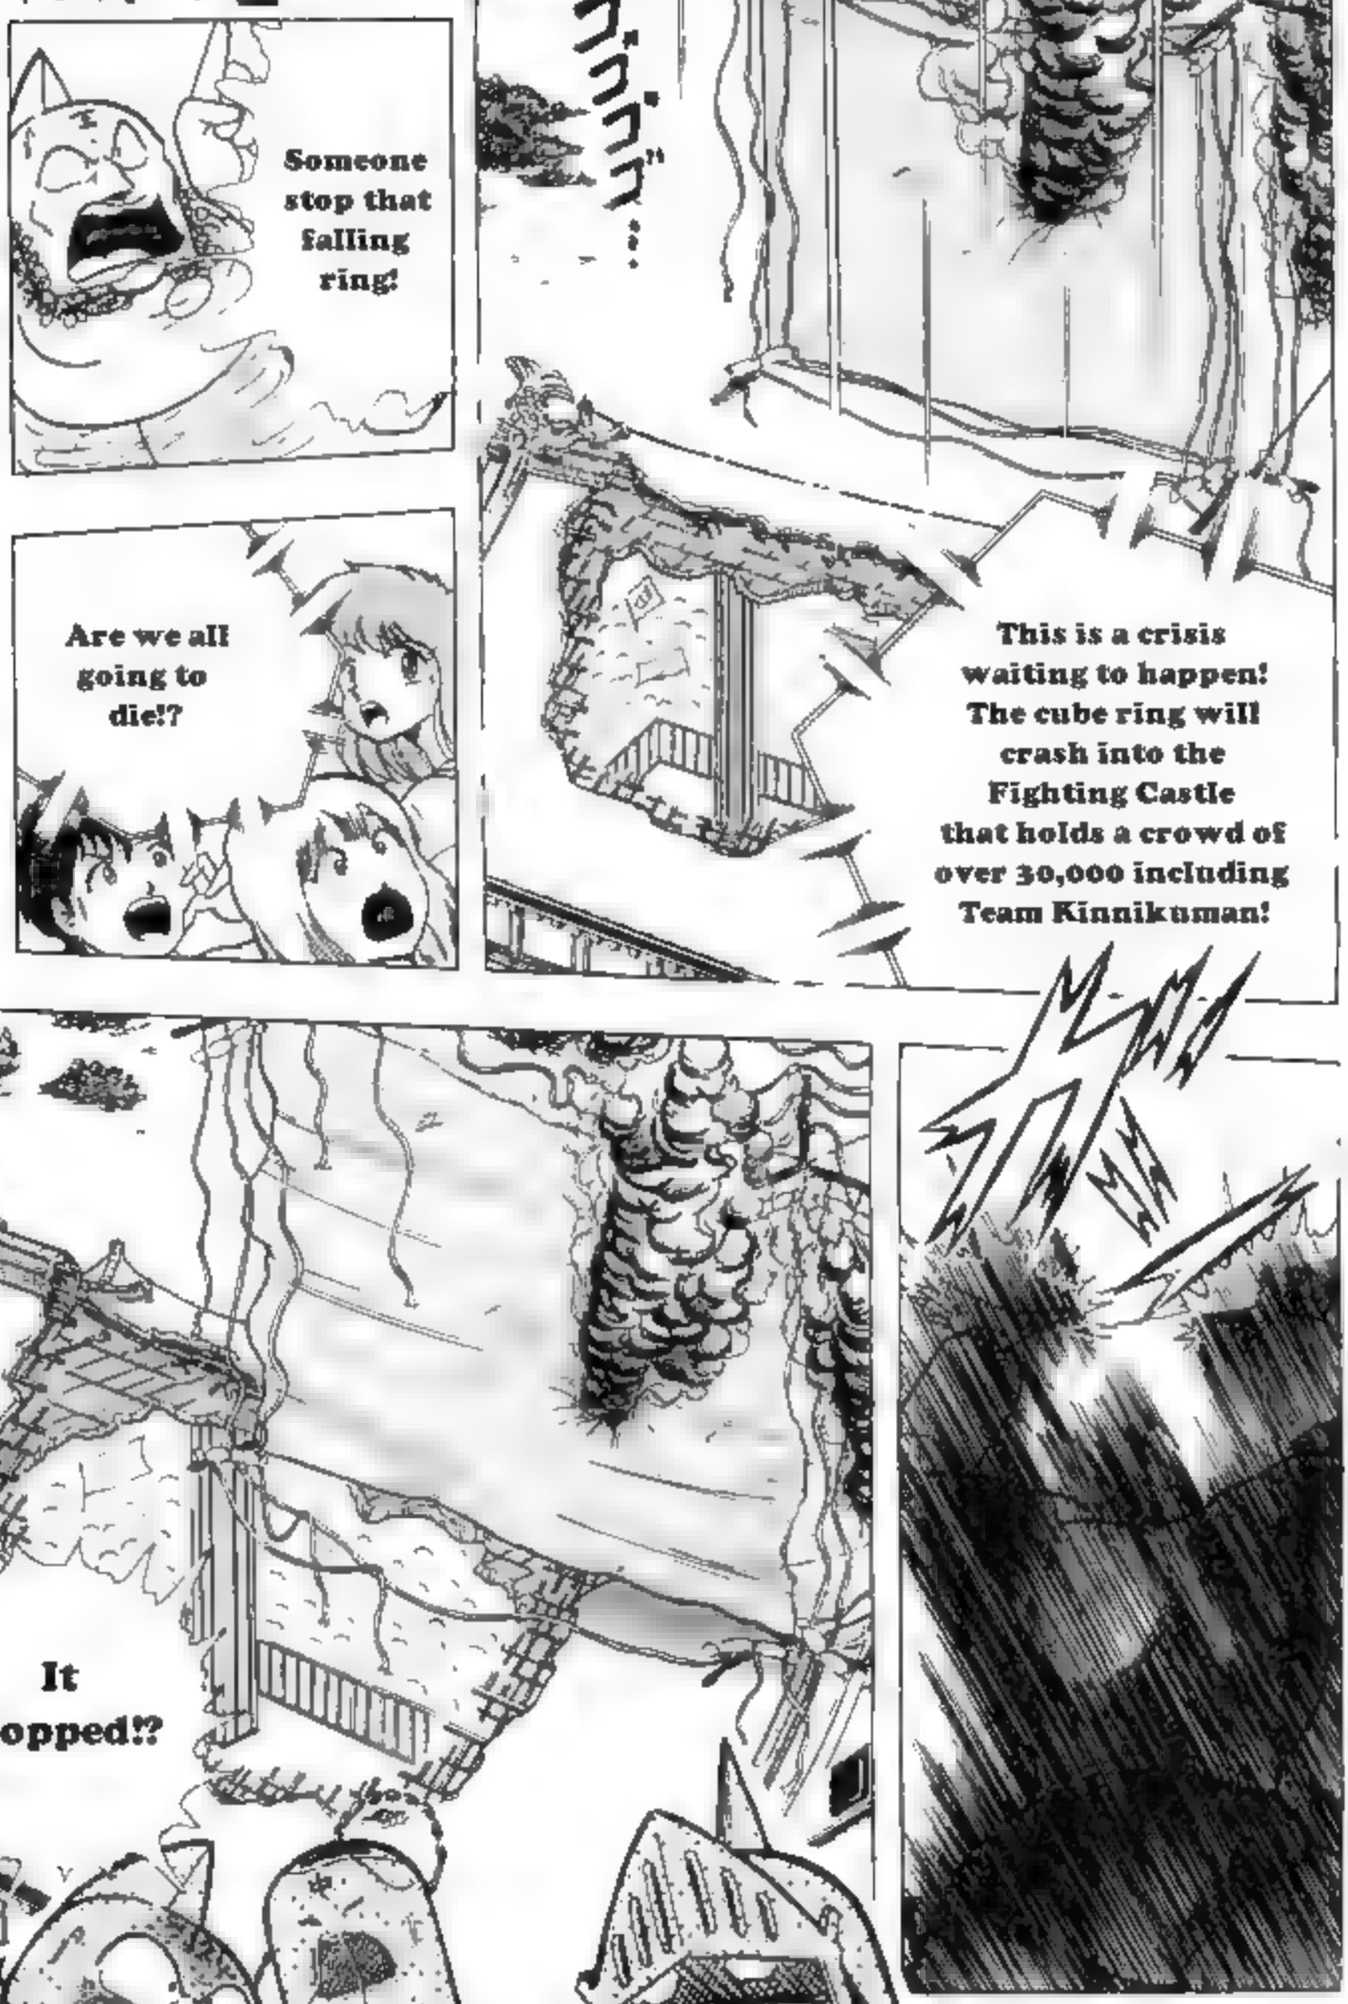
Woah!
……

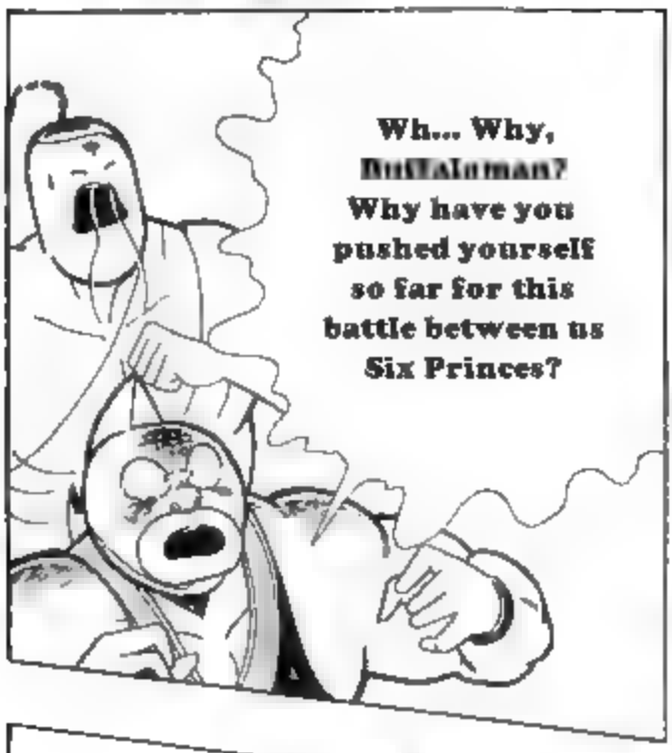


We're gonna get crushed by that falling ring!
And now the cube ring's stopped floating and is falling very fast down to Earth!
Ah...
Hahahaha! This plan is great! Both the fake Soldier and Team Kinnikuman will be killed by the falling cube ring, leaving me the sole survivor! I'll become king by default!
Could this mishap be related to those fireballs crashing into the ring?

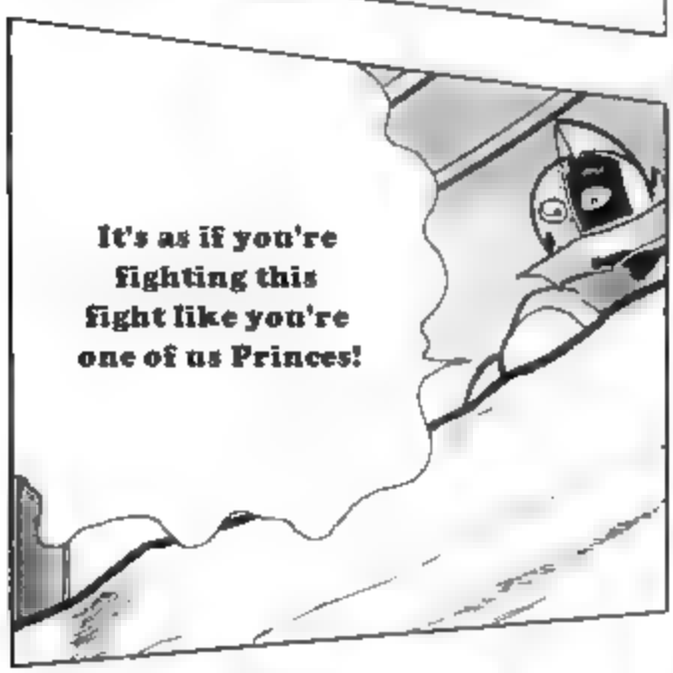


Someone stop that falling ring!
ゴゴゴゴ…
Are we all going to die!?
This is a crisis waiting to happen! The cube ring will crash into the Fighting Castle that holds a crowd of over 30,000 including Team Kinnikuman!
It stopped!?

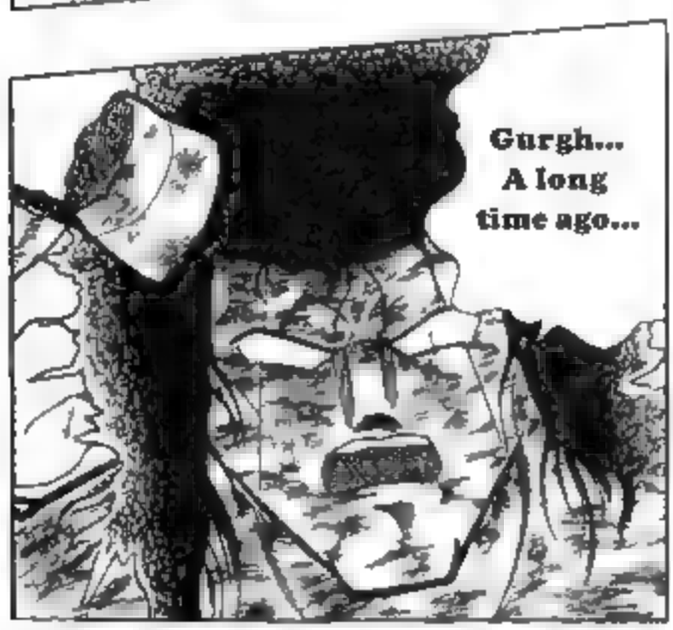
ブル ブル
Aah! The one who stopped the falling cube and saved us all was Buffaloman!



Wh... Why, [redacted]?
Why have you pushed yourself so far for this battle between us Six Princes?

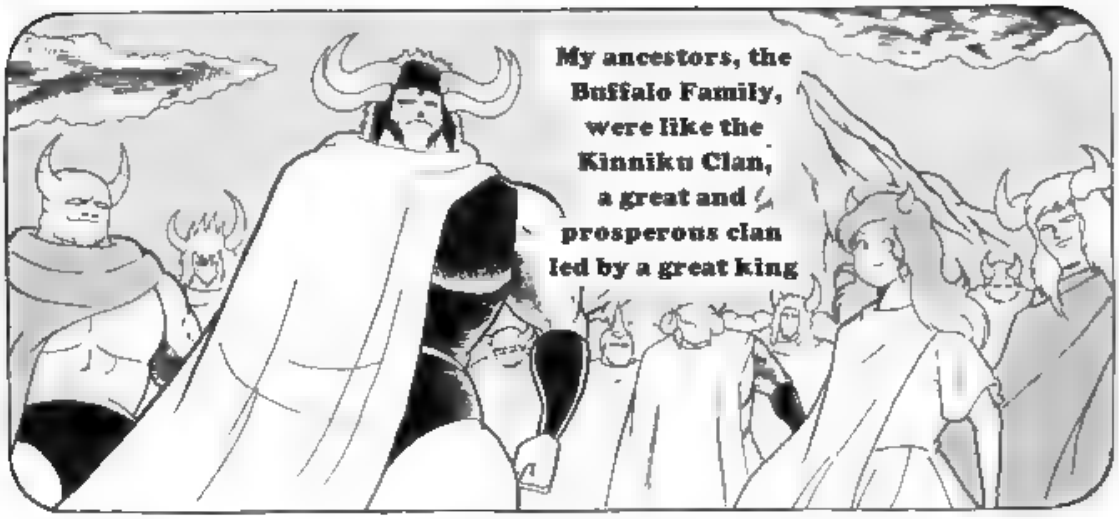


It's as if you're fighting this fight like you're one of us Princes!



Gurgh... A long time ago...

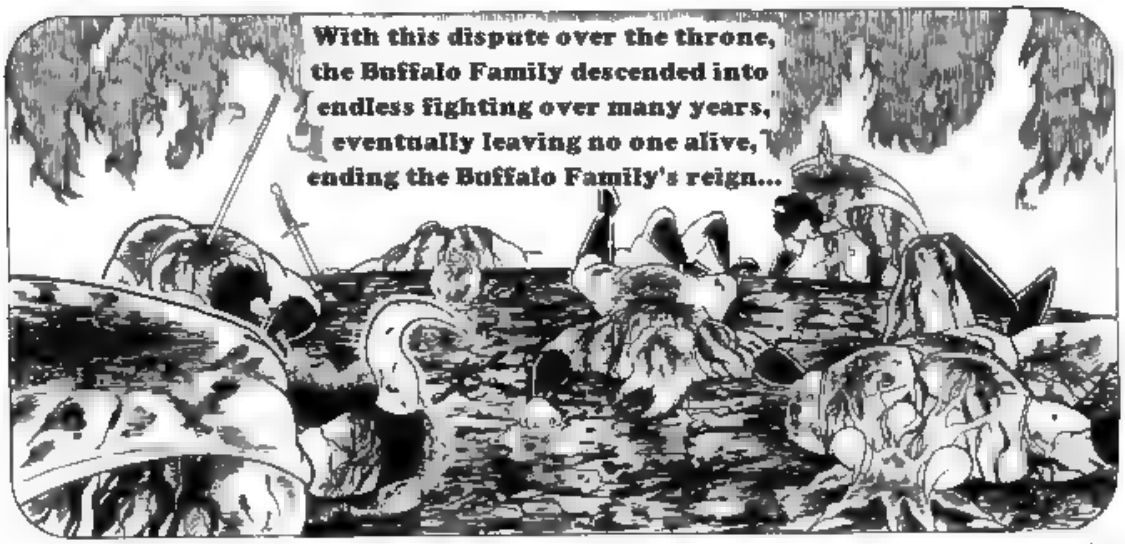
Guh...



My ancestors, the Buffalo Family, were like the Kinniku Clan, a great and prosperous clan led by a great king

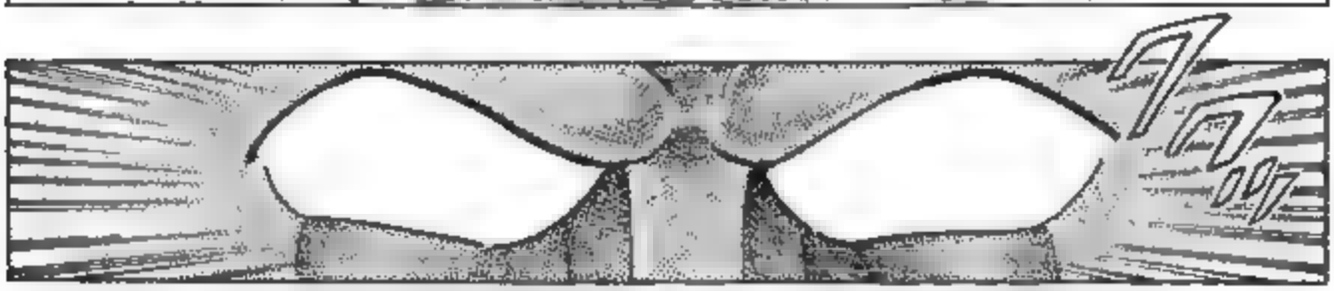
It's just what's going on with the Kinniku Clan now...

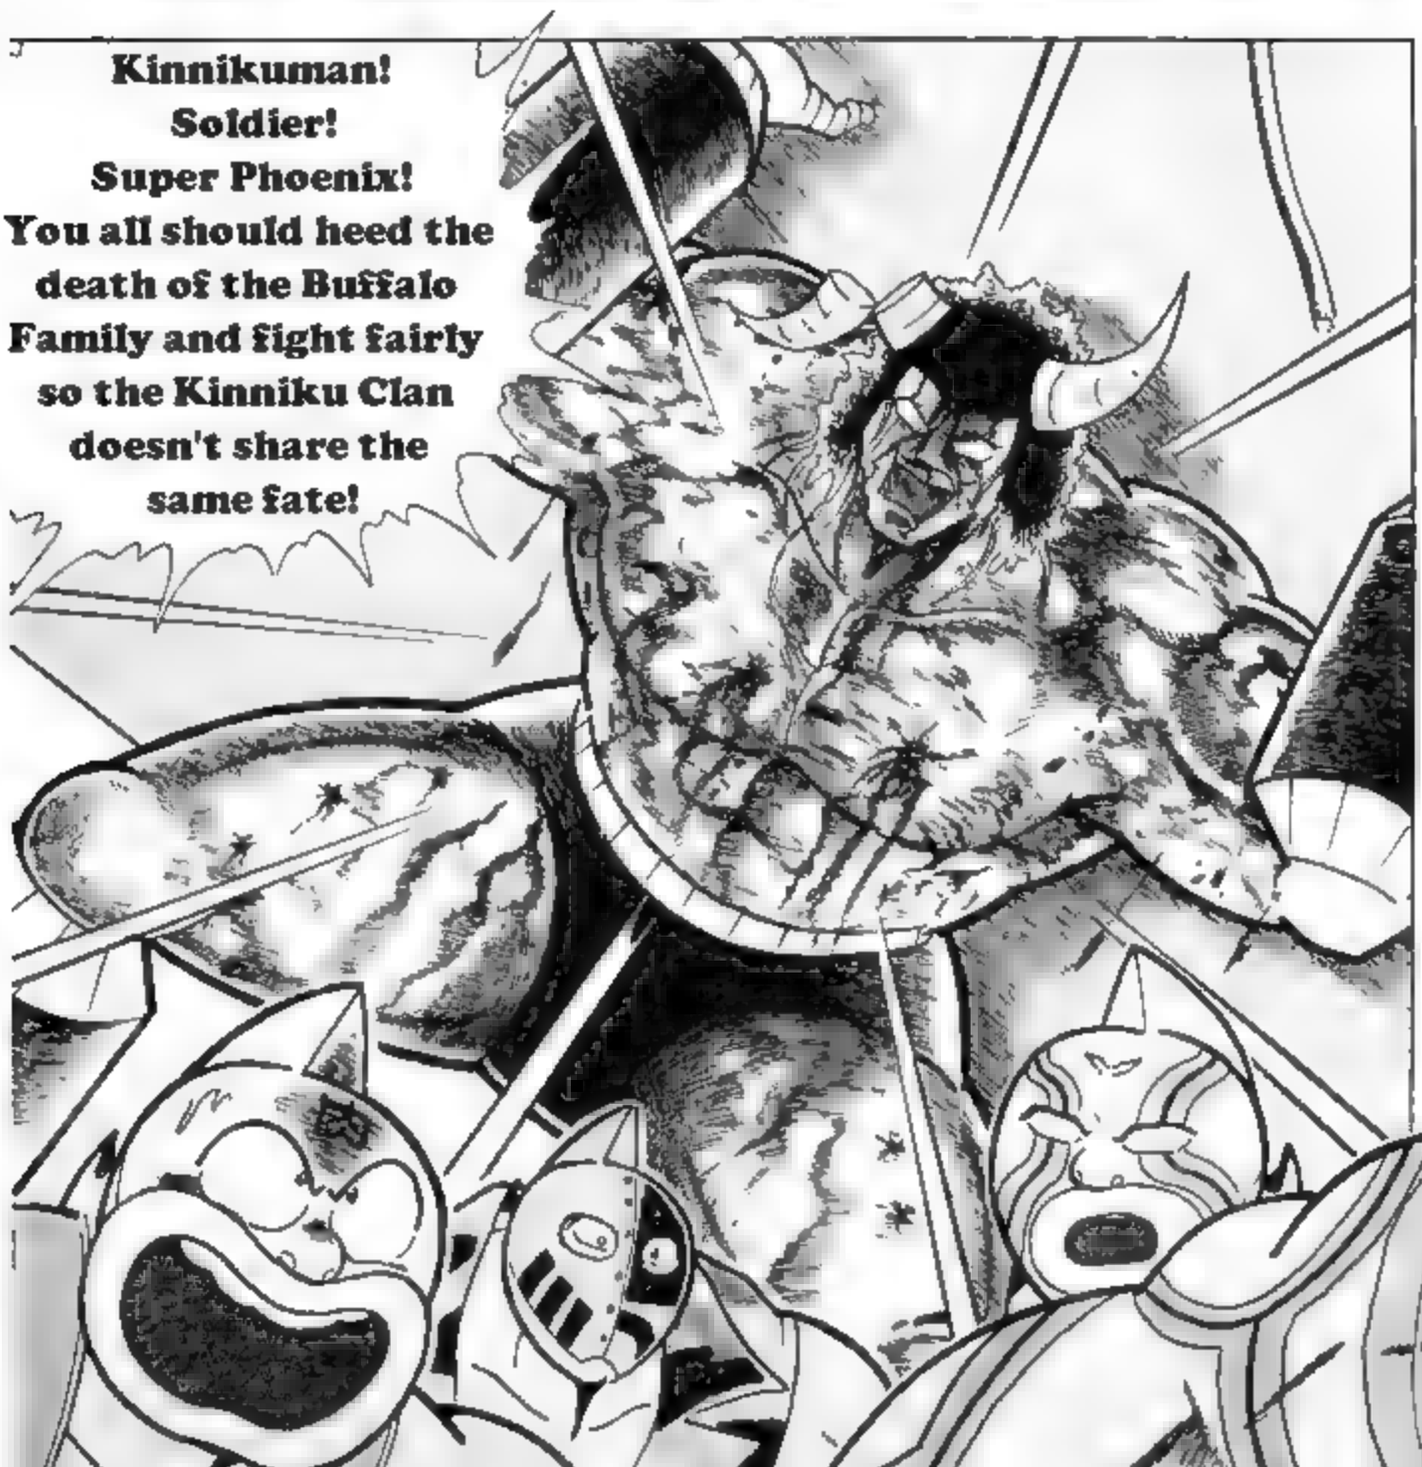
But with how prosperous our clan was becoming, There was a fight over who should be king.



With this dispute over the throne, the Buffalo Family descended into endless fighting over many years, eventually leaving no one alive, ending the Buffalo Family's reign...

Leaving me the only sole survivor...
All that fighting over the throne had completely destroyed the Buffalo Family.





Kinnikuman!
Soldier!
Super Phoenix!
You all should heed the death of the Buffalo Family and fight fairly so the Kinniku Clan doesn't share the same fate!

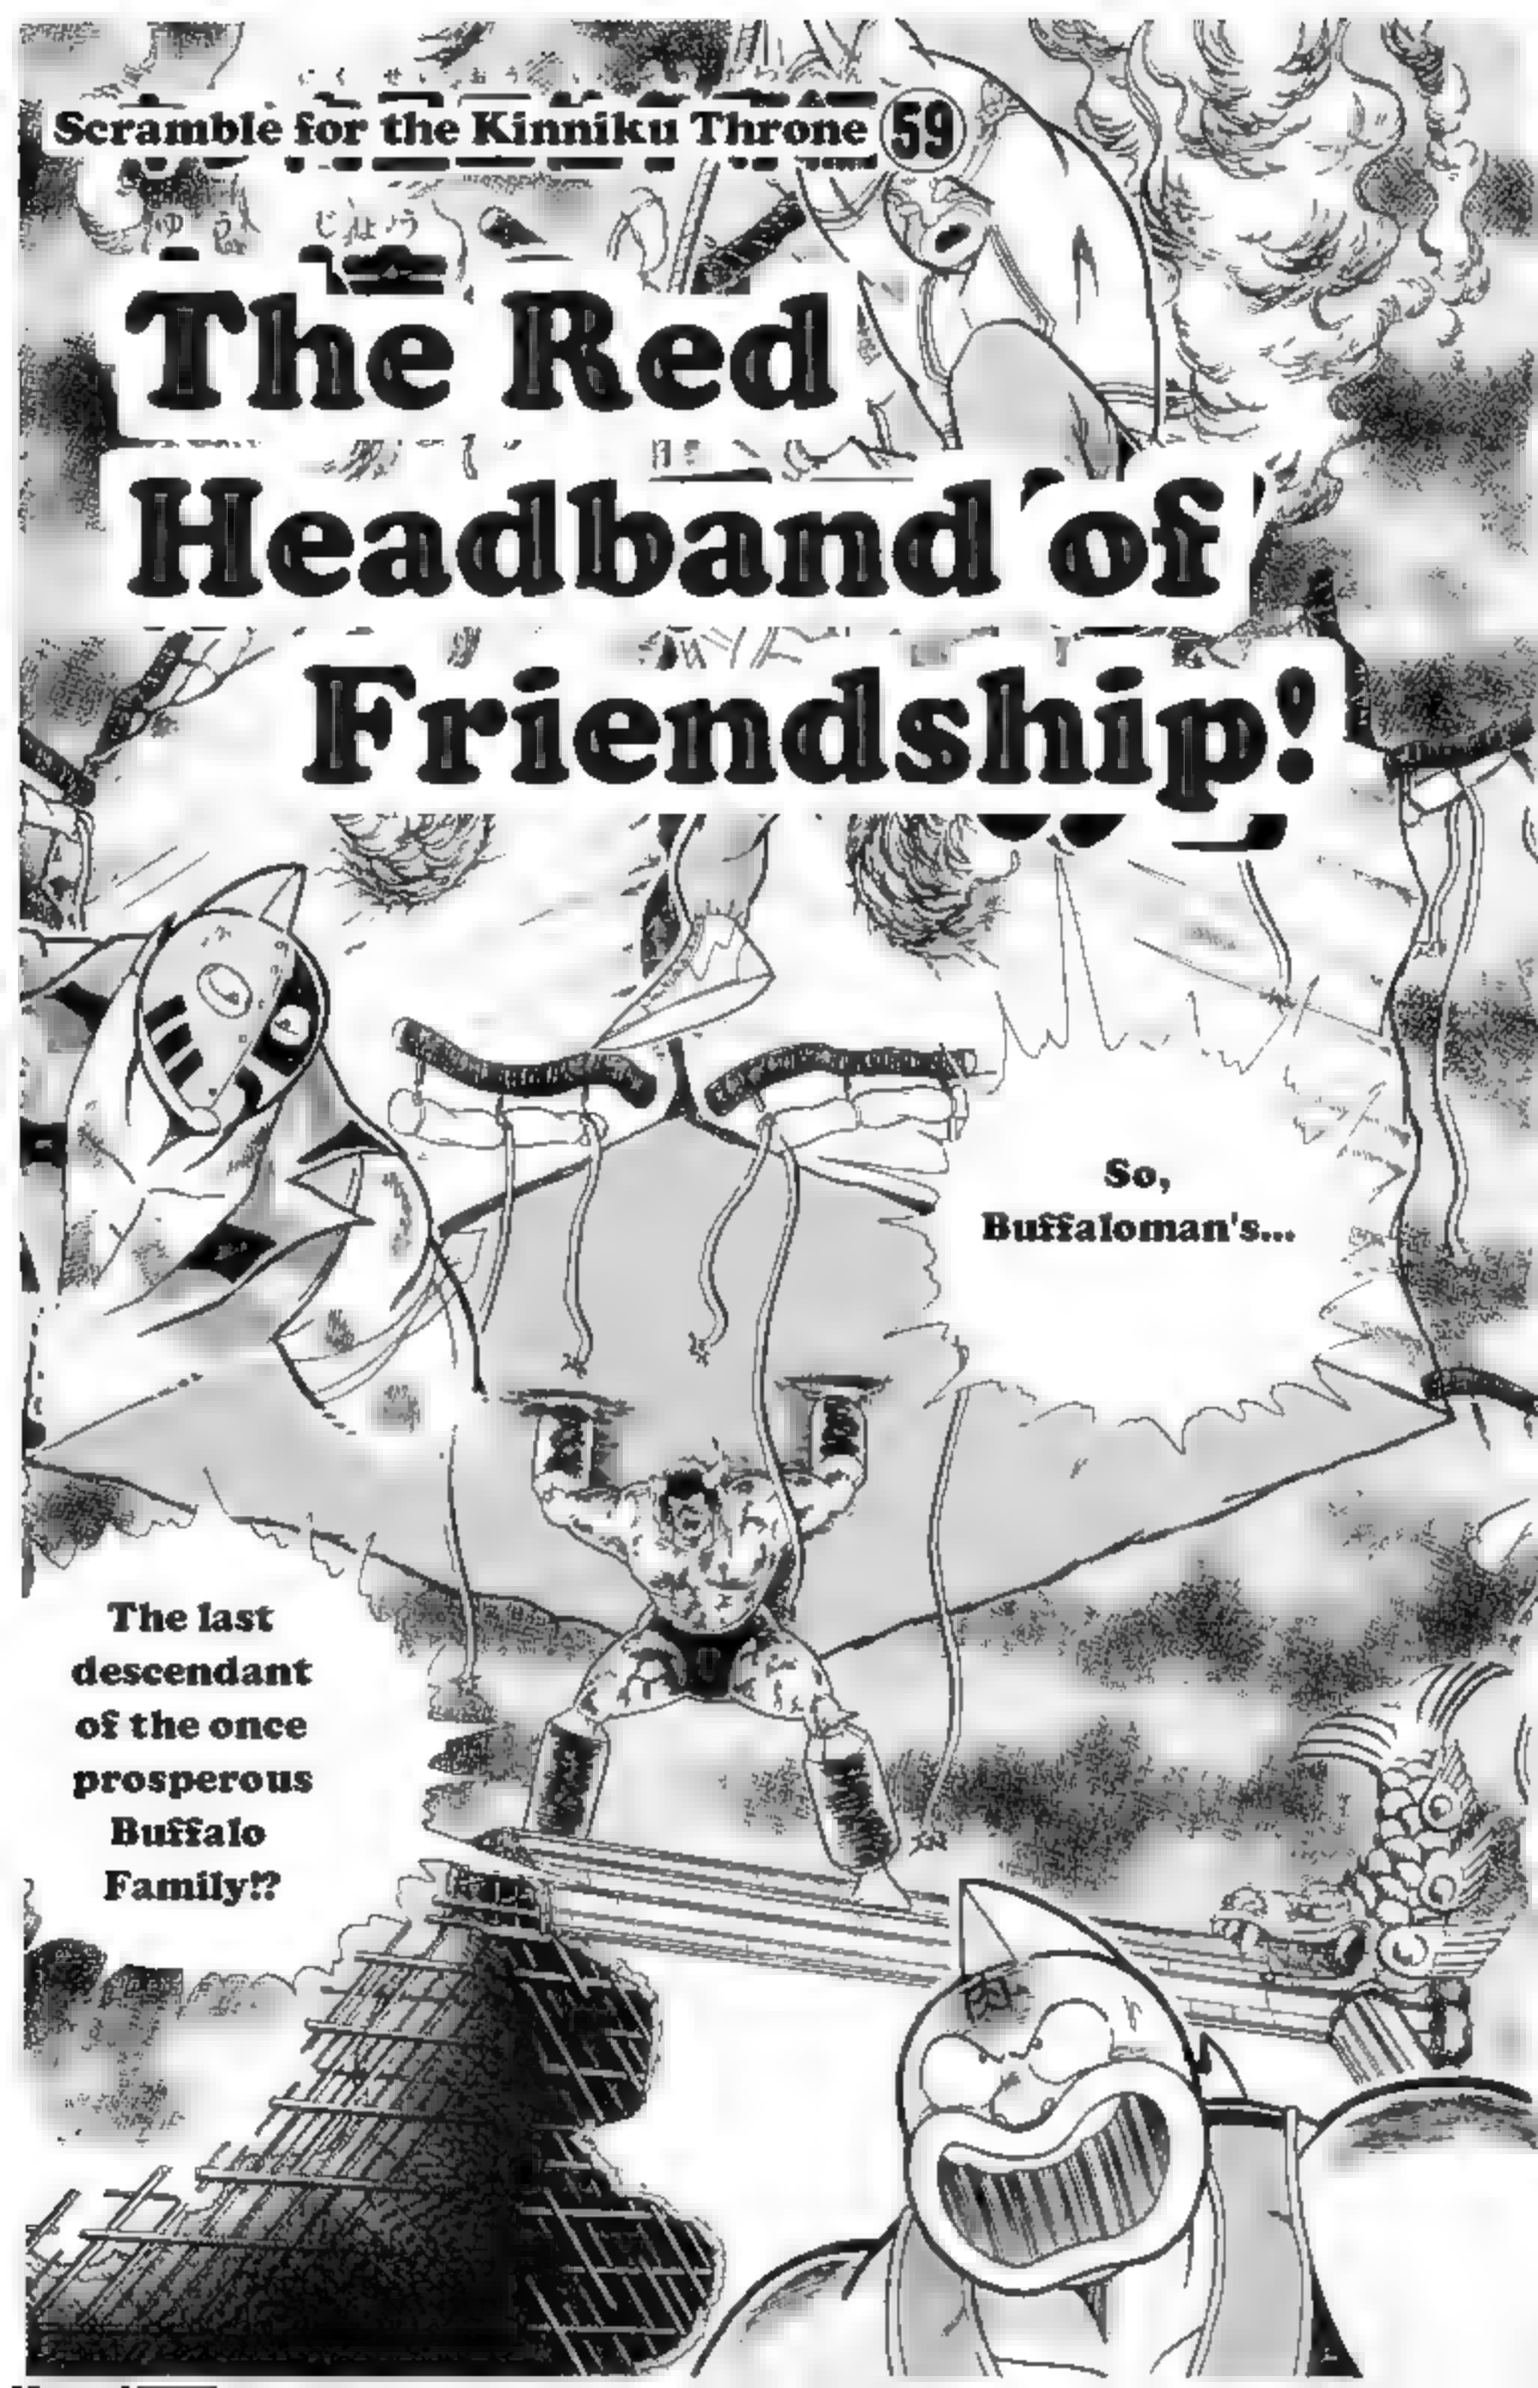
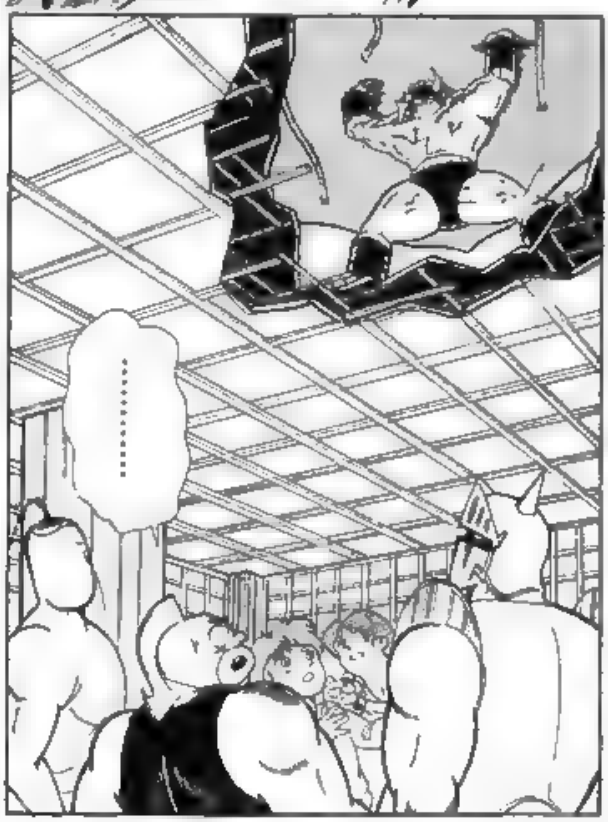
BUFFALOMAN VS. MAMMOTHMAN

The Red Headband of Friendship!

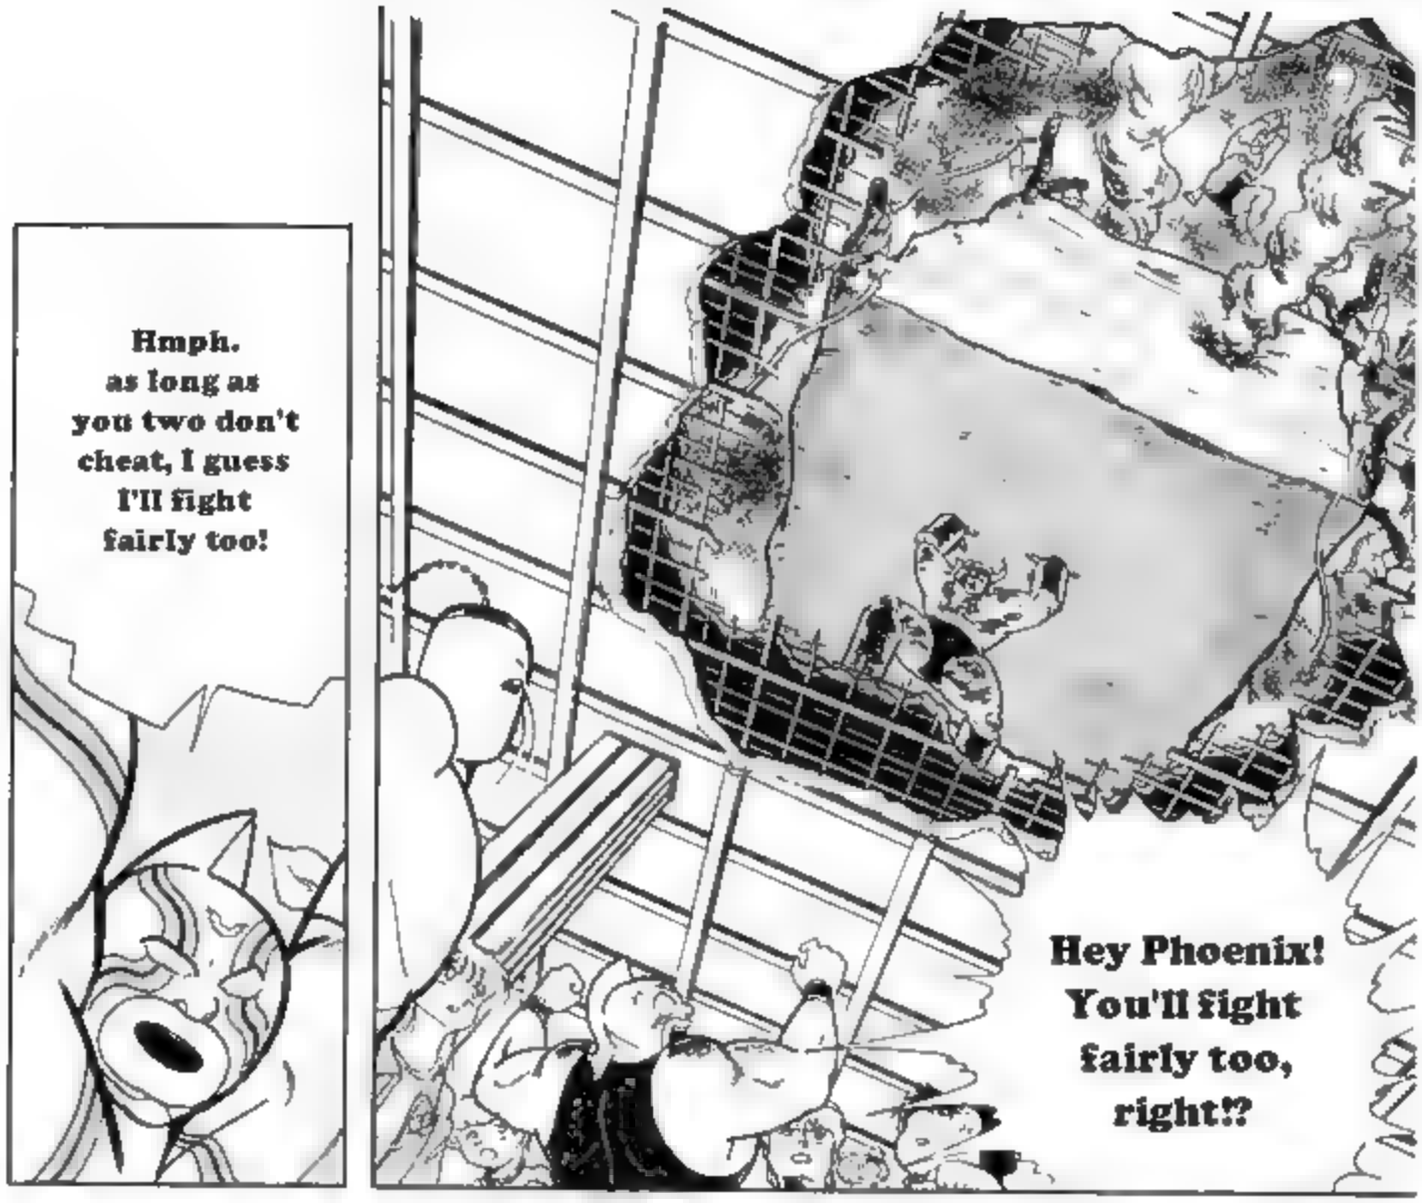


That would have rivaled the Kinnku Clan. Maybe then...
If... If the Buffalo Family didn't get caught up in that horrible war, I would've grown up in a Choujin family...
I wouldn't have fallen under into the Devil Choujin...

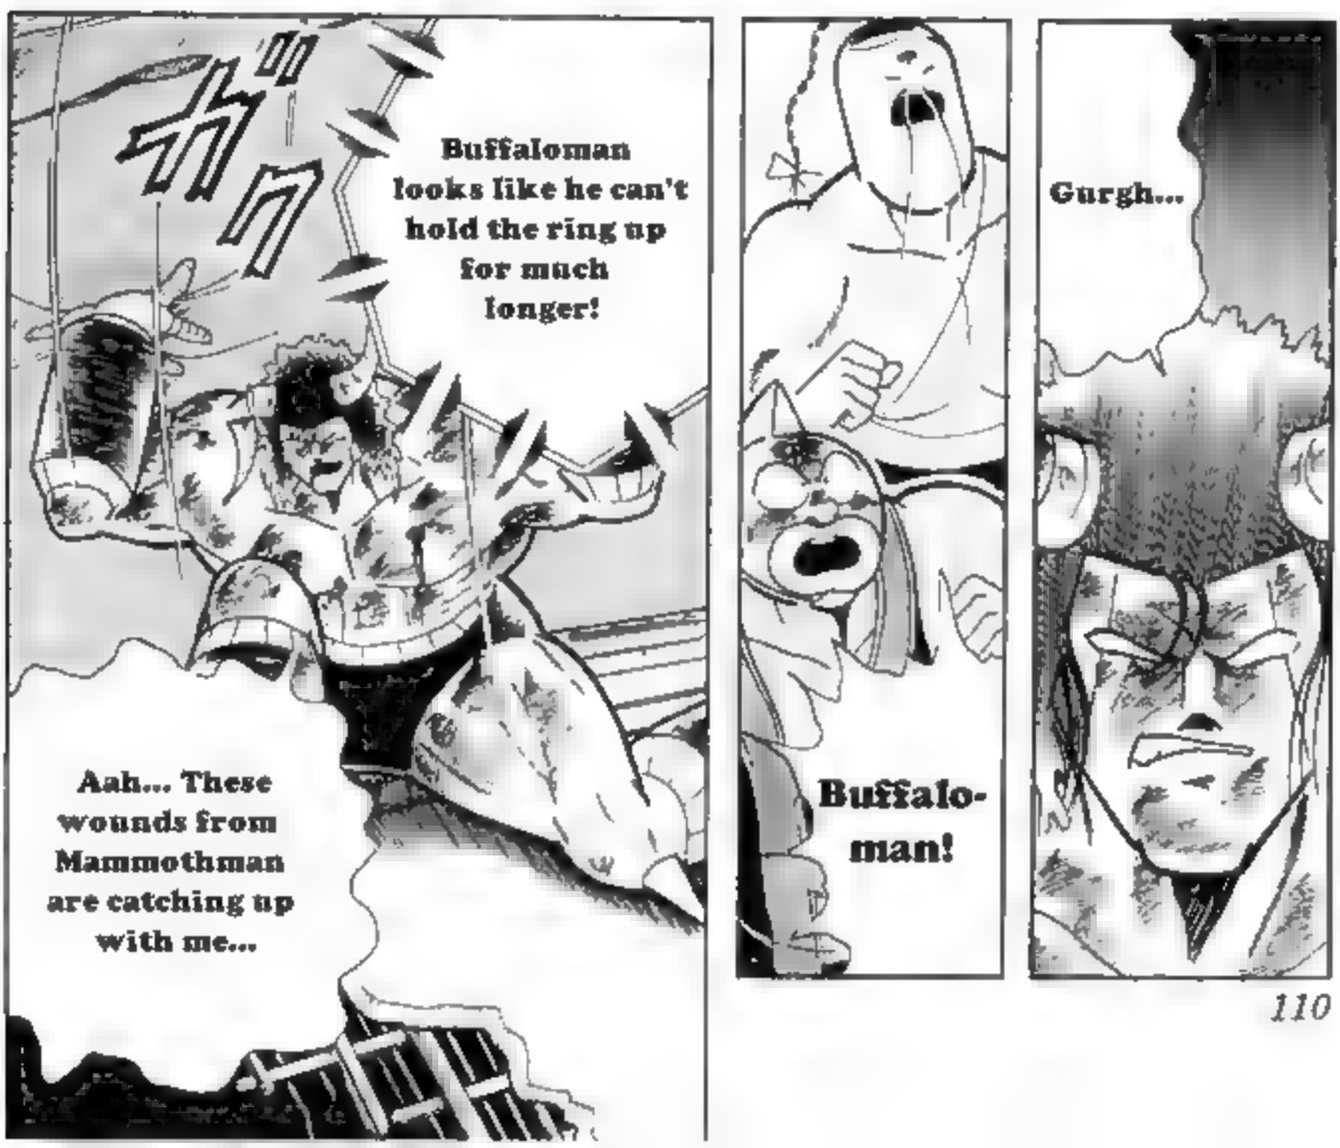
And right now, the Kinniku Clan's going through the same throne dispute that destroyed the Buffalo Family! But you, Kinnikuman, Soldier, and Phoenix can stop this battle from engulfing your clan!



Guh!
If you follow my advice, then the winner will be accepted as the true King, with no disputes over his legitamacy.
Keep the fight clean, with no outside assistance whatsoever! Use only your own fighting moves one-on-one in the ring to settle this battle!
Buffaloman!
I too shall fight fairly!
Soldier...
Understood, Buffaloman! This Survival Match will only be a clean fight to the very end!



Hmph. as long as you two don't cheat, I guess I'll fight fairly too!
Hey Phoenix! You'll fight fairly too, right!?



Buffaloman looks like he can't hold the ring up for much longer!
Aah... These wounds from Mammothman are catching up with me...
Buffalo-man!
Gurgh...

The 10 Million Power Buffaloman won't let that happen!
Buffaloman's collapsing under the weight of the Cube Ring! If he lets go of it, it'll crush the Fighting Castle and all the spectators in it, along with Team Kinnikuman and Soldier!

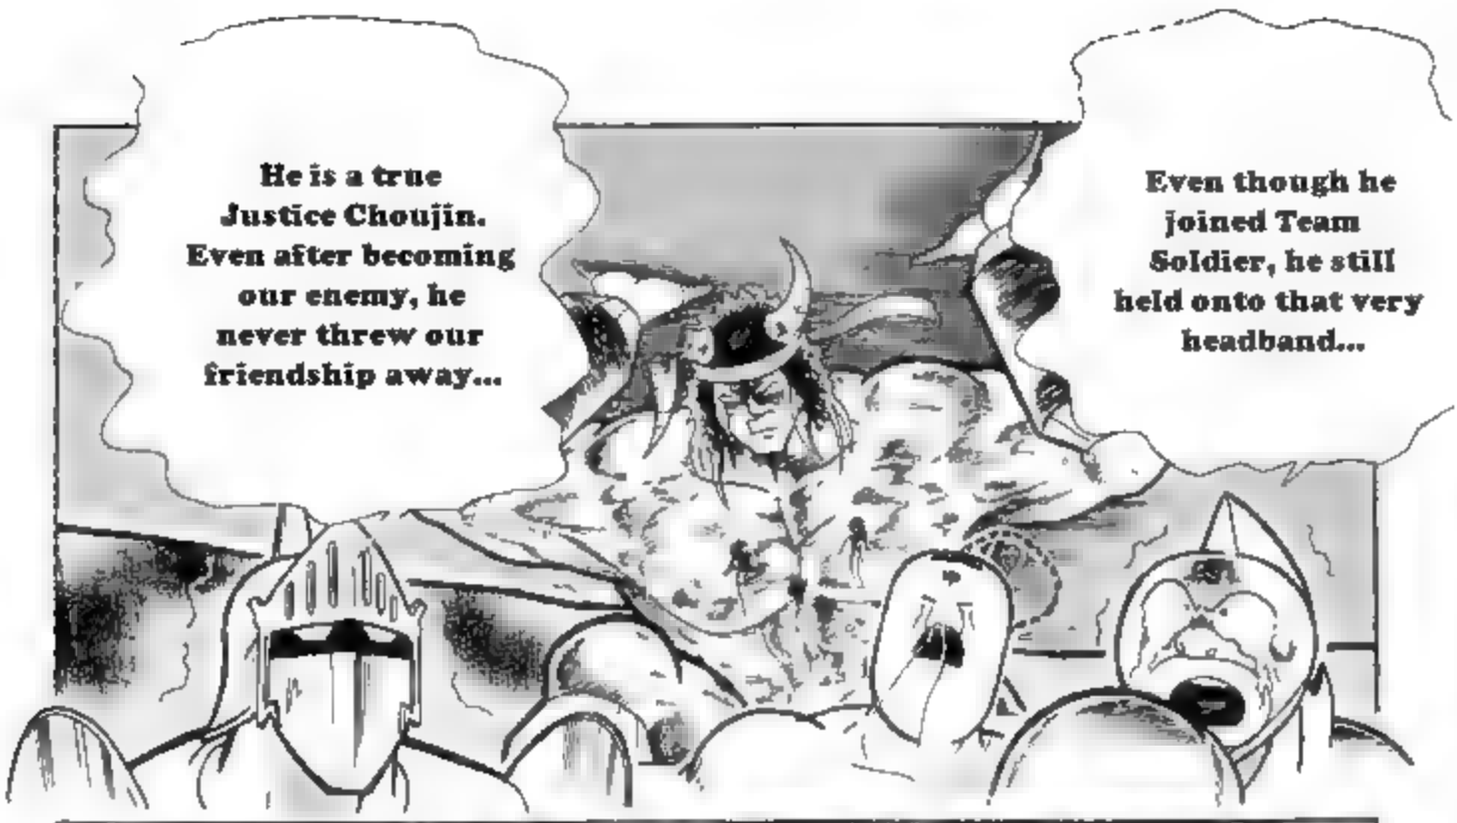
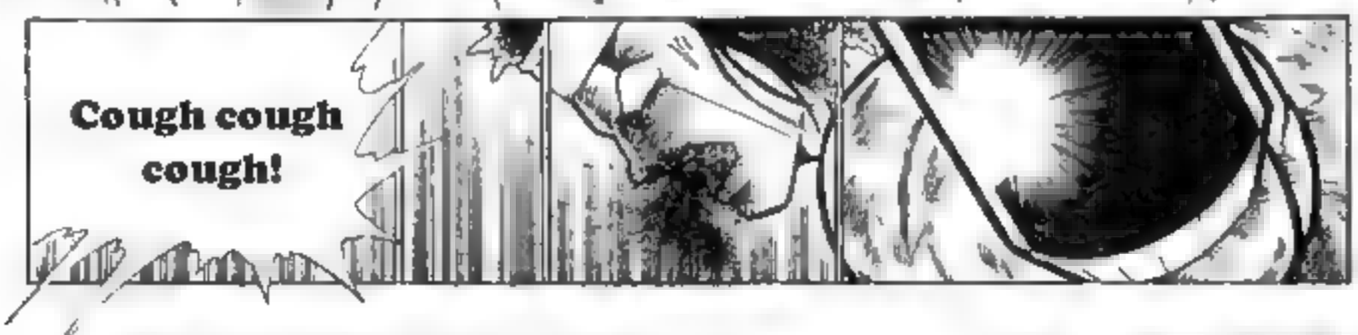
It was the headband we made as proof of the friendship of the Idol Choujin after we had beaten Akuma Shogun!

3 YEARS AGO - JAPAN ALPS - AFTER KINNIKUMAN VS AKUMA SHOGUN

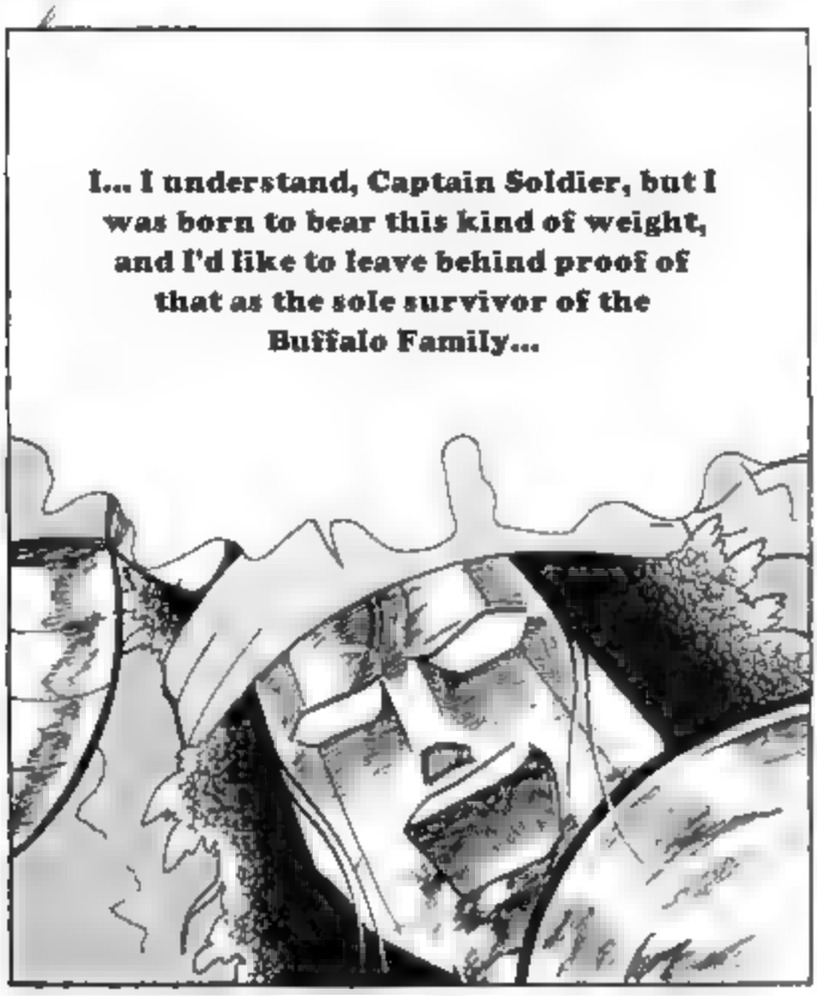
So we should strengthen our bonds as Idol Choujin from now on!
It was thanks to everyone's friendship that we beat Akuma Shogun and got the Perfect Mask from the Gold and Silver Masks fusing.
These red headbands will be proof of those bonds!
The band also commemorated the day of the Devil Choujin Buffaloman becoming a Justice Choujin.
From that day, we had set up
The Idol Choujin from the Justice Choujin



He is a true Justice Choujin. Even after becoming our enemy, he never threw our friendship away...
Even though he joined Team Soldier, he still held onto that very headband...

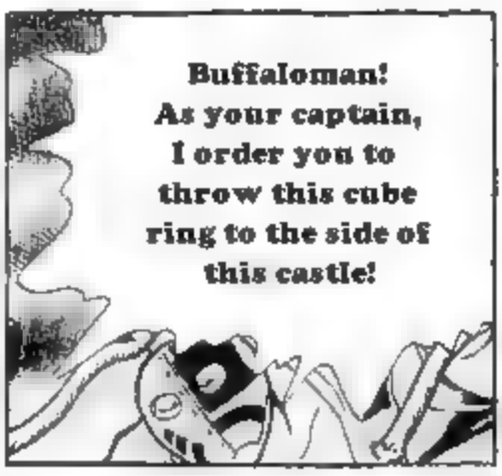


Cough cough cough!



I... I understand, Captain Soldier, but I was born to bear this kind of weight, and I'd like to leave behind proof of that as the sole survivor of the Buffalo Family...

Hehe, it looks like I've been accepted again...

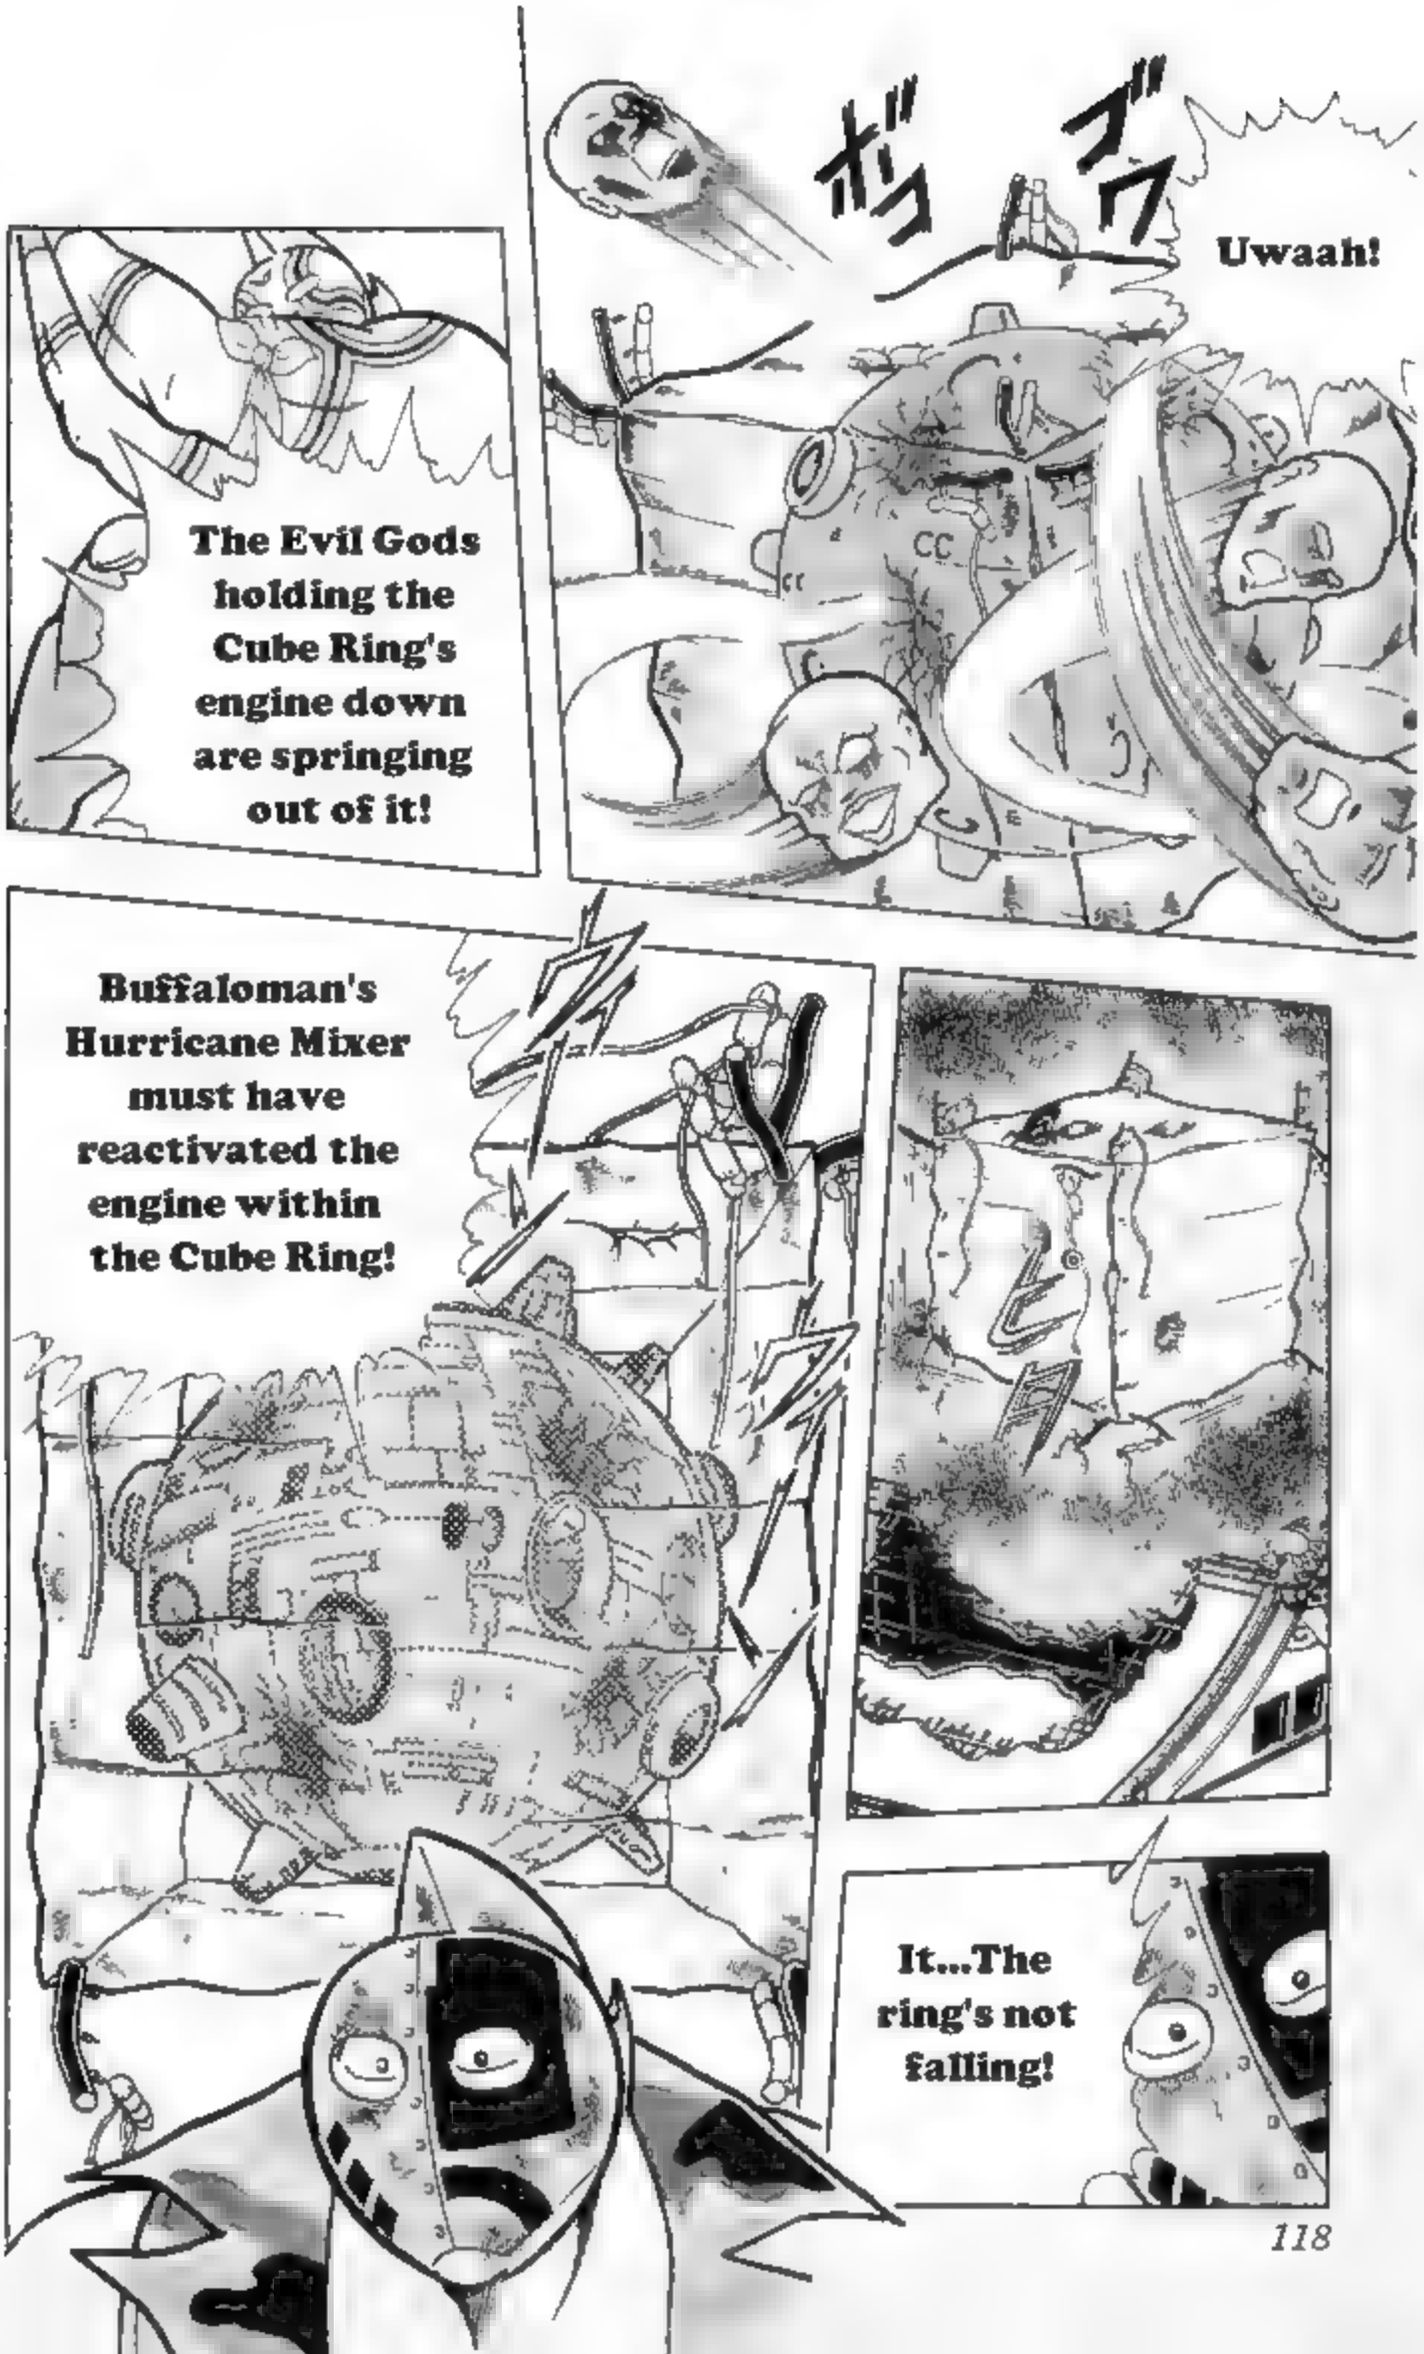


Buffaloman! As your captain, I order you to throw this cube ring to the side of this castle!

Buffalo-man's arm braces...
I want you to have them...
Buffaloman's summoning up all of his strength and is lifting the Cube Ring right up!
Huragh!
Do you really plan to die, Buffaloman!?

Buffaloman!
No matter what, I have to tell you this!
You already know that I defeated the real Soldier and recruited you, Brocken Jr and the others for my fake team so I could assist the Justice Choujin, but...
You don't know the identity of the man you're staking your life for! I'll confess it to you right now!
Woah!
He's launched the Cube Ring back up into the air even when it looked like he couldn't keep on lifting it!

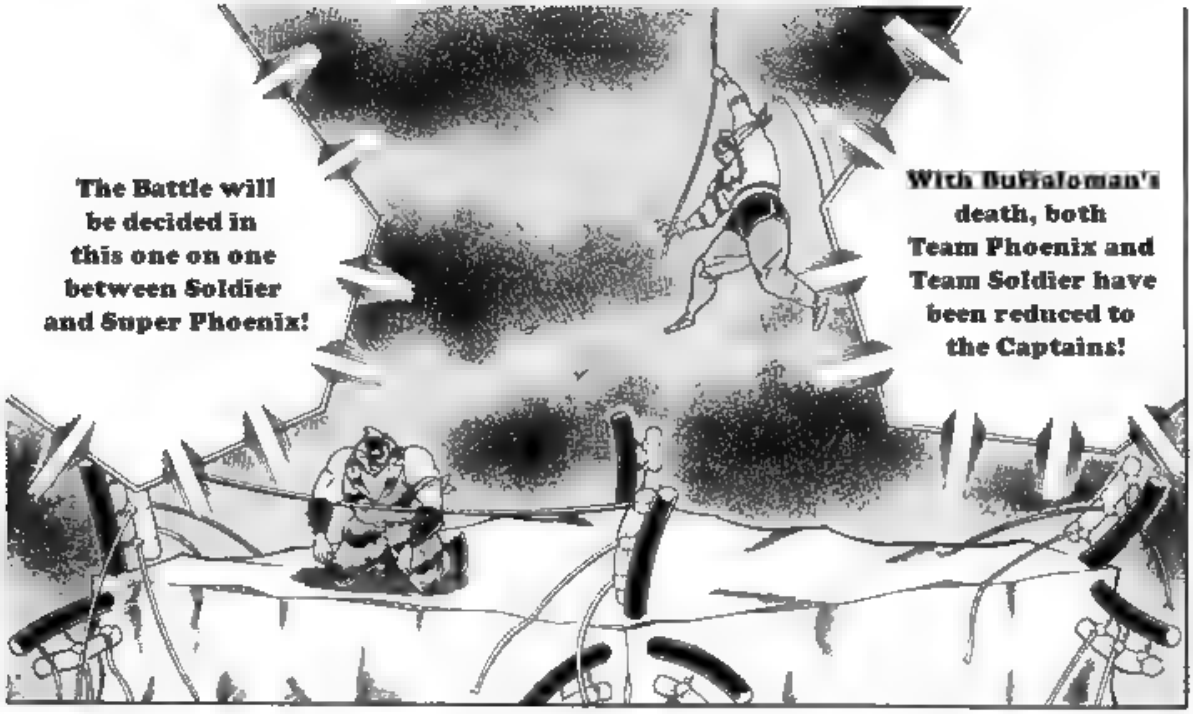
HURRICANE MIXER!
Don't worry about it! I, Brocken Jr and the others trusted you as Soldier!
Buffaloman's Hurricane Mixer has launched the Cube Ring back into position in the sky 350 meters from the ground!



ボゴーン
Uwaah!
The Evil Gods holding the Cube Ring's engine down are springing out of it!
Buffaloman's Hurricane Mixer must have reactivated the engine within the Cube Ring!
It...The ring's not falling!

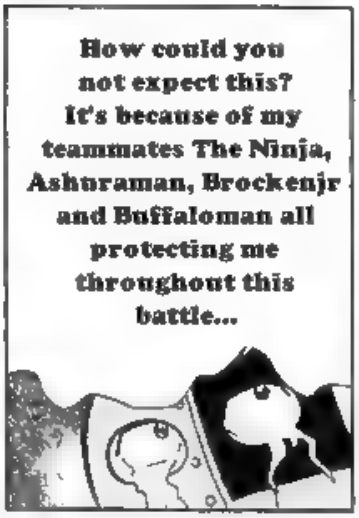
Soldier... No, Kinniku Ataru. I know of your brotherly love for Kinnikuman...
Buffaloman! I didn't finish telling you my secret!
Oh no! It seems Buffaloman's used up all his strength on that Hurricane Mixer and is falling like a tattered cloth in the wind!
Huh!? Y-you shouldn't know that at all!
E-even though I shouldn't have, I looked at the page by accident while protecting it from Mammothman earlier...
The Buffalo Family wishes the Kinniku Clan peace and the best of luck.

Buffaloman's following Brocken Jr and is falling into the ravine of Mt. Ibuki!
BUFFALO-MAN!
Rest in peace, my friend, your death will not be invain!



The Battle will be decided in this one on one between Soldier and Super Phoenix!
With Buffaloman's death, both Team Phoenix and Team Soldier have been reduced to the Captains!

Tears?



How could you not expect this? It's because of my teammates The Ninja, Ashuraman, Brockenjr and Buffaloman all protecting me throughout this battle...

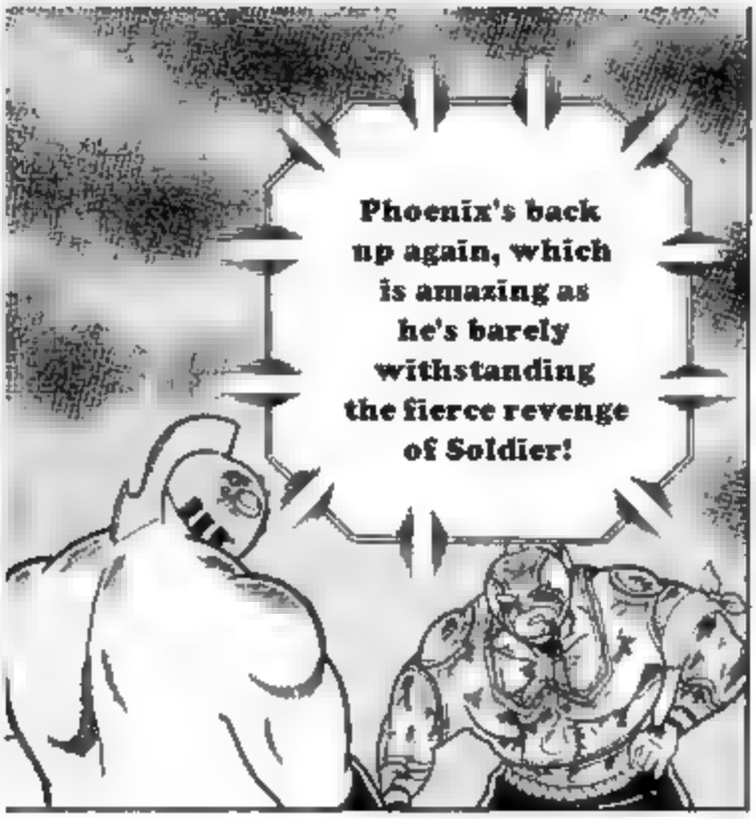
As expected, the captain is still alive after all that's transpired in this fight.

With their help, the Idol Choujin's Friendship Power was reborn!
They all helped me with fixing the Idol Choujin's Friendship Power, which was starting to revolve only around the group and not individuals working together...

My friends, you sacrificed yourselves for my cause! Now it's my turn to repay your bravery with my own life!
You'll be seeing your friends soon enough when you're falling to Hell with them!
Phoenix's headbutted Soldier's body into the air like a football! This must be the start of the Muscle Revenger!

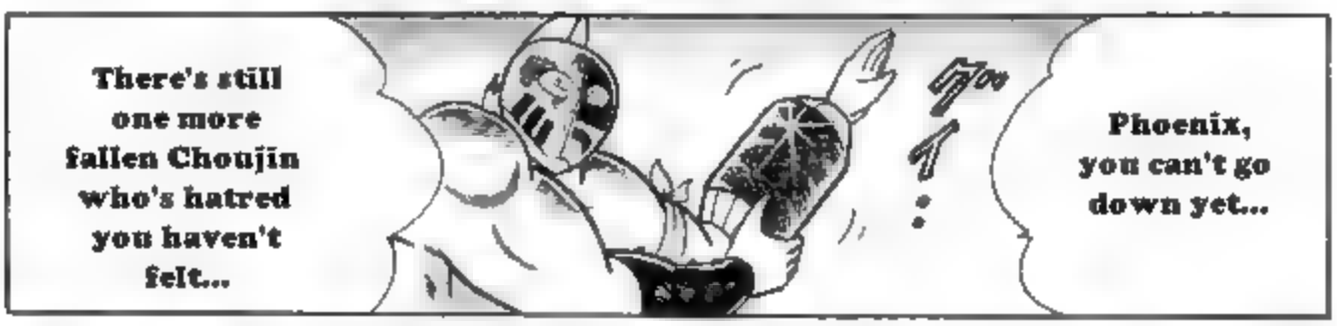
Somehow, Soldier's exchanged positions with Phoenix and he's the one headbutting Phoenix!
Can you really back that up!?
Now Soldier's got his knees planted onto Phoenix's feet, adding more weight to Phoenix's fall!
Could that be The Ninja's Yin and Yang Switch Jutsu!?

Gurgh...
Phoenix's getting back up!
Now it's Ashuraman's techniqe, the Choujin Izuna Drop!
But Soldier wastse no time in attacking him with Brocken Jr's Red Rain of Berlin!



Phoenix's back up again, which is amazing as he's barely withstanding the fierce revenge of Soldier!

Soldier must be washing away the regrets of his teammates by using their best moves!



There's still one more fallen Choujin who's hatred you haven't felt...
Go!
Phoenix, you can't go down yet...

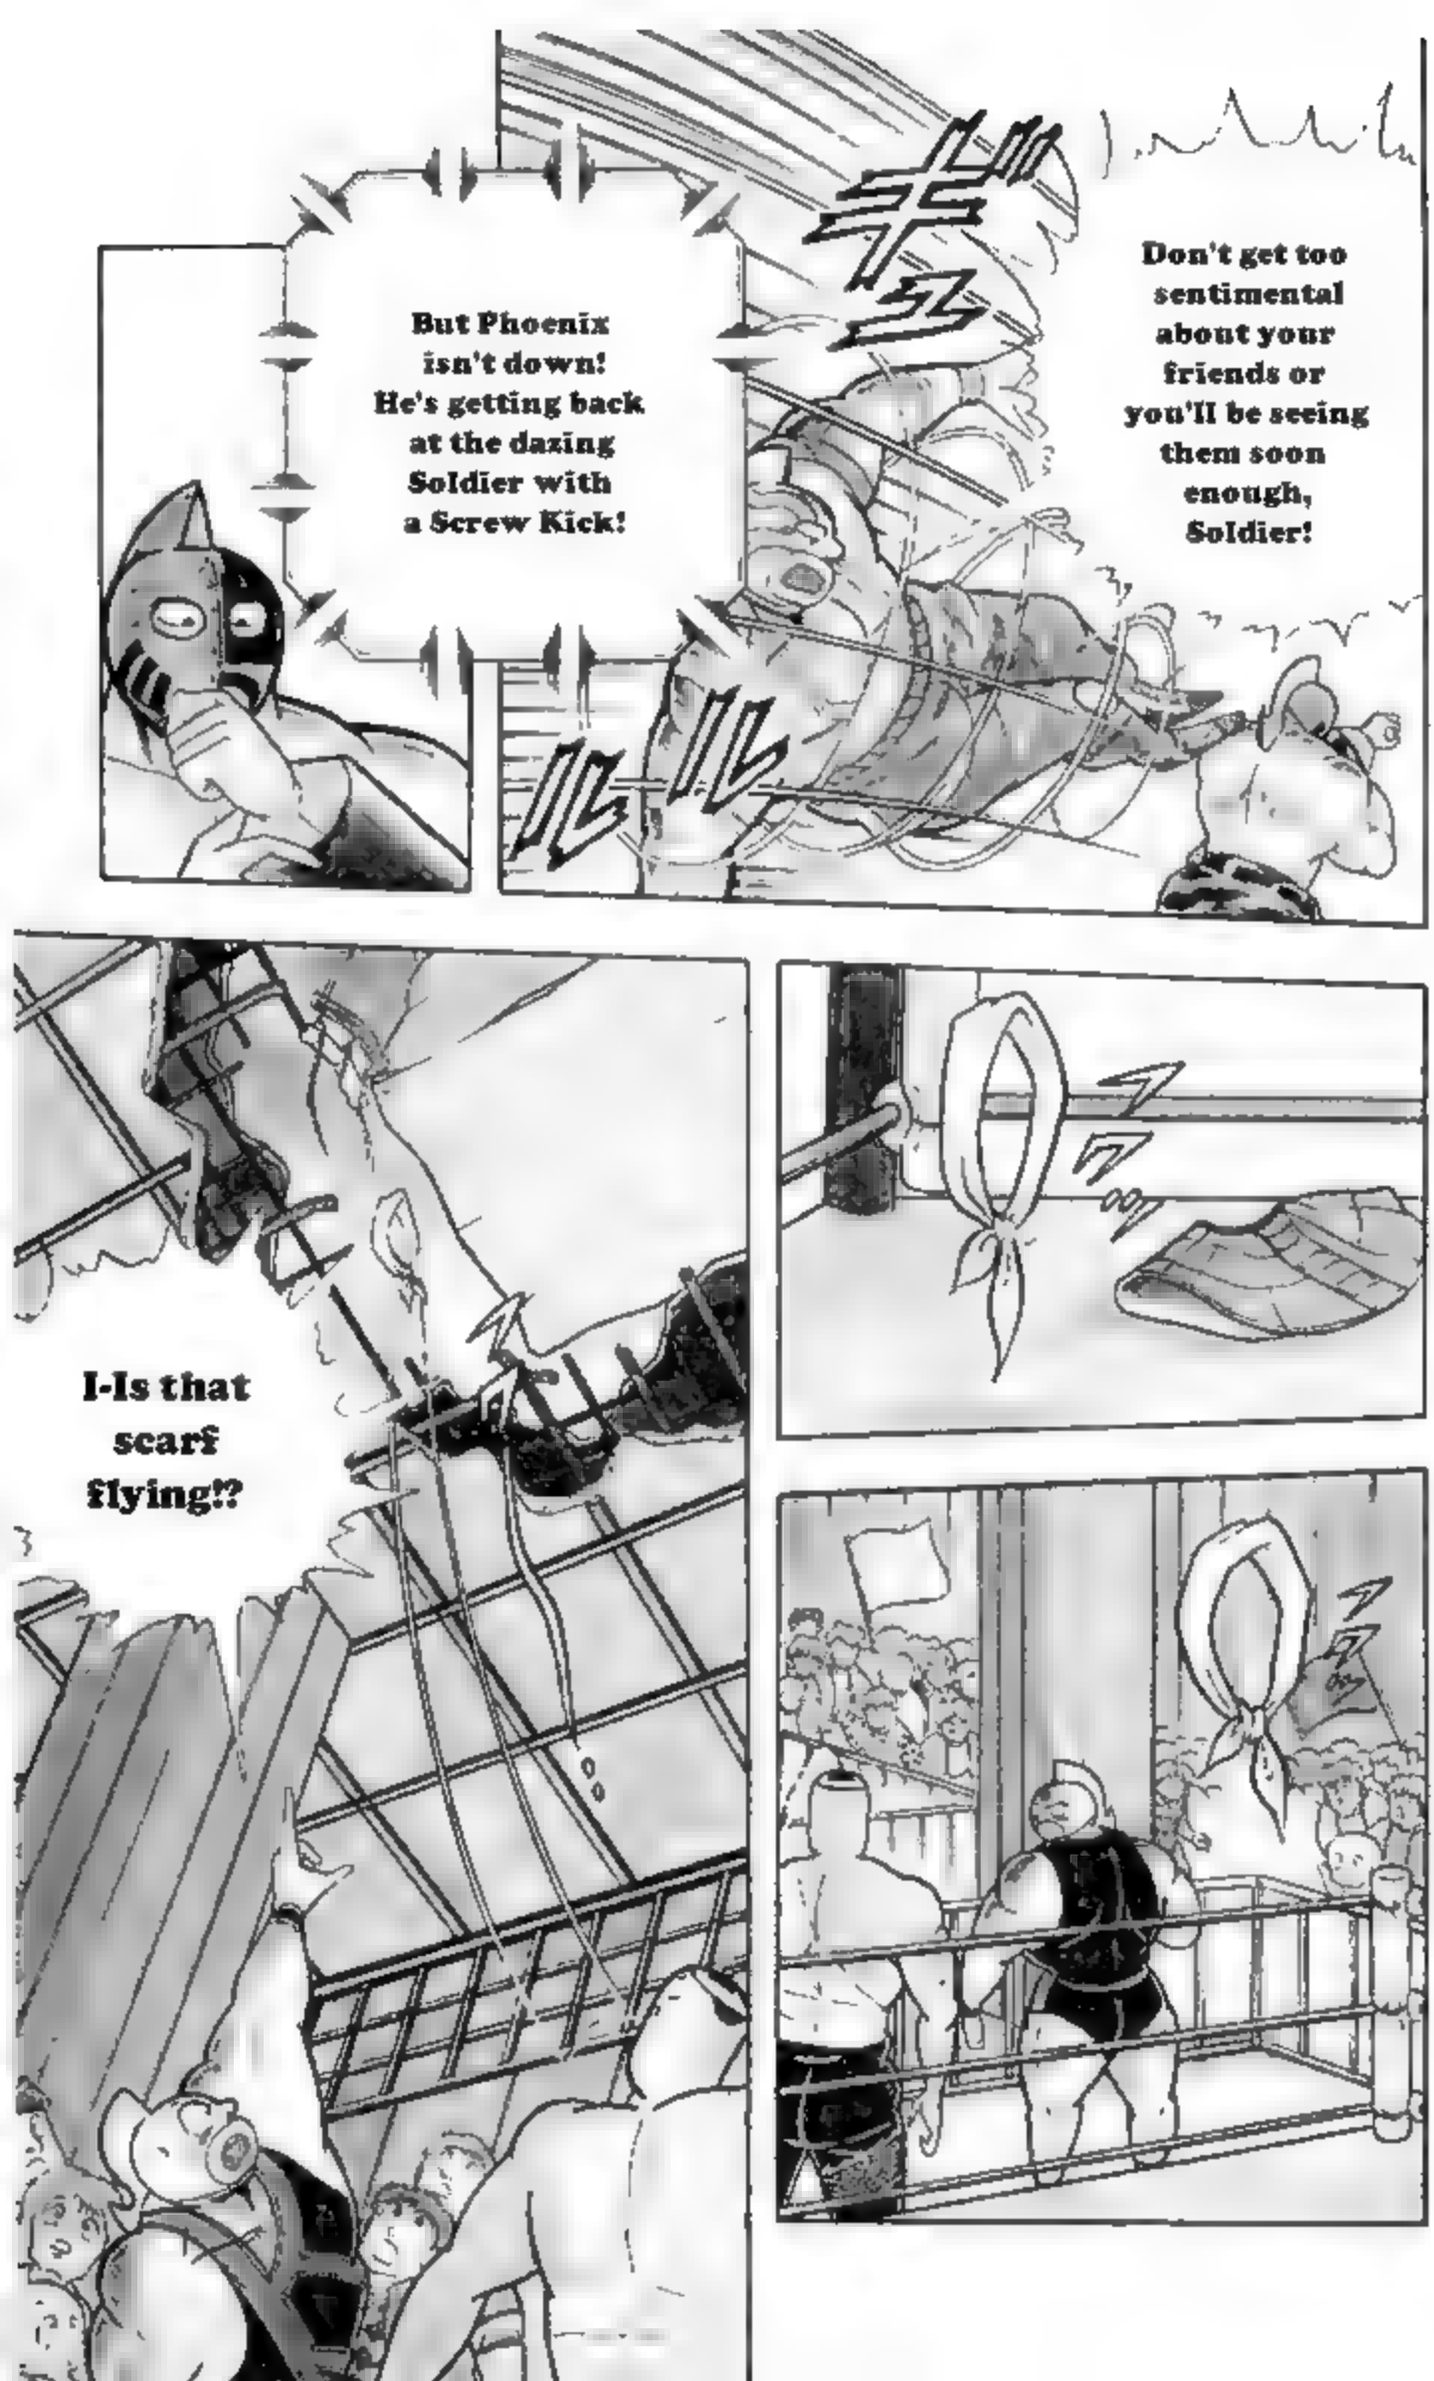
The Miraculous Reinforcements!

Soldier's delivered an incredible Lariat on Phoenix using Buffaloman's arm brace!
It's almost like Soldier's acting out his fallen teammates's grudges against Phoenix!
you left behind for me were immensly useful
Buffaloman, these arm braces

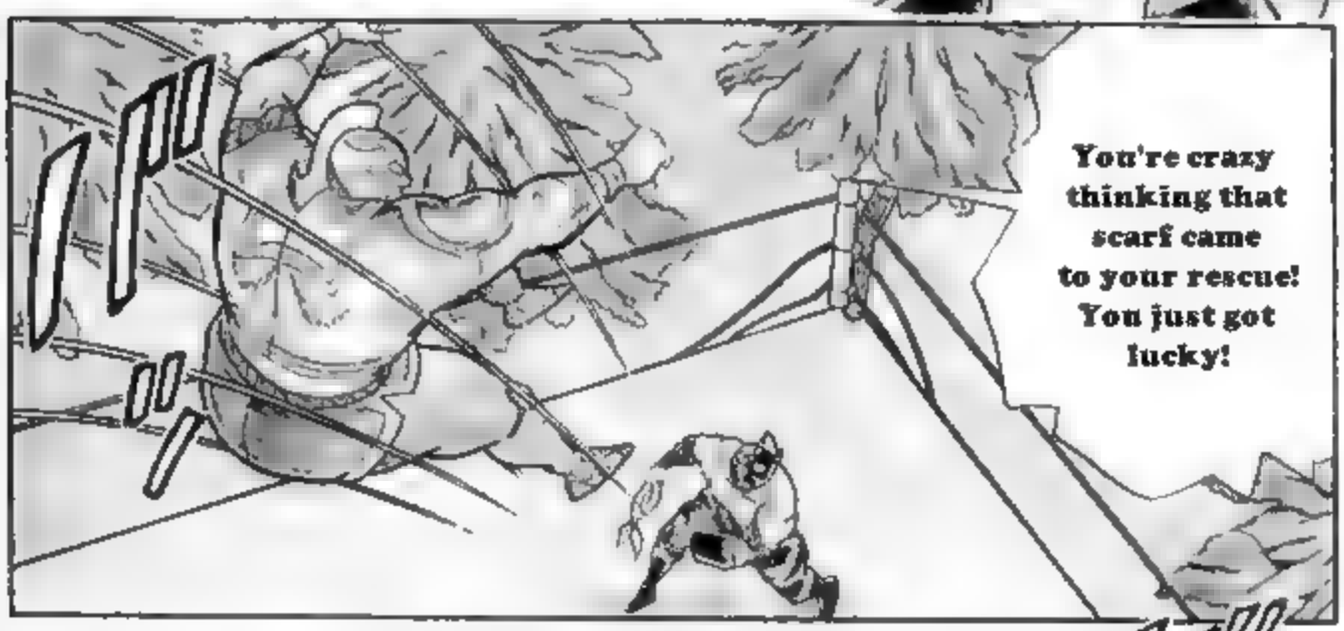


But Phoenix isn't down! He's getting back at the dazing Soldier with a Screw Kick!
Don't get too sentimental about your friends or you'll be seeing them soon enough, Soldier!
I-Is that scarf flying!?

Huh!?
Phoenix's been blinded by a scarf from nowhere and is being stalled!
What's with this scarf!? I can't see!
That could ended badly for me if it wasn't for that scarf...
Soldier's taken advantage of the opening and delivers a killer Elbow Drop!
Wait, that scarf!

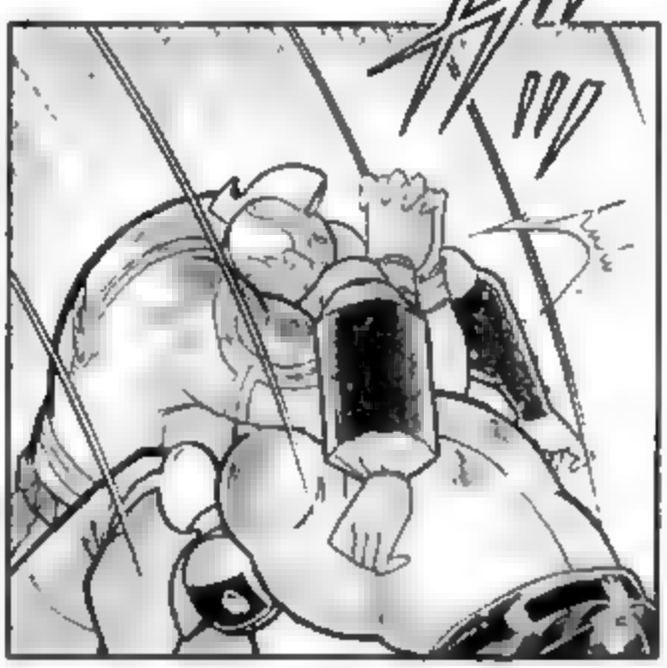
It can't be... This scarf came to help me when I was in trouble...

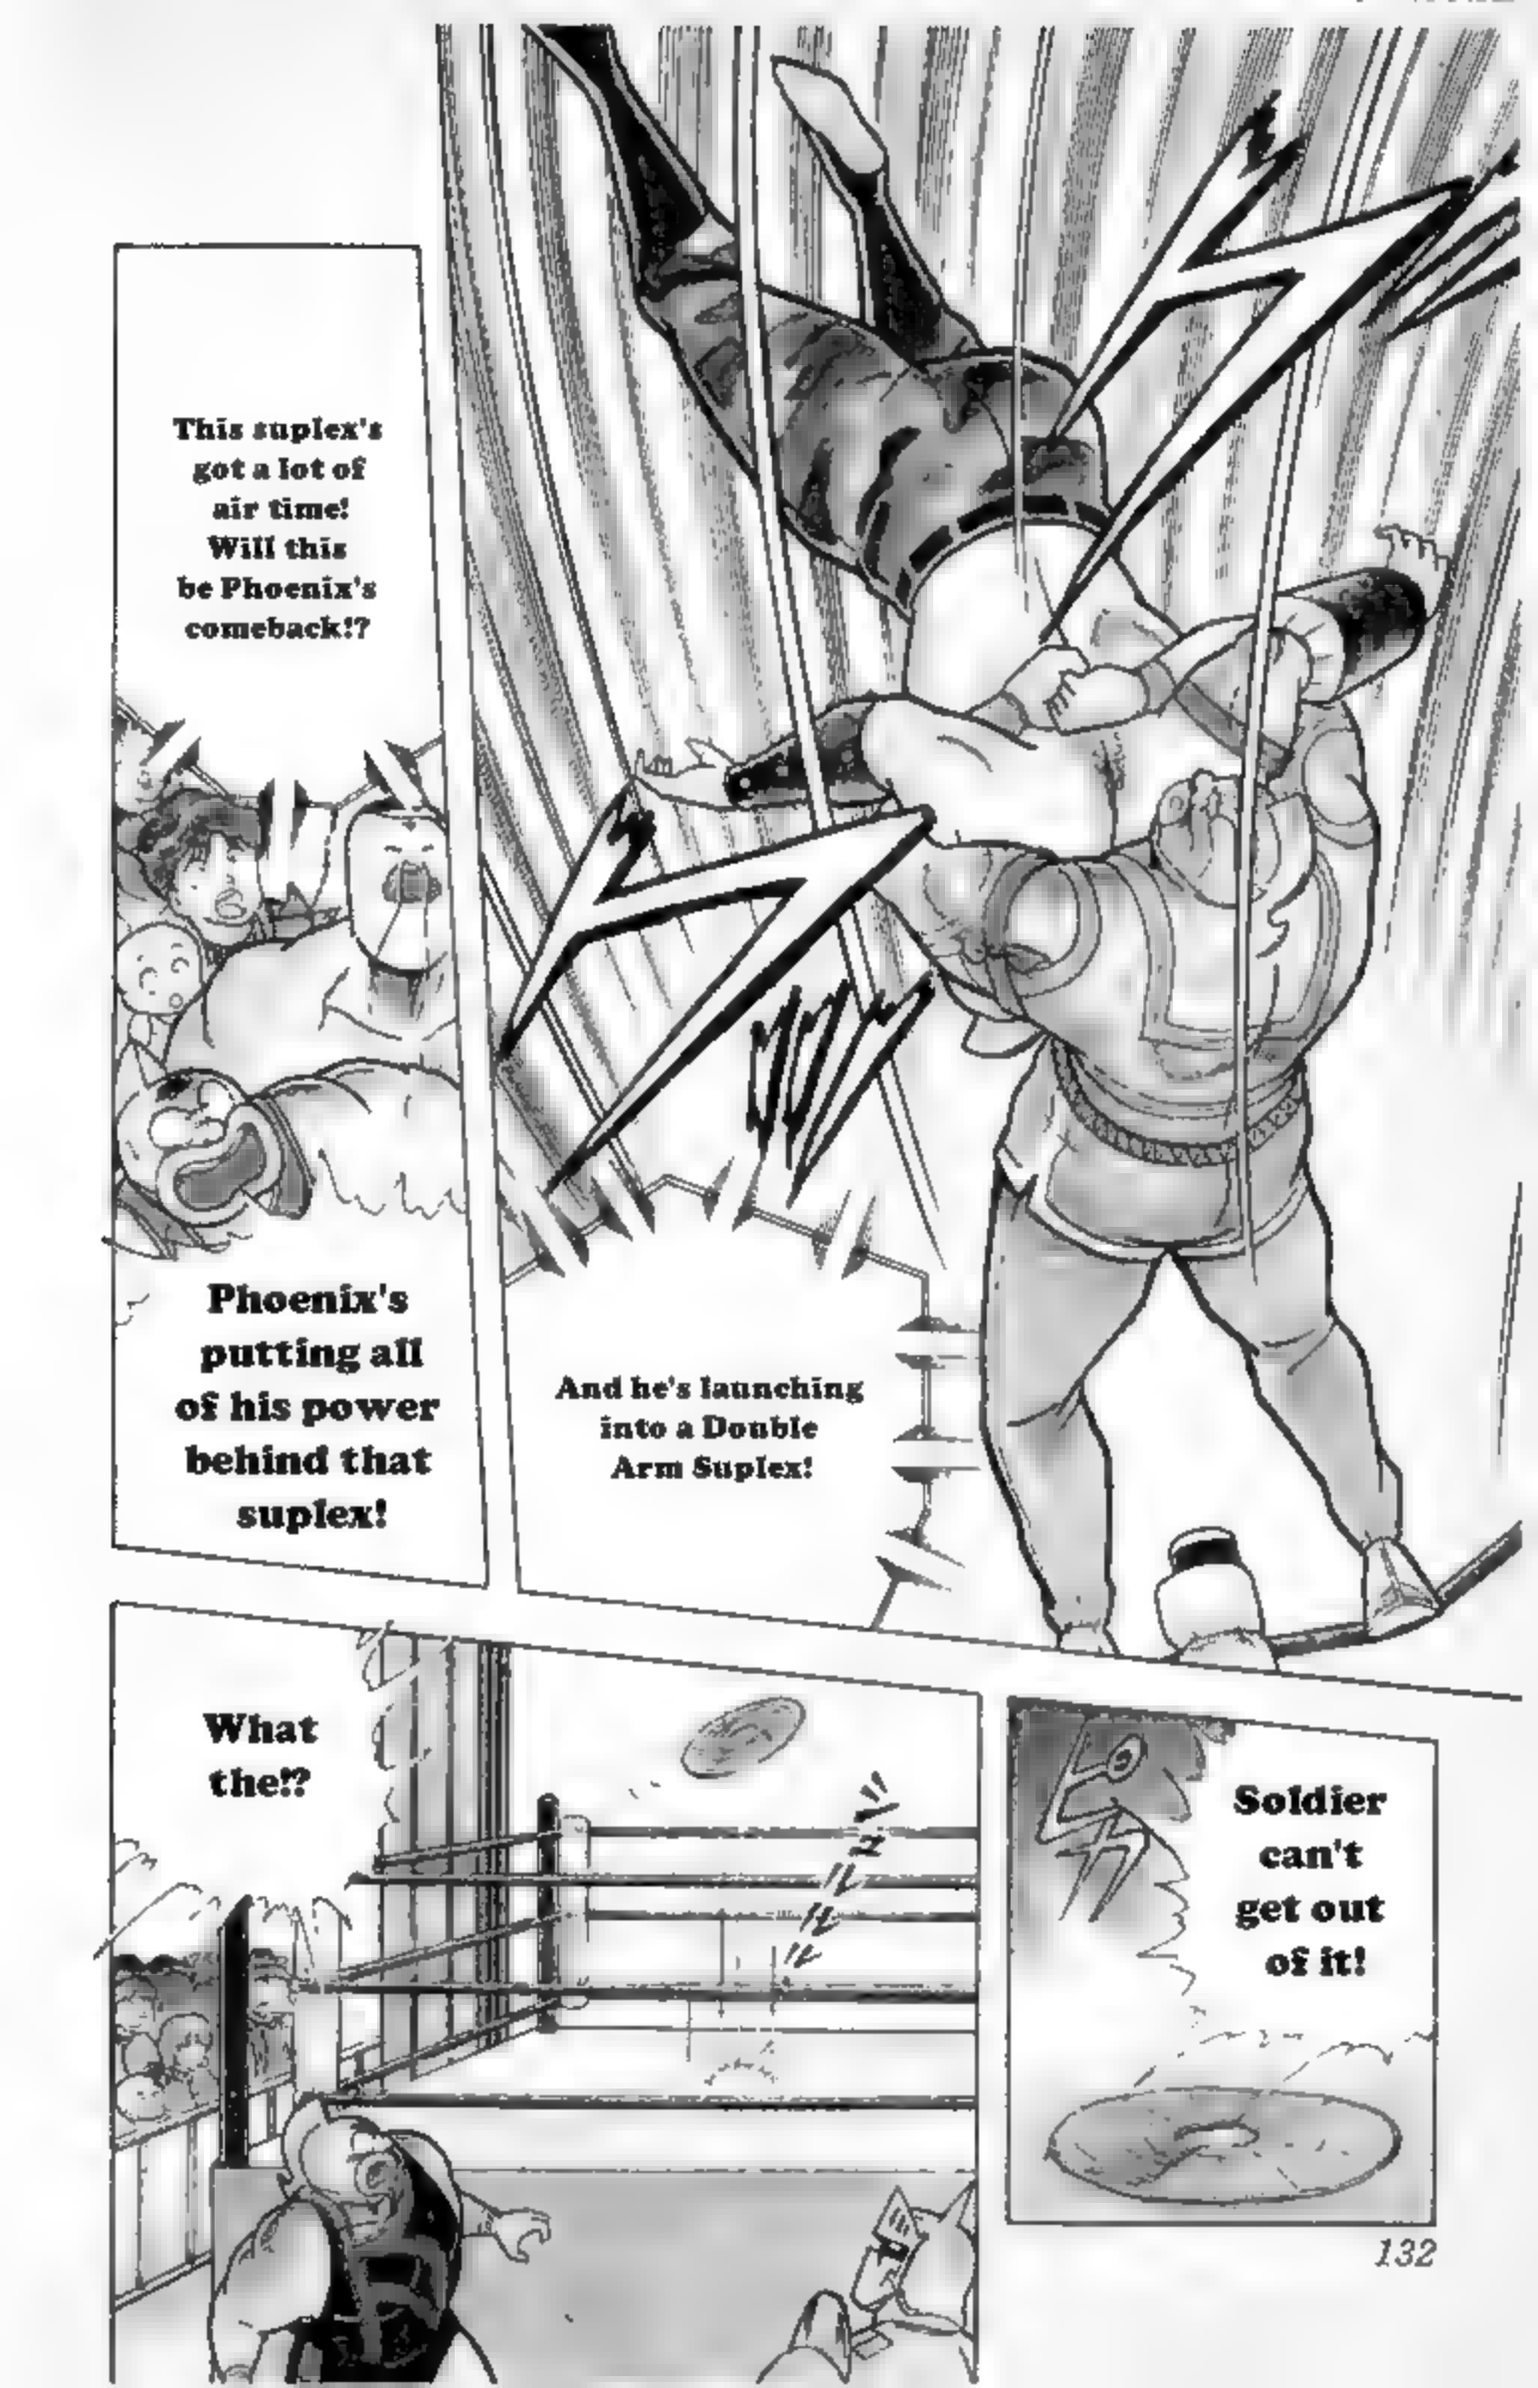
This scarf used to belong to The Ninja! He threw it away so he could keep fighting Satan Cross!



You're crazy thinking that scarf came to your rescue! You just got lucky!

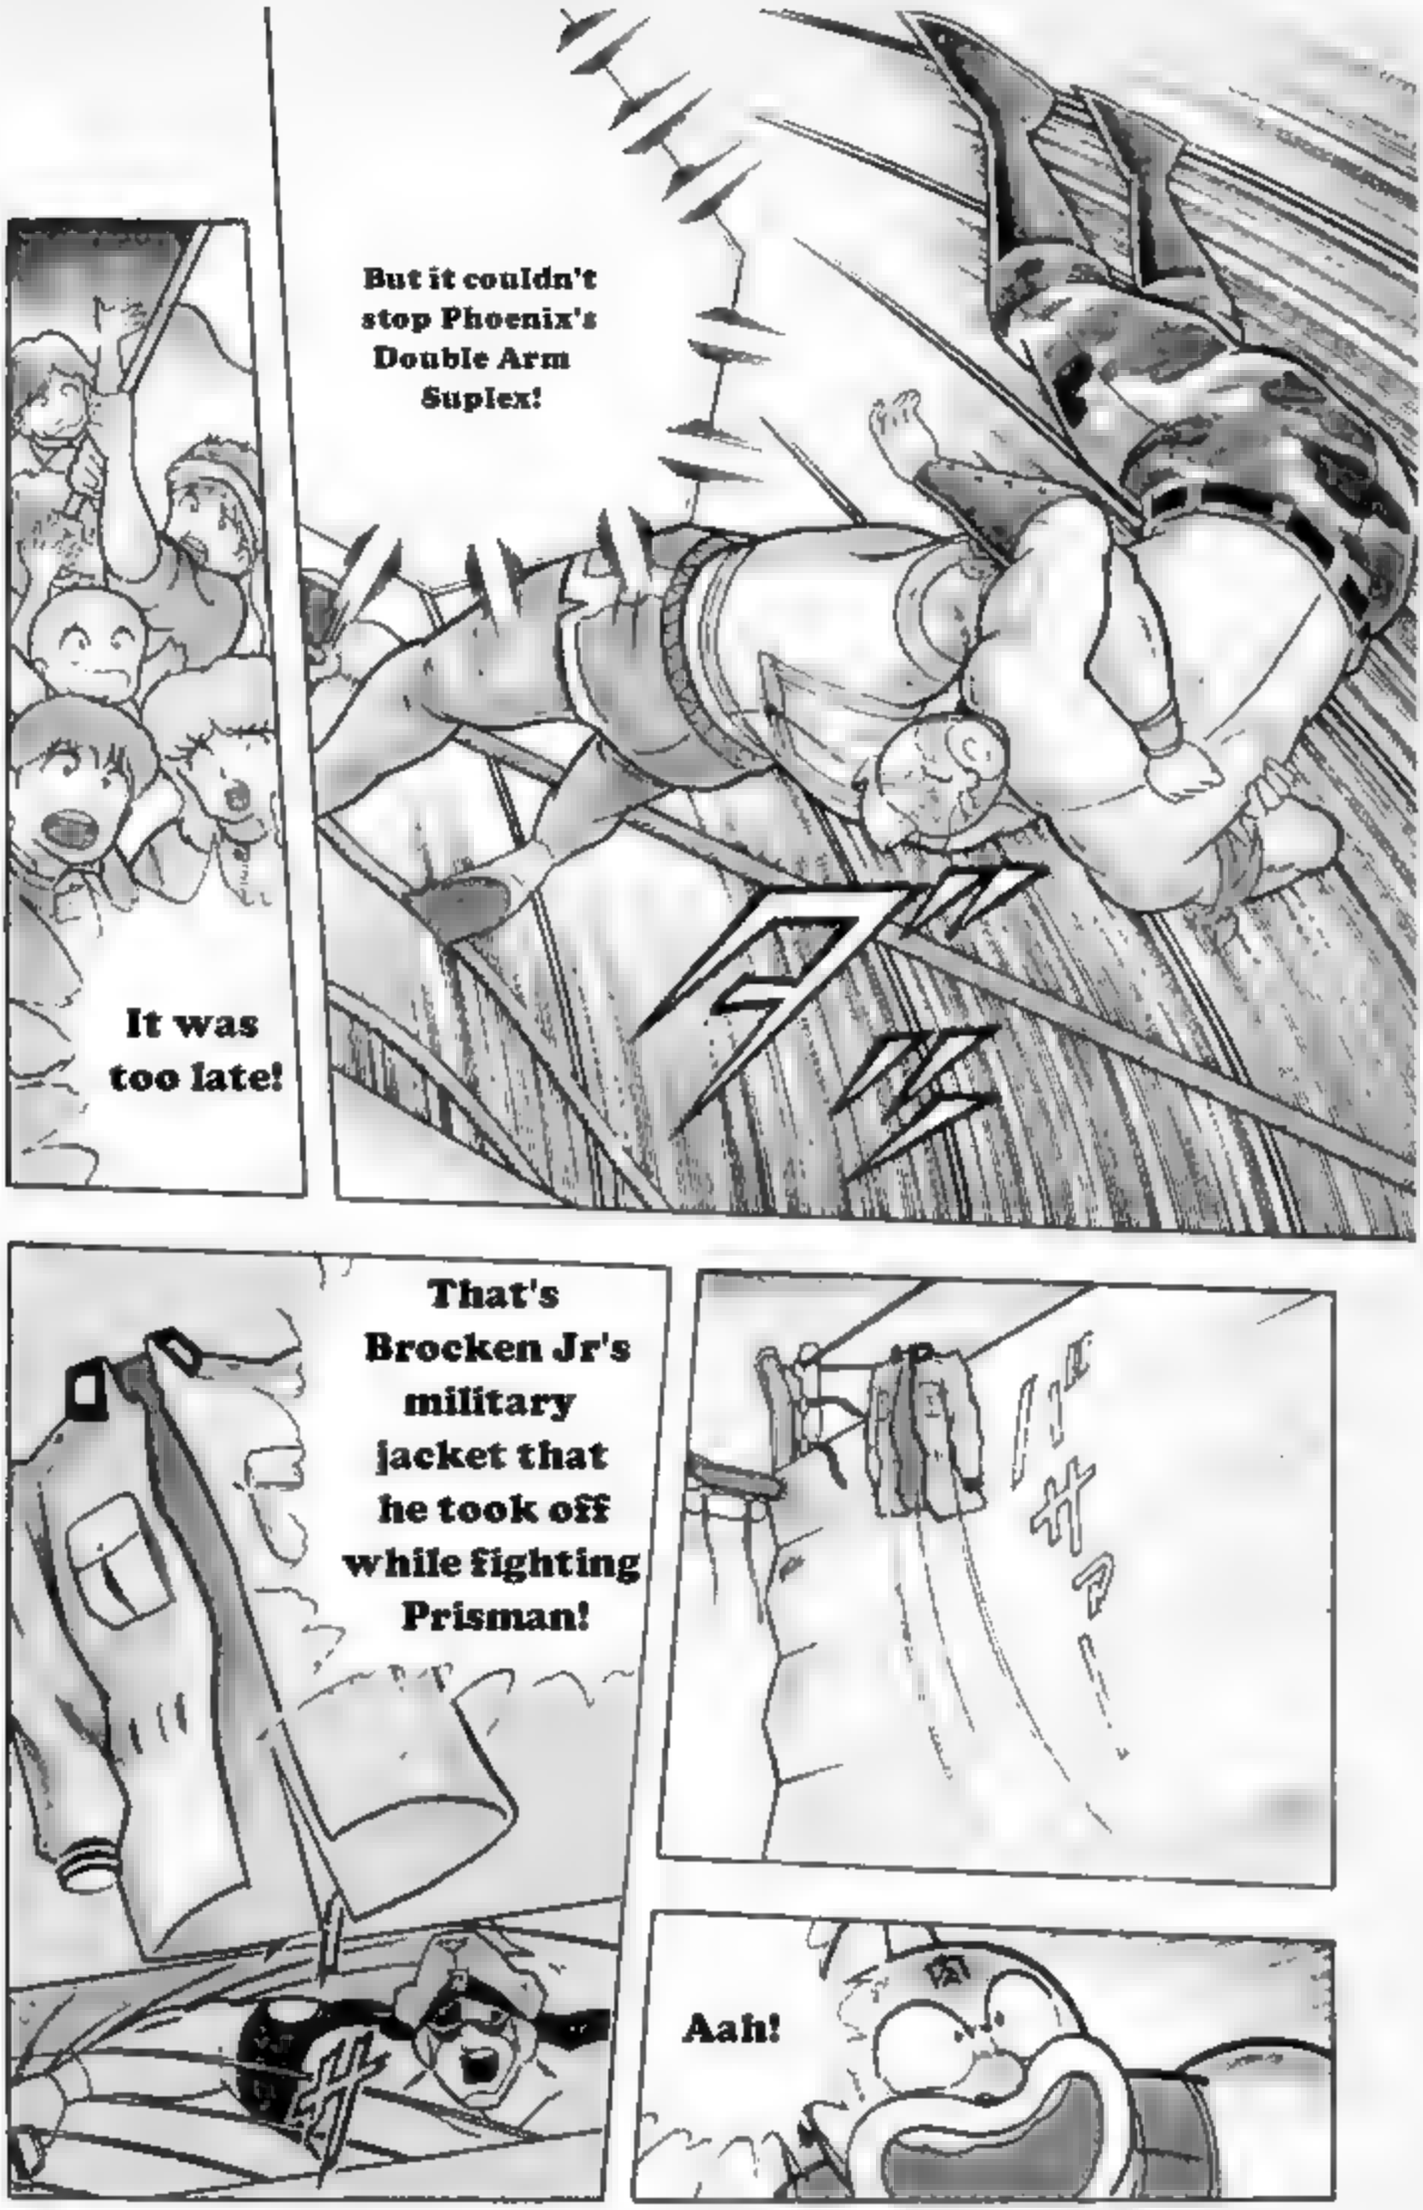
Phoenix's got Soldier on the top rope!





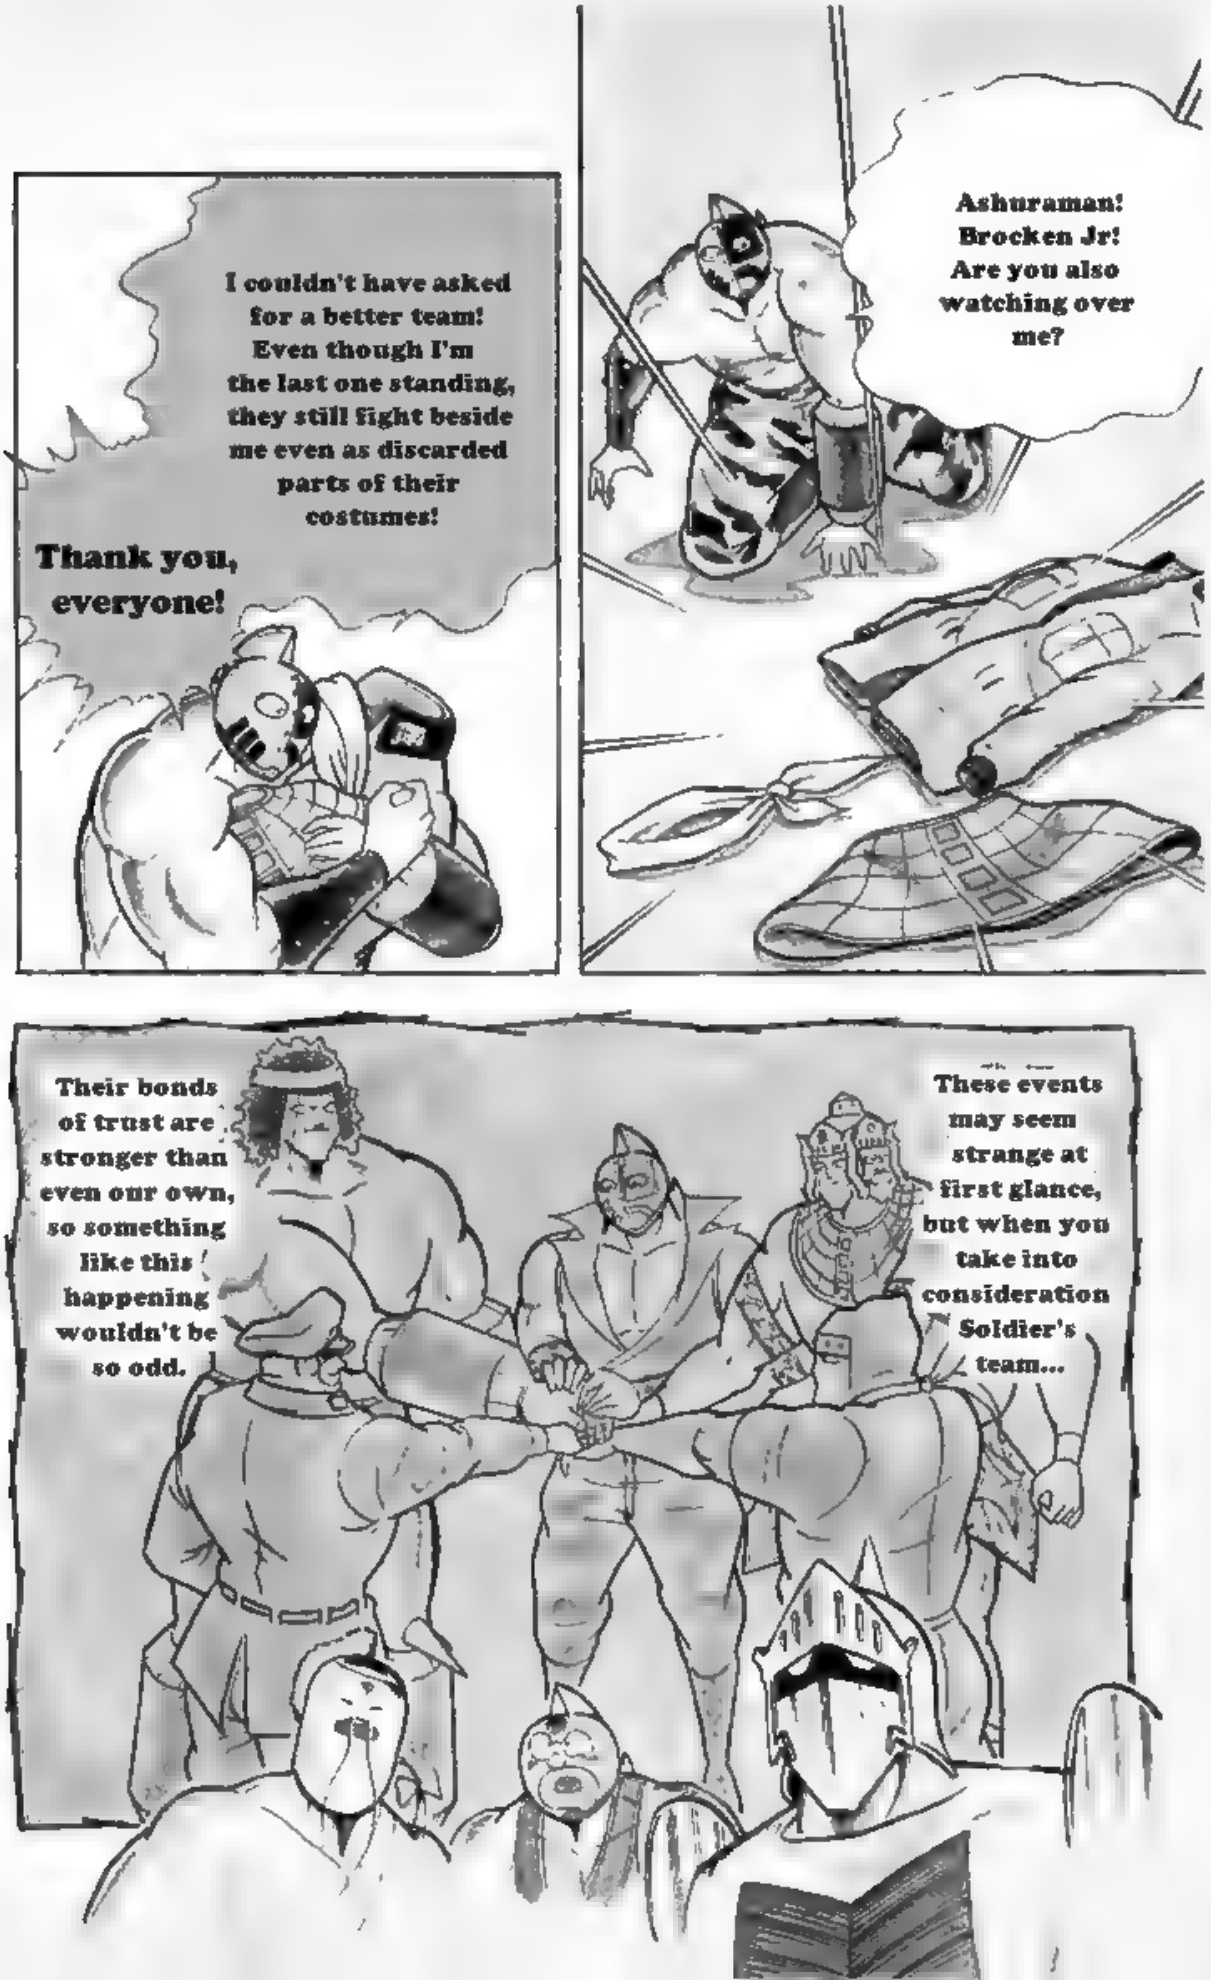
This suplex's got a lot of air time! Will this be Phoenix's comeback!?
Phoenix's putting all of his power behind that suplex!
And he's launching into a Double Arm Suplex!
What the!?
Soldier can't get out of it!

Phoenix's tossing Soldier with all of his strength!
Prepare to die, Soldier!
Isn't that Ashuraman's apron!?
Wait a minute! Something's flying into the ring!
Now it's Ashuraman's apron that's saved Soldier!
Uoo!
Isn't that Ashuraman's!?



But it couldn't stop Phoenix's Double Arm Suplex!
It was too late!
That's Brocken Jr's military jacket that he took off while fighting Prisman!
Aah!

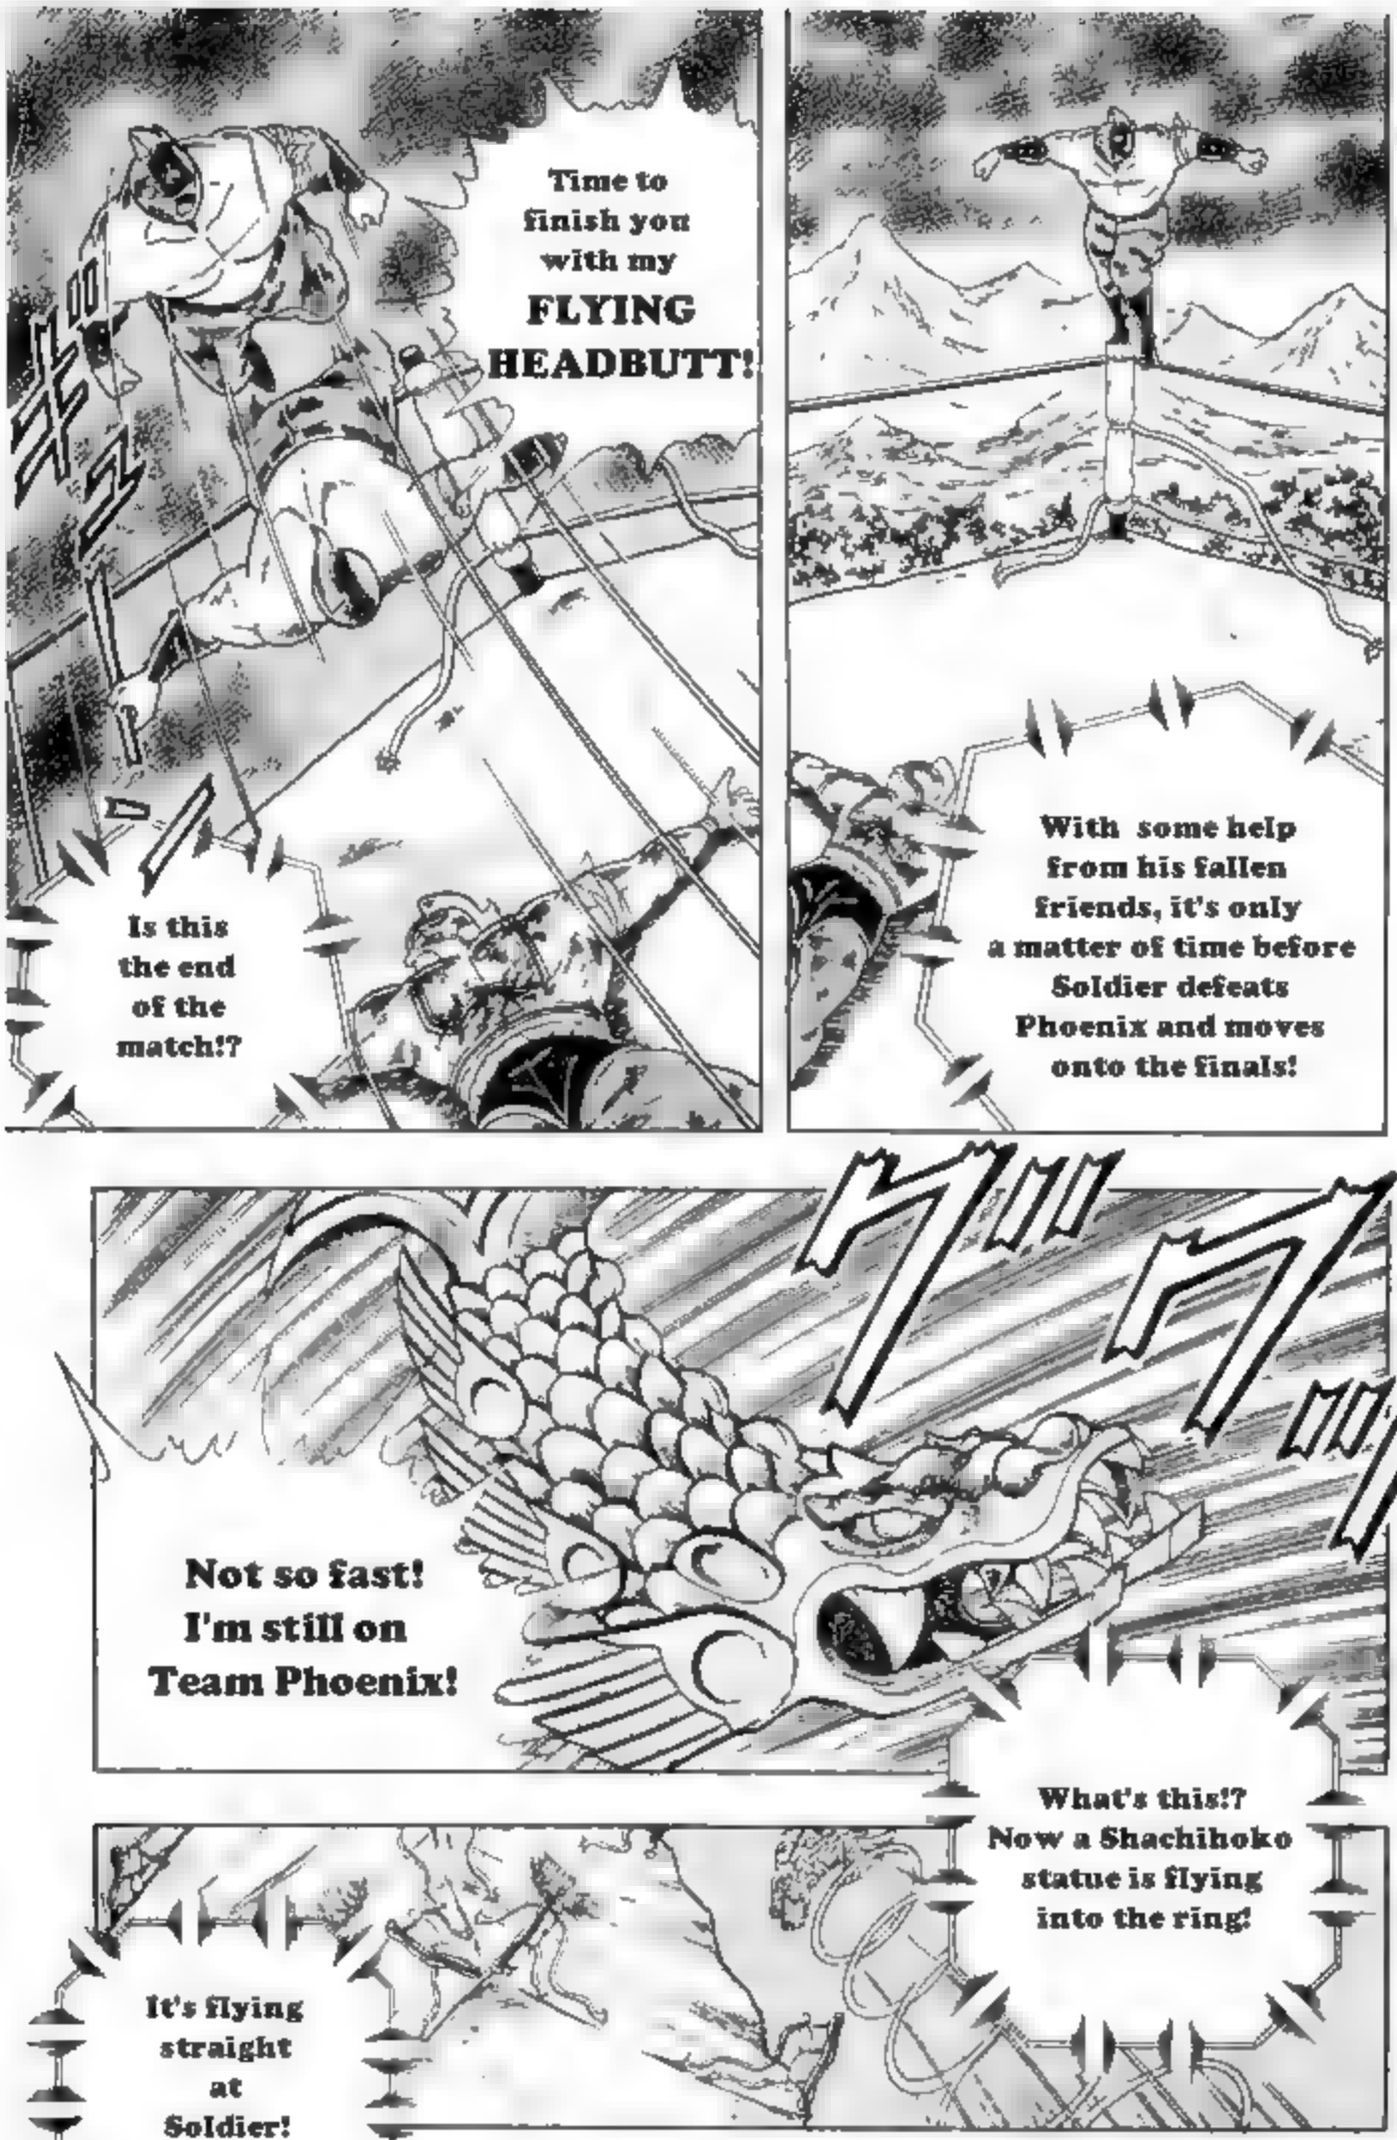
This can't be luck, folks! Now Brocken Jr's jacket has rescued Soldier by stopping him from crashing onto the canvas!



I couldn't have asked for a better team! Even though I'm the last one standing, they still fight beside me even as discarded parts of their costumes!
Thank you, everyone!
Ashuraman! Brocken Jr! Are you also watching over me?
Their bonds of trust are stronger than even our own, so something like this happening wouldn't be so odd.
These events may seem strange at first glance, but when you take into consideration Soldier's team...

Kin-niku-man...
.....
So Soldier's True Friendship Power even reaches down to the costumes of his fallen teammates...

Robin, Ramenman! We may just end up fighting Team Soldier in the finals!
And I'm not sure if the Idol Choujin's Friendship Power can truly win against their True Friendship Power!

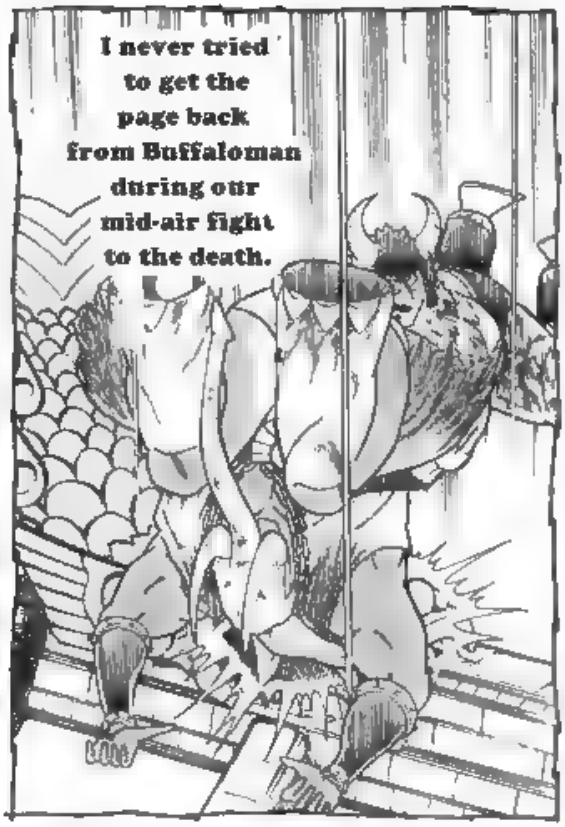


Time to finish you with my FLYING HEADBUTT!
Is this the end of the match!?
With some help from his fallen friends, it's only a matter of time before Soldier defeats Phoenix and moves onto the finals!
Not so fast! I'm still on Team Phoenix!
What's this!? Now a Shachihoko statue is flying into the ring!
It's flying straight at Soldier!

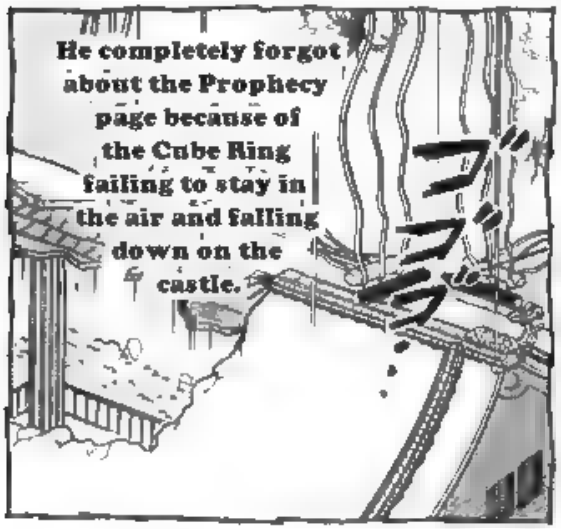
Hmm?
I can't believe it! Mammothman's gotten back up even after taking Buffaloman's dangerous Buffalo Bomb!
You skillfully avoided it as expected, Soldier.
Mammothman!? You're alive!?

So I could get
This!
Nngh! That's the page from the Muscle Prophecy with my identity written on it!
Everyone on Team Phoenix is practically immortal!
Then why did you fake being knocked out from Buffaloman's move?
大阪城
It can't be! Buffaloman's struggle to protect that page was for nothing now that Mammothman has the page!

He got careless.
his Buffalo Bomb had KOed me,
But when Buffalo-man thought

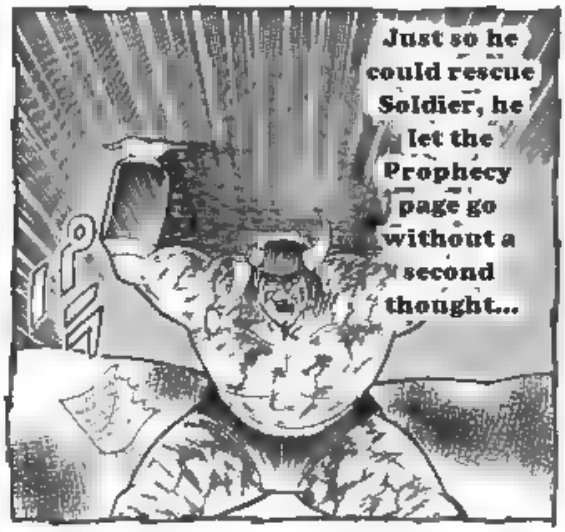


I never tried to get the page back from Buffaloman during our mid-air fight to the death.

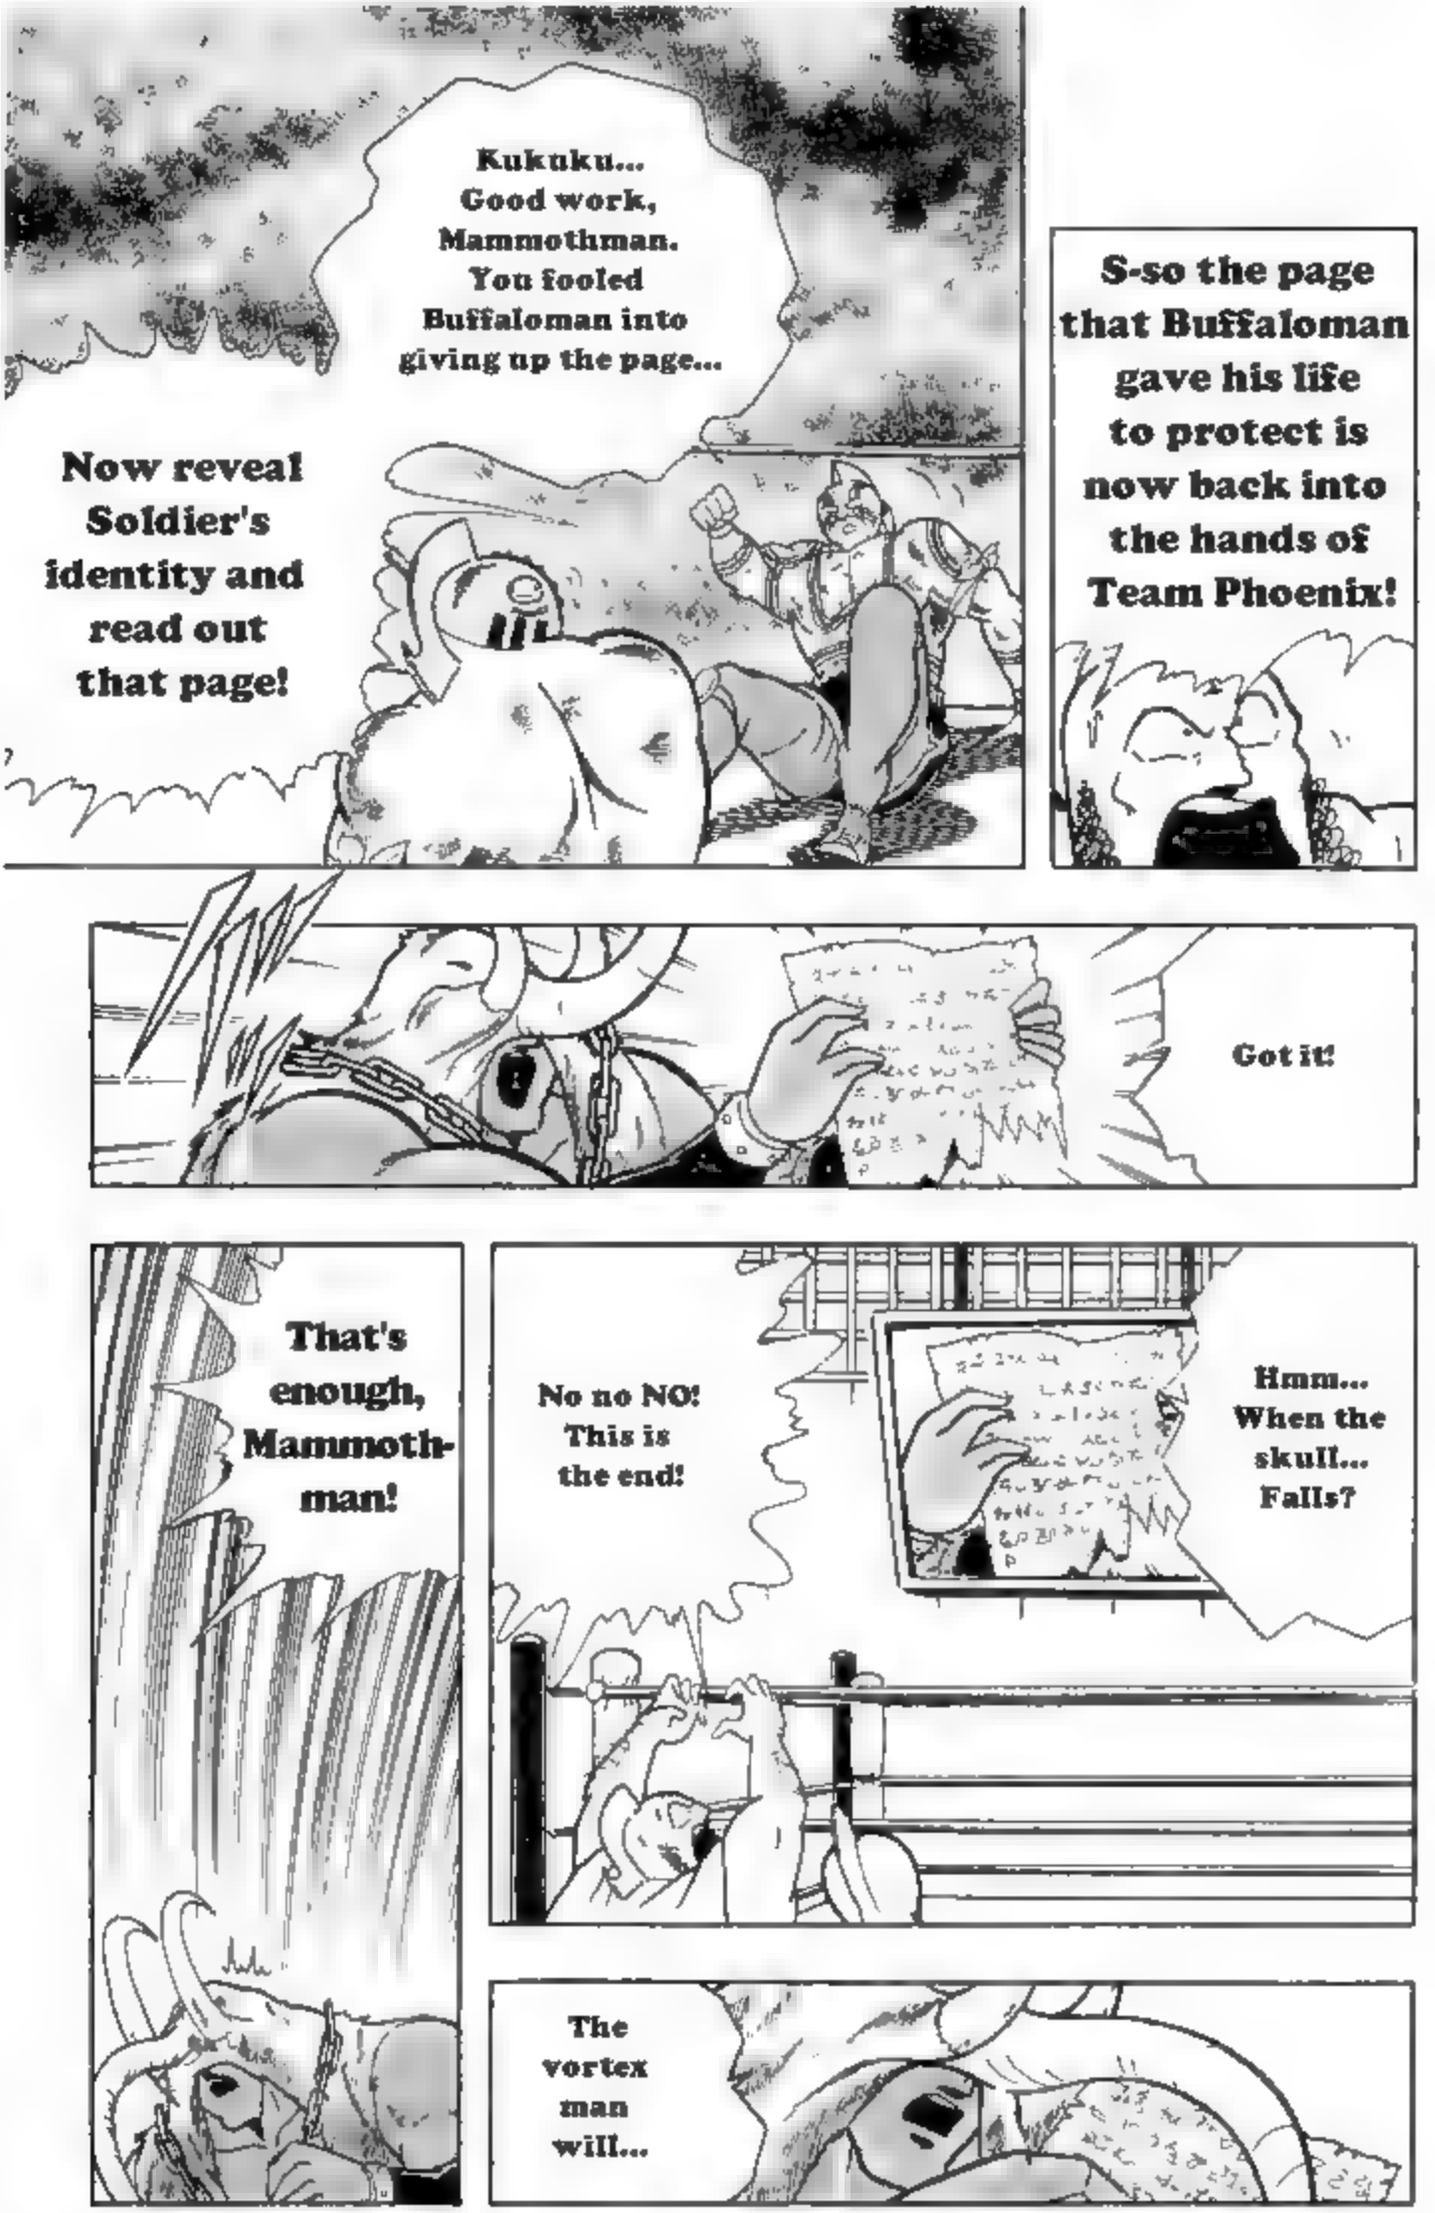


He completely forgot about the Prophecy page because of the Cube Ring failing to stay in the air and falling down on the castle.

And that's how I got the page while pretending to be KOed.



Just so he could rescue Soldier, he let the Prophecy page go without a second thought...



Kukuku... Good work, Mammothman. You fooled Buffaloman into giving up the page...
Now reveal Soldier's identity and read out that page!
S-so the page that Buffaloman gave his life to protect is now back into the hands of Team Phoenix!
Got it!
That's enough, Mammoth-man!
No no NO! This is the end!
Hmm... When the skull... Falls?
The vortex man will...

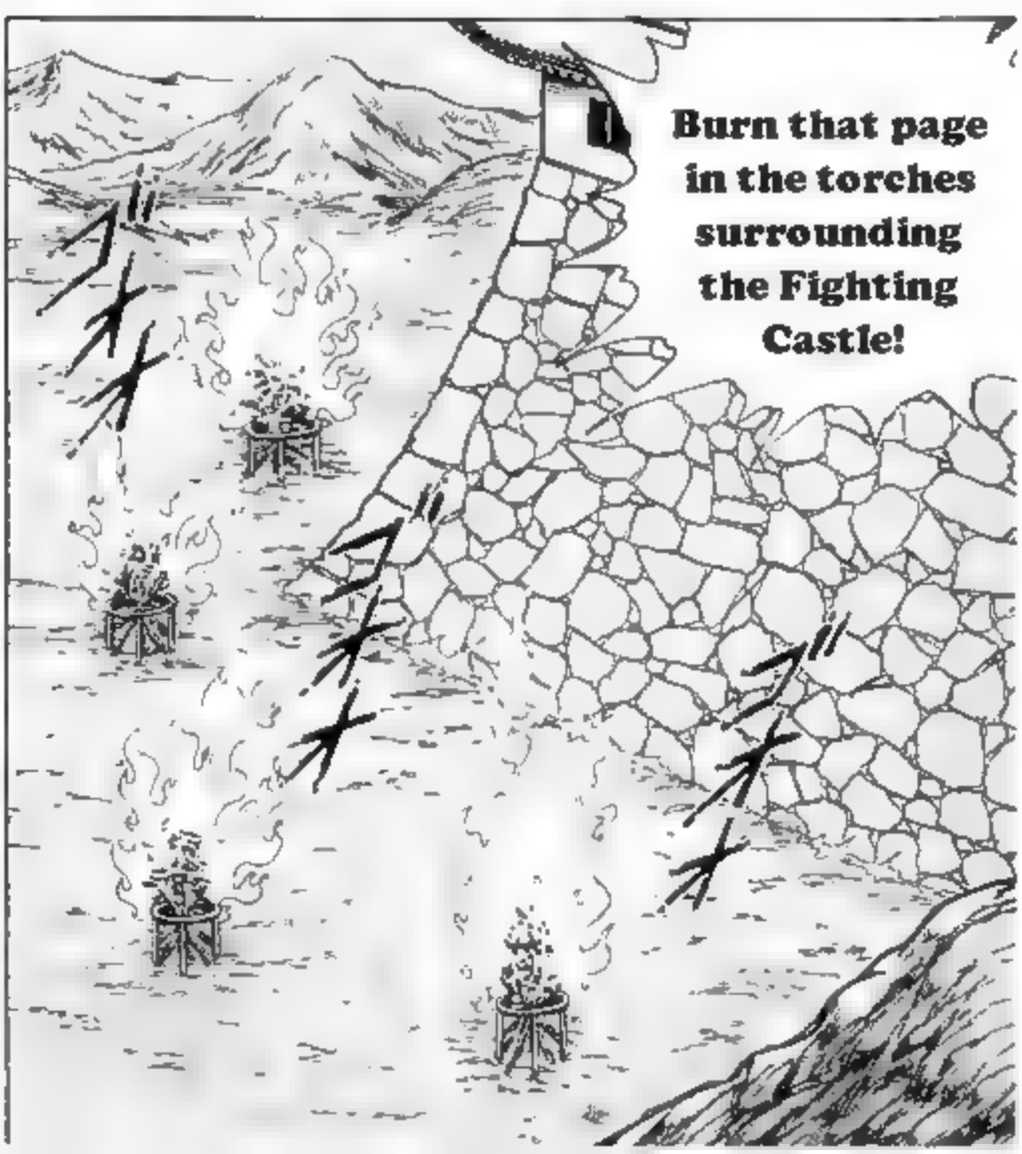
Don't worry about me, Mammoth-man! Read that page!
B-But...
Soldier's got Phoenix in a Brain Buster now!
You read one more word from that page and I'll drop Phoenix right off this Cube Ring!
Good barganing, Soldier!
Do you really think this is just a threat?
Grrr... Damn it.

Guwaah!
W-what!? Soldier's body is contorting for no reason!
?.....
AH!
Huh? Did his body twist when I scrunched the page up?
Aah!
it must also be connected to his very being! This page is Soldier's existence!
Maybe it's because since this page has Soldier's identiy written on it,

Right!
So when you twisted that page, you twisted Soldier's body!

Hehehe...
Mammothman, I've got a little fun idea.

Alright!



Burn that page in the torches surrounding the Fighting Castle!

No...
All of the prophecies in the Muscle Prophecy predict the futre with absolute certainty!
Burning a page from it would be like erasing history!
So burning Ataru's page will end up removing him from history, ending his existence!

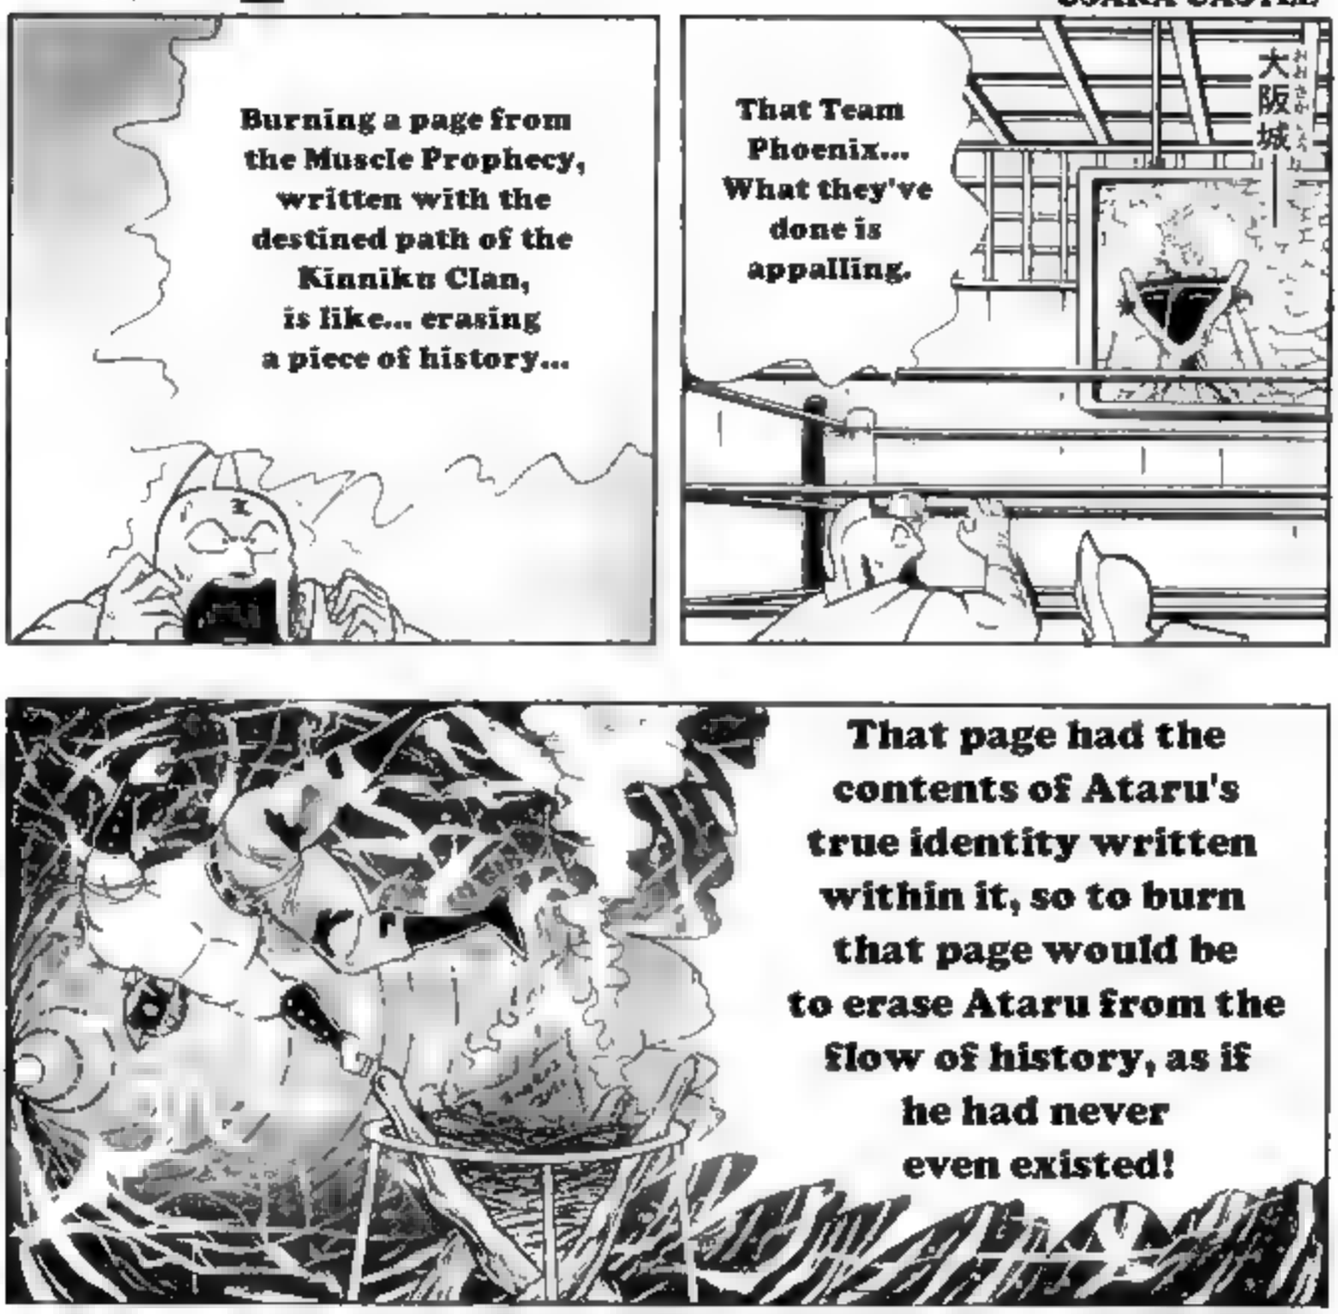
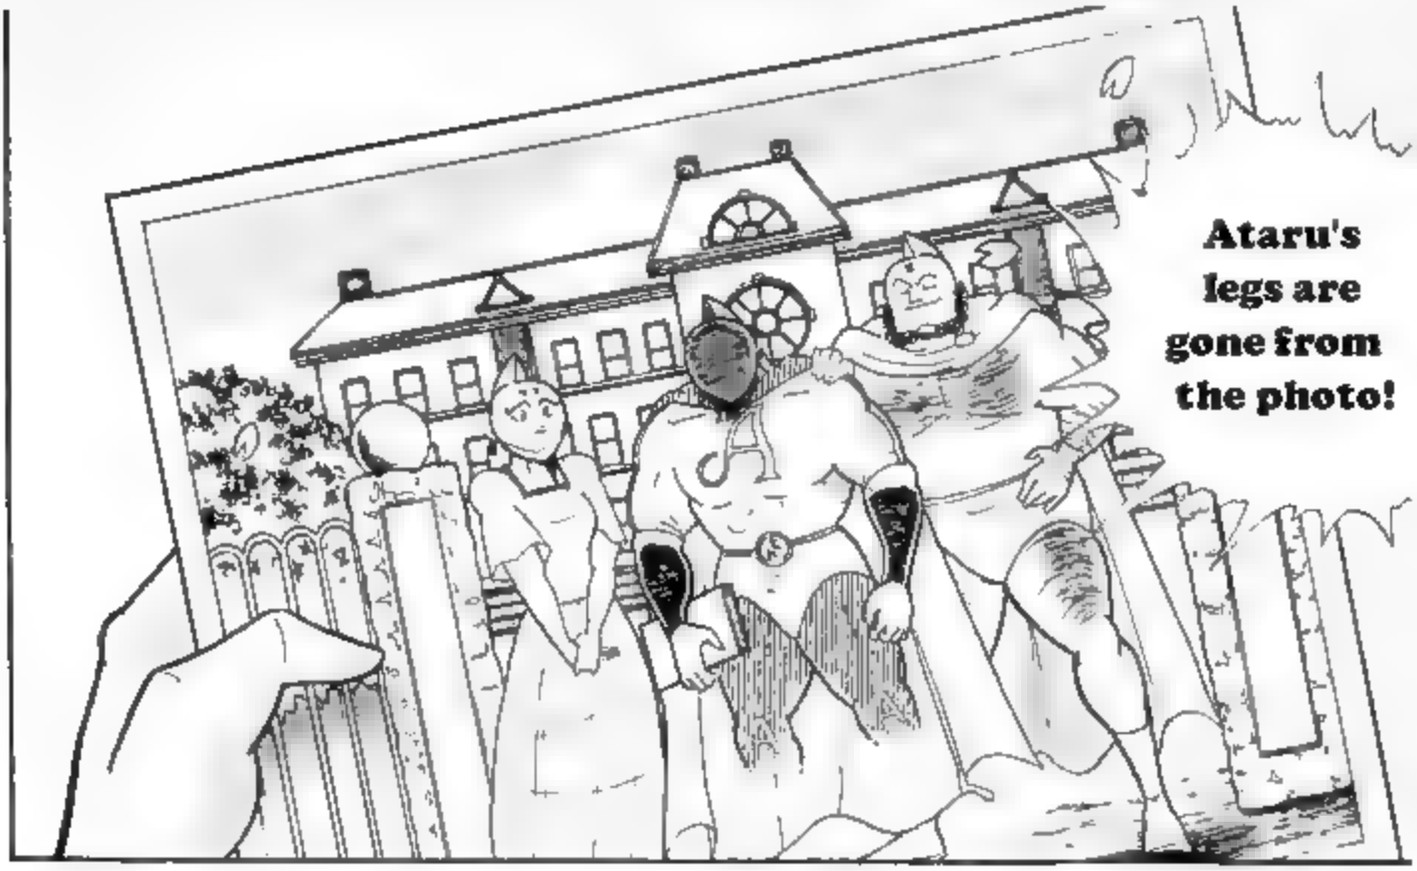
Whuh... What's going on? I can't feel my legs, like they're not there at all...
Fufufu... It's as I thought it would be.
That page really is connected to Soldier's physical being.

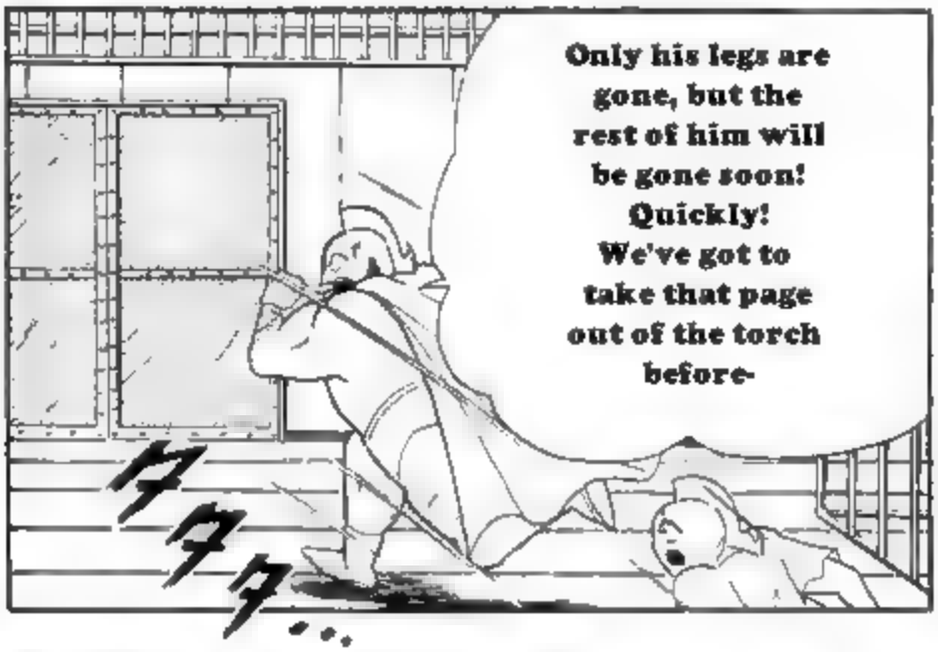
OSAKA CASTLE



Burning a page from the Muscle Prophecy, written with the destined path of the Kinniku Clan, is like... erasing a piece of history...
That Team Phoenix... What they've done is appalling.
大阪城
That page had the contents of Ataru's true identity written within it, so to burn that page would be to erase Ataru from the flow of history, as if he had never even existed!
Oh no! The photo!
Ooh, isn't that the school photo we took with Ataru when he enrolled into Planet Kinniku High School?
I... I can't take it! No matter how badly he rebelled against his training to become the next king, he's still our irreplaceable son! To think he'll cease to exist soon...



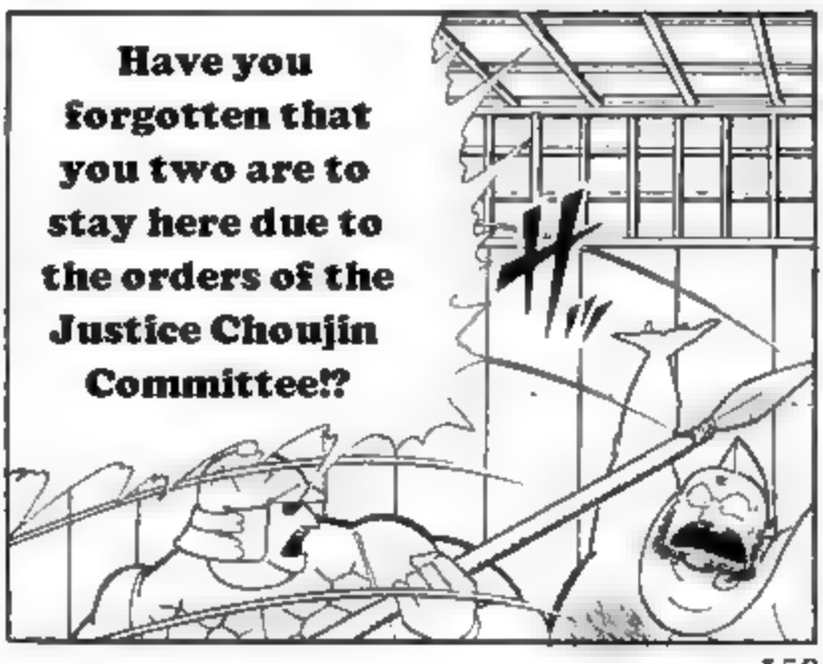
Ataru's legs are gone from the photo!



Only his legs are gone, but the rest of him will be gone soon! Quickly! We've got to take that page out of the torch before-

The page burning's already affecting our history!

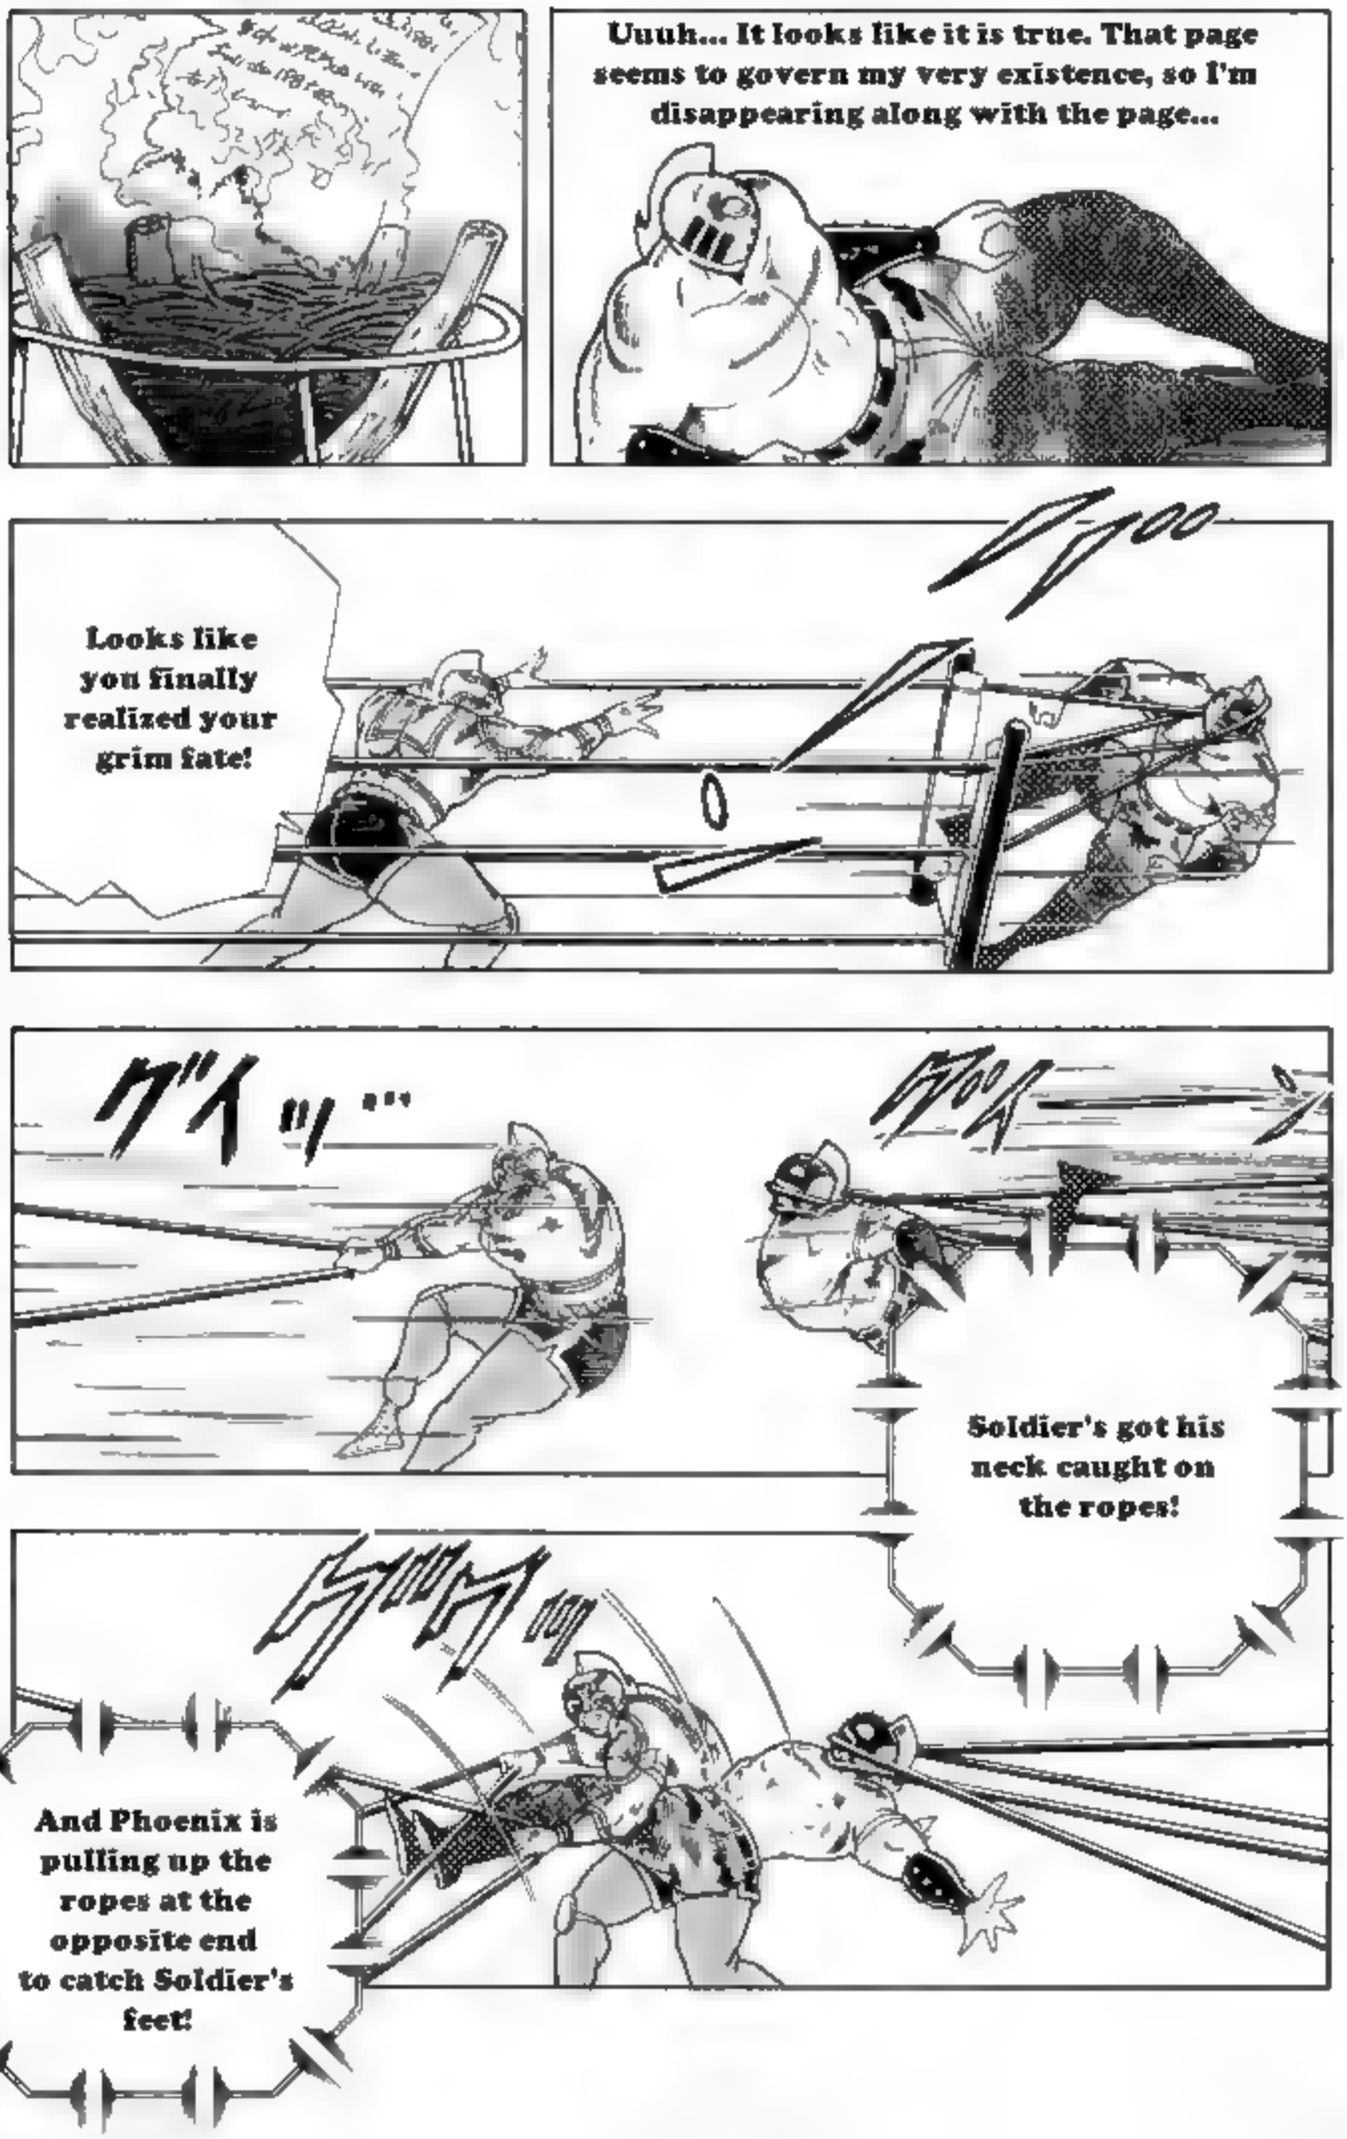
Nugh... Our son's existence is being erased and yet we can't do a thing... This is unfortunate...



Have you forgotten that you two are to stay here due to the orders of the Justice Choujin Committee!?

Ooh! The fading's spreading fast!
Hahahaha! Is the calm and collected Soldier panicking already?
Phoenix's shooting for Soldier with a Dive Bomb!
N-no! I can't dodge this! My legs won't move!
Hah! Soldier should be able to dodge this Diving Headbutt easily!
Soldier took Phoenix's attack without even trying to dodge it! What's going on with him?

Simple. Your legs are fading out of existence!
H-how?
GAH!
Phoenix's just tormenting the frightened Soldier by following up with a Jumping Pile Driver!



Uuuh... It looks like it is true. That page seems to govern my very existence, so I'm disappearing along with the page...
Looks like you finally realized your grim fate!
Soldier's got his neck caught on the ropes!
And Phoenix is pulling up the ropes at the opposite end to catch Soldier's feet!

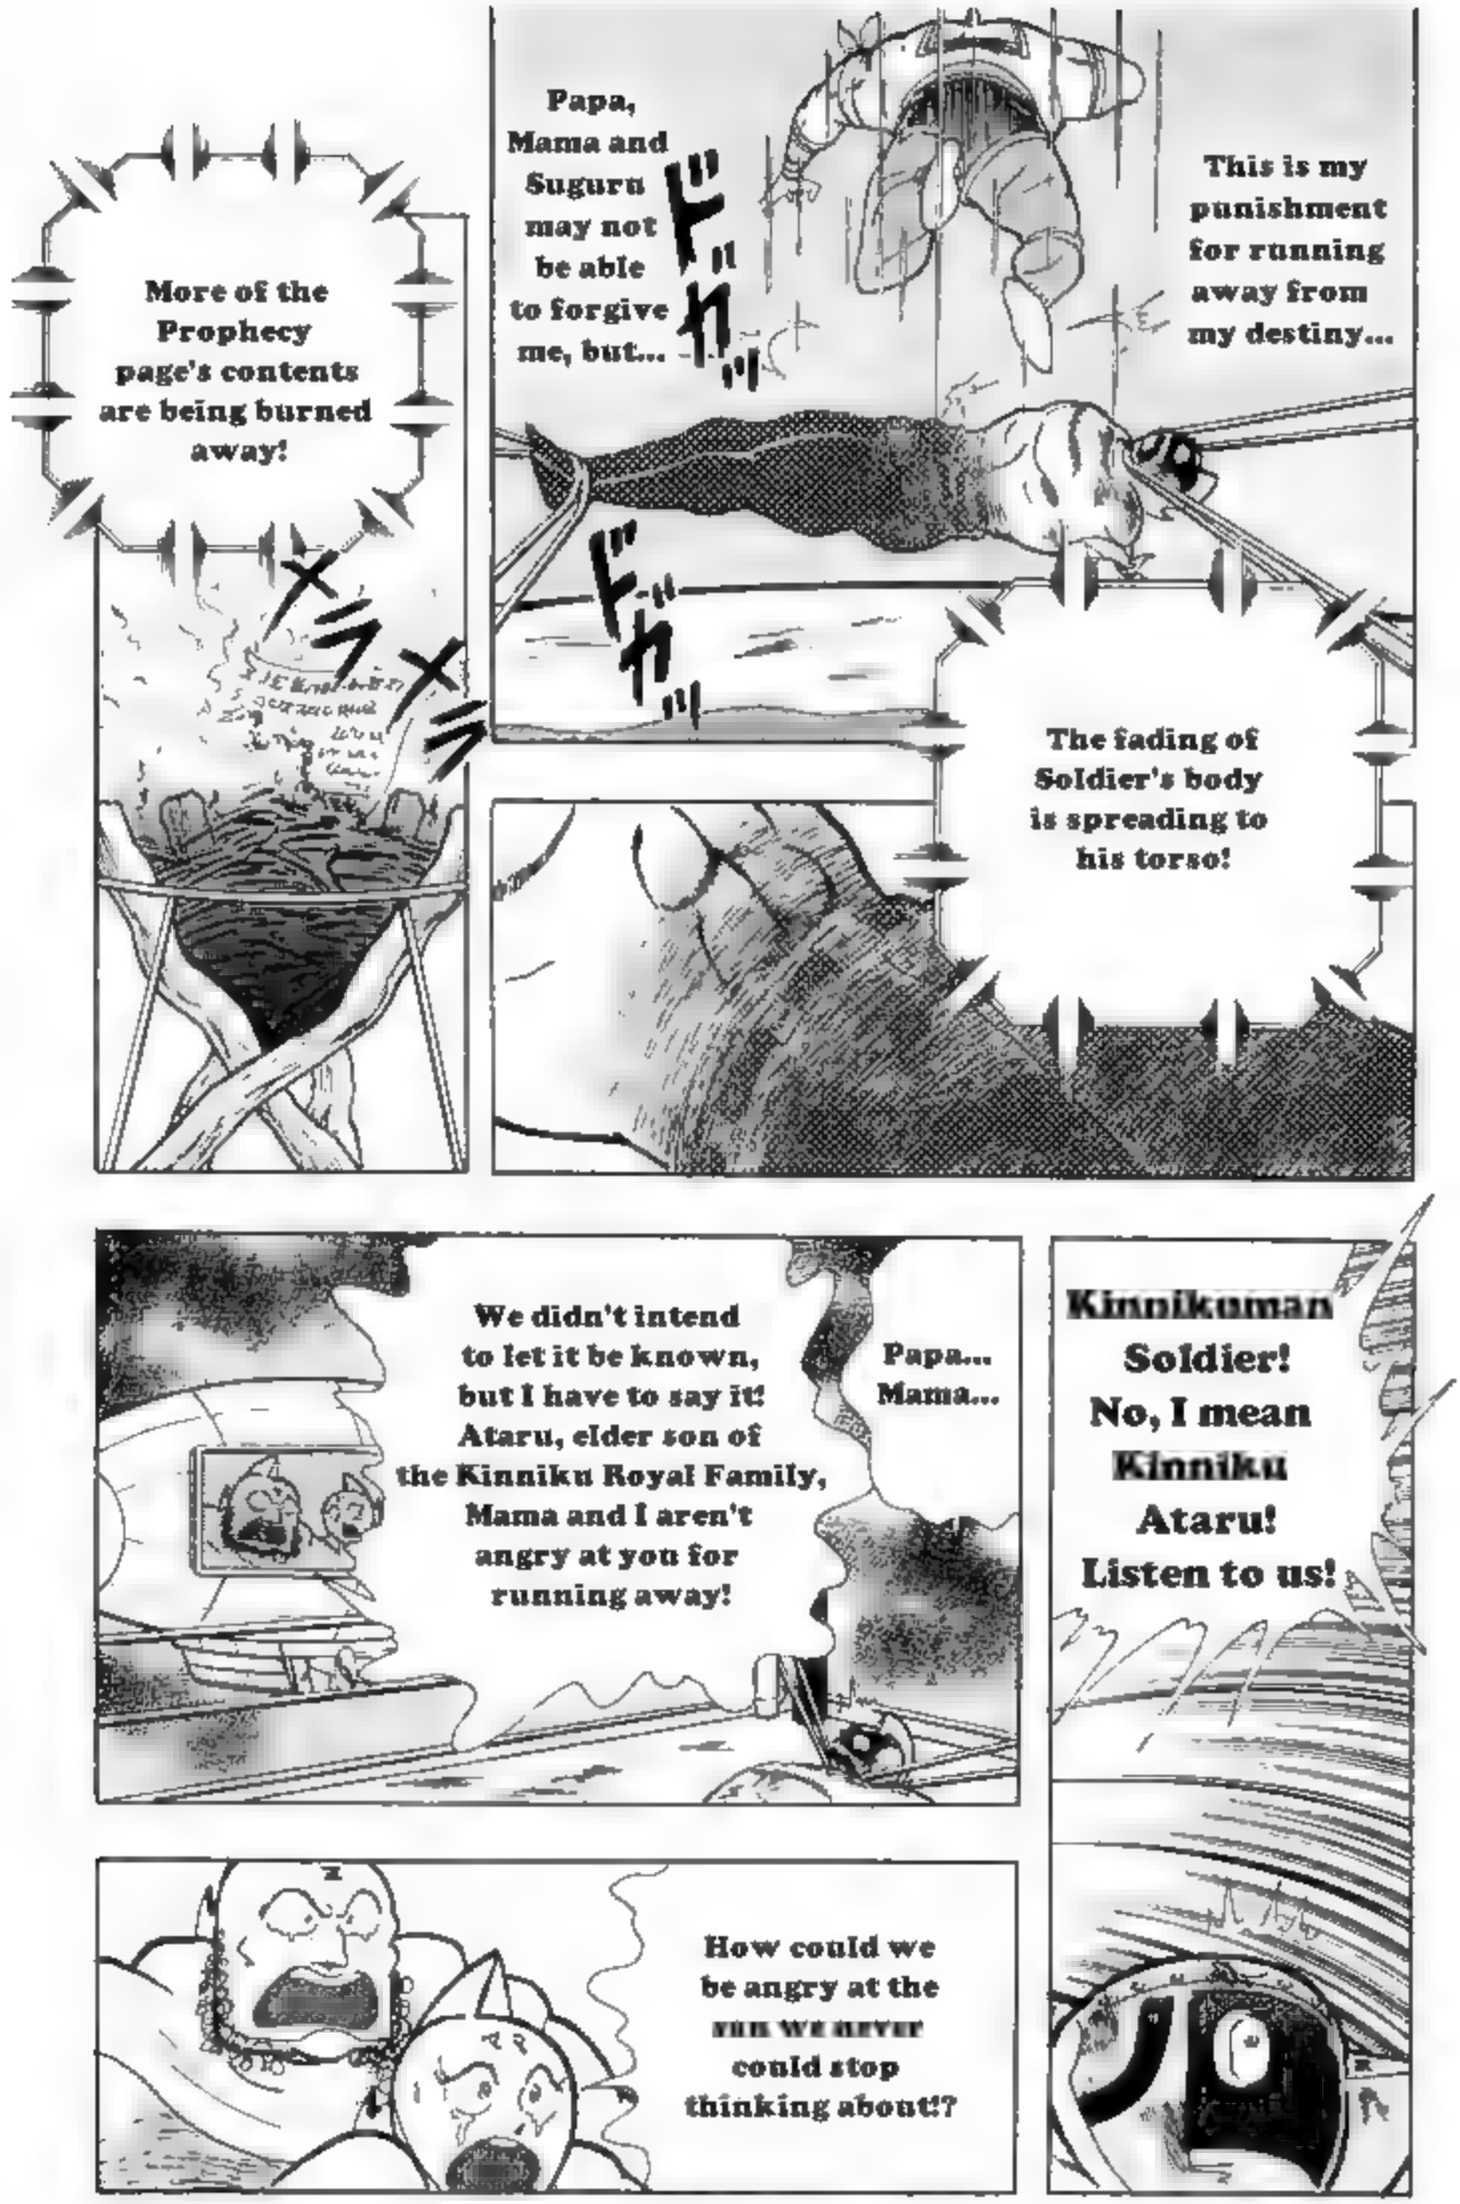
I've heard of how criminals in Japan's Edo period were torn apart when their head and legs were tied to oxes running in opposite directions!
That gave me the idea for the CHOUJIN BULL CLEAVING SENTENCE: RAGING OX!

Now confess your identity, Soldier!
No matter how stubborn a man can be, the pain of this sentence should make him confess all his crimes!
This is horrible! Phoenix's knee dropping Soldier's trunk, which is already being strung out by the ring ropes!
あぁ

Are you related to the Kinniku Clan!?
Soldier's body being torn in two!
Keep up the tough talk! I'll make you spit the truth out no matter what!
Phoenix, no matter how much you hurt me, the only thing leaving my mouth is blood.
.....!!

Soldier, why are you letting Phoenix hurt you? You can counter this!
Ah!
Why do I let him hurt me? I guess you could say it's to atone for my past...
I don't know! But seeing Soldier get hurt so badly makes me want to weep for some reason!
Kinnikuman, I thought we agreed earlier that Soldier and Phoenix were still our enemies. Why are you rooting for Soldier all of a sudden?

Then I would've inherited the throne and my baby brother could've enjoyed a a trouble free life...
If I hadn't rebelled and ran away...
All to protect the peace of the Justice Choujin world...
Fighting against Brutal Choujin, Devil Choujin, Perfect Choujin...
But since I had ran away, he was left fighting alone against terrible opponents.
Even this battle could've been avoided had I stayed and inherited the throne, instead of allowing this tournament to happen and cause those Throne Candidates to perish...
I felt so ashamed that I didn't help him fight, even though I saw all his fights...



More of the Prophecy page's contents are being burned away!
